[A Poem for Autumn](#) Aug 29 2022 Autumn Smythe doesn't foresee anything unusual on the early October evening when she drives home from a party. But her entire world changes when she finds herself lost in a dark forest during a blizzard. She seeks shelter at The Inn at the End of the Road, where a ghostly innkeeper saves her from the storm, but charges her with an unusual mission she cannot decline. Autumn leaves the next morning on an unwilling quest to locate a man whose identity is a mystery. What ensues is a thrilling adventure that winds through the White Mountains of New Hampshire and chilling dreamscapes, through Boston's oldest neighborhoods and, finally, a graveyard in a distant land. Haunted by her dreams, and frightened by shocking news about the innkeeper's death, Autumn seeks distraction in the arms of a handsome stranger. The stranger's fiery passion leads her perilously close to losing herself in a world of violence and deceit. But her terrors are compounded when she unveils the identity of the man she is to find. Autumn finds herself torn between two lovers and forced to make a decision that leads her to the most thrilling discovery of all: that love is powerful enough to transcend even death.

He's easily the sexiest man alive, and while his lean, muscular body screams temptation, his careful manner reveals nothing. Working her way into Issac's world at Paxton Investment Securities, Autumn intends to find out what makes the millionaire tick, while remaining detached in his enticing presence. Autumn hopes that her instincts are right, and that Isaac is innocent of the fraud he's suspected of committing. [This Land](#) Jun 22 2019 And strange smells would arrive on the wind. So it seemed that there was some kind of magic in this field. Some said that there was a dragon underneath that had been woken by the lightning. Some said there was treasure down there too. Fracking. How far down do you own the land beneath your feet? How much does where you live inform the person you become? What happens when someone else comes along and stakes their claim? For young couple Bea and Joseph this is a story of fracture: of fractured hearts, lives and lands. This Land digs down through the history – and the future – of a patch of earth and everything that has and will happen there. This programme text edition was published to coincide with the play's premiere by Pentabus Theatre Company, Shropshire, in March 2016.

[The Tears of Autumn](#) Jan 28 2020 Tears of Autumn, McCarry's riveting novel of espionage and foreign affairs, was a major bestseller upon its first publication in 1975. Spun with unsettling plausibility from the events surrounding the assassination of John F. Kennedy, and featuring Paul Christopher, it's a tour de force of action and enigma. Christopher, at the height of his powers, believes he knows who arranged the assassination, and why. His theory is so destructive of the legend of the dead president, though, and so dangerous to the survival of foreign policy that he is ordered to desist from investigating. But he is a man who lives by, and for, the truth—and his internal compunctions force him to the heart of the matter. Christopher resigns from the Agency and embarks on a tour of investigation that takes him from Paris to Rome, Zurich, the Congo, and Saigon.

[Autumn](#) Jul 04 2020 "The seasons and all their changes are in me." - Henry David Thoreau, Autumn (1892) Autumn: From the Journal of Henry D. Thoreau (1892) is the compilation of the insightful observations of nature Thoreau made from late September to early December in 1841-1859. Rather than following a yearly chronological organization, the naturalist and philosopher organized the journal by month to give the reader an in-depth view of Massachusetts and all its autumnal majesty. This work, selected by scholars as culturally important to understanding this period in history, is a must-read for lovers of Thoreau's Walden

(1854) and nature.

