**Traitor in Her Arms** Apr 24 2022 Two morally compromised souls wage a battle of wits—and seduction—against the backdrop of the French Revolution in this slow-burn romance from bestselling author Shana Galen. After her late husband leaves her in debt to some dangerous people, Lady Gabrielle McCullough is forced to become a thief. In the intervening years, her skills have not gone unnoticed. After being recruited by the Scarlet Pimpernel, the mysterious do-gooder spiriting aristocrats out of revolutionary France, Gabrielle crosses the Channel for the most daring mission of her life. Accompanying her is the Earl of Sedgwick, a thief in his own right and an enticingly masculine presence. The man is not to be trusted—nor is Gabrielle's body when he's near. Ramsey Barnes would not say he is an honorable man. His whole life has been based on a lie; why change now? Although it pains him to deceive the tantalizing Gabrielle, he's working toward an altogether different objective: unmasking the Scarlet Pimpernel. If Ramsey fails, his blackmailer will ruin him. But when Ramsey's confronted with the carnage of the Reign of Terror, he seeks refuge in Gabrielle's heated embrace. Now he faces a terrible choice: betray the woman who's stolen his heart—or risk losing everything. Praise for *Traitor in Her Arms* "If you are looking for a fast-paced adventure combined with a passionate romance, then you will enjoy *Traitor in Her Arms*."—*Rakes and Rascals* "No one writes historical suspense like Shana Galen and *Traitor in Her Arms* may be her best yet. She brings breathtaking excitement and a fabulous romance between a pair of smart and appealing adventurers. You'll adore Gabrielle and Ramsey as they face the perils of Revolutionary Paris and the world of the Scarlet Pimpernel."—Miranda Neville "Wow. Shana Galen's latest has it all. The adventure is raw, the danger is real, and the stakes cannot be higher. The intensity of *Traitor in Her Arms* reaches out and grabs you from the opening page and does not let up until the thrilling climax."—Ashlyn Macnamara, author of *What a Lady Requires* "[Shana] Galen has successfully created a touching love story, rife with rich descriptions and fascinating facts."—*Publishers Weekly* "I loved everything about this book. *Traitor in Her Arms* is the perfect romance: sexy, smartly-written, and utterly unforgettable."—New York Times bestselling author Lauren Layne "Those who love historic intrigue, espionage and literary classics will find a good deal to savor in this well-plotted tale."—*RT Book Reviews* This standalone novel includes an excerpt from another Loveswept title.

*Love-At-Arms* Jan 10 2021 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

**Chimera Chronicles** Jun 26 2022 Chimera Chronicles: Undead Arms Race By: M.T. Murray Chimera Chronicles: Undead Arms Race is a wild mix of genres that wouldn't normally go together—sci-fi, fantasy, horror, and comedy. The author's favorite storytelling style is the epic, and this book is an attempt at a modernized version. The intention is for the story to sound sexy when read out loud. Majority of the jokes are written for veterans, but there are several dark pop-culture references too. The goal of this crusade is to help reduce the veteran suicide rate. Hopefully, it'll shed a little light on what to watch out for so you don't walk in on your homie slicing his wrists in a bathtub.

*Love-At-Arms* Apr 12 2021 From the valley, borne aloft on the wings of the evening breeze, rose faintly the tolling of an Angelus bell, and in a goat-herd's hut on the heights above stood six men with heads uncovered and bowed, obeying its summons to evening prayer. A brass lamp, equipped with three beaks, swung from the grimy ceiling, and, with more smoke than flame, shed an indifferent light, and yet a more indifferent smell, throughout the darkening hovel. But it sufficed at least to reveal in the accoutrements and trappings of that company a richness that was the more striking by contrast with the surrounding squalor. As the last stroke of the Ave Maria faded on the wind that murmured plaintively through the larches of the hillside, they piously crossed themselves, and leisurely resuming their head-gear, they looked at one another with questioning glances. Yet before any could voice the inquiry that was in the minds of all, a knock fell upon the rotten timbers of the door. "At last!" exclaimed old Fabrizio da Lodi, in a voice charged with relief, whilst a younger man of good shape and gay garments strode to the door in obedience to Fabrizio's glance, and set it wide.

**Chronicles** Jul 04 2020 The Chronicles of Froissart (1337-1410) are one of the greatest contemporary records of fourteenth-century England and France. Depicting the great age of Anglo-French rivalry from the deposition of Edward II to the downfall of Richard II, Froissart powerfully portrays the deeds of knights in battle at Sluys, Crecy, Calais and Poitiers during the Hundred Years War. Yet they are only part of this vigorous portrait of medieval life, which also vividly describes the Peasants' Revolt, trading activities and diplomacy against a backdrop of degenerate nobility. Written with the same sense of curiosity about character and customs that underlies the works of Froissart's contemporary, Chaucer, the Chronicles are a magnificent evocation of the age of chivalry.

**Brothers in Arms: Hell's Highway** Nov 19 2021 "With sharp insights into history, combat, and human nature, this enthralling novel can stand beside even the best chronicles of that fabled 'band of brothers.'" -Ralph Peters, author of Wars of Blood and Faith It's 1944, and the German war machine is on its heels but still lethal, while the Allies pry the Netherlands from the Nazis' grasp. Operation Market Garden will be spearheaded by the 101st Airborne Screaming Eagles. But if you're one man in one corner of this battle, it's a plunge into chaos—at a place called "Hell's Highway." Sergeant Matt Baker is a recon leader from the 101st, in charge of a team of Brits, Americans, and Dutch resistance fighters sent on a desperate reconnaissance mission. For Baker, every step behind enemy lines means dozens of critical choices, firefights that explode out of nowhere, and facing down one ruthless German who knows his war is lost— and who is as fierce as he is brilliant. To both men, it's a battle to get out of hell alive. From the struggles of the men and women of the Dutch resistance to a pitched fight for one critical bridge, Hell's Highway is the suspense-packed, surprise-filled version of the bestselling video game—and an intense epic journey into the true nature of war.
