History of India & Abroad Apr 28 2020
Indian history and culture are dynamic, spanning back to the beginning of human civilization. It began with a mysterious culture that flourished along the Indus River as well as among the farming communities in the southern lands of India. And the history of India is punctuated by constant integration of migrating people with the diverse cultures that surrounded India. Available evidence suggests that the use of iron, copper, and other metals was widely prevalent in the Indian sub-continent at a fairly early period, which is indicative of the progress that this part of the world had made by the end of the fourth millennium BC. History is the chronological

study of the life and civilization of human beings. To develop linkage with the past and the present through continuous dialogues between the experience of past and that of the present is the fundamental mission of history. So, the historian E H Carr aptly says that the great writing of history becomes successful only when the search done by the historians illuminates and involves it with the problems of present age. The tested truth is that achieving knowledge from the experience of history acts as constant in the different socio-economic and political contexts. But the approaches to studying history are continuously informed by the changing circumstances and consequently modified from time to time in keeping with the demands of time and space. New ideas and

views develop in the present and future times in the light of experiences of history.

Gandhi and Tagore Jan 06 2021 This book brings together the political thought of Gandhi and Tagore to examine the relationship between politics, truth and conscience. It explores truth and conscience as viable public virtues with regard to two exemplars of ethical politics, addressing in turn the concerns of an evolving modern Indian political community. The comprehensive and textually argued discussion frames the subject of the validity of ethical politics in inhospitable contexts such as the fanatically despotic state and energised nationalism. The book studies in nuanced detail Tagore's opposition to political violence in colonial Bengal, the scope of non-violence and

satyagraha as recommended by Gandhi to Jews in Nazi Germany, his response to the complexity of protest against the Jallianwala Bagh massacre, and the differently constituted nationalism of Gandhi and Tagore. It presents their famous debate in a new light, embedded within the dynamics of cultural identification, political praxis and the capacity of a community to imbibe the principles of ethical politics. Comprehensive and perceptive in analysis, this book will be a valuable addition for scholars and researchers of political science with specialisation in Indian political thought, philosophy and history. Gangeya Mukherji is Reader in English at Mahamati Prannath Mahavidyalaya, Mau-Chitrakoot, Uttar Pradesh, India.

Tagore and Nationalism Sep 14 2021 This volume brings together eminent Tagore scholars and younger writers to revisit the concepts of nation, nationalism, identity and selfhood, civilization, culture and homeland in Tagore's writings. As these ideas take up the centre-stage of politics in the subcontinent as also elsewhere in the world in the 21st century, it becomes extremely relevant to revisit his works in this context. Tagore's ambivalence towards nationalism as an ideology was apparent in the responses in his discussions with Indians and non-Indians alike. Tagore developed the concept of 'syncretic' civilization as a basis of nationalist civilizational unity, where society was central, unlike the European model of state-centric civilization. However, as

the subterranean tensions of communalism became clear in the early 20th century, Tagore reflexively critiqued his own political position in society. He thus emerged as the critic of the nation/nation-state and in this he shared his deep unease with other thinkers like Romain Rolland and Albert Einstein. This volume for the first time covers the socio-political, historical, literary and cultural concerns relating to Tagore's efforts towards the 'de-colonization' of the Self. The volume begins with various perspectives on Tagore's 'ambivalence' about nationalism. It encompasses critical examinations of Tagore's literary works and other art forms as well as adaptations of his works on film. It also reads Tagore's nationalism in a comparative mode with contemporary thinkers in India and abroad who were engaged in similar debates.

Tagore and China Sep 02 2020 Tagore and China is the first full account in English of Rabindranath Tagore's visit to China and its civilizational import. Perhaps for the first time, exhaustive material related to the visit has been collected. The book charts Tagore's 'grand visit' in 1924 undertaken in response to China's 'Tagore fever' and the series of talks he gave there, their antecedents as well as impact. Also discussed is the foundation of Cheena-Bhavana at Visva-Bharati and thereby of Chinese studies in India and Tan Yun-shan's lifelong dedication to it and the Sino-Indian love it held. This well-researched book unearths new material from Chinese sources to confirm the devotion of

Tagore's interpreter, poet Xu Zhimo, to him and Tagore's affection for Xu Zhimo. Tagore's two personal visits to Xu Zhimo, preceded by the latter's visit to Santiniketan, have also been detailed. Supplemented by several rare photographs, Tagore and China is a fitting tribute to Tagore's 150th birth anniversary and is going to be of abiding value to Sino-Indian understanding.