**Autumn's Dancing Leaves** Jun 26 2022 Eddie didn't favor anyone in his family. Fair, blonde, and green-eyed, he stood in sharp contrast to the other darker-complected, dark-haired, blue-eyed members. The difference created a rift in the family fabric and his mother singled him out for abuse, irrationally holding him responsible for the family's turmoil. Little Eddie struggled with the severity of his maltreatment but, by age eleven, could no longer handle the circumstances of his life. He decided his only escape would be to die, that by conscious will, he could simply resolve to give up life and cease to exist. Eddie's mind, alerted to his decision, and believing the ultimate goal for any entity was to continue, regardless of form or quality of life, was determined to survive. Panicked at the threat of cessation, his mind made a desperate decision -- it fractured his personality and created Randy from traits that had been repressed in Eddie. Randy, a tough, defiant individual, was created to bring new energy, new life, and stand in defense of the defeated, accepting Eddie. Rising to the challenge, he accepted the responsibility of his creation and was fiercely focused on protecting Eddie while endeavoring to create new circumstances for the life they shared. Randy was proud of his efforts to save Eddie. He knew he was Eddie's paladin, his champion, created for a noble purpose -- to bring Eddie back from the brink of oblivion. After many struggles, Randy's efforts appeared to be successful and the mind considered the possibility of enjoying the existence he'd insured. It pondered the idea of Eddie being involved with the world, rather than merely persisting through the time allotted for the life. Aware of Eddie's inability to interact with the world around him, the mind again fractured the personality creating Jesse, a new facet, an aesthetic personality, focused on tender feelings of love and friendship -- and aspects which determine quality of life. Jesse felt he was created to experience emotions and appreciate beauty, to evolve the repressed side of the personality, to bring stability to the entity. He believed he was born to search for love, to find the emotional equilibrium that would bring the separate identities into harmony. Developed from suppressed characteristics, Jesse was creative and confident, loving and inquisitive, charming and fun loving. And he was on a quest -- determined to achieve his goal. Without Eddie's awareness of them, Randy and Jesse sought to balance their existence and hoped they were achieving what they saw as a normal life until Jesse experienced an incident which shattered that belief and forced them to realize they had not progressed as far as they thought. Jesse's realization that he had made a terrible mistake was devastating. Jumping to a conclusion, Randy, the controlling personality, in his determination to fend off any challenges to them, felt he must take over to handle the crisis in an effort to protect them...

**Pure Moments: Poems and short stories from a woman's heart** Nov 27 2019 Pure Moments is a book of just that. Moments in life that I don't want to forget or experiences that God spoke to me through over the years. Sometimes, I would sense the Holy Spirit telling me to write in the middle of the night. The words would come and I knew it wasn't me. However, it usually had to do with something I was going through at the time; things like motherhood, parenting, grieving, and marriage. These words would just flow onto the paper. I pray these poems remind us of how special moments can be. Whether it is in good times or bad, God will always be there for us. They may be words you want to pass on or express; however, didn't know how. Words that will encourage you in your journey. It's those moments in life that are precious. We just need to take the time to notice and capture them. God will bring us through, bless us with beauty, give us wisdom, or comfort us when we need it. For the joyful moments that come that we want to remember or the times when you need to know someone else felt that way too. May these poems bless you and speak to your heart as they did mine. God bless you.

**Forward** Mar 31 2020 Iulia Dobre-Trifan, author of "Provocari si echilibru in coaching executiv pragmatic" and co-author of "A Calendar of Realistic Smiles", creates a novel about becoming, healing and courage, which spans over 40 years, interweaving complex characters from different worlds, all gravitating around a common timeless axis: the desire for happiness. Lia, a tenacious woman who has been working successfully on her own for many years, starts a new project, one that is very dear to her: A teahouse where tired people would be able to rest and to find their balance. Having faced several challenges that had tested her will and her confidence in her own path, Lia now wants to help other people who are in need of support. She surrounds herself with talented people, together with whom she turns her dreams into reality, and, day after day, the teahouse becomes a sanctuary for innocence. But not everything is as it seems... some visitors hide dark intentions. Attracted by the brightness and the beauty of the teahouse and giving in to their predatory nature, they attack in subtle and ferocious ways. "We are taught to view the world in black and white, good and bad, just or unjust. The author shows us a world full of nuances under constant change, which challenges us and makes us (re-)discover it with every step." Ciprian Dobre-Trifan "An exciting story that evokes the intertwining of different destinies. A closed, withdrawn lifestyle, filled with shadows, collides with the harmonious development of a bright destiny filled with pragmatic magic." Andrei Cristian How will Lia manage to defend the harmony of the present from these disturbing forces? "When I was young, I thought I could save them all. All those who would ask to be saved and who would impress me with their poor victim stories, seemingly oppressed by adverse circumstances they were not able to handle. And I would get mixed up into their sad stories, taking onto myself the responsibility of helping them to see the light, to find the way out from their own labyrinths of bad luck and helplessness. It took some badly ended relationships for me to understand it is impossible to save someone who does not want to be saved, or, even more, who is not willing to pull their weight for being saved." "The more people, the more fantasies about happiness. Unfortunately, most of these fantasies rarely get to happen, in the real world. And this is how the inner conflict that troubles each and everyone of us appears. To want to live in a certain way, fully benefiting from that emotion, and to have reality be very different from your fantasy. And, still, you talk yourself into believing that things are as you want them to be. As you fantasize about them. As you wish to know happiness. Or balance. Happiness and balance are the same thing."

