The Owner's Manual for Christians Dec 17 2021 It's never too late. Whether you're a new Christian or you've walked the road for decades, it's never too late to find the critical truths that make life make sense. We often start out believing that common sense will be enough, that we're prepared for the road ahead with our good values and quick thinking. It doesn't take long to learn otherwise. A broken friendship. An obsessive career. Financial distress. Even empty success. We come back to God, searching for insight, for hope. And He provides. Nothing can replace studying the Bible. Best-selling author and pastor Charles Swindoll has spent decades studying its pages and teaching its precepts. But if sixty-six books seem overwhelming, The Owner's Manual for Christians is the perfect starting place: a biblical summary of the major truths that anchor the Christian life. From grace to freedom, these chapters walk the reader through the keys to a life well lived—drawn from the Creator of life itself. Life is often confusing, but it does not have to be impossible. Read The Owner's Manual for Christians and find hope for the road ahead.

Broken Trust Mar 08 2021 Ray Eastwood heads to Jackson, Wyoming, looking for a distraction—and he finds one. His cousin Graham is missing, leaving behind a cranky girlfriend and a cryptic message but little else. Teaming up with a vivacious park ranger named Lauren, Ray deciphers Graham's message and follows it to a variety of Jackson Hole landmarks. Each is somehow tied to a century-old contract, a power struggle between two of the area's prominent families, and a cult-like belief rooted in the valley's mystical aura. The more they learn, the more questions Ray and Lauren have—and the more they fear the worst about Graham. Set against the panorama of the Teton Mountains, Broken Trust explores the lust for power, the relationship between the mystic and the divine, and the depths of loyalty and friendship . . . and ends with a bang!
