The Nature of Difference Mar 21 2022 This study, based on the author's thesis, studies and compares the lithic assemblages of two Upper Palaeolithic sites in Central Europe: Dolni Vestonice and Willendorf. More especially it discusses the means by which these assemblages have been classified and the issues and problems surrounding the use of typologies. Silvia Tomaskova argues that applying standardised labels to the prehistoric material fails to adequately describe it and that often these labels are used, not just to organise the material, but to interpret it as well. A history of the two sites and their investigation precedes a discussion of the material itself and a comparison of types of behaviour from the lithic assemblages.

Communication Under the Microscope Nov 17 2021 Social interaction in recent years has become the focus of systematic scientific research in a wide variety of academic disciplines. In *Communication under the Microscope*, Peter Bull shows how communication has become an object of study in its own right, which can be dissected in the finest detail through the use of film and recording technology. In so doing he provides a clear and valuable introduction into the theory and practice of microanalysis. Bull argues that microanalysis is both a distinctive methodology and a distinctive way of thinking about communication. He then focuses on the two principal elements of face-to-face communication: speech and non-verbal behaviour. Communication in particular social contexts is also addressed with related chapters on gender and politics. Finally, the practical aspects of microanalysis are discussed. This unique and thorough review of microanalysis integrates different approaches and draws together research literature which is often diverse and disparate. Presented in a clear and focused style, this book will be of interest to psychologists, social scientists and all students and researchers in the field of communication. Communication is central to many aspects of human life, yet it has only recently become the focus of systematic scientific investigation within a wide variety of academic disciplines. Communication has now become an object of study in its own right, and can be dissected in the finest detail with the use of recording technology (film, audiotape and videotape). This approach has become known as 'microanalysis', and forms the principal theme of *Communication under the Microscope*.

Education and Psychology in Interaction Sep 03 2020 This book takes an in-depth look at how education and psychology relate to each other, and at the current state of this relationship. Through comprehensive analysis of the ideological, historical, social and professional contexts of this interaction, the author develops the theme that, despite basic differences in aims, the fields are interconnected.

Understanding Contemporary Brazil Jun 24 2022 Brazil has famously been called a country of contradictions. It is a place where narratives of "racial democracy" exist in the face of stark inequalities, and where the natural environment is celebrated as a point of national pride, but at the same time is exploited at alarming rates. To people on the outside looking in, these contradictions seem hard to explain. *Understanding Contemporary Brazil* tackles these problems head-on, providing the perfect critical introduction to Brazil's ongoing social, political, economic, and cultural complexities. Key topics include: • National identity and political structure. • Economic development, environmental contexts, and social policy. • Urban issues and public security. • Debates over culture, race, gender,

and spirituality. • Social inequality, protest, and social movements. • Foreign diplomacy and international engagement. By considering more broadly the historical, political economic, and socio-cultural roots of Brazil's internal dynamics, this interdisciplinary book equips readers with the contextual understanding and critical insight necessary to explore this fascinating country. Written by renowned authors at one of the world's most important centers for the study of Brazil, *Understanding Contemporary Brazil* is ideal for university students and researchers, yet also accessible to any reader looking to learn more about one of the world's largest and most significant countries.

Civic Power Mar 29 2020 What will it take to restore American democracy and rescue it from this moment of crisis? Civic Power argues that the current threat to US. democracy is rooted not just in the outcome of the 2016 election, but in deeper, systemic forms of inequality that concentrate economic and political power in the hands of the few at the expense of the many. Drawing on historical and social science research and case studies of contemporary democratic innovations across the country, Civic Power calls for a broader approach to democracy reform focused on meaningfully redistributing power to citizens. It advocates for both reviving grassroots civil society and novel approaches to governance, policymaking, civic technology, and institutional design - aimed at dismantling structural disparities to build a more inclusive, empowered, bottom-up democracy where communities and people have greater voice, power, and agency.

Auf der Serviette erklärt Oct 28 2022 Um in Meetings und Geschäftsverhandlungen zu überzeugen, greifen viele zu PowerPoint-Präsentationen. Was aber, wenn eine wichtige Verhandlung kurzfristig in einem Restaurant, am Flughafen oder im Zug stattfinden muss, und keine Zeit für umfassende Vorbereitung bleibt? Dann gilt es Ideen spontan auf Servietten, die Rückseite von Kassenbons oder Visitenkarten zu skizzieren, um die Wirksamkeit eines Ansatzes beweisen, versteckte Lösungen finden und sich behaupten zu können. In seinem Klassiker *Auf der Serviette erklärt* zeigt Dan Roam nun schon seit zehn Jahren, wie man Geschäftsideen im Kopf visualisiert, auf den Punkt bringt und aus dem Stegreif ein Schaubild entwirft. Er beweist in vielen Beispiel-Skizzen, dass so ziemlich jeder Businessfall auf einem Bierdeckel Platz findet!

