Lloyd's Register of Shipping 1876 Oct 05 2020 The Lloyd's Register of Shipping records the details of merchant vessels over 100 gross tonnes, which are self-propelled and sea-going, regardless of classification. Before the time, only those vessels classed by Lloyd's Register were listed. Vessels are listed alphabetically by their current name.

Die kulturelle Rezeption der Ophelia vom elisabethanischen Zeitalter zur visuellen Repräsentation im 20. Jahrhundert

Mar 22 2022 Studienarbeit aus dem Jahr 2006 im Fachbereich Anglistik - Literatur, Note: 1,0, Friedrich-Alexander-Universität Erlangen-Nürnberg, Veranstaltung: Proseminar Hamlets and Their Women, Sprache: Deutsch, Abstract: In William Shakespeares Hamlet taucht die Nebenfigur Ophelia in sechs von zwanzig Szenen auf. Ihre Geschichte weist in dem Drama also unzählige Leerstellen auf, die jeder Interpret anders füllen kann. Die folgende Arbeit soll, beginnend in der Zeit der Entstehung des Dramas, chronologisch die wichtigsten Stationen in der Rezeptionsgeschichte der Figur, der Aufnahme und Wirkungen, die diese "durch jeweils verschiedene Epochen hindurch ausgeübt hat" (Nünning 462), im Theater, in der bildenden Kunst, der Literatur, der Literaturkritik, im Film und in der Psychiatrie erläutern. Der Stand der psychiatrischen Forschung wird dabei untrennbar mit ihrer Darstellung verbunden sein, ist sie oft doch der Prototyp der wahnsinnigen Frau, wie man mit weiblichem Wahnsinn im jeweiligen Jahr-hundert auch immer umgehen mag. Dabei wird hauptsächlich die britische Repräsentation berücksichtigt werden, doch, wenn besonders einflussreich, auch jene in anderen Ländern. Elaine Showalter schrieb, dass es nicht eine "wahre" Ophelia gebe, "but perhaps only a Cubist Ophelia of multiple perspectives, more than the sum of all her parts" (Showalter 1985, 238). Die folgende Arbeit wird versuchen, die meisten Seiten des Kubus Ophelia zu beleuchten.

The Myth and Madness of Ophelia Jun 01 2020 The Myth and Madness of Ophelia explores the visual representation of one of Shakespeare's most intriguing and popular heroines, from her earliest appearance in 18th-century illustrated editions of Hamlet to the present. Artists represented here include Benjamin West, Eughne Delacroix, Julia Margaret Cameron, Edward Steichen, Gwen John, Alfred Hitchcock, and Louise Bourgeois

Shakespeare in the Theatre: Sarah Siddons and John Philip Kemble Jun 25 2022 Siblings Sarah Siddons (1755-1831) and John Philip Kemble (1757-1823) were the most famous British actors of the late-18th and early-19th centuries. Through their powerful acting and meticulous conceptualisation of Shakespeare's characters and their worlds, they created iconic interpretations of Shakespeare's major roles that live on in our theatrical and cultural memory. This book examines the actors' long careers on the London stage, from Siddons's debut in 1782 to Kemble's retirement in 1817, encompassing Kemble's time as theatre manager, when he sought to foreground their strengths as Shakespearean performers in his productions. Over the course of more than thirty years, Siddons and Kemble appeared opposite one another in many Shakespeare plays, including King John, Henry VIII, Coriolanus and Macbeth. The actors had to negotiate two major Shakespeare scandals: the staging of Vortigern – a fake Shakespearean play – in 1796 and the Old Price Riots of 1809, during which the audience challenged Siddons's and Kemble's perceived attempts to control Shakespeare. Fiona Ritchie examines the siblings' careers, focusing on their collaborations, as well as placing Siddons's and Kemble's Shakespeare performances in the context of contemporary 18th- and 19th-century drama. The volume not only offers a detailed consideration of London theatre, but also explores the importance of provincial performance to the actors, notably in the case of Hamlet – a role in which both appeared across Britain and in Ireland.

