Dynamic Duets May 10 2021 The second half of the twentieth century saw a great number of powerful vocal pairings as short-lived, but undeniably magical collaborations. With firsthand interviews from many of the artists, readers will enjoy the back story about which duos got along well and which did not, which stayed together or kept in touch, and vice versa. Arranged alphabetically from Bryan Adams to Dottie West, *Dynamic Duets* gives the back stories on all of the pairings that cracked Billboard's Top 40 between 1955 and the end of the century. The book includes photographs of many of the records and/or the performers, chart and label information, year of release, facts about the songs, and quotes from many of the performers, songwriters, and producers themselves. An appendix listing "Honorable Mentions" follows this book's large main section and consists of those twosomes that did not reach Top 40 (but simply couldn't be omitted), or those whose duet partners played more of a minor role. Baby boomers, vinyl collectors, music historians, and classic hits radio DJs will find *Dynamic Duets* a must for their music library.

Ebony Jun 18 2019 EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.

Annual Abstract of Statistical Information Relative to the Insane, Deaf and Dumb, Blind, Idiotic, Feeble Minded, Epileptic and Either Deaf Or Dumb Jan 26 2020

Economics of Regulation and Antitrust, fifth edition Aug 13 2021 A

thoroughly revised and updated edition of the leading textbook on government and business policy, presenting the key principles underlying sound regulatory and antitrust policy. Regulation and antitrust are key elements of government policy. This new edition of the leading textbook on government and business policy explains how the latest theoretical and empirical economic tools can be employed to analyze pressing regulatory and antitrust issues. The book departs from the common emphasis on institutions, focusing instead on the relevant underlying economic issues, using state-of-the-art analysis to assess the appropriate design of regulatory and antitrust policy. Extensive case studies illustrate fundamental principles and provide insight on key issues in regulation and antitrust policy. This fifth edition has been thoroughly revised and updated, reflecting both the latest developments in economic analysis and recent economic events. The text examines regulatory practices through the end of the Obama and beginning of the Trump administrations. New material includes coverage of global competition and the activities of the European Commission; recent mergers, including Comcast-NBC Universal; antitrust in the new economy, including investigations into Microsoft and Google; the financial crisis of 2007–2008 and the Dodd-Frank Act; the FDA approval process; climate change policies; and behavioral economics as a tool for designing regulatory strategies.

Single-camera Video Production Jan 18 2022 The new edition contains more in-depth information about the transition from analog to digital video production and includes the latest information on digital video and HD. It includes expanded coverage of nonlinear editing techniques and features a new organization that follows the actual shooting process more closely.

Grainger & Allison's Diagnostic Radiology Oct 15 2021 This is an ideal tool for trainee radiologists preparing for their professional certification exams to assess their current knowledge, comprehension and retention of information prior to sitting their exams. The book is targeted at the new style FRCR 2A exam. It reflects the recent changes in exam structure and all of the 520 questions are provided in the new "best of five" format. The book contains explanations and key learning points that are cross-referenced to *Grainger & Allison's Diagnostic Radiology* and to

other leading radiology reference works and journals.

Audit Guide Dec 25 2019 This annual edition provides accountants and other financial professionals with assistance in understanding and applying the special considerations required in a single audit. It is an indispensable resource for auditors performing Yellow Book audits. This new edition provides up-to-date information and expert guidance on single audits and Uniform Guidance compliance audit requirements, including example auditor reports for both the reporting required under Government Auditing Standards and the Uniform Guidance compliance audit.

Stories to Tell Jul 20 2019 Legendary musician Richard Marx offers an enlightening, entertaining look at his life and career. Richard Marx is one of the most accomplished singer-songwriters in the history of popular music. His self-titled 1987 album went triple platinum and made him the first male solo artist (and second solo artist overall after Whitney Houston) to have four singles from their debut crack the top three on the Billboard Hot 100. His follow-up, 1989's Repeat Offender, was an even bigger smash, going quadruple platinum and landing two singles at number one. He has written fourteen number one songs in total, shared a Song of the Year Grammy with Luther Vandross, and collaborated with a variety of artists including NSYNC, Josh Groban, Natalie Cole, and Keith Urban. Lately, he's also become a Twitter celebrity thanks to his outspokenness on social issues and his ability to out-troll his trolls. In Stories to Tell, Marx uses this same engaging, straight-talking style to look back on his life and career. He writes of how Kenny Rogers changed a single line of a song he'd written for him then asked for a 50% cut—which inspired Marx to write one of his biggest hits. He tells the uncanny story of how he wound up curled up on the couch of Olivia Newton-John, his childhood crush, watching Xanadu. He shares the tribulations of working with the all-female hair metal band Vixen and appearing in their video. Yet amid these entertaining celebrity encounters, Marx offers a more sobering assessment of the music business as he's experienced it over four decades—the challenges of navigating greedy executives and grueling tour schedules, and the rewards of connecting with thousands of fans at sold-out shows that make all the drama worthwhile. He also provides an illuminating look at

his songwriting process and talks honestly about how his personal life has inspired his work, including finding love with wife Daisy Fuentes and the mystery illness that recently struck him—and that doctors haven't been able to solve. *Stories to Tell* is a remarkably candid, wildly entertaining memoir about the art and business of music.