The Art and Science of Mental Health Nursing Jun 19 2019 This comprehensive nursing text has been fully and extensively updated for this third edition, and offers students a complete guide to the art and science of mental health nursing. Outline Sep 27 2022 Outline ist ein so wagemutiger wie eleganter Roman über Liebe, Verlust, Erinnerung und den elementaren Drang, den anderen und sich selbst Geschichten zu erzählen. Eine Schriftstellerin reist im Hochsommer nach Athen, um dort einen Schreibkurs zu geben. Während ihre eigenen Verhältnisse vorerst im Dunkeln bleiben, wird sie zur ZuhörerIn einer Reihe von Lebensgeschichten und -beichten. Beginnend mit dem Sitznachbarn auf dem Hinflug, seinen Schilderungen von schnellen Booten und gescheiterten Ehen, erzählen ihre Bekanntschaften von Ängsten, Begierden, Versäumnissen und Lieblingstheorien. In der erstickenden Hitze und dem Lärm der Stadt erschaffen diese verschiedenen Stimmen ein komplexes Tableau menschlichen Lebens. Und dabei wird, zunächst in Umrissen, zugleich das Bild einer Frau – der Schriftstellerin – kenntlich, die zu lernen beginnt, einem einschneidenden Verlust zu begegnen.

Wort für Wort Dec 06 2020 Talent, Leidenschaft und Disziplin: Ohne diese drei Eigenschaften ist für Elizabeth George eine literarische Karriere nicht denkbar. In diesem faszinierenden Buch beweist die Bestsellerautorin, dass sie das Handwerk des Schreibens nicht nur selbst perfekt umsetzt. Sie kann ihr profundes Wissen auch so praxisorientiert, anschaulich und unterhaltsam vermitteln, dass man dieser großen Geschichtenerzählerin begeistert folgt. Als Beispiele dienen ihr dabei neben ihren eigenen Romanen und ihrem Werdegang als Autorin auch die Werke zahlreicher bedeutender Schriftsteller und Schriftstellerinnen. Eine ebenso unterhaltsame wie inspirierende Lektüre.

Social Justice in Group Work May 23 2022 This book spotlights the unique contribution of the Journal for Specialists in Group Work to the social justice literature, and of group work to a social justice agenda. Although the term social justice may be relatively new in the counseling and psychology literature, the underlying values - attention to inequities, advocacy, and empowerment strategies for members of marginalized and oppressed populations - are not new in group work. Group leaders have been attending to these concerns all along, and group work itself is an ideal venue for the realization of social justice concerns. However, until now there has been a limited amount of scholarship on group work with a stated focus on social justice. This groundbreaking book emphasizes action through a practical approach, featuring research and case studies of social justice group work in community and school settings. Chapters highlight how group workers infuse social justice consciousness into their work, address social justice issues, and implement social justice practice. Authors review the history, practice, and future opportunities for social justice advocacy within group modalities. They also address guidelines for the training and supervision of practitioners engaging in social justice group work. This book was published as a special issue of the Journal for Specialists in Group Work.

Family Upheaval Jan 27 2020 Pakistani migrant families in Denmark find themselves in a specific ethno-national, post-9/11 environment where Muslim immigrants are subjected to processes of non-recognition, exclusion and securitization. This ethnographic study explores how, why, and at what costs notions of relatedness, identity, and belonging are being renegotiated within local families and transnational kinship networks. Each entry point concerns the destructive-productive constitution of family life, where neglected responsibilities, obligations, and trust lead not only to broken relationships, but also, and inevitably, to the innovative creation of new ones. By connecting the micro-politics of the migrant family with the macro-politics of the nation state and global conjunctures in general, the book argues that securitization and suspicion-launched in the name of "integration"-escalate internal community dynamics and processes of family upheaval in unpredicted ways.

