**Mere Christianity** May 02 2020 "Mere Christianity" is the most popular of C. S. This book brings together Lewis's legendary radio broadcast talks in which he set out simply "to explain and defend the belief that has been common to nearly all Christians at all times". Rejecting the boundaries that divide Christianity's many denominations, "Mere Christianity" is Lewis's term for the essential Christian message--the theological core on which diverse Christian traditions can stand together.

*Trinity and Reality* Dec 21 2021 The Trinity is the heart of the Christian gospel, but Father, Son, and Holy Spirit seldom occupy that position in contemporary discussions of the Christian worldview. This book helps fill the need by unveiling the Trinity at the center of reality. Ralph Smith shows how Trinitarian life shapes covenants, creation, revelation, miracle, kingdom, self, church, and eternity. He compares the Trinity to opposing viewpoints, including secularism and other religions, highlighting the practical implications of Trinitarian and non-Trinitarian views for the individual and society. This book provides basic training for all Christians, especially students, high school and up, who desire to transform the foundations of culture. Ralph Smith (M.Div. Grace Theological Seminary) is pastor of Mitaka Evangelical Church in Tokyo, Japan and serves as director of the Covenant Worldview Institute. See his online articles at [berith.org](http://berith.org). He and his wife Sylvia have three children, all with Hebrew names. But they live in Tokyo.

*Forensic Faith Participant's Guide* May 26 2022 This eight-week companion guide to Forensic Faith takes readers through the investigative techniques that J. Warner Wallace learned from his decades as a homicide detective. Designed to be used alongside the Forensic Faith book and DVD, this interactive guide helps readers in all seasons of faith become better "Christian Case Makers."

*The Fathers Refounded* Jul 28 2022 In the early twentieth century, a new generation of liberal professors sought to prove Christianity's compatibility with contemporary currents in the study of philosophy, science, history, and democracy. These modernizing professors—Arthur Cushman McGiffert at Union Theological Seminary, George LaPiana at Harvard Divinity School, and Shirley Jackson Case at the University of Chicago Divinity School—hoped to equip their students with a revisionary version of early Christianity that was embedded in its social, historical, and intellectual settings. In *The Fathers Refounded*, Elizabeth A. Clark provides the first critical analysis of these figures' lives, scholarship, and lasting contributions to the study of Christianity. *The Fathers Refounded* continues the exploration of Christian intellectual revision begun by Clark in *Founding the Fathers: Early Church History and Protestant Professors in Nineteenth-Century America*. Drawing on rigorous archival research, Clark takes the reader through the professors' published writings, their institutions, and even their classrooms—where McGiffert tailored nineteenth-century German Protestant theology to his modernist philosophies; where LaPiana, the first Catholic professor at Harvard Divinity School, devised his modernism against the tight constraints of contemporary Catholic theology; and where Case promoted reading Christianity through social-scientific aims and methods. Each, in his own way, extricated his subfield from denominationally and theologically oriented approaches and aligned it with secular historical methodologies. In so doing, this generation of scholars fundamentally altered the directions of Catholic Modernism and Protestant Liberalism and offered the promise of reconciling Christianity

and modern intellectual and social culture.

**Cold-Case Christianity for Kids** Mar 31 2020 Between the ages of 8 and 12, kids often start to wonder if Christianity is true. In *Cold-Case Christianity for Kids*, detective J. Warner Wallace draws readers into the thrill of high-stakes investigation by showing them how to think rather than telling them what to think. In this children's companion to the bestselling *Cold-Case Christianity*, detective Wallace gets kids excited about testing witnesses, examining the evidence, and investigating the case for Christianity. Includes author illustrations and links to a website ([coldcasechristianityforkids.com](http://coldcasechristianityforkids.com)) where kids can download activities, fill in case notes, and earn a certificate of merit. Detective Wallace gets kids excited about testing witnesses, examining the evidence, and investigating the case for Christianity.