Rabindranath Tagore and James Henry Cousins Oct 23 2019 This book presents a set of original letters exchanged between Rabindranath Tagore, the first Asian to win the Nobel Prize for Literature, and the eminent Irish poet and theosophist, James Henry Cousins. Through these letters, the volume explores their shared ideas of culture, art, aesthetics, and education in India; aspects of Irish Orientalism; Irish literary revival; theosophy, eastern knowledge, and spiritualism; cross-cultural dialogue and friendship; Renaissance in India; anti-imperialism; nationalism; internationalism; and cosmopolitanism. The book reveals a hitherto unexplored facet concerning two leading thinkers in the history of ideas in a transnational context. With its lucid style, extensive annotations and a comprehensive Introduction, this book will be an essential read for scholars and researchers of Indian literature, Bengali literature, comparative literature, South Asian studies, Tagore studies, modern Indian history, philosophy, cultural studies, education, political studies,

postcolonial studies, India studies, Irish history, and Irish literature. It will also interest general readers and the Bengali diaspora.

Radical Traditions Mar 28 2020 For the modern West, Bali has long served as an icon of exotic pre-modern innocence. Yet the reality of modern Bali stands in stark contrast to this prevailing and enduring image, a contrast embodied by a movement of local musical experimentation, musik kontemporer, which emerged in the 1970s and which still thrives today. In *Radical Traditions*, author Andrew Clay McGraw shows how musik kontemporer embodies the tensions between culture as represented and lived, between the idea of Balinese culture and the experience of living it. Through a highly interdisciplinary approach informed by ethnomusicology, cultural studies, postcolonial studies, anthropology, and theater studies, McGraw presents an all-encompassing social and musical history of musik kontemporer, and its intersections with class, ethnicity, and globalization. As the first English language monograph on this important Indonesian musical genre, *Radical Traditions* is an essential resource for anyone fascinated by modern Indonesian and Balinese music and culture.

Rabindranath Tagore Jan 18 2022 This collection provides a lucid introduction for those unfamiliar with Tagore's work, while simultaneously presenting important new scholarship and novel interpretation. Rabindranath Tagore is considered the greatest

modern writer of India. He is also one of the great social and political figures in modern Indian history. After he received the Nobel Prize for literature in 1913, Tagore's reputation in the West has been based primarily on his mystical poetry. But beyond poetry, Tagore wrote novels of social realism, treating nationalism, religious intolerance, and violence. He wrote analytic works on social reform, education, and science- even engaging in a brief dialogue with Albert Einstein. Without ignoring religion and mysticism, the essays in this collection concentrate on this other Tagore. They explicate Tagore's writings in relation to its historical and literary context and, at the same time, draw out those aspects of Tagore's work that continue to bear on contemporary society.

Critical Discourse in Bangla Oct 15 2021 This volume forms a part of the *Critical Discourses in South Asia* series which deals with schools, movements, and discursive practices in major South Asian languages. It offers crucial insights into the making of Bengali or Bangla literature and its critical tradition across a century. The book brings together English translation of major writings of influential figures dealing with literary criticism and theory, aesthetic and performative traditions, and reinterpretations of primary concepts and categories in Bangla. It

presents 32 key texts in literary and cultural studies from Bengal from the middle of the 19th to that of the 20th century, with most of them translated for the first time into English. These seminal essays are linked with socio-historical events and phenomena in the colonial and post-independence period in Bengal, including the background to the Language Movement in Bangladesh. They discuss themes such as integrative aesthetic visions, poetic and literary forms, modernism, imagination, power structures and social struggles, ideological values, cultural renovations, and humanism. Comprehensive and authoritative, this volume offers an overview of the history of critical thought in Bangla literature in South Asia. It will be essential for scholars and researchers of Bengali/Bangla language and literature, literary criticism, literary theory, comparative literature, Indian literature, cultural studies, art and aesthetics, performance studies, history, sociology, regional studies, and South Asian studies. It will also interest the Bengali-speaking diaspora and those working on the intellectual history of Bengal and conservation of languages and culture

