**Lost Goddesses** Jul 28 2022 In prehistoric times, Southeast Asian women enjoyed high status. When, how and why did that change? This book explores the history of gender relations through economics, politics, art and literature. This title is a narrative and visual tour de force, of interest to scholars and the general public.

*F\*ck Like a Goddess* Jul 16 2021 "I felt as if I had had a cathartic emotional experience not by talking but by following Ms. Roxo's coaching to tune into my energy and desire." —New York Times What if your deepest fears and wounds were the KEY to living a turned on, passionate life, sharing your gifts with the world, and having mind-blowing orgasms along the way? And what if you could embrace all of you—all of

your messy, wild, raw, sensual self—exactly as you are right now AND still feel good? This is what it means to f\*ck like a goddess—literally and metaphorically. To let life make love to you and enjoy every bit, even the parts that hurt, and to find the magic in all of it. And this is your birthright. So why is it so damn hard for women to simply feel comfortable in their own skin, let alone feel strong and secure enough to freely share their gifts with the world?

"Because each of us has been conditioned, programmed, and literally brainwashed into thinking we are not enough," writes Alexandra Roxo," and it is up to us to rewrite that story." A prominent voice in transformational healing and the divine feminine, Roxo shares tried-and-true methods that have led to both her own healing and that of hundreds of her coaching

clients over the years. "We are in need of an uprising of bold, wild women who have reclaimed their bodies and stand in their sacred sexuality for them," she writes. "As women, we need to liberate our voices, step into total security within ourselves, and fully own our raw, sensual power, finally letting go of the shame, guilt, denial, and repression that's been put upon us." The methods in this book will inspire you, challenge you, bring up your resistance, and unleash your gifts. It won't always be easy, but if you do the work, you'll discover what it really feels like to f\*ck like a goddess.

**Goddess Power Oracle** May 26 2022 [Goddesses in Everywoman: Thirtieth Anniversary Edition](#) Dec 21 2021 Myths are fascinating stories that become even more

intriguing when we realize that they can reveal intimate truths about ourselves and others. Jean Shinoda Bolen brings the Greek pantheon to life as our inner archetypes and applies the power of myth to our personal lives. Once we understand the natural progression from myth to archetype to personal psychology, and realize that positive gifts and negative tendencies are qualities associated with a particular goddess within, we gain powerful insights. Depending on which goddess is more active within, one woman might be more committed to achieving professional success, while another more fulfilled as a wife and mother. Bolen teaches women how to decide which qualities to cultivate and which to overcome, and how to tap the power of these enduring archetypes to become a better heroine in their own life stories.

*Power of the Goddess* Jun 02 2020 How does a goddess get her power? The hottest way possible... Fun fact: Goddesses have their limits. One look at a convention center full of comics fans, vendors, and cosplayers - all exposed to a magical malady by a shadowy figure known simply as Disease Man - and Annie Chambers is looking behind her for the hero to save them. Only the hero... is her. The woman so allergic to facing things head on, her only wish had been to live alone in a tropical paradise. But with Rion, Keph, Delphon, and Aethan gazing upon her with complete faith and trust, how can she fail? Especially when she's

got a bond with Rion to boost her power. And if one bond with Rion, sealed in the heat of passion, gives her the strength to heal hundreds, how much more could a second bond give her? Keph is waiting with open arms - and a rock-hard body - to find out. And, healing several thousand people is only the first step. Annie and her guys still have to track down and stop who's behind the epidemic which threatens both worlds, all while staying one step ahead of the FBI... Power of the Goddess is the second book in the Grecian Goddess trilogy, an action-packed full-length paranormal romance with four irresistible guys and a spunky heroine who doesn't have to choose. *Embracing the Witch and the Goddess* Sep 25 2019 *Embracing the Witch and the Goddess* is a detailed survey of present-day feminist witches in New Zealand. It examines the attraction of witchcraft for its practitioners, and explores witches' rituals, views and beliefs about how magic works. The book provides a detailed portrait of an undocumented section of the growing neo-pagan movement, and compares the special character of New Zealand witchcraft with its counterparts in the United States, Great Britain, and Australia. Kathryn Rountree traces the emergence and history of feminist witchcraft, and links witchcraft with the contemporary Goddess movement. She reviews scholarly approaches on the study of witchcraft and deals with the key debates which have engaged the movement's adherents and their critics, and ultimately presents what

Mary Daly declared was missing from most historical and anthropological research on witchcraft: a 'Hag-identified vision'. Based on fieldwork amongst witch practitioners, *Embracing the Witch and the Goddess* is an important contribution to the emerging profile of present-day witchcraft and paganism.