Ophelia's Muse Dec 27 2019 "I'll never want to draw anyone else but you. You are my muse. Without you there is no art in me." With her pale, luminous skin and cloud of copper-colored hair, nineteen-year-old Lizzie Siddal looks nothing like the rosy-cheeked ideal of Victorian beauty. Working in a London milliner's shop, Lizzie stitches elegant bonnets destined for wealthier young women, until a chance meeting brings her to the attention of painter and poet Dante Gabriel Rossetti. Enchanted both by her ethereal appearance and her artistic ambitions--quite out of place for a shop girl--Rossetti draws her into his glittering world of salons and bohemian soirees. Lizzie begins to sit for some of the most celebrated members of the Pre-Raphaelite Brotherhood, posing for John Everett Millais as Shakespeare's Ophelia, for William Holman Hunt--and especially for Rossetti, who immortalizes her in countless paintings as his namesake's beloved Beatrice. The passionate visions Rossetti creates on canvas are echoed in their intense affair. But while

Lizzie strives to establish herself as a painter and poet in her own right, betrayal, illness, and addiction leave her struggling to save her marriage and her sense of self. Rita Cameron weaves historical figures and vivid details into a complex, unconventional love story, giving voice to one of the most influential yet overlooked figures of a fascinating era--a woman who is both artist and inspiration, long gazed upon, but until now, never fully seen. An excerpt from Ophelia's Muse Rossetti stood behind the canvas, pretending to study Deverell's painting while he admired its model. Despite Deverell's enthusiastic descriptions, Rossetti was completely unprepared for the glorious woman before him. She seemed to be from another age, as if she had sprung to life from an antique painting of an Italian saint. Seated before the window, her hair cast a slight golden glow in the afternoon sun, like a halo. She could not have been more perfect if he had sculpted her from marble with his own hands. Deverell claimed that he had found the perfect Viola, but this girl was far too beautiful to pose as some love-sick page. She was clearly meant to sit for the great heroines of history and myth, and Rossetti vowed to paint her as a queen. "Miss Siddal, has anyone ever told you that you were surely crafted by the gods in order to be painted? If you don't believe that yours is a beauty for the ages, you underestimate yourself." The force of his words struck Lizzie, and she wondered if he was serious, and if it could be true. Was this the thing that she had always been waiting for? Was she really meant to inspire great artists? Her head buzzed with the possibility, but the very allure of the idea felt dangerous...

**Ophelia** Feb 09 2021 It is astonishing how deeply the figure of Ophelia has been woven into the fabric of Spanish literature and the visual arts – from her first appearance in eighteenth-century translations of Hamlet, through depictions by seminal authors such as Espronceda, Bécquer and Lorca, to turn-of-the-millennium figurations. This provocative, gendered figure has become what both male and female artists need her to be – is she invisible, a victim, mad, controlled by the masculine gaze, or is she an agent of her own identity? This well-documented study addresses these questions in the context of Iberia, whose poets, novelists and dramatists writing in Spanish, Catalan and Galician, as well as painters and photographers, have brought Shakespeare's heroine to life in new guises. Ophelia performs as an authoritative female author, as new perspectives reflect and authorise the gender diversity that has gained legitimacy in Spanish society since the political Transition.

**Sympathy, Sensibility and the Literature of Feeling in the Eighteenth Century** Jan 08 2021 What makes it possible for self-interest, cruelty and violence to become part of the benevolent, compassionate ideology of eighteenth-century sensibility? This book explores forms of emotional response, including sympathy, tears, swoons and melancholia through a range of eighteenth-century literary, philosophical and scientific texts.

**Hamlet: A Critical Reader** Nov 25 2019 Hamlet remains the most-studied of all Shakespeare's great tragedies. This collection of newly-commissioned essays gives readers an overview of past critical views of the play as well as new writing about the play from today's leading scholars. The range of perspectives offered makes the book an invaluable companion to anyone studying the play at an advanced level. The final chapter on learning and teaching resources is particularly useful as a guide for further study.

**Shakespeare's Women and the Fin de Siècle** Jan 20 2022 Shakespeare's Women and the Fin de Siècle illuminates the most iconoclastic performances of Shakespeare's heroines in late Victorian theatre, through the celebrity, commentary, and wider careers of the actresses who played them. By bringing together fin-de-siècle performances of Shakespeare and contemporary Victorian drama for the first time, this book illuminates the vital ways in which fin-de-siècle Shakespeare and contemporary Victorian theatre culture conditioned each other. Actresses' movements between Shakespeare and fin-de-siècle roles reveal the collisions and unexpected consonances between apparently independent areas of the fin-de-siècle repertory. Performances including Ellen Terry's Lady Macbeth, Madge Kendal's Rosalind, and Lillie Langtry's Cleopatra illuminate fin-de-siècle Shakespeare's lively intersections with cultural phenomena including the 'Jack the Ripper' killings, Aestheticism, the suicide craze, and the rise of metropolitan department stores. If, as previous studies have shown, Shakespeare was everywhere in Victorian culture, Sophie Duncan explores the surprising ways in which late-Victorian culture, from Dracula to pornography, and from Ruskin to the suffragettes, inflected Shakespeare. Via a wealth of unpublished archival material, Duncan reveals women's creative networks at the fin de siècle, and how Shakespearean performance traditions moved between actresses via little-studied performance genealogies. At the same time, controversial new stage business made fin-de-siècle Shakespeare as much a crucible for debates over gender roles and sexuality as plays by Ibsen and Shaw. Increasingly, actresses' creative networks encompassed suffragist activists, who took personal inspiration from star Shakespearean actresses. From a Salome-esque Juliet to a feminist Paulina, fin-de-siècle actresses created cultural legacies which Shakespeare-in-performance still negotiates today.