South Asian Transnationalisms Sep 21 2019 *South Asian Transnationalisms* explores encounters in twentieth century South Asia beyond the conventional categories of center and periphery, colonizer and colonized. Considering the cultural and political exchanges between artists and intellectuals of South Asia with counterparts in the United

States, continental Europe, the Caribbean, and East Asia, the contributors interrogate the relationships between identity and agency, language and space, race and empire, nation and ethnicity, and diaspora and nationality. This book deploys transnational syntaxes such as cinema, dance, and literature to reflect on social, technological, and political change. Conceiving of the transnational as neither liberatory nor necessarily hegemonic, the authors seek to explore the contradictions, opportunities, disjunctures, and exclusions of the vexed experience of globalization in South Asia. This book was published as a special issue of South Asian History and Culture.

Bali and the Tourist Industry May 10 2021 The island of Bali's sensational image was created by the tourists, artists, and scholars who visited the tiny nation between the two world wars. A Dutch colony from 1908, Bali was a source of revenue for the Dutch government, which began to develop its image as the ultimate vacation spot. The tourism industry spread the idea of Bali as a paradise in which noble, happy, spiritual Balinese—all prodigiously creative artists—lived in innocence. Sensual images of beautiful people on an enchanted isle unspoiled by modernity predominated. Bali also acquired a reputation as a homosexual paradise. A host of books and

articles fed these images of Bali until it evolved into one of the most romantic stops on the tourist itinerary. The Balinese people, however, made little profit from the tourist traffic. This history of the development of tourism in Bali stretches from the Dutch occupation in 1906 to the Japanese occupation in 1942. After exhaustive research in published records and in unpublished letters, diaries, and oral histories left by many of the American and European visitors to the island as well as the Balinese residents, the author explores the reasons for Bali's popularity among Westerners and their effects on the native culture.

Rabindranath Tagore's Journey as an Educator Oct 03 2020 This book looks at Rabindranath Tagore's, experiments and journey as an educator and the influence of humanistic worldviews, nationalism and cosmopolitanism in his philosophy of education. It juxtaposes the educational systems and institutions set up by the British colonial administration with Tagore's pedagogical vision and schools in Santiniketan, West Bengal—Brahmacharya Asram (1901), Visva-Bharati University (1921) and Sriniketan Institute of Village Reconstruction (1922). An educational pioneer and a poet-teacher, Tagore combined nature and culture, tradition and modernity, East and West, in formulating his educational methodology. The essays in this volume analyse the relevance of his theories and practice in encouraging greater cultural exchange and the dissolution of the walls between classrooms and communities. This book will be useful for scholars and researchers of education, Tagore studies, literature, cultural studies, sociology of education, South Asian studies and colonial and postcolonial studies.

****NOW SHORTLISTED FOR THE 2020 INTERNATIONAL DUBLIN LITERARY AWARD**** "A writer of great subtlety and intelligence . . . a beautifully written and compelling story of how families fall apart and