**Tara Mantra Magick** Jun 22 2019 For most, the goddess Tara the Goddess of compassion and protection. Few people know that she has several other natures as well; 21 in all. She, like most deities in the eastern religions, whether it be Hinduism or certain forms of Buddhism, have several different natures. As I stated in the book on Kali in this series, I mentioned that many deities have qualities that we, in the west, may consider to be "evil" but in the east, they are considered "wrathful." Tara and her energies are very well suited for use in Magick. More often than not, her energy is loving and embracing. But as I said, she has a wrathful nature that can very much be equated to the Hindu Goddess Durga and perhaps even Kali of the Hindu traditions. This wrathful nature can be harnessed. With that said, let's take a journey through the energies of Tara.

**Cycladic Girls** Feb 08 2021 "Cycladic Girls" is Book II of a trilogy about Greek goddesses living among us. In Book I, "The Winnowing," they reappear to thwart geneticists who seek to eliminate death. In Book II, the stakes are even

higher as the nymph Timessa is transformed into the original Great Goddess. Why is she back? Can her rage be stopped? What does she mean to us?

**Magick of the Gods & Goddesses** Oct 26 2019 Here is a handy, comprehensive reference guide to the myths and deities from ancient religions around the world. Now you can easily find the information you need to develop your own rituals using the Gods/Goddesses with which you resonate most strongly. More than a mythological dictionary, this book explains the magical aspects of each deity as well as various magical practices.

**Goddesses and Monsters** Aug 17 2021 The essays focus upon popular culture as it is informed by ancient and current mythic images, narratives, personalities, icons and archetypes. Topics include: the cult status of the serial sex killer; sexual murder as a contemporary form of religious sacrifice; pornography as an everyday narrative underlying not only sexism, but also racism, homophobia, and militarism; the relation of incest to nuclearism; pornography and the sacred; cyborg myth; and subtextual presence of ancient goddess figures in contemporary narratives, including that of Princess Diana.

**Baldr's Magic** Jul 24 2019 A guide to using ecstatic trance to connect with your ancestors, rediscover your extrasensory powers, and reclaim the peaceful nature of humanity • Illustrates ecstatic trance postures to connect with the ancient Nordic people, to journey to

exact points in time, and to access powers such as seeing into our future • Explains how the coming new age of peace and veneration for Mother Earth was predicted in Norse mythology as the rebirth of the compassionate god Baldr • Expands on the stories of the early Nordic gods and goddesses from the Prose Edda and the Poetic Edda Connecting Norse mythology, ecstatic trance, the Universal Mind, and the dawn of a new age of peace and veneration for Mother Earth, Nicholas Brink reveals how we can use ecstatic and hypnotic trance to learn more directly and deeply from our distant ancestors, rediscover our extrasensory powers, and reclaim the original magical nature of humanity. The imminent rebirth of a peaceful, balanced, connected world was predicted in Norse mythology as the return of Baldr, the gentle and compassionate Nordic god of truth, healing, and rune work. Illustrating ecstatic trance postures to connect with the ancient Nordic people and their beliefs, to journey to exact points in time, and to access specific powers, such as seeing into our future, Brink explores humanity's evolving cycle of consciousness from the era when the Great Mother goddess was the center of life through the transition to the worship of power and physical strength in the Bronze Age and the world of the Vikings. He explores the coming return of Baldr and the imminent new age of peace and respect for the earth. Through hypnotic divination, the author expands the stories of the early Nordic gods and goddesses

from the Prose Edda and the Poetic Edda, in particular the fertility deities of the Vanir, such as Freyr, Freyja, and Idunn, who came before the warrior deities of the Æsir, such as Odin, Thor, and Loki. He details the epic battle of Ragnarok and the birth, life, death, and rebirth of Baldr. Brink shows how these ancient stories happen outside of time, in the past, present, and future, thus Baldr's return is replayed in our death-rebirth experiences of life, in each dawn, with each spring, and now with the birth of a new age that we see happening all around us. Through the power of trance at this time of rebirth, we move full circle to reclaim the magic of the earliest times, the times of the Garden of Idunn.

