But as they race to uncover what's really happening behind the high walls of St. Adrian's Academy, it becomes clear that supernatural forces have been at work here for generations. And now their focus is on making sure Dani and Tommy don't interfere. THE END OF THE ROAD Apr 01 2020 The End of the Road is a controversial call to reconsider our American infrastructure, right now before our "stimulus package" is lost on projects with little long term value. As a society, we have not yet noticed the true direction and dire consequences we are forced into by our choices in infrastructure past, present and future. The implications affect almost every area of our lives, from our physical health to that of our economy to our social, ethical and political relations with neighbors whether they are local or across the globe. Whether our goods and services come to us from near or far away.

**The East Salem Collection** Apr 25 2022 All three novels from Lis Wiehl's supernatural mystery series are now available in one collection! "This smart, spooky, high-stakes mystery engaged my mind and my spirit. Tommy and Dani's battle against the seen and unseen forces rising in East Salem has only just begun, but I'm fully invested in their journey." —Erin Healy, bestselling author of *Motherless* and *The Baker's Wife* *Waking Hours* *Welcome to East Salem*. A deceptively sleepy town

where ancient supernatural forces are being awakened. A local high-school girl is found murdered in a park amid horse farms and the wealthy homes of northern Westchester County, New York. The shocking manner of her death intrigues forensic psychiatrist Dani Harris. All the suspects are teenagers who were at a party with the girl—yet none remembers what happened. Could one of them be a vicious killer? Or is something more sinister afoot—something tied to an ancient evil? *Darkness Rising* The evil in East Salem is no longer content to hide in the shadows. The stakes—and the darkness—are rising. Dani Harris thought there wasn't much left that could surprise her after serving as a forensic psychiatrist in East Salem. And Tommy Gunderson has faced few challenges in his life that he couldn't overcome by either physical strength or his celebrity status. But as they race to uncover what's really happening behind the high walls of St. Adrian's Academy, it becomes clear that supernatural forces have been at work here for generations. And now their focus is on making sure Dani and Tommy don't interfere. *Fatal Tide* In East Salem, the elite St. Adrian's Academy is at the nexus of a satanic apocalypse—and the fatal tide is rising. When Hieronymus Bosch's *Garden of Earthly Delights* is reunited with the pagans who commissioned it, a dark prophecy begins to unfold in East Salem, beginning with a savage double-murder by hellish creatures straight out of the painting itself. The lone survivor of the attack, a seventeen-year-old Brit, finds sanctuary at Tommy Gunderson's home—and the place is soon surrounded by demons who seem to be biding their time . . . but for how long? "A gripping plot, intriguing characters, supernatural underpinnings, and a splash of romance make *Waking Hours* a fast-paced and thoroughly enjoyable read. I want the next book in the series now!" —James L. Rubart, bestselling author of *The Man He Never Was* and *Rooms*

A recently heartbroken and newly-qualified veterinarian, she will take any job that gets her away from Seattle—for now. He's the last person she expected—or wanted—ever to see again. This is the guy who thinks he's God's gift to women; who breezed through vet school without studying and who betrayed her in a way she'll never forgive. She thinks he's an arrogant party boy; he thinks she's an uptight perfectionist. Now he's in her clinic, and the fluttering in her stomach must mean she's still mad at him. It seems they have both been hired for the same job—and now neither is backing down. **India-Pakistan Trade Normalisation** Jan 23 2022 This book explores the unfinished India–Pakistan Trade normalisation agenda (building upon the themes covered in the book “India-Pakistan Trade: Strengthening Economic Relations” published by Springer in 2014) and discusses the steps that must be undertaken in order to move the bilateral engagement forward. Given the commencement of bilateral state-level talks and the Indian government’s emphasis on South Asian integration, it adds impetus to the trade liberalisation process, while also providing essential recommendations for policymakers in both countries. The unfinished agenda faces obstacles such as the list of items for which export from India to Pakistan continues to be restricted; lack of land borders and seamless cross-border transport services, which hampers the realisation of trade potential; negative reporting in the media, which influences traders’ perceptions; and the continued occurrence of informal trade resulting from inadequacies of formal trade relations. The book examines various sectors, including the agricultural, textiles, automotive and pharmaceutical industries, given their predominance on the list of restricted items for bilateral trade. It also covers studies on unconventional and under-researched themes concerning informal trade, informational barriers to India–Pakistan trade, and opening new land borders for trade – all of which can play a facilitating role in realizing the untapped trade potential between India and Pakistan. The book also includes the second round of the India–Pakistan trade perception survey, which identifies impediments to India–Pakistan bilateral trade and assesses the change in traders’ perceptions since the first round of the survey, which was published in 2014.