what remains of the aftermath" Kamila Shamsie, winner of the Women's Prize for Fiction 2018 "The book everyone is talking about for the summer" Lorraine Candy, Sunday Times In my childhood, I was known as the boy whose mother had run off with an Englishman" - so begins the story of Myshkin and his mother, Gayatri, who is driven to rebel against tradition and follow her artist's instinct for freedom. Freedom of a different kind is in the air across India. The fight against British rule is reaching a critical turn. The Nazis have come to power in Germany. At this point of crisis, two strangers arrive in Gayatri's town, opening up for her the vision of other possible lives. What took Myshkin's mother from India to Dutch-held Bali in the 1930s, ripping a knife through his comfortingly familiar environment? Excavating the roots of the world in which he was abandoned, Myshkin comes to understand the connections between anguish at home and a war-torn universe overtaken by patriotism. Anuradha Roy's enthralling novel is a powerful parable for our times, telling the story of men and women trapped in a dangerous era uncannily similar to the present. writers of the 1930s to the Eat, Pray, Love tours so popular today, Bali has drawn hoards of foreign visitors and transplants to its shores. What makes Bali so special, and how has it managed to preserve its identity despite a century of intense pressure from the outside world? *Bali: A Paradise Created* bridges the gap between scholarly works and more popular travel accounts. It offers an accessible history of this fascinating island and an anthropological study not only of the Balinese, but of the paradise-seekers from all parts of the world who have traveled to Bali in ever-increasing numbers over the decades. This Bali travelogue shows how Balinese culture has pervaded western film, art, literature and music so that even those who've never been there have enjoyed a glimpse of paradise. This authoritative, much-cited work is now updated with new photos and illustrations, a new introduction, and new text covering the past twenty years.

The Mortal God Aug 01 2020 *The Mortal God* is a study in intellectual history which uncovers how actors in colonial India imagined various figures of human, divine, and messianic rulers to battle over the nature and locus of sovereignty. It studies British and Indian political-intellectual elites as well as South Asian peasant activists, giving particular attention to Bengal, including the associated princely states of Cooch Behar and Tripura. Global intellectual history approaches are deployed to place India within wider

trajectories of royal nationhood that unfolded across contemporaneous Europe and Asia. The book intervenes within theoretical debates about sovereignty and political theology, and offers novel arguments about decolonizing and subalternizing sovereignty.

Hinduism in Modern Indonesia Feb 07 2021 This book provides new data and perspectives on the development of 'world religion' in post-colonial societies through an analysis of the development of 'Hinduism' in various parts of Indonesia from the early twentieth century to the present. This development has been largely driven by the religious and cultural policy of the Indonesian central government, although the process began during the colonial period as an indigenous response to the introduction of modernity.

Chokher Bali Mar 20 2022 The literature of the new age seeks not to narrate a sequence of events, but to reveal the secrets of the heart. Such is the narrative mode of *Chokher Bali* – Rabindranath Tagore, Preface to *Chokher Bali* *Chokher Bali* explores the forbidden emotions unleashed when a beautiful young widow enters the seemingly harmonious world of a newly married couple. This path-breaking novel by Rabindranath Tagore weaves a tangled web of relationships between the pampered and self-centred Mahendra, his innocent, childlike bride Asha, their staunch friend Bihari, and the wily, seductive Binodini, whose arrival transforms the lives of all concerned. Radha Chakravarty's translation brings the world of

Tagore's fiction to life, in lucid, idiomatic prose. Mystic Modernity Dec 05 2020 This is a transnational and bilingual investigation of the cross-fertilisation of mystical religiosity and modern poetical imagination in the works of the Bengali poet Rabindranath Tagore and the Irish poet W. B. Yeats. The book demonstrates how their commitments to transnational mysticism deeply form and inform the modernist literary projects of these poets as well as their understanding of cultural modernity. Although its primary interest lies in their poetry and poetics, the monograph also includes some of their relevant prose works. This study begins with a close look at and around the phase of 1912-1913, when Yeats and Tagore met over the collection of the latter's English translations of his spiritual verses, *Gitanjali*, and took mutual interests in each other's works and cultural significances. The monograph then expands on both sides of that phase, selectively covering the whole career of the poets in its exploration of their parallel mystic-modern cultural-poetical projects.

Family, School and Nation Jun 11 2021 This seminal work examines the concurrence of childhood rebellion and conformity in Bengali literary texts (including adult texts), a pertinent yet unexplored area, making it a first of its kind. It is a study of the voice of child protagonists across children's and adult literature in Bengali vis-à-vis the institutions of family, the education system, and the nationalist movement in the nineteenth and

twentieth centuries.

