*The Hours of Simon de Varie Aug 15 2021 Leading French painters in the late medieval period executed miniatures for lavishly illuminated books of hours. In the mid-fifteenth century, Simon de Varie commissioned such a book. Completed in 1455, it included five priceless works by the most eminent French painter of the time, Jean Fouquet, as well as other striking paintings by two of his contemporaries. In the seventeenth century, Simon de Varie's book was divided into three sections and sold as separate volumes. Two of these volumes are today in the Royal Library in The Hague. The third volume--thought lost until 1984, when it surfaced in a private collection and was subsequently acquired by the Getty Museum--contains the first miniatures by Jean Fouquet to have been discovered in eighty years. This beautiful book will reproduce in color all of the miniatures and historiated initials in the original manuscript, along with selected text pages with secondary decoration. Comparative illustrations also accompany the two essays in the volume. Marrow's text addresses the role of books of hours in late medieval culture; the contents and form of de Varie's Hours; and the relationship of the miniatures by Fouquet to the rest of the artist's oeuvre. In a related essay, Francois Avril discusses the position of Simon de Varie and his family in mid-fifteenth-century France. The publication of The Hours of Simon de Varie adds to the Getty's impressive list of publications on illuminated manuscripts begun in 1990 and including the widely acclaimed facsimile *Mira calligraphiae monumenta*.*

Kerouac, the Word and the Way Nov 25 2019 Jack Kerouac, a "ragged priest of the word" according to Ben Giamo, embarked on a spiritual quest "for the ultimate meaning of existence and suffering, and the celebration of joy in the meantime." For Kerouac, the quest was a sustained and creative experiment in literary form. Intuitive and innovative, Kerouac created prose styles that reflected his search for personal meaning and spiritual intensity. These styles varied from an exuberant brand of conventional narrative (*On the Road*, *The Dharma Bums*, and *Desolation Angels*) to spontaneous bop prosody (*Visions of Cody*, *Doctor Sax*, and *The Subterraneans*). Giamo's primary purpose is to chronicle and clarify Kerouac's various spiritual quests through close examinations of the novels. Kerouac began his quest with *On the Road*, which also is Giamo's real starting point. To establish early themes, spiritual struggles, and stylistic shifts, however, Giamo begins with the first novel, *Town and Country*, and ends with *Big Sur*, the final turning point in Kerouac's quest. Kerouac was primarily a religious writer bent on testing and celebrating the profane depths and transcendent heights of experience and reporting both truly. Baptized and buried a Catholic, he was also heavily influenced by Buddhism, especially from 1954 until 1957 when he integrated traditional Eastern belief into several novels. Catholicism remained an essential force in his writing, but his study of Buddhism was serious and not solely in the service of his literary art. As he wrote to Malcolm Cowley in 1954, "Since I saw you I took up the study of Buddhism and for me it's the word and the way I was looking for." Giamo also seeks IT? "a vital force in the experience of living that takes one by surprise, suspending for the moment belief in the 'real' concrete grey everyday of facts of self and selfhood . . . its various meanings, paths, and oscillations: from romantic lyricism to the ragged and ecstatic joy of pure being and from the void-pit of the Great World Snake to the joyous pain of amorous love, and, finally, from Catholic/Buddhist serenity to the onset of penitential martyrhood."
