[The Final Year of Anne Boleyn](#) Mar 18 2022 There are few women in English history more famous or controversial than Queen Anne Boleyn. She was the second wife of Henry VIII, mother of Elizabeth I and the first English queen to be publicly executed. Much of what we think we know about her is colored by myth and legend, and does not stand up to close scrutiny. Reinvented by each new generation, Anne is buried beneath centuries of labels: homewrecker, seductress, opportunist, witch, romantic victim, Protestant martyr, feminist. In this vivid and engaging account of the triumphant and harrowing final year of Queen Anne Boleyn's life, the author reveals a very human portrait of a brilliant, passionate and complex woman. The last twelve months of Anne's life contained both joy and heartbreak. This telling period bore witness to one of the longest and most politically significant progresses of Henry VIII's reign, improved relations between the royal couple, and Anne's longed-for pregnancy. With the dawning of the new year, the pendulum swung. In late January 1536, Anne received news that her husband had been thrown from his horse in his tiltyard at Greenwich. Just days later, tragedy struck. As the body of Anne's predecessor, Katherine of Aragon, was being prepared for burial, Anne miscarried her son. The promise of a new beginning dashed, the months that followed were a rollercoaster of anguish and hope, marked by betrayal, brutality and rumour. What began with so much promise, ended in silent dignity, amid a whirlwind of scandal, on a scaffold at the Tower of London. Through close examination of these intriguing events considered in their social and historical context, readers will gain a fresh perspective into the life and death of the woman behind the tantalising tale. "Natalie Grueninger skilfully unravels the myths surrounding Anne Boleyn's downfall, and presents the most compelling account of her final months to date. A Triumph." - Dr Owen Emmerson, Historian and Assistant Curator, Hever Castle "A heart-stirring account of Anne Boleyn's last living year. Researched flawlessly, the events are revealed in a compelling read; little-known facts adding to the tension which builds toward an emotional end. A must-read for fans and students of Tudor history." - S.V author of Anne Boleyn's Letter From the Tower; A New Assessment "Genuinely ground-breaking, provocative yet sensitive, exquisitely well-researched and fair - both to Anne's friends and enemies - Natalie Grueninger's book shows us the complexities, and the secrets, that wove together during Anne Boleyn's final twelve months as queen. This is an exciting and important book of Tudor history." - Gareth Russell, Historian and author of The Ship of Dreams and Young and Damned and Fair "Astonishingly well-researched, 'The Final Year of Anne Boleyn' triumphantly re-writes the fall of one of England's most famous queen consorts, shedding new light on a well-known story. A riveting and emotional read." - Kate McCaffrey, Assistant Curator, Hever Castle

[Anne Tyler Omnibus](#) Jun 28 2020 No other writer captures like Anne Tyler, with acerbic affection and compassionate clarity, the shifts and defences of the average family struggling to keep life under control. This first omnibus edition of three full-length novels, all set in the respectable Baltimore streets she has made so particularly her own, encompasses the range of eccentricities and compromises to which they are driven. Dinner at the Homesick Restaurant follows the disintegration and eventual reaffirmation of the Tull family – fierce, embittered Pearl, left by Beck to raise handsome, thrusting Cody, Jenny, the pediatrician losing herself in devotion to others, and docile Ezra, whose attempts to unite them all around a table at his eccentric Homesick Restaurant are the focus of their differences and their bond. In The Accidental Tourist, Macon – a man of habit and routine, who writes guide books for businessmen who hate to leave home – is confronted by chaos in his own family life. Between aching sadness and glorious absurdity, Macon hesitantly emerges from his sage cocoon into the vibrant, unpredictable world of the outrageous Muriel... And Breathing Lessons, which won the Pulitzer Prize, lays bare the anatomy of a marriage. On the round trip to a friend's funeral, Maggie and Ira Moran make detours literal and metaphorical – into the lives of grown children, old friends, total strangers and their own past – and, despite Ira's disappointments and Maggie's optimistic determination to rearrange life as she would like it to be, an old married couple fall in love all over again.

[Sight Unseen](#) May 28 2020 The New York Times bestselling author of Witnessed, Intruders, and Missing Time -- three groundbreaking books on the UFO phenomenon -- returns with astonishing evidence that other-worldly beings are a very real -- and growing -- part of our lives. In Sight Unseen, Budd Hopkins and coauthor Carol Rainey show how fascinating discoveries in modern science support the plausibility of the UFO phenomenon. Featuring sixteen never-

before-published cases, *Sight Unseen* probes two newly uncovered patterns in alien abduction: cases of UFO "invisibility" and reports of genetically altered alien beings who interact with humans during their routine lives. The "invisibility" accounts detailed by Hopkins include numerous daylight abductions in densely populated urban areas -- all apparently unseen and accomplished through a technology of invisibility. Two air force non-coms are snatched from the tarmac of a busy military airfield. An Australian family is levitated up into a hovering craft while the father remains paralyzed on the ground with a camera to his eye. The resulting evidence on film is discussed in terms of our own scientific advances. In the second series of cases, abductees report encounters with beings who appear human but apparently possess paranormal powers and stunted emotional ranges. Three young women, unknown to each other, are mysteriously summoned to "job interviews." In ordinary office settings, they encounter human-looking beings who lead them into baffling UFO abduction experiences. A Wisconsin farmer meets "Damoe," a man with odd behavior who closely resembles his son. Damoe eventually reveals himself as an accomplice of UFO occupants in a startling abduction of the farmer and his wife. Five-year-old Jen is abducted at night to a nearby playground. There she must teach the techniques and skills of "play" to twelve seemingly identical, quasi-human children. Along with these bizarre, first-person stories told by credible people, Hopkins and Rainey explore cutting-edge advances in our own technologies and scientific theories that show how these new UFO patterns could have a concrete basis in contemporary science. Included are an examination of cloaking devices for aircraft, mind-control technologies, and teleportation achieved in the lab. Perhaps the most compelling argument to support these cases lies in the startling and controversial new science of transgenics that actually allows for the creation of alien/human beings.