*Person of Interest* Feb 29 2020 Can the truth about Jesus be uncovered—even without a body or a crime scene? Join cold-case detective and bestselling author J. Warner Wallace as he investigates Jesus using an innovative and unique approach he employs to solve real missing person murder cases. In *Person of Interest*, Wallace carefully sifts through the evidence from history alone, without relying on the New Testament. You'll understand like never before how Jesus, the most significant person in history, changed the world. Features: Join a cold-case detective as he uncovers the truth about Jesus using the same approach he employs to solve real murder cases Marvel at the way Jesus changed the world as you investigate why Jesus still matters today Learn how to use an innovative and unique "fuse and fallout" investigative strategy that you can also use to examine other claims of history Explore and learn how to respond to common objections to Christianity Detective J. Warner Wallace listened to a pastor talk about Jesus and wondered why anyone would think Jesus was a person of interest. Wallace was skeptical of the Bible, but he'd investigated several no-body homicide cases in which there was no crime scene, no physical evidence, and no victim's body. Could the historical life and actions of Jesus be investigated in the same way? In *Person of Interest*, Wallace describes his own personal investigative journey from atheism to Christianity as he carefully considers the evidence. Creative, compelling, and fully illustrated, *Person of Interest* will strengthen the faith of believers while engaging those who are skeptical and distrusting of the New Testament. "Wallace has an uncanny ability to discover clues where no one else sees them. Now he tackles perhaps his toughest case ever: solving a deeply personal mystery involving his own religious faith." —ROBERT DEAN, producer of NBC News Dateline "A creative and eye-opening work. You'll be captivated as Wallace takes you on a thrilling journey of discovery." —LEE STROBEL, bestselling author of *The Case for Christ* "If you read this book, you will have to reckon with Jesus, not just as a historical person but as Lord and Savior. This is not your typical apologetics book!" —ALISA CHILDERS, author of *Another Gospel* "Bring your doubts, bring your skepticism—but if you bring them in open-minded honesty . . . be prepared to render a shocking verdict." —SCOTT HANSON, host of NFL RedZone

**C.S. Lewis' Case for the Christian Faith** Aug 29 2022 Drawing on the whole body of C.S. Lewis' published fiction and non-fiction, as well as previously unpublished letters, Richard Purtill offers a clear, comprehensive assessment of Lewis' defense of Christianity. He examines Lewis' thinking on religion in light of contemporary thought, giving attention to such central issues as: the nature of God, the divinity of Christ, the manifestation of miracles in history, the challenge of faith,

**Jews, Turks, and Infidels** Mar 12 2021 Borden reveals the ways in which many mainstream Protestants worked to maintain preferential treatment for Christians in common law, state constitutions, and federal practices, even attempting through interpretation and amendment to alter the meaning of the U.S. Constitution. Even though religious freedom was guaranteed by the constitution in 1788, it took the sustained efforts of vigilant Jews during the nineteenth century to fulfill the constitution's promise of religious equality. Originally published in 1984. A UNC Press Enduring Edition -- UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print. These editions are published unaltered from the original, and are presented in affordable paperback formats, bringing readers both historical and cultural value.

**The Case for Faith** Jul 04 2020 Doubt is familiar territory for Lee Strobel, former atheist and award-winning author of books for skeptics and Christians. But he believes that faith and reason go hand in hand, and that Christianity is a defensible religion. In this Case for Faith pack--a six-session video curriculum with included participant's guide--Strobel uses his journalistic approach to explore the most common emotional obstacles to faith in Christ. These include the natural inclination to wrestle with faith and doubt, the troubling presence of evil and suffering in the world, and the exclusivity of the Christian gospel. And also this thought-provoking question: Can I doubt and be a Christian? Through compelling video of personal stories and experts addressing these topics, combined with reflection and interaction, Christians and spiritual seekers will learn how to overcome these obstacles, deepen their spiritual convictions, and find new confidence that Christianity is a reasonable faith. The Case for Faith pack contains one softcover participant's guide and one DVD-ROM with six video sessions, leader's guide PDF, and promotional materials.