Rabindranath Tagore in the 21st Century Jun 23 2022 This critical volume addresses the question of Rabindranath Tagore's relevance for postmodern and postcolonial discourse in the twenty-first century. The volume includes contributions by leading contemporary scholars on Tagore and analyses Tagore's literature, music, theatre, aesthetics, politics and art against contemporary theoretical developments in postcolonial literature and social theory. The authors take up themes as varied as the implications of Tagore's educational vision for contemporary India; new theoretical interpretations of gender, queer elements,

feminism and subalternism in Tagore's literary and social expressions; his language use as a vehicle for a dialogue between positivism, Orientalism and other constructs in the ongoing process of globalization; the nature of the influence of Tagore's music and literature on national and cultural identity formation, particularly in Bengal and Bangladesh; and intersubjectivity and critical modernity in Tagore's art. This volume opens up a space for Tagore's critique and his creative innovations in present theoretical engagements.

The Pilgrim Traveller Feb 25 2020 This book is a collection of inspirational travel stories that span 17 years of travel by the author, including human interest stories of people she met. In a special section called "Traveling Back in Time" it also includes stories of genealogy and legends. While tracing her mixed ancestry, Mary Elaine uncovered legends and stories associated with her family tree, and she realized that although unique, the values and ideals are universal. Every family on earth has a story to tell, and for some, these wait to be uncovered.

The Politics and Reception of Rabindranath Tagore's Drama Apr 09 2021 This is the first volume to focus specifically on Rabindranath Tagore's dramatic literature, visiting translations and adaptations of Tagore's drama, and cross-cultural encounters in his works. As Asia's first Nobel Laureate, Tagore's highly original plays occupy a central position in the Indian theatrescape. Tagore experimented with

dance, music, dance drama, and plays, exploring concepts of environment, education, gender and women, postcolonial encounters, romantic idealism, and universality. Tagore's drama plays a generous host to experimentations with new performance modes, like the writing and staging of an all-women play on stage for the first time, or the use of cross-cultural styles such as Manipuri dance, Thai craft in stage design, or the Baul singing styles. This book is an exciting re-exploration of Tagore's plays, visiting issues such as his contribution to Indian drama, drama and environment, feminist readings, postcolonial engagements, cross-cultural encounters, drama as performance, translational and adaptation modes, the non-translated or the non-translatable Tagore drama, Tagore drama in the 21st century, and Indian film. The volume serves as a wide-ranging and up-to-date resource on the criticism of Tagore drama, and will appeal to a range of Theatre and Performance scholars as well as those interested in Indian theatre, literature, and film.

Sociopolitical Thought of Rabindranath Tagore

May 22 2022 Rabindranath Tagore, an icon of humanism and universalism who always privileged India's argumentative traditions, remains a source of inspiration for humanity. However, Tagore's social and political ideas appear to have received inadequate attention presumably because of the hegemonic influence of derivative Western ideas and thoughts. This is where Tagore stands out, not only as a poet but also a visionary who charted a course of action in tune with human betterment, cutting across all kinds of man-made barriers and customary restrictive social, economic and political practices. *Socio-political Thought of Rabindranath Tagore* presents a comprehensive

and detailed analysis of the socio-political, socio-economic and ideological preference of Tagore, with emphasis on nationalistic, inclusive and gender development ideas. It shows that Tagore's socio-political ideas continue to remain relevant not merely as a package for intellectual rejuvenation but also as a meaningful device for socio-economic transformation for the world.

Die Gabe Aug 13 2021 Wenn Ohnmacht zur Macht wird - die Zukunft gehört den Frauen Es sind scheinbar gewöhnliche Alltagsszenen: ein nigerianisches Mädchen am Pool. Die Tochter einer Londoner Gangsterfamilie. Eine US-amerikanische Politikerin. Doch sie alle verbindet ein Geheimnis: Von heute auf morgen haben Frauen weltweit die Gabe - sie können mit ihren Händen starke elektrische Stromstöße aussenden. Ein Ereignis, das die Machtverhältnisse und das Zusammenleben aller Menschen unaufhaltsam, unwiederbringlich und auf schmerzvolle Weise verändern wird.