[Goddess Durga](#) Nov 19 2021 This book of essays has no agenda - either gender or religious - but discusses the many facets of the Goddess Durga's images and worship on the Indian subcontinent. The nine authors (in keeping with Navaratri) belong to both the East and West, and to four religions: Hindu, Muslim, Buddhist and Christian. The ten essays like the ten arms of the great goddess in her Bengali manifestation cannot possibly be all-encompassing but does cover the physical geography of the subcontinent by including discussions of her presence and prevalence in Nepal and Kashmir, in Baluchistan, TamilNadu and Kerala, and of course, in West Bengal, especially Kolkata, where her autumn festival is celebrated annually.

**Celtic Myth & Magick** Sep 29 2022 Tap into the mythic power of the Celtic goddesses, gods, heroes, and heroines to aid your spiritual quests and magickal goals. Human and divine energies complement each other; when joined, they become a potent catalyst for true magick and change. Celtic Myth & Magick describes the energies of over 300 cross-referenced Celtic deities and heroic figures so you can quickly

determine which one can best help you in attaining specific goals through magick—such as greater prosperity (Cernunnos), glowing health (Airmid), or a soul partner (Aengus MacOg). This guidebook explains how to use creative Pagan ritual and pathworking to align yourself with the energy of these powerful archetypes. Undertake three magickal quests to the inner plane—where you'll join forces with Cuchulain, Queen Maeve, and Merlin the Magician to bring their energies directly into your life. This inspiring, well-researched book is written especially for solitary Pagans who seek to expand the boundaries of their practice to form working partnerships with the divine.

[Sheela na gig](#) May 14 2021 Traces the origins of the Sheela na gig from Medieval times to Paleolithic cave art • Reveals the sacred display of the vulva to be a universal archetype and the most enduring image of creativity throughout the world • Provides meditations on the Sheelas the author encountered in Ireland, England, Scotland, and Wales, allowing readers to commune with the power of these icons • Includes more than 150 photographs and illustrations from around the world For millennia, the human imagination has been devoted to the Goddess, so it is hardly a surprise to find images of supernatural females like Sheela na gigs adorning sacred and secular architecture throughout Ireland, England, Wales, and Scotland. Appearing on rural churches, castles, bridges, holy wells, tombs, and standing stones, these powerful images of a

figure fearlessly displaying her vulva embody the power of the Dark Goddess over the mysteries of sex, life, death, and rebirth. Exploring the art and myth of the Sheela na gig from Celtic and Classical times back to Paleolithic cave art, Starr Goode shows how the Sheela embraces a conundrum of opposites: she clearly offers up her ripe sex yet emanates a repelling menace from the upper half of her hag-like body. Through more than 150 photographs, the author shows how the Sheela is a goddess with the power to renew, a folk deity used to help women survive childbirth, and, as a guardian of doorways and castle walls, a liminal entity representing the gateway to the divine. She explains how these powerful images survived eradication during the rise of Christianity and retained their preeminent positions on sacred sites, including medieval churches. The author provides meditations on the individual Sheelas she encountered during her 25 years of research, allowing readers to commune with these icons and feel the power they emanate. Exploring comparable figures such as Baubo, Medusa, the Neolithic Frog Goddess, and vulva depictions in cave art, she reveals the female sacred display to be a universal archetype, the most enduring image of creativity throughout history, and illustrates how cultures from Africa and Ecuador to India and Australia possess similar images depicting goddesses parting their thighs to reveal sacred powers. Explaining the role of the Sheela na gig in restoring the Divine Feminine, the author

