[Just Add Buddha](#) Jun 19 2019 Start your path toward happiness and inner peace with the essential guide to Buddhism from bestselling author Franz Metcalf. Written for spiritual seekers and those with unenlightened coworkers and inconsiderate bank tellers more often than Zen masters and Tibetan monks, this book demonstrates the practical side of Buddhism. Author Franz Metcalf shows how to weave simple vows, quick rethinks, instant relaxations, fast visualizations, and many other stripped-down Buddhist practices into every area of life. Individually, Metcalf's techniques work as quick fixes for specific dilemmas, but woven together, they gradually strengthen one's spiritual base when one day a habitual way of being has been quietly transformed. While not intended to impress pure Buddhists, this book takes Buddhism seriously. Approachable sections on Buddhism's rich tradition and a sprinkling of quotes from ancient scripture and contemporary teachers connect the book's practices to the deeper wisdom underlying them. Always, Just Add Buddha remains squarely focused on daily life, drawing out the most practical aspects of Buddhism.

[Die Macht der Gewohnheit: Warum wir tun, was wir tun](#) Jul 01 2019 Seit kurzem versuchen Hirnforscher, Verhaltenspsychologen und Soziologen gemeinsam neue Antworten auf eine uralte Frage zu finden: Warum tun wir eigentlich, was wir tun? Was genau prägt unsere Gewohnheiten? Anhand zahlreicher Beispiele aus der Forschung wie dem Alltag erzählt Charles Duhigg von der Macht der Routine und kommt dem Mechanismus, aber auch den dunklen Seiten der Gewohnheit auf die Spur. Er erklärt, warum einige Menschen es schaffen, über Nacht mit dem Rauchen aufzuhören (und andere nicht), weshalb das Geheimnis sportlicher Höchstleistung in antrainierten Automatismen liegt und wie sich die Anonymen Alkoholiker die Macht der Gewohnheit zunutze machen. Nicht zuletzt schildert er, wie Konzerne Millionen ausgeben, um unsere Angewohnheiten für ihre Zwecke zu manipulieren. Am Ende wird eines klar: Die Macht von Gewohnheiten prägt unser Leben weit mehr, als wir es ahnen.

How Do Changing U.S. Interest Rates Affect Banks in the Gulf Cooperation Council (GCC) Countries? Aug 15 2021 Given their pegged exchange rate regimes, Gulf Cooperation Council (GCC) countries usually adjust their policy rates to match shifting U.S. monetary policy. This raises the important question of how changes in U.S. monetary policy affect banks in the GCC. We use a level panel data, exploiting variation across banks within countries, to isolate the impact of changing U.S. interest rates on GCC banks funding costs, asset rates, and profitability. We find a pass-through from U.S. monetary policy to liability rates rather than to asset rates and bank profitability, largely reflecting funding structures. In addition, we explore the role of shifts in the quality of bank liabilities as policy rates change and the role of large banks with relatively stable funding costs to explain these findings.

How Many Lightbulbs Does It Take to Change a Person? Oct 16 2021 All of us search for light. We seek enlightenment, understanding, and answers. We seek hope. So many people grope through a smothering spiritual darkness reaching for something to bring light into their lives. Some even think they've found it in other things. After all, it would be easy for a blind person to think he found light if he's never seen it or experienced it for himself. But there is only one way to find the light we really need and to be able to live the Christian life in successful obedience, and the true Light flood our hearts. Fruitful, joy-filled, victorious living happens only as we are spiritually enlightened through the truth of the Word of God and by the inner working of the Spirit of God. Through humor and stories, Rhonda Rhea explores many of the almost 300 references to light in the Bible to draw us back to the real light found in Christ. This light is the only light that provide change in our lives, and is ultimately not just a light that changes us, but the lives of those we come in contact with as well.
