How to be Good Oct 25 2022 Katies Seitensprung ist eigentlich nicht das Problem, auch wenn sie ihrem Mann spontan einen Scheidungsantrag macht, der nicht angenommen wird. David, ein frustrierter unveröffentlichter Schriftsteller, hält das Banner der Familie hoch, zu deren Unterhalt er nur bescheiden mit giftigen Zeitungskolumnen beiträgt. Aber immerhin ist er ein recht ordentlicher Hausmann und ein eingespielter Ehepartner. Katies großes Problem ist DJ GoodNews. Der moraltriefende Heiler mit dem exotischen Augenbrauenpiercing und unbestreitbaren Heilerfolgen zieht zu Katie und David und krepelt die Familie um.

Can We Teach Children to Be Good? (Rle Edu K) Dec 03 2020 The apparently straightforward question 'Can we teach children to be good?' cannot be properly understood without a great deal of careful thinking about the philosophical issues involved. Teachers and parents often assume that what the question means and how it should be answered are self-evidently matters of plain 'commonsense', but the dangers of such assumptions are laid bare by the probing approach of this book. After reflecting on the terms 'goodness' and 'teaching' it proceeds to describe and critically examine a number of attempts to define the nature of morality in terms of its form or its content, thereby teasing out the many conflicting views of moral education which follow from these theories. No one account of morality or 'moral education' is found to be wholly satisfactory and a synthesis is offered in the final chapter, which suggests a variety of practical teaching strategies.

Women, Work, and Computerization Apr 07 2021 Paperback. An international acknowledgement of the problems existing in the area of gender and computing in the 1990s is provided by this publication. The need to produce strategies and policies to rectify the situation is highlighted. Papers, both reporting original empirical research and postulating interesting theoretical perspectives are structured around five parallel themes: Community, Communications and Information Networks; Information Technology (IT), Flexibility and Restructuring; Information Systems Design and User-Centred Perspectives; Education, Training and Learning; and Feminist Theoretical Perspectives on Power, Knowledge and Technology.

immensely important. The same goes for knowing how to make others be good—otherwise known as 'moral enhancement'. John Harris explores the many varied approaches to moral enhancement, from setting a good example to imbibing mood-altering substances, and asks whether and to what extent moral enhancement is possible.

Tomorrow Sex Will Be Good Again Jun 21 2022 A provocative, elegantly written analysis of female desire, consent, and sexuality in the age of MeToo. Women are in a bind. In the name of consent and empowerment, they must proclaim their desires clearly and confidently. Yet sex researchers suggest that women's desire is often slow to emerge. And men are keen to insist that they know what women—and their bodies—want. Meanwhile, sexual violence abounds. How can women, in this environment, possibly know what they want? And why do we expect them to? In this elegant, searching book—spanning science and popular culture; pornography and literature; debates on Me-Too, consent and feminism—Katherine Angel challenges our assumptions about women's desire. Why, she asks, should they be expected to know their desires? And how do we take sexual violence seriously, when not knowing what we want is key to both eroticism and personhood? In today's crucial moment of renewed attention to violence and power, Angel urges that we remake our thinking about sex, pleasure, and autonomy without any illusions about perfect self-knowledge. Only then will we fulfil Michel Foucault's teasing promise, in 1976, that "tomorrow sex will be good again."

Born to Be Good: The Science of a Meaningful Life Feb 17 2022

"A landmark book in the science of emotions and its implications for ethics and human universals."—Library Journal, starred review In this startling study of human emotion, Dacher Keltner investigates an unanswered question of human evolution: If humans are hardwired to lead lives that are "nasty, brutish, and short," why have we evolved with positive emotions like gratitude, amusement, awe, and compassion that promote ethical action and cooperative societies? Illustrated with more than fifty photographs of human emotions, *Born to Be Good* takes us on a journey through scientific discovery, personal narrative, and Eastern philosophy. Positive emotions, Keltner finds, lie at the core of human nature and shape our everyday behavior—and they just may be the key to understanding how we can live our lives better. management process. Through step-by-step instructions, examples, sample dialogues, and suggested scripts, he shows you how to handle appraisal activities ranging from setting goals, defining job responsibilities, and coaching to providing recognition, assessing performance and discussing it with employees, and creating development plans. Grote also explains how to tackle other performance management activities your company requires, such as determining compensation, developing and retaining star performers, and solving people problems. This book is so accessible and practical that you won't just read it once and put it away. Instead, you'll be sure to keep it within arm's reach, referring to particular chapters each time you face a performance management task.

Too Good to Be True Apr 19 2022 If you could ask the person who broke your heart why they did it, would you? In this sequel to *When You're Cold*, we find that now Nathaniel Blake can't avoid talking to the man that broke his heart in college. The big question is will Nate ask? And what will be the answer? Knowing the Mitchell Davis and his spouse, Marc Romero, are coming to the NIH, the reality sets in and Nate can't think of much else. Good thing his new boyfriend, Ryan Stevens is there to help support him through this uncomfortable situation. But will Ryan's insecurities make this situation more difficult? Back in London, Marc's books are successful, but he's struggling with the storyline. Sergio del Mundo's personal life is getting more complicated as his relationship becomes more serious, but he's not sure he can lean on Mitchell and their friend Paola Munoz the way he would like to. Everyone life is changing in many ways, can they all pull together to get through?