**Case for Christ/Case for Faith Compilation** Dec 09 2020 Was God telling the truth when he said, "You will seek me and find me when you seek me with all your heart"? In his #1 bestseller *The Case for Christ*, Lee Strobel examined the claims of Christ, reaching the hard-won verdict that Jesus is God's unique son. In *The Case for Faith*, Strobel turns his skills to the most persistent emotional objections to belief--the eight "heart barriers" to faith. This Gold Medallion-winning book is for those who may be feeling attracted to Jesus but who are faced with difficult questions standing squarely in their path. For Christians, it will deepen their convictions and give them fresh confidence in discussing Christianity with even their most skeptical friends. "Everyone--seekers, doubters, fervent believers--benefits when Lee Strobel hits the road in search of answers, as he does again in *The Case for Faith*. In the course of his probing interviews, some of the toughest intellectual obstacles to faith fall away." - Luis Palau "Lee Strobel has given believers and skeptics alike a gift in this book. He does not avoid seeking the most difficult questions imaginable, and refuses to provide simplistic answers that do more harm than good." - Jerry Sittser, professor of religion, Whitworth College, and author of *A Grace Disguised* and *The Will of God as a Way of Life*

*Unitarianism Defended* Jun 02 2020

**The Case for Christianity Answer Book** Sep 29 2022 Offers simple answers to questions commonly raised about Christianity, offering scientific, historical, and biblical support for the Christian faith.

three volumes, Dorrien identifies the indigenous roots of American liberal theology and demonstrates a wider, longer-running tradition than has been thought. The tradition took shape in the nineteenth century, motivated by a desire to map a modernist "third way" between orthodoxy and rationalistic deism/atheism. It is defined by its openness to modern intellectual inquiry; its commitment to the authority of individual reason and experience; its conception of Christianity as an ethical way of life; and its commitment to make Christianity credible and socially relevant to modern people. Dorrien takes a narrative approach and provides a biographical reading of important religious thinkers of the time, including William E. Channing, Ralph Waldo Emerson, Horace Bushnell, Henry Ward Beecher, Elizabeth Cady Stanton, and Charles Briggs. Dorrien notes that, although liberal theology moved into elite academic institutions, its conceptual foundations were laid in the pulpit rather than the classroom.

**Confession of a Catholic** Sep 17 2021 Eighteen years after Vatican II, this preeminent Catholic author called to account the values and policy of the Catholic church, reevaluating some of the changes that he helped to effect and the impact of these changes on American Catholic life. He concluded, 'The world and its church looks far different now in 1983 from its reality in 1965.... All is not well.' Originally published by Harper & Row in 1983.

**The Case for Grace** Jul 24 2019 In *The Case for Grace*, Lee Strobel draws upon the inspiring stories of everyday people---as well as never-before-told details of his own journey from atheism to Christianity---to explore the depth and breadth of God's redeeming love. Through his unique investigative approach and story-telling ability, you will see how God's grace can similarly revolutionize your eternity and relationships ... starting today.

**Case for Christ Student Ed Padded** Mar 24 2022 Who Was Jesus? A good man? A lunatic? God? There's little question that he actually lived. But miracles? Rising from the dead? Some of the stories you hear about him sound like just that--stories. A reasonable person would never believe them, let alone the claim that he's the only way to God! But a reasonable person would also make sure that he or she understood the facts before jumping to conclusions. That's why Lee Strobel--an award-winning legal journalist with a knack for asking tough questions--decided to investigate Jesus for himself. An atheist, Strobel felt certain his findings would bring Christianity's claims about Jesus tumbling down like a house of cards. He was in for the surprise of his life. Join him as he retraces his journey from skepticism to faith. You'll consult expert testimony as you sift through the truths that history, science, psychiatry, literature, and religion reveal. Like Strobel, you'll be amazed at the evidence--how much there is, how strong it is, and what it says. The facts are in. What will your verdict be in *The Case for Christ*?

**Socio-Historical Examination of Religion and Ministry, Volume 1, Issue 1** Apr 12 2021 *Socio-Historical Examination of Religion and Ministry* (SHERM journal) is a biannual, not-for-profit, free peer-reviewed academic journal that publishes the latest social-scientific, historiographic, and ecclesiastic research on religious institutions and their ministerial practices. SHERM is dedicated to the critical and scholarly inquiry of historical and contemporary religious phenomena, both from within particular religious traditions and across cultural boundaries, so as to inform the broader socio-historical analysis of religion and its related fields of study. The purpose of SHERM is to provide a scholarly medium for the social-scientific study of religion where specialists can publish advanced studies on religious trends, theologies, rituals, philosophies, socio-political influences, or experimental and applied ministry research in the hopes of generating enthusiasm for the vocational and academic study of religion while fostering collegiality among religious specialists. Its mission is to provide academics, professionals, and nonspecialists with critical reflections and evidence-based insights into the socio-historical study of religion and, where appropriate, its implications for ministry and expressions of religiosity.

