Boeing 747 Owners' Workshop Manual May 10 2021

When the Boeing 747 first flew commercially in 1970, it ushered in a new era of affordable air travel. Often referred to by the nickname "Jumbo Jet," the 747 was the world's first wide-body commercial airliner, and its advent has proved to be one of the major milestones in aviation history. The centerpiece of this Haynes Manual is the 747-400, which is the most numerous version. As well as being the bestselling model in the 747 family, there are more 400s currently in service than any other model of this mighty jumbo.

The AS/400 Owner's Manual for V4 Dec 25 2019 Designed for AS/400 professionals at all levels, The AS/400 Owner's Manual for V4 walks you through hundreds of AS/400 tasks from the perspective of how most shops do them. It cuts through the dozens of parameters and options of AS/400 commands and takes you directly to the results you need. It also includes valuable descriptions of why AS/400 managers, administrators, operators, and programmers do certain things on the machine and how the AS/400 works internally. Wire-bound and concise, This is the perfect tool to keep next to the workstation of anyone who does AS/400 operations, administration, or management.

College & University Food Service Manual Feb 07 2021

Abstract: The successful college food service director has enthusiasm, empathy, dedication, ethics, quality consciousness, an outgoing personality, leadership ability, food service knowledge, business knowledge, close association with other food service professionals, and awareness of and dedication to good nutrition. A new food service director chronologically prioritizes steps to take to reorganize his operation. The manual presents reorganization steps chronologically to include: 1) developing a master plan; 2) setting up a food purchasing system; 3) establishing budgets and control; 4) building a staff; 5) maintaining food quality; and 6) dealing with residence halls, cash operations, vending, sanitation, safety, catering, special events, and public relations. Appendixes and exhibits provide illustrative, helpful suggestions. A food service director's job can be creative, imaginative, challenging, interesting, and rewarding for the director who is on top of things.