**The Amateur Marriage** Jul 10 2021 NEW YORK TIMES BESTSELLER • From the beloved Pulitzer Prize-winning author—a rich and compelling novel about a mismatched marriage and its consequences, spanning three generations They seemed like the perfect couple—young, good-looking, made for each other. The moment Pauline, a stranger to the Polish Eastern Avenue neighborhood of Baltimore (though she lived only twenty minutes away), walked into his mother's grocery store, Michael was smitten. And in the heat of World War II fervor, they are propelled into a hasty wedding. But they never should have married. Pauline, impulsive, impractical, tumbles hit-or-miss through life; Michael, plodding, cautious, judgmental, proceeds deliberately. While other young marrieds, equally ignorant at the start, seemed to grow more seasoned, Pauline and Michael remain amateurs. In time their foolish quarrels take their toll. Even when they find themselves, almost thirty years later, loving, instant parents to a little grandson named Pagan, whom they rescue from Haight-Ashbury, they still cannot bridge their deep-rooted differences. Flighty Pauline clings to the notion that the rifts can always be patched. To the unyielding Michael, they become unbearable. From the sound of the cash register in the old grocery to the counterculture jargon of the sixties, from the miniskirts to the multilayered apparel of later years, Anne Tyler captures the evocative nuances of everyday life during these decades with such telling precision that every page brings smiles of recognition. Throughout, as each of the competing voices bears witness, we are drawn ever more fully into the complex entanglements of family life in this wise, embracing, and deeply perceptive novel.

*A Fashionable Vice* Aug 11 2021 Anne Duncan, 32 and divorced, is constrained by moralistic precepts inculcated by her dead father. She meets charming Scott Evans, impoverished college senior with a dazzling smile, but 10 years her junior. He invites her for coffee; she ends up paying for wine and cheesecake, epitomizing his approach to life. He claims a preference for older women, but the relationship remains platonic, despite a promising interlude in his condo. Then Scott runs off to Europe with another woman. Facing reality, she must find a way to earn more money. Best friend, Kathy Marlow recommends her to a small press in Tucson, but the venture fails. Anne ends up back in San Diego where Kathy introduces her to irreverent Teri Lawson. The two, similar in age but disparate in outlook, decide to share a place. A year later, Anne encounters Scott with Kathy. She'd avoided him after learning he was Kathy's lover and that, instead of going to medical school, he was working on a master's in psych. And he looks remarkably prosperous. Anne fills in for Kathy at Scott's Commencement. His change in fortune astounds her. He drives a Porsche and has an expensive condo in posh La Jolla. He's evasive about the source of his wealth but invites her to stay the night. Next day Anne complains to Teri that, when about to make love, she'd envision Kathy's face and freeze. Later she learns of Kathy's intention to break off with Scott. Teri cautions Anne that Scott's actions prove he thinks of no one but himself. Rejecting the warning, Anne goes to a jam session with Scott and has a good time, ignoring the fact his friends are surprised Scott isn't with his usual date, Adrienne. Lovemaking that night is all Anne had hoped for. Choosing to ignore his selfishness, Anne moves in with Scott. Kathy warns her about Adrienne, but Scott claims Adrienne merely helped furnish his townhouse. Scott is extremely generous; Anne can't imagine returning to her previous penurious life-style. Then he reveals the source of his wealth. He's blackmailing Adrienne, having chanced to get photos of her pushing her millionaire husband over the edge of Grand Canyon. His revelation shocks Anne but rather than endanger her life of luxury, she goes along with Scott. He insists she meet Adrienne who treats her abominably. Anne's shocked again when Teri's imprisoned for murdering her own lover. Thoughts of prison terrify Anne and are multiplied when she visits Teri in jail. Unable to face years in prison, Teri commits suicide. Devastated, Anne's grateful for Scott's support and agrees to a nostalgic trip to the Grand Canyon. She loves the Canyon and tells Scott how essential he is to her. That night his declaration of love thrills her. But next day they visit the spot where Adrienne murdered her husband. Scott gleefully recalls forcing Adrienne to strip and submit to sex. Except now she enjoys it. Enraged, Anne pushes him over the edge, then too late spots a man with a camera approaching. She shoves the surprised man aside and runs. Hurrying home to La Jolla, she she ferrets out hidden cash and incriminating photos of Adrienne. Fleeing to Mexico she's fluent in Spanish she ends up in La Paz. Convinced the whole thing is Adrienne's fault and, on the strength of the photos, she calls the woman and orders her to bring \$100,000 in cash. When Anne goes to pick up the money, she finds not only Adrienne but Earl, the camera-carrying man she'd pushed down and, alive and well, Scott. He says she faces a long prison term for attempted murder. He offers her two choices: immediately submit to humiliating punishment from a vengeful Adrienne and then return to La Jolla as the older woman's maid or be left naked and penniless in Mexico, a fugitive from justice. Anne opts for the latter, but two Mexican peons happen along and, thinking her a whore, try to rape her.