Governing Climate Change Apr 29 2020 Cities are no longer just places to live in. They are significant actors on the global stage, and nowhere is this trend more prominent than in the world of transnational climate change governance (TCCG). Through transnational networks that form links between cities, states, international organizations, corporations, and civil society, cities are developing and implementing norms, practices, and voluntary standards across national boundaries. In introducing cities as transnational lawmakers, Jolene Lin provides an exciting new perspective on climate change law and policy, offering novel insights about the reconfiguration of the state and the nature of international lawmaking as the involvement of cities in TCCG blurs the public/private divide and the traditional strictures of 'domestic' versus 'international'. This illuminating book should be read by anyone interested in understanding how cities - in many cases, more than the countries in which they're located - are addressing the causes and consequences of climate change.

Democracy, Civic Culture and Small Business in Russia's Regions Jan 07 2021 This book adopts a novel analytical approach to understanding how Russia's stalled democratisation is related to the incomplete liberalisation of the economy. Based on extensive original comparative study of Russia's regions, the book explores the precise channels of interaction that create the mutuality of property rights, entrepreneurship, rule of law, norms of citizenship and liberal democracy. It demonstrates that the extent of democratisation varies across regions, and that this variation is connected to the extent of liberalisation of the economy. Moreover, it argues that the key factor in producing this linkage is the relative prominence of small business owners and their supporters in articulating their interests vis-à-vis regional and local administrations, especially through the institutionalisation of networks and business associations. The book develops its key theses by means of detailed analysis of the experiences of four case study regions. Overall, the book provides a major contribution to understanding the path of democratisation in Russia.

First and Second Corinthians Apr 10 2021 Books in the Westminster Bible Companion series assist leaders and students in their study of the Bible as a guide to Christian faith and practice. Each volume presents the text under discussion, explains the biblical book in its original historical context, and explores the text's significance for faithful living today. These books are ideal resources for preparing text-based sermons and a worthy addition to seminary courses and advanced Bible study groups. In this volume, John Proctor provides an accessible study on First and Second Corinthians. Paul's first letter to the Corinthians addresses the basic components of human life, such as leadership, marriage, hospitality, and bereavement. The second letter mostly revolves around the pains and joys of a pastoral relationship. Proctor's volume provides insightful commentary that examines how the letters spoke to the people of Corinth and how they are received today.

Foundations of Economic Method Nov 24 2019 This updated edition is radically changed from the original and will be much appreciated by thinkers within economics. Boland is back.

The Academic Writer's Toolkit Sep 22 2019 Berger's slim, user-friendly volume on academic writing is a gift to linguistically-stressed academics. Author of 60 published books, the author speaks to junior scholars and graduate students about the process and products of academic writing. He differentiates between business writing skills for memos, proposals, and reports, and the scholarly writing that occurs in journals and books. He has suggestions for getting the "turgid" out of turgid academic prose and offers suggestions on how to best structure various forms of

documents for effective communication. Written in Berger's friendly, personal style, he shows by example that academics can write good, readable prose in a variety of genres.

Wiley CPA Examination Review, Outlines and Study Guides Apr 22 2022 The #1 CPA exam review self-study leader The CPA exam review self-study program more CPA candidates turn to take the test and pass it, Wiley CPA Exam Review 39th Edition contains more than 4,200 multiple-choice questions and includes complete information on the Task Based Simulations. Published annually, this comprehensive two-volume paperback set provides all the information candidates need to master in order to pass the new Uniform CPA Examination format. Features multiple-choice questions, new AICPA Task Based Simulations, and written communication questions, all based on the new CBT-e format Covers all requirements and divides the exam into 47 self-contained modules for flexible study Offers nearly three times as many examples as other CPA exam study guides With timely and up-to-the-minute coverage, Wiley CPA Exam Review 39th Edition covers all requirements for the CPA Exam, giving the candidate maximum flexibility in planning their course of study—and success.

Geological Survey Research, 1971, Chapter B. Aug 14 2021

Leaks, Whistleblowing and the Public Interest Feb 26 2020 This book is the first of its kind to provide an in-depth treatment of the law of unauthorised disclosures in the United Kingdom. Drawing upon extensive data obtained using freedom of information as a methodology and examples from comparative jurisdictions, the book considers the position of civil servants, employees of the security and intelligence services and service personnel in the armed forces. It considers the protections available, the consequences of leaking and a full assessment of the authorised alternatives.

