The Mirror of Her Dreams Dec 16 2021 The daughter of rich but neglectful parents, Terisa Morgan lives alone in a New York City apartment, a young woman who has grown to doubt her own existence. Surrounded by the flat reassurance of mirrors, she leads an unfulfilled life-until the night a strange man named Geraden comes crashing through one of her mirrors, on a quest to find a champion to save his kingdom of Mordant from a pervasive evil that threatens the land. Terisa is no champion. She wields neither magic nor power. And yet, much to her own surprise, when Geraden begs her to come back with him, she agrees. Now, in a culture where women are little more than the playthings of powerful men, in a castle honeycombed with secret passages and clever traps, in a kingdom threatened from without and within by enemies able to appear and vanish out of thin air, Terisa must become more than the pale reflection of a person. For the way back to Earth is closed to her. And the enemies of Mordant will stop at nothing to see her dead.

My Dreams Out in the Street Nov 15 2021 Rita Jackson is a young woman on the skids, spending her time in shelters and on the dot-com-drunk streets of late 1990s San Francisco. She's a young woman haunted by the murder of her mother when she was thirteen, and a young bride haunted by the disappearance of her husband, Jimmy, who split after a nasty argument more than a year earlier. Together Jimmy and Rita were slipping into drugs and hard times. Rita is filled with feelings of guilt and failure, and the hope that she will one day find Jimmy. She doesn't know that he is still in the city, still in love with her, waiting tables in an expensive restaurant while trying to get a foothold in the straight life. When Rita witnesses the aftermath of a murder, her own life is endangered. She becomes involved with Gary Shepard, a married criminal investigator drawn to the dark side of this young woman. What unfolds is a story of three flawed people struggling with themselves as much as with their circumstances, as each of them is pulled more deeply and dangerously into the consequences of their decisions. When a drunken night leads Jimmy to jeopardize his second and last chance, it seems unlikely that these sweet, damaged people will ever come to anything, let alone find and -- miracle of miracles -- save one another. But fate, in Addison's hands, works in strange and beautiful geometries. And redemption, she tells us, is never impossible.

Mayflower Dreams Jun 17 2019 Deep inside the common house, William Bradford coughed and wheezed. His face was as gray as the smoke from the fire. His right hand tried to roll a large

barrel of gunpowder toward the door while his left hand pressed against the wall for support. Pieces of smoldering straw fell down from the roof, landing on him and the barrel. Thou art too sick to move that barrel. Let us help thee. Before, during, and after the 1620 voyage on the Mayflower, the Pilgrims experienced a common house fire, other challenges, and many accomplishments. Their journey is explored by Rose Hopkins when she travels backward in time and meets her ancestors through Mayflower Dreams. Within her reality and dreams, Rose finds that her modern life connects to Pilgrim history and culture. In her reality, Rose has problems living in the present. She is often late and is separated from her husband. She connects to her ancestors as she uses a sampler to look for a watch. Her journey includes visiting Pilgrim Hall Museum, Plymouth Rock, Plimoth Plantation, and the Mayflower II. In her dreams, Rose uses lucid dreaming techniques to create a dream story. She meets many Pilgrims, including John Robinson, the pastor of the Puritans. The Pilgrim history, lifestyle, dialogue, and dreams of religious freedom are realistically displayed within Rose's dream story.

Does the Woman of My Dreams Exist? Aug 24 2022 Does the Woman of My Dreams exist? This is the question that I am asking the universe as I write my second book. I doubted the existence of the woman of my dreams when I started to write my second book. I doubted her existence because of how cruel the rest of the world could be to someone with social anxiety. I thought my years of being bullied were over before the writing of my second book. Then the bullying started all over again after I was somehow able to find the courage to let one of my angels know how I felt about her. This vilification led me into another pit of darkness. It had me believing it was wrong to love beautiful women. Yet my love for beautiful women was also the only thing to keep me alive.

The Incredible Memoirs of Harriet Tubman, the Female Moses (2 Books in One Edition) Apr 27 2020 As her biographer Sarah H. Bradford mentions, Harriet Tubman is at par with biggest names like Jeanne D'Arc, Grace Darling, and Florence Nightingale in terms of her resilience, courage and do-or-die dedication in liberating her people from the bondages of slavery. Tubman who was herself born into slavery in Maryland in 1822 took over the responsibility of helping and guiding other slaves to freedom after her own escape to Philadelphia in 1849. Traveling by night and in extreme secrecy, Tubman "never lost a passenger". When the Civil War began, Tubman

worked for the Union Army, first as a cook and nurse, and then as an armed scout and spy. She was the first woman to lead an armed expedition in the war and to guide the raid at Combahee Ferry, which liberated more than 700 slaves. Excerpt: "The whip was in sight on the mantel-piece, as a reminder of what was to be expected if the work was not done well. Harriet fixed the furniture as she was told to do, and swept with all her strength, raising a tremendous dust. The moment she had finished sweeping, she took her dusting cloth, and wiped everything "so you could see your face in 'em, de shone so," in haste to go and set the table for breakfast, and do her other work. The dust which she had set flying only settled down again on chairs, tables, and the piano. "Miss Susan" came in and looked around...." (Scenes in the Life of Harriet Tubman) Sarah H. Bradford (1818–1912) was an American writer, historian and one of the first American women writers to specialize in children's literature, predating better-known writers such as Louisa May Alcott. Bradford was also a very close friend of Tubman and a contemporary of Harriet Beecher Stowe, the author of Uncle Tom's Cabin.

Her Dream of Dreams Jun 22 2022 "I am a woman that came from the cotton fields of the South; I was promoted from there to the wash-tub; then I was promoted to the cook kitchen, and from there I promoted myself into the business of manufacturing hair goods and preparations." --Madam C. J. Walker, National Negro Business League Convention, 1912 Now, from a writer acclaimed for her novels and the memoir *Crossed Over*, a remarkable biography of a truly heroic figure. Madam C. J. Walker created a cosmetics empire and became known as the first female self-made millionaire in this nation's history, a noted philanthropist and champion of women's rights and economic freedom. These achievements seem nothing less than miraculous given that she was born, in 1867, to former slaves in a hamlet on the Mississippi River. How she came to live on another river, the Hudson, in a Westchester County mansion, and in a New York City town house, is at once inspirational and mysterious, because for all that is known about the famous entrepreneur, much that occurred before her magnificent transformation—years that trace a circuitous route across the country—remains obscure. By breathing life into scattered clues and dry facts, and with a deep understanding of the times and places through which Madam Walker moved, Beverly Lowry tells a story that stretches from the antebellum South to the Harlem Renaissance and bridges nearly a century of our history in her search for the distant truths of a woman who defied all odds and redefined conventional expectations. "Wherever there was one colored person, whether it was a city, a town, or a puddle by the railroad tracks, everybody knew her name." --Violet Davis Reynolds, *Stenographer*, Madam C. J. Walker Co