The Aesthetic State Jun 18 2019 Shortly after the middle of the eighteenth century a number of thinkers from the German-speaking lands began to create a paradigm drawn from their impressions of a distant historical reality, ancient Athens; added to it a new mode of thought, modern dialectics; and at times even paid homage to the ancient Greek deity Dionysos, to materialize their longing for an ideal. The influence of these forces came to permeate modern German consciousness,

deifying the concept and activity of art, reviving the Platonic (and Sanskrit) vision of the cosmos as play and aesthetic creation, and projecting a way of life and labor that would honor not the commodity but the aesthetic product. With rigorous commitment to primary sources and an unflagging critical engagement with the ideas and concrete situations they raise, Josef Chytrý provides a comprehensive and extensive study of this central motif in German thought from Winckelmann to Marcuse. Chytrý takes "aesthetic state" to signify the concentrated modern intellectual movement to revitalize the radical Hellenic tradition of the polis as the site of a beautiful or good life. The movement begins with the classicism of Winckelmann, Weimar aesthetic humanism (Wieland, Herder, Goethe), and Schiller's formal theory of the aesthetic state and continues through the idealism of the Swabian dialecticians Holderlin, Hegel, and Schelling and the realism of Marx, Wagner, and Nietzsche. It culminates in the postrealism of Heidegger, Marcuse, and the aesthetic modernist artist Walter Spies, who initiated a dialogue with the non-Western "theatre state" of the isle of Bali. Josef Chytrý concludes that the future speculation on the ideal of an aesthetic state must come to terms with the postrealist themes of ontological anarchy, aesthetic ethos, and theatre state. In a bold effort to stimulate such speculation, Chytrý indicates how proponents of the aesthetic state might join forces with Rawlsian political theory to promote further the organon

of persuasion that, in his view, serves as the common fount for the ancient, dialectical, and contractarian quests for the polis. Novelist Tagore Nov 23 2019 Rabindranath Tagore is widely regarded as a poet-philosopher and educationist, but his novels remain a relatively underexplored aspect of his oeuvre. Focusing on gender and modernity as key features of his fiction, this book charts Tagore's evolution as a novelist from self-conscious psychologizing in *Chokher Bali* to an engagement with nationalism in *Gora* and *Ghare Baire* (The Home and the World); a portrayal of asceticism and desire in *Chaturanga* (Quartet); an analysis of marriage, sexuality and change in Bengali society in *Yogayog* (Relationships); an effervescent fusion of social satire and literary experimentation in *Shesher Kabita* (Farewell Song); and an intense, dramatic study of love, politics and terrorism in *Char Adhyay* (Four Chapters). This study demonstrates that Tagore's writings cannot be readily assimilated within current theoretical frameworks, and urges us to rethink the conventional oppositions between tradition

and modernity, masculinity and femininity, East and West, and local and global. Addressing a major gap in the field, the book reconstructs Tagore as a novelist of eminent stature, demonstrates the range and complexity of his creative genius, his contribution to literary history and the relevance of his reflections to our times. Enriched by insights into the biographical and socio-historical contexts of his novels, this book will be of special interest to researchers, teachers and students of comparative and world literature, history, postcolonial studies and gender studies, as also to Tagore enthusiasts.

directors from West Bengal, this book addresses the juxtaposition of tradition and culture regarding women in Bengali cinema. It argues the antithesis of women's roles, particularly in terms of ideas of resistance, revolution, change, and autonomy, by suggesting they convey resistance to hegemonic structures, encouraging a re-envisioning of women's positions within the familial-social matrix. Along with presenting a perception of culture as dynamic and evolving, the book discusses how some directors show that with this rupturing of the traditionally prohibitive, and a notion of unmaking and making in women, a traditional inclination is exposed to align women with ideas of absence, substitution, and disposability. The author goes on to show how selected auteurs in contemporary Bengali cinema break with certain traditional representations of women, gesturing towards a culture that is more liberating for women. Presenting the first full-length study of women's changing roles over the last twenty years of Bengali cinema, this book will be a useful contribution for students and scholars of South Asian Culture, Film Studies and Gender Studies.