Chapter 11 Business Reorganizations Jul 13 2021

Investigating Internet Crimes May 11 2021 Written by experts on the frontlines, Investigating Internet Crimes provides seasoned and new investigators with the background and tools they need to investigate crime occurring in the online world. This invaluable guide provides step-by-step instructions for investigating Internet crimes, including locating, interpreting, understanding, collecting, and documenting online electronic evidence to benefit investigations. Cybercrime is the fastest growing area of crime as more criminals seek to exploit the speed, convenience and anonymity that the Internet provides to commit a diverse range of criminal activities. Today's online crime includes attacks against computer data and systems, identity theft, distribution of child pornography, penetration of online financial services, using social networks to commit crimes, and the deployment of viruses, botnets, and email scams such as phishing. Symantec's 2012 Norton Cybercrime Report stated that the world spent an estimated \$110 billion to combat cybercrime, an average of nearly \$200 per victim. Law enforcement agencies and corporate security officers around the world with the responsibility for enforcing, investigating and prosecuting cybercrime are overwhelmed, not only by the sheer number of crimes being committed but by a lack of adequate training material. This book provides that fundamental knowledge, including how to properly collect and document online evidence, trace IP addresses, and work undercover. Provides step-by-step instructions on how to investigate crimes online Covers how new software tools can assist in online investigations Discusses how to track down, interpret, and understand online electronic evidence to benefit investigations Details guidelines for collecting and documenting online evidence that can be presented in court

Emanuel Law Outlines for Wills, Trusts, and Estates Keyed to Sitkoff and Dukeminier Oct 04 2020 "Detailed outline of the law of testate and intestate succession, and the use of trusts for succession planning, which incorporates the changes and updates made in the leading casebook on the topic, Sitkoff/Dukeminier, Will, Trusts and Estates"--

Elantris Jun 12 2021 Mit seinem gefeierten Debüt »Elantris« setzt US-Superstar Brandon Sanderson noch heute Maßstäbe für groß angelegte, epische Fantasy. Nun liegt der Roman endlich in neuer Ausstattung vor: Einst war Elantris, die magische Stadt im Lande Arelon, ein Paradies, in dem die Götter wandelten. Aber dann wurde es von einem schrecklichen Fluch getroffen und die vormalig blühende Stadt verwandelte sich in eine tödliche Falle für ihre Bewohner. Kronprinz Raoden, der in der gefallenen Stadt gefangen ist, muss gemeinsam mit der Königstochter Sarene das Geheimnis von Elantris ergründen ...

Outlines of Educational Doctrine Mar 09 2021 The Outlines of Educational Doctrine by Herbert (first published in 1905) is a theoretical and practical book on schooling and education in general which touches upon different sides of the education process. The author stresses the importance of the psychological approach to schooling, stating that children of different ages and characters require separate approaches. He also focuses on the moral sides of education and points out how the weakness in the latter brings to the misbehavior in the classroom. Further, Herbert specifies how his principles of education can be applied to teaching different subjects and different age groups.

First Draft in 30 Days Dec 26 2019 First Draft in 30 Days provides you with a sure-fire system to reduce time-intensive rewrites and avoid writing detours. Award-winning author Karen S. Wiesner's 30-day method shows you how to create an outline so detailed and complete that it actually doubles as your first draft. Flexible and customizable, this revolutionary system can be modified to fit any writer's approach and style. Plus, comprehensive and interactive worksheets make the process seem less like work and more like a game.

Eine Geschichte der Welt in 10,5 Kapiteln Oct 16 2021 Ein Klassiker von Julian Barnes – genial und witzig In

101?2 miteinander korrespondierenden Episoden schreibt Julian Barnes davon, wie es ist, wenn man sich in die Fluten des Lebens stürzt. Auf den Spuren des Arche-Noah-Mythos nagt er sich, einem seiner kleinsten Protagonisten gleich, durch das Leben und die Geschichten, die es schreibt. Er berichtet von einem blinden Passagier, der mit ansehen muss, wie seine Mitreisenden einer nach dem anderen von der hungrigen Mannschaft der Arche Noah verspeist werden, von den sonderbaren Irrfahrten einer jungen Frau, von einer beschwerlichen Reise zum Berg Ararat, einem Filmdreh in Südamerika, der furchtbar in die Hose geht, von einer Geiselnahme auf hoher See, von Géricaults »Floß der Medusa« und wie aus einer Katastrophe Kunst wird.»Eine Geschichte der Welt in 101?2 Kapiteln« ist ein meisterliches Spiel mit Erzählformen und Perspektiven, eine Reise durch die Jahrhunderte und durch die Möglichkeiten der Sprache.