**Religion within the Limits of History Alone** Jun 14 2021 Shows that pragmatic historicism is a significant intellectual tradition in the history of American religious and philosophical thought. Among the greatest challenges facing religious thinkers today is that created by historicism, the notion that human beings and their myriad understandings of reality are utterly historical, conditioned by contingent circumstances and tied to particular contexts. In this book, Demian Wheeler confronts the historicist challenge by delineating and defending a particular trajectory

**Where To Download dl3.pling.com on December 1, 2022 Read Pdf Free**

of historicist thought known as pragmatic historicism. Rooted in the German Enlightenment and fully developed within the early Chicago school of theology, pragmatic historicism is a predominantly American tradition that was philosophically nurtured by classical pragmatism and its intellectual siblings, naturalism and radical empiricism. Religion within the Limits of History Alone not only undertakes a detailed genealogy of this pragmatic historicist lineage but also sets forth a constructive program for contemporary theology by charting a path for its future development. Wheeler shows that pragmatic historicism is an underdeveloped resource for contemporary theology since it offers a model for normative religious thought that is theologically compelling yet wholly nonsupernaturalistic, deeply pluralistic, unflinchingly liberal, and radically historicist. Demian Wheeler is Associate Professor of Philosophical Theology and Religious Studies and Director of Advanced Studies at United Theological Seminary of the Twin Cities. He is the coeditor (with David E. Conner) of *Conceiving an Alternative: Philosophical Resources for an Ecological Civilization*.

**The Case for Christ Young Reader's Edition** Nov 07 2020 Is Jesus real? Was he actually born in a stable? Did he really come back from the dead? Aren't all the stories in the Bible about Jesus just that ... stories? Join in this incredible search for the truth about Jesus, including the answers that rocked the world of investigative reporter and international bestselling author Lee Strobel. Here's a book that finally answers the most important questions about the existence, life, death, and resurrection of Jesus. The Case for Christ Young Reader's Edition, based on the adult edition, with over 5 million copies sold, is packed full of well-researched, reliable, and eye-opening investigations. In these pages, Lee Strobel—an award-winning legal journalist—tackles the toughest questions head-on. He investigates the historical reliability, eye witness testimonies, and scientific evidence of Jesus's birth, miracles, ministry, and resurrection. Will Lee's findings bring Christianity's claims about Jesus tumbling down like a house of cards? Like Strobel, you will be amazed at the evidence—how much there is, how strong it is, and what it says. The facts are in. What will your verdict be in The Case for Christ? The Case for Christ Young Reader's Edition: Is packed full of well-researched, reliable, and eye-opening investigations of some of the toughest questions you have about the existence, miracles, ministry, and resurrection of Jesus of Nazareth Is logical and easy to understand Includes the evidence about Jesus that rocked the world of atheist investigative reporter Lee Strobel Is a sturdy hardcover edition with two-tone interior and ribbon marker

**Understanding Interreligious Relations** Jan 10 2021 A multi-authored volume that explores the theme of the 'religious other' from the perspective of five major religions—Hinduism, Judaism, Buddhism, Christianity and Islam—and discusses a range of issues in which interreligious relations are central.

**The Rise of the Global South** Jul 16 2021 Global Christianity has been experiencing an unprecedented historical transition from the West to the non-Western world. The leadership of global Christianity has taken on a new face since the twentieth century. Christendom in Europe and America has experienced a great decline while there has been a rise in Majority World Christianity. Churches in the Global South have given their voices to global Christianity through their leadership, world mission movements, and theology. The phenomenal church growth has risen from the Pentecostal and Charismatic movement. Pentecostalism has become the dominant force in global Christianity today. The Rise of the Global South examines the significance this shift has had on global Christianity by going through the history of Christianity in the West and the causes of the shift.