**Clandestine Erotic Fiction in English 1800-1930** May 24 2022 This work offers bibliographical descriptions of all printings of erotic fiction in English issued clandestinely during the period 1800-1930. By 'clandestine' is meant books whose publishers and printers attempt to hide their identities, usually by offering title pages whose misleading places and dates of publication may shock and amuse, but which always aim to mystify. Using internal and external evidence, an attempt is made to establish who were the printers, booksellers and publishers, English and Continental, involved in this trade. The printing families or 'groups' into which a large percentage of the material falls are classified, accompanied by illustrations which identify the main printing characteristics ('house styles') of the groups. Bibliographical descriptions follow a checklist of clandestine catalogues; these provide valuable evidence for dating, pricing and 'sales pitch' and information on items of which no copies can now be traced. The work concludes with a series of appendices which provide significant external evidence, and three indexes: of themes, titles and names. Peter Mendes' original research builds on and significantly extends the essential pioneer work of the Victorian collector and bibliographer H.S. Ashbee ('Pisanus Fraxi').

**Lloyd's Register of Shipping 1883** May 12 2021 The Lloyd's Register of Shipping records the details of merchant vessels over 100 gross tonnes, which are self-propelled and sea-going, regardless of classification. Before the time, only those vessels classed by Lloyd's Register were listed. Vessels are listed alphabetically by their current name.

**Novel Ideas** Aug 03 2020 This concise yet comprehensive study explores innovative practice in the novel and, from the perspective of creative writing, the astonishing resilience of the novel form. It offers a practical guide to the many possibilities available to the writer of the novel, with each chapter offering exercises to encourage innovation and to expand the creative writer's narrative skills. Beginning with early iterations of the novel in the 17th century, this book follows the evocation of innovation in the novel through Realism, Modernism, Postmodernism and into today's dizzying array of digital and interactive possibilities. While guiding the reader through the possibilities available (in both genre and literary fiction), this book encourages both aspiring and established writers to produce novels with imagination, playfulness and gravitas. Dynamic and interactive, this text is distinctive in offering a grounding in the literary history of the novel, while also equipping readers to write in the form themselves. It is an essential

resource for any student of creative writing, or anyone with an interest in writing their own novel.

**Ophelia and Victorian Visual Culture** Mar 10 2021 Kimberly Rhodes's interdisciplinary book is the first to explore fully the complicated representational history of Shakespeare's Ophelia during the Victorian period. In nineteenth-century Britain, the shape, function and representation of women's bodies were typically regulated and interpreted by public and private institutions, while emblematic fictional female figures like Ophelia functioned as idealized templates of Victorian womanhood. Rhodes illuminates Ophelia as a figure whose importance crossed class and national boundaries. Her analysis yields fascinating insights into 'high' and mass culture and enables transnational comparisons that reveal the compelling associations among Ophelia, gender roles, body image and national identity.

**The Internationalization of Intellectual Exchange in a Globalizing Europe, 1636–1780** Apr 23 2022 This book studies the phenomenon of "cultural transfer" via a gallery of case studies from Europe's early modernity. Perhaps its most original feature is to relate the European phenomenon to events in Europe's "East" (Central Europe) and developing practices of European Orientalism in the Middle East and India.

**Ophelia's Fan: A Novel** Sep 04 2020 "Reconstructs the vibrantly intoxicating atmosphere of the theatrical world in the early nineteenth century. Lavishly romantic." --Booklist Christine Balint reimagines the bittersweet life of Harriet Smithson, the tragedienne who brought Shakespeare to the French. Born in County Clare, Ireland, in 1800, Harriet is left in the care of the elderly priest Father Barrett, and is brought up on Lamb's Shakespeare, lime-sherbet sweets, and prayer. A child of traveling players, her ultimate inheritance is Covent Garden, London, the green room, and the theater's rough magic. With the arrival of Charles Kemble's English Theatre troupe in Paris in 1827, the Odeon Theatre is awash with the drama and music of Shakespeare. Harriet is Ophelia. The French Romantics swoon, traffic stops, and the high-society women plait straw in their hair in honor of her mad Ophelia. The fiery composer Hector Berlioz falls in love. In Ophelia's Fan, Balint re-creates the texture and breadth of the nineteenth century and brings alive Harriet Smithson; the actress and the woman, her roles and her loves. Reading group guide included.
