[Wisdom, Worship, and Poetry](#) Feb 20 2022 This concise commentary, excerpted from the Fortress Commentary on the Bible: The Old Testament and Apocrypha, engages readers in the work of biblical interpretation. Contributors connect historical-critical analysis with sensitivity to current theological, cultural, and interpretive issues. Introductory articles describe the challenges of reading the Old Testament in ancient and contemporary contexts, relating the biblical theme of "the people of God" to our complex, multicultural world, and reading the Old Testament as Christian Scripture, followed by a survey of "Introduction to Wisdom and Worship: Themes and Perspectives in the Poetic Writings." Each chapter (Job through Song of Songs) includes an introduction and commentary on the text through the lenses of three critical questions: The Text in Its Ancient Context. What did the text probably mean in its original historical and cultural context? The Text in the Interpretive Tradition. How have centuries of reading and interpreting shaped our understanding of the text? The Text in Contemporary Discussion. What are the unique challenges and interpretive questions that arise for readers and hearers of the text today? Wisdom, Worship, and Poetry introduces fresh perspectives and draws students, as well as preachers and interested readers, into the challenging work of interpretation.

[Winterpferde](#) Oct 26 2019 Es ist ein eisiger Winter 1941 auf Askania-Nowa, wo sich das jüdische Mädchen Kalinka versteckt hält. Hier auf dem alten Naturreservat leben auch die seltenen Przewalski-Pferde. Sie scheinen zu spüren, dass Kalinka eine von ihnen ist – denn wie Kalinka sind sie in großer Gefahr vor den Nazis, die Askania-Nowa besetzen. Mit Hilfe des treuen Tierwärters Max flieht Kalinka mit zwei Pferden und einem Wolfshund Hunderte von Kilometern über die weiße Steppe der Ukraine. Doch können ein Mädchen und drei Tiere der Übermacht der Deutschen entkommen? Spannend und stimmungsvoll erzählt Philip Kerr von der Flucht im ukrainischen Winter – aber auch davon, wie die Liebe zu den Pferden das erstarrte Herz eines einsamen Mädchens mitten im Krieg zu erwärmen vermag.

[The Molly Project](#) Dec 09 2020 Traumatic events have lasting significances even if we are at first unaware. Post-traumatic stress syndrome (PTSS) formerly referred to as PTSD (Post-Traumatic Stress Disorder) is more apparent than ever whether it be from being on a war field, being bullied in your school years, or being abused physically, emotionally, or sexually. There are different levels of pain, and therefore many different needs for recovery. The Molly Project is a book that integrates story, journey, and scripture towards the path of healing. It provides tips for caregivers, an up-to-date view of research with the brain, and encouragement for those who are processing their own struggles. Mental health is often seen as a forbidden discussion item, but it is to be taken as seriously as physical health issues. While The Molly Project features childhood sexual abuse as the recovery model, there will be relevant information for many readers. It is a must-read for all who seek to understand the role of the subconscious and how to minister to the truly brokenhearted among us.

[Fortress Commentary on the Bible](#) Jun 02 2020 The Fortress Commentary on the Bible: The Old Testament and Apocrypha and Fortress Commentary on the Bible: The New Testament present a balanced synthesis of current scholarship on the Bible, enabling readers to interpret Scripture for a complex and pluralistic world. Introductory articles in each volume discuss the dramatic challenges that have shaped contemporary interpretation of the Bible. Commentary articles set each book of the Old and New Testaments and the Apocrypha in its historical and cultural context, discuss the themes in each book that have proven most important for the Christian interpretive tradition, and introduce the most pressing

questions facing the responsible use of the Bible today. The writers are renowned authorities in the historical interpretation of the Old and New Testaments, sensitive to theological and cultural issues arising in our encounter with the text, richly diverse in social locations and vantage points, representing a broad array of theological commitment-Protestants, Catholics, Jews, and others, and alive to the ethical consequences of interpretation today. A team of six scholar editors and seventy contributors provide clear and concise commentary on key sense units in each book of the Old Testament, Apocrypha, and New Testament. Each unit is explored through the lenses of three levels of commentary based on these critical questions. The result is a commentary that is comprehensive and useful for gaining insights on the texts for preaching, teaching, and research. In addition to the commentary essays on each book, the volumes also contain major essays that introduce each section of Scripture and explore critical questions as well as up-to-date and comprehensive bibliographies for each book and essay.

Poetry for Growing Sep 29 2022 Rachael Goodman thought she had life pretty well figured out after she finished law school, took a job as a Navy lawyer and became a JAG lieutenant, junior grade. Now she's not so sure as she goes to her first duty station in the Philippines and learns the truth behind the recruiting pitch "It's not just a job, it's an adventure." While keeping the world safe for democracy, Rachel is finding out first hand that sailors and Marines have a well-deserved reputation. But while she's keeping the world safe, who's going to keep her safe? As one of the few single American women on a base with lots of sailors and Marines a very long way from home, she's getting lots of attention. And the new love of her life, a Navy SEAL named BB, is giving her a quick education in romance and military life. There's lots of adventure as Rachael navigates here way through courtrooms, barrooms and the world, finds out about the Navy, Navy SEALs, San Miguel beer, and gains perspective into affairs of the heart. Rachael has lots of growing up to do and lots of new experiences are in store. If only she can survive without becoming just another lawyer joke!

Psalms Oct 31 2022 The Psalms have a double identity. They are scripture and liturgy. They compose a book of the Bible and are found in our hymnals and books of worship and prayer. When we think of them in historical perspective, another identity emerges. They are the liturgical poetry of ancient Israel, texts with a history of composition and use before they became scripture. A commentary in this Interpretation series needs to keep all three identities in view. That puts some strain on the commentator's task. The attempt to interpret the Psalms in awareness of the depth in their identity explains some things about the commentary and its writing. - Preface.