**Religions in Global Society** Nov 19 2021 Peter Beyer, a distinguished sociologist of religion, presents a way of understanding religion in a contemporary global society - by analyzing it as a dimension of the historical process of globalization. Introducing theories of globalization and showing how they can be applied to world religions, Beyer reveals the nature of the contested category of 'religion': what it means, what it includes and what it implies in the world today. Written with exceptional clarity and illustrated with lively and diverse examples ranging from Islam and Hinduism to African traditional religions and new age spirituality, this is a fascinating overview of how religion has developed in a globalized society. It is recommended reading for students taking courses on sociology of religion, religion and globalization, and religion and modernity.

**Religion in Modern Taiwan** May 14 2021 Religion in Modern Taiwan takes a new look at Taiwan's current religious traditions and their fortunes during the twentieth century. Beginning with the cession of

Taiwan to Japan in 1895 and the currents of modernization that accompanied it, the essays move on to explore the developments that have taken place as Buddhists, Daoists, Christians, non-Han aborigines, and others have confronted, resisted, and adapted to (even thrived in) the many upheavals of the modern period. An overview of Taiwan's current religious scene is followed by a comprehensive look at the state of religion in the country prior to the end of World War II and the return of Taiwan to Chinese sovereignty. The remaining essays probe aspects of change within individual religious traditions. The final chapter analyzes changes that took place in the scholarly study and interpretation of religion in Taiwan during the course of the twentieth century. Religion in Modern Taiwan will be read with interest by students and scholars of Chinese religion, religion in Taiwan, the modern history of Taiwan, and by those concerned with issues of religion and modernization.

Contributors: Chang Hsun, Philip Clart, Shiun-wei Huang, Christian Jochim, Charles B. Jones, Paul Katz, André Laliberté, Lee Fong-mao, Randall Nadeau, Julian Pas, Barbara Reed, Murray A. Rubinstein. Ignaz Maybaum Aug 05 2020 Ignaz Maybaum (1897-1976) is widely recognized as one of the foremost Jewish theologians of the post-Holocaust era. Although he is mentioned in most treatments of post-Holocaust Jewish theology, his works are out of print and are only accessible to a small readership. Nicholas de Lange (who worked closely with Maybaum in his lifetime), has made a representative selection from his writings, under various headings: Judaism in the Modern Age, Dialogue between Jew, Christian, and Muslim, the Holocaust, and Zion. In an Introduction, he sets Maybaum's thoughts against the background of their time, indicates their main lines, and assesses how much of them is still of value today.

**Mediatized Religion in Asia** Sep 05 2020 This edited volume discusses mediatized religion in Asia, examining the intensity and variety of constructions and processes related to digital media and religion in Asia today. Individual chapters present case studies from various regions and religious traditions in Asia, critically discussing the data collected in light of current mediatization theories. By directing the study to the geographical, cultural and religious contexts specific to Asia, it also provides new material for the theoretical discussion of the pros and cons of the concept mediatization, among other things interrogating whether this concept is useful in non-'Western' contexts."

**Unreasonable Faith** Oct 26 2019 He has written or edited more than 30 books, his arguments for God and Jesus are frequently cited by Christian apologists around the world, and he has severely overstated his case through a series of blatant mischaracterizations and philosophical blunders. You may have heard of William Lane Craig, a professor of philosophy at Talbot School of Theology who is known for debating atheists, but even if you haven't you have probably heard his arguments through followers and fans. He is known for painting faith as the "reasonable" road, and falsely claiming that he can prove the validity of his religion. From his work attempting to show evidence for Jesus' resurrection to his development of the Kalam cosmological argument for the existence of God, Craig is respected among his peers on the Christian side of the religious spectrum. But is that deserved? What's at the core of these arguments? Are they philosophically sound? More importantly, is this Unreasonable Faith? "an excellent destruction of W.L. Craig's entire apologetics. Cogently argued and factually accurate, this is required reading for anyone keen to question the soundness of anything W.L. Craig has argued over the decades. Which makes it an invaluable resource for refuting Christian apologetics generally." Richard Carrier, author on the historicity of Jesus. "This book should be required reading for anyone who is proposing to debate William Lane Craig on the existence of God. It should also be something that those who debate Craig on that topic advertise: 'this book gives an accurate idea of the amount of material that needs to be provided to begin to address the usual panoply of arguments that Craig puts forward in a debate'" Professor Graham Oppy, Monash. James Fodor has a graduate degree in physics at the University of Melbourne, and is a research assistant in structural biology at Monash University. With a keen interest in philosophy, he writes for the Rationalist magazine on various subjects in religion and epistemology. As president of the University of Melbourne Secular Society, he has engaged in numerous discussions and public debates concerning religion, with a focus on secular morality and the evidence for the resurrection of Jesus. He also has a keen interest in effective altruism and computational neuroscience.

