now and then with the latest revelation? (3) An avoider, who ignored it all as much as possible, assuming that everyone involved was probably guilty of something? If you're in the first group, you're going to love this book, because it's a fact-loaded, comprehensive, and challenging test of your memory. If you're in the second group, you should read this book, to fill in all of the 181/2-minute gaps in your knowledge. and that truly captures the spirit of it all. We are in danger of forgetting the greatest American political scandal of this century—and also one of the century's greatest entertainments, starring the man who actually said after it was all over, "I wasn't lying. I said things which later on seemed to be untrue." Decades have passed now, and it's a fine time to look back. The Watergate Quiz Book organizes two years of confusing allegations, revelations, and testimony into ten chronological chapters of nasty, challenging questions: true/false, multiple choice, direct

response, and—for Watergate fanatics only—difficult "Deep Throat" questions. Remember the "Rose Mary Stretch"? Did you know which presidential aides were not recruited from the J. Walter Thompson advertising agency's Los Angeles office? Did you ever learn what "Gemstone" was? Operation Sandwedge? Who was the Tickler? Who knew about what, and when? And—biggest question of all—who was Mark Felt, better known as Deep Throat? Test your Watergate I.Q., or learn it all for the first time! *The Mammoth Football Quiz Book* September 2022 Download dl3.pling.com on December 1, 2022 Read Pdf Free