The Divine Feminine is known by innumerable names and symbol-rich manifestations across the world's cultures. Throughout the ages the Goddess has been honored and worshiped as the Virgin Mary, Isis, Inanna, Asherah, Diana, Kuan Yin, Kali, Oshun, Athena, Pele, Sarasvati, Demeter, and White Buffalo Calf Woman, to mention just a few. Goddess Power takes you on a fascinating and, at times, surprising journey into the enduring essence of the Divine Feminine. Inside this book you will learn: • How the Goddess path offers an empowering message and inspiration • The importance of re-establishing a healthy balance and integration of both the "masculine" and the "feminine" archetypes • That the notion of God as archetypal "Sky-Father" is fairly recent in Western culture • Why the wisdom of the Goddess/Sacred Feminine has been ignored, distorted, and oppressed for centuries • How archetypes, mythic narratives, and qualities of Goddesses are alive within you and how they reveal intimate truths about yourself and others • How Goddesses can serve as empowering guides in your personal and professional life •

*Beauty, Power and Grace* Aug 29 2022 Adapted from ancient Sanskrit texts, the stories in *Beauty, Power & Grace* represent one of the most fundamental aspects of Hinduism — the innumerable manifestations of divinity. Among these, the portrayal of the Goddess is perhaps the most alluring. She appears as a devoted wife, a master of the arts, a terrifying demon slayer, a scornful critic, and a doting mother, to name a few of her forms. In Vedic tradition, these depictions of the Goddess reflect the belief that male and female are simply different expressions of one supreme, absolute truth. These profound stories are brought together in an exquisitely illustrated collection that reveals

is not a book for women only. It is a book for all on the seeking path—to the realms of their own inner space; all the types are familiar to us, but now we have the language."—Erin Sullivan, author, astrologer, and teacher "A refreshing look at astrology from the perspective of the divine feminine. The topic of astrology is often intimidating to learn, but Blackwood presents information about the signs and how to use the magick and power of the goddesses connected to them in an easy-to-understand and relatable way...this is a must-read."—Stephanie Woodfield, author of *Dark Goddess Craft* "This beautifully written book is a thoroughly uplifting, as well as informative, read and now has a place at the top of my list of favorite astrology books."—Lisa Tenzin-Dolma, author of *The Planetary Myths and Take Control with Astrology* "Looking for a book that seamlessly weaves Goddess spirituality, archetypal psychology, and astrology together into a tapestry of love, magic, and (surprise!) real-world wisdom? *The Twelve Faces of the Goddess* by Danielle Blackwood is the book you are looking for."—Anne Newkirk Niven, editor of *SageWoman*

**Artemis** Feb 29 2020 In Jean Shinoda Bolen's best-selling, game-changing *Goddesses in Everywoman*, myths came to life in a whole new

way that resonated with our own lives. Even fictional character Bridget Jones was reading that book. Now comes *Artemis: The Indomitable Spirit in Everywoman*, a groundbreaking new book that explores the archetype of the activist. Indomitable means untamed, unsubdued. It is the one-in-herself quality in girls and women who will not be victims, no matter what. To bring the Artemis archetype to life, Dr. Bolen delves deeply into the myth of Atalanta, the famous hunter and runner in ancient Greek mythology, a mortal woman who is identified with Artemis the Greek Goddess of the Hunt and Moon. Atalanta began life abandoned and left to die because she was born a girl. She faced the Calydon Boar and drew first blood; she was the runner who would demand to be beaten in a footrace by the man who could claim her as his bride. Atalanta exemplifies the indomitable spirit in competent, courageous girls and in the women they become. This is grit, the passion and persistence to go the distance, to survive, and to succeed. Dr. Bolen paints a vivid picture of Artemis women in current media, including Princess Merida from the animated film *Brave* and Katniss Everdeen from *The Hunger Games*. In all these examples and those of real-life women who grow into their Artemis spirit, she provides the means through which readers can

navigate their own personal exploration to become their authentic selves. Bolen dedicates this book to women and girls who embody the archetype of Artemis, who discover her uncrushable spirit in themselves or others. *Goddess Power Oracle Cards* Dec 29 2019 We are at an unprecedented time in modern history in which the 'goddess energy' in every woman is waking up and stirring as women collectively choose to reclaim their power from the structures of authority that have ruled for so long. We all feel it welling up; asking for a new way of being in the world. From beloved oracle expert and internationally acclaimed spiritual teacher Colette Baron-Reid; *Goddess Power* is a unique oracle deck that allows ancient goddesses to revisit us here in modern times; to share their experience; strength; wisdom and truth with the modern spiritual seeker looking for empowerment and guidance. This magnificently illustrated deck features goddesses from ancient civilizations around the world.
