**Basic Chess Openings for Kids** Jun 22 2019 Award-winning author Charles Hertan knows what kids really need to know (and want to know) about getting their pawns and pieces ready for action. Traditional chess opening books concentrate on the variations in different openings. Charles Hertan believes that for beginners and advanced beginners memorizing lines is not only boring but also a waste of time. Hertan's approach is different. He helps kids to develop a solid understanding of the fundamental opening principles.
