**The First Man** Sep 21 2019 The unfinished manuscript of The First Man was discovered in the wreckage of car accident in which Camus died in 1960. Although it was not published for over thirty years, it was an instant bestseller when it finally appeared in 1994. The 'first man' is Jacques Cormery, whose poverty-stricken childhood in Algiers is made bearable by his love for his silent and illiterate mother, and by the teacher who transforms his view of the world. The most autobiographical of Camus's novels, it gives profound insights into his life and the powerful themes underlying his work.

*Saddle Club Book 7: Horse Play* Jan 26 2020 Stevie, Carole and Lisa - founders of the Saddle Club - would do anything to help a friend in need. And now it looks as if they're going to get their chance when Stevie overhears a disturbing conversation between Max, Pine Hollow's owner, and a mysterious caller. Is their riding instructor really in serious financial trouble? Stevie can't be sure, but when Veronica, a snobby girl whose father is president of the local bank, starts looking even more smug than usual, the girls fear the worst. Determined to help bail out Max, the Saddle Club is soon drumming up new business and arranging a riding demonstration - starring themselves!

*Stand on the Sky* Jun 18 2019 Twelve-year-old Aisulu defies the expectations of her Kazakh family and tradition to train an eagle in order to save her brother, Serik, and prevent her family from giving up their nomadic life forever.

**Hunting in the Golden Days** Oct 03 2020 This vintage book contains an short story written by Hubert Garle. It is a tale based around historical fox hunting, and was inspired by a silver wine funnel owned by the author that was passed down to him from his forefathers, who were avid hunters. This charming story is highly recommended for those with an interest in fox hunting, and would make for a worthy addition to any collection. Many vintage books

*Horse Opera* Sep 26 2022 "In this innovative take on a neglected chapter of film history, Peter Stanfield challenges the commonly held view of the singing cowboy as an ephemeral figure of fun and argues instead that he was one of the most important cultural figures to emerge out of the Great Depression. The rural or newly urban working-class families who flocked to see the latest exploits of Gene Autry, Roy Rogers, Tex Ritter, and other singing cowboys were an audience largely ignored by mainstream Hollywood film. Hard hit by the depression, faced with the threat--and often the reality--of dispossession and dislocation, pressured to adapt to new ways of living, these small-town filmgoers saw their ambitions, fantasies, and desires embodied in the singing cowboy and their social and political circumstances dramatized in ""B"" Westerns. Stanfield traces the singing cowboy's previously uncharted roots in the performance tradition of blackface minstrelsy and its literary antecedents in dime novels, magazine fiction, and the novels of B. M. Bower, showing how silent cinema conventions, the developing commercial music media, and the prevailing conditions of film production shaped the ""horse opera"" of the 1930s. Cowboy songs offered an alternative to the disruptive modern effects of jazz music, while the series Western--tapping into aesthetic principles shunned by the aspiring middle class--emphasized stunts, fist fights, slapstick comedy, disguises, and hidden identities over narrative logic and character psychology. Singing cowboys also linked recording, radio, publishing, live performance, and film media. Entertaining and thought-provoking, *Horse Opera* recovers not only the forgotten cowboys of the 1930s but also their forgotten audiences: the ordinary men and women whose lives were brightened by the sights and songs of the singing Western."

**Crazy Horse, Hoka Hey!** Dec 25 2019 The story of Crazy Horse, legendary mystic & warrior, by Vinson Brown. This book is a personal study of Crazy Horse, whose nobility & purity of spirit have stood as an inspiration for generations. Taking the threads of fact, legend, & personal vision, the author weaves them into the drama & tragic love story of the man the Lakota call The Strange One.

**Blood Horses** Jan 06 2021 One evening late in his life, veteran sportswriter Mike Sullivan was asked by his son what he remembered best from his three decades in the press box. The answer came as a surprise. "I was at Secretariat's Derby, in '73. That was . . . just beauty, you know?" Sullivan didn't know, not really: the track had always been a place his father disappeared to once a year on business, a source of souvenir glasses and inscrutable passions in his Kentucky relatives. But in 2000, Sullivan, an editor and essayist for Harper's, decided to educate himself. He spent two years following the horse—both across the country, as he watched one season's juvenile crop prepare for the Triple Crown, and through time, as he tracked the animal's constant evolution in literature and art, from the ponies that appeared on the walls of European caves 30,000 years ago, to the mounts that carried the Indo-European language to the edges of the Old World, to the finely tuned but fragile yearlings that are

The result is a witty, encyclopedic, and in the end profound meditation on what Edwin Muir called our "long-lost archaic companionship" with the horse. Incorporating elements of memoir and reportage, the Wunderkammer and the picture gallery, *Blood Horses* lets us see--as we have never seen before--the animal that, more than any other, made us who we are.

**Crazy Horse** Oct 27 2022 Crazy Horse, the military leader of the Oglala Sioux whose personal power and social nonconformity set him off as "strange," fought in many famous battles, including the one at the Little Bighorn. He held out boldly against the government's efforts to confine the Sioux on reservations. Finally, in the spring of 1877 he surrendered, one of the last important chiefs to do so, only to meet a violent death. Mari Sandoz, the noted author of *Cheyenne Autumn* and *Old Jules*, both available as Bison Books, has captured the spirit of Crazy Horse with a strength and nobility befitting his heroism.