Public Health Nursing - Revised Reprint Sep 15 2021 This Revised Reprint of our 8th edition, the "gold standard" in community health nursing, Public Health Nursing: Population-Centered Health Care in the Community, has been updated with a new Quality and Safety Education in Nursing (QSEN) appendix that features examples of incorporating knowledge, skills, and attitudes to improve quality and safety in community/public health nursing practice. As with the previous version, this text provides comprehensive and up-to-date content to keep you at the forefront of the ever-changing community health climate and prepare you for an effective nursing career. In addition to concepts and interventions for individuals, families, and communities, this text also incorporates real-life applications of the public nurse's role, Healthy People 2020 initiatives, new chapters on forensics and genomics, plus timely coverage of disaster management and important client populations such as pregnant teens, the homeless, immigrants, and more. Evidence-Based Practice boxes illustrate how the latest research findings apply to public/community health nursing. Separate chapters on disease outbreak investigation and disaster management describe the nurse's role in surveilling public health and managing these types of threats to public health. Separate unit on the public/community health nurse's role describes the different functions of the public/community health nurse within the community. Levels of Prevention boxes show how community/public health nurses deliver health care interventions at the primary, secondary, and tertiary levels of prevention. What Do You Think?, Did You Know?, and How To? boxes use practical examples and critical thinking exercises to illustrate chapter content. The Cutting Edge highlights significant issues and new approaches to community-oriented nursing practice. Practice Application provides case studies with critical thinking questions. Separate chapters on community health initiatives thoroughly describe different approaches to promoting health among populations. Appendixes offer additional resources and key information, such as screening and assessment tools and clinical practice guidelines. NEW! Quality and Safety Education in Nursing (QSEN) appendix features examples of incorporating knowledge, skills, and attitudes to improve quality and safety in community/public health nursing practice. NEW! Linking Content to Practice boxes provide real-life applications for chapter content. NEW! Healthy People 2020 feature boxes highlight the goals and objectives for promoting health and wellness over the next decade. NEW! Forensic Nursing in the Community chapter focuses on the unique role of forensic nurses in public health and safety, interpersonal violence, mass violence, and disasters. NEW! Genomics in Public Health Nursing chapter includes a history of genetics and genomics and their impact on public/community health nursing care.

How To Write A Book Chapter Outline Aug 26 2022 This "How To" book is different. Unlike every other book you'll read with titles like "How To Write The Perfect Book in 193 Oh-So-Easy Steps", this book is different. It's a simple "How To" guide for writing a book that's right for you and also an easy to follow workbook. We'll discuss how to use this book and run through some tips for writing. We'll then go on to look at the process for creating a book, including the questions you need to consider (so that you don't forget anything important!) Then we go on to lay out the full process for generating your plot details and developing your character outlines, with plenty of space available so that you have ample room for all your scribbles, doodles, and crazy arrow diagrams. We've even included some 'Further Notes' pages at the back for anything else you need to jot down. Writing a book is both a challenging and daunting prospect. With a well-thought-out process in place (anticipating the questions to consider AND what order to consider them in) it will be much less daunting and much more exciting. Good luck! Molly

The Natural Problem of Consciousness Feb 08 2021 The "Natural Problem of Consciousness" is the problem of understanding why there are presently conscious beings at all. Given a non-reductive naturalist framework taking consciousness as an ontologically subjective biological phenomenon, how can we rationally explain the fact that the actual world has turned out to be one where there are presently living beings that can feel, rather than having developed as a zombie-world in which there would be no conscious experiences of any kind? This book introduces the Natural Problem by relating it to central problems in the philosophy of mind (metaphysical mind-body problem, Hard Problem of consciousness) and emphasizing the distinctive interest of its diachronic dimension. Ranging from philosophy to biology and neuroscience, it offers a thorough analysis aimed at better understanding what could explain why phenomenal consciousness has been preserved throughout evolution by natural selection. This is an original, engaging, and thought provoking philosophical study of a neglected but fundamental question regarding the nature and origin of consciousness.

