**how to create a character profile writers**  
**write** Nov 06 2020 web one of the most  
important elements in a novel or short story is  
characterization making the characters seem

vivid real alive one technique that many writers  
use with success is to create a character profile  
for the main characters in the novel the purpose  
of a character profile is twofold to assist the  
writer in creating a character that is as lifelike  
as possible