**The Truth Seeker** Jun 11 2021 Siblings Gabrielle and Michael are taken on an adventure of a lifetime as they go in search of artefacts and truth. On their adventure, they meet some very unlikely companions and lifelong friends, as well as foes.

*Horsewatching* Jan 18 2022 How intelligent are horses? Why do they toss their heads and what makes them paw the ground? After spending more than twenty years studying the body language of the human species, Desmond Morris has turned his attention to the behavior of some of our closest animal companions. First he looked at dogs, then cats, and now horses. As Curator of Mammals at the London Zoo he was able to study closely the zebras and wild horse in his charge. More recently, as a racehorse owner, he has scrutinized the glamorous world of

horses, Desmond Morris has never stopped asking questions. In Horsewatching he sets out to answer them. As a zoologist and a lifelong student of animal behavior, he approaches the horse world in an unusual way, dealing with topics often ignored in equine literature. In addition to examining details of behavior, Dr Morris considers such questions as why horseshoes bring good luck, why we don't eat horses, why jockeys are allowed to whip their mounts and why we call a bad dream a nightmare. And for punters everywhere, he applies his zoological mind to the all-important question of why some horses run faster than others...

**Black Beauty** Aug 13 2021 Anna Sewell was a kind and generous woman whose great love for horses and desire to see them better treated resulted in the most celebrated animal story of the nineteenth century. Born into a strict Quaker family who lived at Great Yarmouth in Norfolk, she was brought up to believe in the importance of self-reliance, moral responsibility and 'tender consideration for the Creatures of God'. From an early age she developed a strong love of animals and abhorred any form of cruelty towards them. She seemed to have a natural affinity with horses, and the great knowledge of horsemanship evident in *Black Beauty* was born from a lifetime's experience. Anna received her education at home from her mother, who as well as instilling in her a sense of duty and religion also filled the house with music, painting and poetry - she was herself an accomplished ballad-writer - and Anna soon proved a capable pianist and artist. When she was fourteen, Anna - who already suffered from a crippling bone disease - had a fall which left her an invalid for the rest of her life. By her mid-thirties she was no longer able to get around by herself and relied on a pony cart to transport her. Characteristically she never used a whip on her own horses, and one of her intentions with *Black Beauty* was to 'induce kindness, sympathy, and an understanding treatment of horses'. Confined to her room through ill-health, Anna started writing *Black Beauty* in 1871 but later abandoned the project until 1876. Afraid that she would not live to see the book published she worked laboriously on it despite failing health. Her

her work in print in November 1877. She died five months later and was buried at the family plot near Old Catton in Norfolk. What Anna did not live to see was the effect her 'little book' has had on the millions of people around the world who have read it. It has been translated into many languages and there have been several attempts at filming it. As Anna hoped, Black Beauty has exercised great influence on the treatment of animals, a fact highlighted by the Royal Society for the Prevention of Cruelty to Animals recommendation of the book.

Horses Never Lie Oct 15 2021 Rashid defines the difference between alpha and passive leadership in horses. He explains how to change horses from being indifferent or unwilling participants to becoming enthusiastic partners with their owners. His anecdotes feature his sense of humor and his overriding compassion for the horse.

Schicksalsgefährten Nov 23 2019 Ein Pferd erlebt den ersten Weltkrieg in Frankreich: Die traditionell entwickelte Geschichte berichtet das Leben eines prächtigen Irish Draught Fuchswallachs mit weissem Stern und vier tadellosen Socken. Erzählt wird aus Sicht des Pferdes, das auf einem englischen Hof in Devon von Sohn Albert in die Arbeit eingeführt, schliesslich aber durch den verarmten Bauern an die Armee verkauft wird. Joey kommt nach Frankreich in den Krieg, 'dient' in der Infanterie, bei der Sanität und schliesslich in der Artillerie, und landet glücklich auf einem französischen Hof. Dort wird Joey von Emilie ins Herz geschlossen. Aber Albert kommt nach Frankreich, um sein Pferd zu suchen, und führt es schliesslich zurück auf seinen Hof in Devon. Die Greuel und Entbehrnisse des Krieges bei Nässe und Kälte sind nicht jedermanns Sache. Doch die wundervoll gestalteten Bilder von Place schon eher. Ab 12 Jahren, gut, Ruedi W. Schweizer.

**The Red Heart** Sep 02 2020 The Slocum family of Northeastern Pennsylvania are the best of the white settlers, peace-loving Quakers who believe that the Indians hold the Light of God inside. It is from this good-hearted family that Frances is abducted during the Revolutionary war. As the child's terror subsides, she is slowly drawn into the sacred work and beliefs of her adoptive mother and of all the women of these Eastern tribes. Frances becomes Maconakwa, the Little Bear Woman of the Miami Indians. Then, long after the Indians are beaten and their last hope, Tecumseh, is killed, the Slocums hear word of their long-lost daughter and head out to Indiana to meet their beloved Frances. But for Maconakwa, it is a moment of truth, the test of whether her heart is truly a red one.