2015 Writer's Market Jul 21 2019 The most trusted guide to getting published! Want to get published and paid for

your writing? Let the 2015 Writer's Market guide you through the process with thousands of publishing opportunities for writers, including listings for book publishers, consumer and trade magazines, contests and awards, and literary agents. These listings include contact and submission information to help writers get their work published. Beyond the listings, you'll find all-new editorial material devoted to the business and promotion of writing, including advice on pitching to agents and editors, managing your freelance business, and building a readership. This edition also includes the ever popular--and updated--pay-rate chart, plus dozens of articles and essays like these: • Kate Meadows, freelance writer and editor, shares seven habits of financially savvy writers. • Carol Tice, professional writer, teaches you how to build your writing career with social media. • Dana W. Todd, public relations professional, explains how to successfully pitch you and your work like a PR pro. You also gain access to: • Lists of professional writing organizations • Sample query letters • A free digital download of Writer's Yearbook featuring the 100 Best Markets Finally, NEW TO THIS YEAR'S EDITION is an exclusive webinar "How to Find More Success Freelancing," taught by Robert Lee Brewer, editor of Writer's Market. It takes a lot more than flawless writing to be a freelance writer. This hour-long webinar will help you to increase your chances of success. You'll learn the current freelance landscape, how to find freelance opportunities, how to secure assignments, negotiating strategies, and more. Whether the goal is to publish a book, write a magazine article, or freelance for local businesses, this webinar is for writers looking to find more success with their freelancing and ultimately make more money. "Every writer needs a toolbox filled with craft, a drop of talent, and hope. Successful writers know they must add the Writer's Market. You should too." -Barbara O'Neal, author of *The All You Can Dream Buffet*, 7-time RITA award-winner, and RWA Hall of Fame member "The business of writing is unnecessarily intimidating. Editors want good writing, so why can it be so hard to get published. Writer's Market helps make sense of that big question, offering the kind of straight-shooting advice writers needs. I bought my first copy over a decade ago and still feel grateful that I was able to send my first submissions without embarrassing myself. Writer's Market is an invaluable tool that I find myself recommending again and again." -Erica Wright, author of the novel *The Red Chameleon* and poetry collection *Instructions for Killing the Jackal*, as well as Senior Editor for *Guernica Magazine*

Ways of Meeting and the Theology of Religions Aug 02 2020 Exploring the different points of view and 'tones of voice' adopted in theology for the meeting of religions, this book presents a contemporary philosophical and theological engagement with key issues of how different faiths might meet, of comparative philosophy of religion, the use of aesthetics, inter-religious ethics and issues relating to the self. Providing a critical evaluation of contemporary liberal, post-liberal and conservative voices, this book highlights the use of the creative imagination and explores new ideas for the meeting of religions.

Catch 22 Feb 20 2022

Story Structure and Master Chapter Outline Workbook Aug 22 2019 When other outlining systems failed, C. Michelle Jefferies created her own system. Using the universal seven point story structure and the Master Chapter Outlining system authors can breeze through the process of writing a great story.

The Chautauquan Jan 19 2022

Write Your First Novel Now Jul 25 2022 Many beginners don't see the need for an outline. So many write Chapter 1 at the top and start. Most don't get far then, or they do a very 'beginner's' job of what they do write. The great majority of established authors still write an outline for every new book they attempt. The more books they've written, the more they understand the importance of outlining first. Outlining creates a tool. It is a very valuable tool that will keep you going. And further breaking it down into chapters is an even better tool. Many new writers start with an idea for a book and end with a short story. An idea alone is not enough. Writing an outline in the way described in Book 1 of this series, develop your story. It turns your idea into something much more detailed. It gradually grows your idea into a complex series of events that turn your idea, and your short story, into a real book length story. Writing a book is a journey. But you will get lost if you don't know where you are going.

Living on Borrowed Time Oct 24 2019 My book tells how I have struggled to live from day to day since my being diagnosed at six months of age. So you know I have lived a long time with this disease. It hadn't been easy.

Americanah May 31 2020 Eine einschneidende Liebesgeschichte zwischen drei Kontinenten – virtuos und gegenwartsnah erzählt von einer der großen jungen Stimmen der Weltliteratur. Chimamanda Adichie erzählt von der Liebe zwischen Ifemelu und Obinze, die im Nigeria der neunziger Jahre ihren Lauf nimmt. Dann trennen sich ihre Wege: Die selbstbewusste Ifemelu studiert in Princeton, Obinze strandet als illegaler Einwanderer in London. Nach Jahren stehen sie plötzlich vor einer Entscheidung, die ihr Leben auf den Kopf stellt. Adichie gelingt ein eindringlicher, moderner und hochpolitischer Roman über Identität und Rassismus in unserer globale Welt.