**The War that Ended Peace** Sep 05 2020 WINNER of the International Affairs Book of the Year at the Political Book Awards 2014 Longlisted for the Samuel Johnson Prize 2013 The First World War followed a period of sustained peace in Europe during which people talked with confidence of prosperity, progress and hope. But in 1914, Europe walked into a catastrophic conflict which killed millions of its men, bled its economies dry, shook empires and societies to pieces, and fatally undermined Europe's dominance of the world. It was a war which could have been avoided up to the last moment--so why did it happen? Beginning in the early nineteenth century, and ending with the assassination of Arch Duke Franz Ferdinand, award-winning historian Margaret MacMillan uncovers the huge political and technological changes, national decisions and -- just as important--the small moments of human muddle and weakness that led Europe from peace to disaster. This masterful exploration of how Europe chose its path towards war will change and enrich how we see this defining moment in our history.

**I Wrote a Poem of Autumn** Aug 05 2020 Growing up as a country girl, the sights and sounds of nature surrounded me. Until the year of 2014, spring was my favorite season. That year, I began compiling the poems of this book, and my love for the rustic beauty of autumn began. Inspired by the changing colors of the season, often viewed during my daily morning walks, "I Wrote a Poem of Autumn" became my sixth book in print, my second book of nature poems, and autumn became my favorite season! **Autumn in Venice** Jun 02 2020 National Geographic Traveller's the best books on European cities, 2019 In the autumn of 1948 Hemingway was approaching fifty and hadn't published a novel in nearly a decade. He travelled for the first time to Venice and there, at a duck shoot in the lagoon he met and fell in love with Adriana Ivancich, a striking young Venetian woman just out of finishing school. What followed was a platonic love affair; he continued to visit her in Venice; she in turn came to Cuba while he wrote *The Old Man and the Sea*. This is the illuminating story of a writer and a muse that intimately examines both the cost to Adriana and the fractured heart and changing art of Hemingway in his fifties. 'Hemingway [is] an enduringly fascinating character, one whom di Robilant, with his easy-paced style, has sympathetically brought to life.' Literary Review 'Effortlessly and expertly explores the secret desires, successes, and depressive obstacles that shrouded Ernest Hemingway's final productive years.' New York Journal of Books

**Day into Night** Apr 12 2021 "This is a beautiful book for all seasons! Gunther Klinge illustrates that the difference between oriental and western mind is a myth and fantasy. His haiku never startle, never strain." —Book News Previews In this exquisite collection of haiku, accomplished haiku author Gunther Klinge takes us on a journey through the days and nights of each of the seasons, beginning with spring dawn and ending with winter midnight. It is the human journey which Gunther Klinge so movingly depicts as it progresses through the eternal youthfulness of spring toward the richness of summer, and on through the ripening maturity of autumn in the deepening stillness of winter. The universal appeal of these haiku and the contemplative comments which introduce and reiterate the mood of the seasons, bind us all together as we make our own journeys from day into night.

**The Birth of Autumn** Jan 22 2022 Stepping over the gate into pastures afresh, The Birth of Autumn, the third full-length poetry book by Andy N, author of both 'Return to Kemptown' and 'The End of Summer' is a collection of poetry rooted in the exhilaration and the melancholy in the change of season that follows Summer. Told in sparse, tender brush-strokes, the book is as much a sequel to his previous book The End of Summer as a further exploration of life as well as the change of rural and agricultural rhythms of Autumn all wrapped in a whirl of emotions that follows at the end of one season that follows into the next. The Birth of Autumn is a book lost in shadows as the skies begin to darken slowly but also brings back beauty into your emotions, adventures into feelings and the leaves on the floor into a miraculously vibrant colour.