**The Christian Teacher** Oct 19 2021

**C. S. Lewis's Mere Christianity** Aug 24 2019 The life and times of C. S. Lewis's modern spiritual classic Mere Christianity, C. S. Lewis's eloquent

and winsome defense of the Christian faith, originated as a series of BBC radio talks broadcast during the dark days of World War Two. Here is the story of the extraordinary life and afterlife of this influential and much-beloved book. George Marsden describes how Lewis gradually went from being an atheist to a committed Anglican—famously converting to Christianity in 1931 after conversing into the night with his friends J. R. R. Tolkien and Hugh Dyson—and how Lewis delivered his wartime talks to a traumatized British nation in the midst of an all-out war for survival. Marsden recounts how versions of those talks were collected together in 1952 under the title *Mere Christianity*, and how the book went on to become one of the most widely read presentations of essential Christianity ever published, particularly among American evangelicals. He examines its role in the conversion experiences of such figures as Charles Colson, who read the book while facing arrest for his role in the Watergate scandal. Marsden explores its relationship with Lewis's *Narnia* books and other writings, and explains why Lewis's plainspoken case for Christianity continues to have its critics and ardent admirers to this day. With uncommon clarity and grace, Marsden provides invaluable new insights into this modern spiritual classic.

*Why Christianity Is Probably True* Jan 28 2020 When the New Atheists famously coined the phrase 'There's probably no God. Now stop worrying and enjoy your life,' they implicitly suggested that it was no longer reasonable to believe in God. Brian Harris tackles three of the most common accusations made against the Christian faith, namely that Christianity is intellectually vacuous, morally suspect and experientially empty. He looks at each accusation in turn, outlining the issue in the first chapter of each section, then looking at evidence against the claim before evaluating the argument as a whole. He is clear that he is not trying to 'prove' that Christianity is true as he acknowledges that absolute proof is impossible in this life, and in reality there are many tough and challenging questions to be faced - whether you are a Christian believer, a believer in another faith, an agnostic or an atheist. This book explores these questions in a rigorous but accessible way. It doesn't offer easy, solve everything answers, but it does build a cumulative case based on reason, history and experience to suggest that God probably exists, and that the Christian understanding of God could well be valid.

*The Catholic Church in Modern China* Jan 22 2022 In spite of difficulties posed by a hostile socialist government, the Catholic Church in China has

shown remarkable perseverance and growth since the end of the Cultural Revolution in 1979. The essays contained in *The Catholic Church in Modern China* inform readers of the major issues facing the Catholic Church in China today. Their insights should be welcomed by everyone from the Catholic layperson contemplating a trip to China to scholars and specialists in China and religious studies.

*Buddhist-Christian Dual Belonging* Aug 17 2021 A growing number of people describe themselves as both Buddhist and Christian; but does such a self-description really make sense? Many people involved in inter-faith dialogue argue that this dialogue leads to a mutually transformative process, but what if the transformation reaches the point where the Buddhist or Christian becomes a Buddhist Christian? Does this represent a fulfilment of or the undermining of dialogue? Exploring the growing phenomenon of Buddhist-Christian dual belonging, a wide variety of authors including advocates, sympathisers and opponents from both faiths, focus on three key questions: Can Christian and Buddhist accounts and practices of salvation or liberation be reconciled? Are Christian theism and Buddhist non-theism compatible? And does dual belonging inevitably distort the essence of these faiths, or merely change its cultural expression? Clarifying different ways of justifying dual belonging, contributors offer criticisms of dual belonging from different religious perspectives (Theravada Buddhist, Evangelical Reformed and Roman Catholic) and from different methodological approaches. Four chapters then carry the discussion forward suggesting ways in which dual belonging might make sense from Catholic, Theravada Buddhist, Pure-land Buddhist and Anglican perspectives. The conclusion clarifies the main challenges emerging for dual belongers, and the implications for interreligious dialogue.
