Law Enforcement Funeral Manual (3rd Ed.) Dec 25 2019 This third edition manual is intended to provide law enforcement agencies with a quick and informative reference when the worst occurs: the unexpected death of a departmental member. The material contained herein has been gathered by the International Conference of Police Chaplains from numerous departments and sources. It covers all law enforcement circumstances and protocols and religious beliefs. New to this edition is a section devoted to ethnic communities and death/funeral considerations. Divided into seven sections, the major topics cover: preparing for the funeral, basic elements of law enforcement funerals, types of funerals, animal burials, funeral resources, survivor resources, and planning for the future. Police hymns, prayers, and help and supportive agencies are included for departments to use in drafting their own policies and procedures. Particular attention is given to ongoing care for the deceased member's family. A "Line of Duty or Serious Injury" form is provided as an example for other departments and agencies to use in drafting their own policies and procedures. The very helpful appendices contain a funeral checklist, a personnel debriefings form, and sample "Line of Duty Death Department Regulation of Standard Operating Procedure and Model Department Policy."

Critical Race Theory Sep 21 2019 Critical Race Theory has become a dynamic, eclectic, and growing movement in the study of law. With this third edition of Critical Race Theory, editors Richard Delgado and Jean Stefancic have created a reader for the twenty-first century-one that shakes up the legal academy, questions comfortable liberal premises, and leads the search for new ways of thinking about our nation's most intractable, and insoluble, problem-race. The contributions, from a stellar roster of established and emerging scholars, address new topics, such as intersectionality and black men on the "down low." Essays also confront much-discussed issues of discrimination, workplace dynamics, affirmative action, and sexual politics. Also new to this volume are updated section introductions, author notes, questions for discussion, and reading lists for each unit. The volume also covers the spread of the movement to other disciplines such as education. Offering a comprehensive and stimulating snapshot of current race jurisprudence and thought, this new edition of Critical Race Theory is essential for those interested in law, the