The Single Track Sep 14 2021

Shakespeare Mar 08 2021 "This updated edition should be welcomed by anyone interested in Shakespeare. Particularly useful are its pithy introductions and bibliographies on various critical approaches". -- David Bevington, editor of Complete Works of Shakespeare. The Single Track Feb 19 2022

A Single Communal Faith? Dec 17 2021 How could the Right transform itself from a politics of the nobility to a fatally attractive option for people from all parts of society? How could the Nazis gain a good third of the votes in free elections and remain popular far into their rule? A number of studies from the 1960s have dealt with the issue, in particular the works by George Mosse and Fritz Stern. Their central arguments are still challenging, but a large number of more specific studies allow today for a much more complex argument, which also takes account of changes in our understanding of German history in general. This book shows that between 1800 and 1945 the fundamentalist desire for a single communal faith played a crucial role in the radicalization of Germany's political Right. A nationalist faith could gain wider appeal, because people were searching for a sense of identity and belonging, a mental map for the modern world and metaphysical security.

Joyfully Single in a Couples' World Sep 26 2022 Many facets of our world appear biased toward the couples' lifestyle; there's often an insinuation in advertisements, private conversations, and public

gatherings that being alone means being unfulfilled--that singleness is a second-class status. How could that be true? In *Joyfully Single in a Couples' World*, Bible teacher Harold J. Sala clearly states: "What I want to accomplish is to help singles understand that they can find contentment and peace where they are right now, that they don't have to be married to be happy. I want to help them come to grips with who they are and to help them to discover where God wants them to go with their lives and futures. Finding God's help to meet the present need is the key to peace and fulfillment." Chapters on making peace with your dreams, handling other people's expectations, the beauty of friendships, and God's will guide readers to great joy in the here and now.

Tax Treatment of Married, Head of Household, and Single Taxpayers Jun 23 2022

House Sharing and Young Adults Aug 21 2019 *House Sharing and Young Adults* offers unique insight into the dynamics of successful house sharing among young adults and questions some of the myths fostered by the negative stereotyping of housemates. Illustrated with research from interviews with young adults, it explores co-residence, interpersonal relationships and young people's development. Beginning with an overview of the concept and history of house sharing among

young adults, Clark and Tuffin's volume also examines the reasons for the lack of research into the area up until recently. It explores key questions, including how young adults choose housemates, what makes a desirable housemate, avoiding complications, the psychological advantages of house sharing, how conflict arises, and the impact of house sharing on adult development. The authors challenge the stigma of shared domesticity, demonstrating the potential of house sharing to enhance well-being through companionship while acknowledging the potential pitfalls caused by tension in intimate settings. *House Sharing and Young Adults* will be essential reading for both undergraduate and postgraduate students of social psychology, developmental psychology, sociology and anthropology, as well as those interested in group dynamics, housing demographics and discrimination.

Happy Singlehood Feb 07 2021 Despite enduring whispers, sideway glances, and blatant discrimination, men and women today are choosing to remain single—and are enjoying complete and joyful lives. In this carefully crafted, thoroughly researched book, Elyakim Kislev delivers groundbreaking insights on the fastest growing demographic in the world: singles. *Happy Singlehood* investigates how unmarried people create satisfying lives in a world where social structures and policies are still designed to favor married couples. The book challenges readers to rethink how single people organize social and familial life in new ways, and illuminates how educators, policymakers, and urban planners ignore their needs. Based on personal interviews, singles' writings, and widespread quantitative analysis, *Happy Singlehood* investigates how singles nurture social networks, create innovative communities, and effectively deal with discrimination. Showcasing voices of singles, Kislev charts a way forward to assist singles to live life on their terms, and explains how everyone—single or otherwise—benefits from the freedom to develop new and fulfilling lifestyles.

Video Field Production and Editing Aug 01 2020 *Video Field Production and Editing* concentrates on video techniques and technology appropriate for "small scale" single-camera electronic field production (EFP) and electronic news gathering (ENG). This book offers the latest material on new digital field recording and editing technologies and is written in a concise, non-technical, user-friendly format. Reorganized

and updated throughout, with new sections dedicated to HDV (High Definition Video) videotape recording formats, and tapeless digital recording media including high capacity optical discs, solid-state memory cards, and computer hard drives, the book walks the reader through the video production process from initial planning through final editing.

Asian American Religious Cultures [2 volumes] Feb 25 2020 A resource ideal for students as well as general readers, this two-volume encyclopedia examines the diversity of the Asian American and Pacific Islander spiritual experience. • Covers both common motifs in Asian American religious culture, such as Chinese New Year festivals and mortuary rituals, as well as many newly established faith traditions • Contains entries on rarely addressed topics within Asian American religion, such as Hezhen Shamanism

Cognitive Psychology Sep 21 2019 As with his best-selling first edition, Ronald T. Kellogg seeks to provide students with a synthesis of cognitive psychology at its best, encapsulating relevant background, theory, and research within each chapter. Understanding cognitive psychology now requires a deeper understanding of the brain than was true in the past. In his thoroughly revised second edition, the author highlights the tremendous contributions from the neurosciences, most notably neuroimaging, in recent years and approaches cognition in the context of both its development and its biological, bodily substrate.

The Library Oct 23 2019

Single and Satisfied Nov 04 2020 The word "single" means so many different things these days. Some people are single, some are single again, and some are single parents. Some are a blend of those. The relationship zone of our life is where we place our greatest hopes, it's where we have our greatest fears, it's where we've had our greatest pain, and it's where we've made our greatest mistakes. Our society today has created some ideas about love, success, and significance that sound good, and the majority of people are buying them. One generation after another has tried to follow these lies, and so many people end up with disappointment and despair. The goal of this ebook, "Single and Satisfied," is to expose the lies that too many singles buy. With each one, we're going to discuss the truth about love, success, and

significance. Discover how to have relationships without regrets and success without scars today.

Singles Jul 24 2022 Singles verzichten auf Bindungen an andere Menschen, wie sie für Familien ganz «selbstverständlich» sind: ohne einen festen Partner, ohne Kinder, in einer Wohnung allein. Die vorliegende Studie geht der Frage nach, wie ein solches Leben motiviert ist. Wird es als eine echte Alternative zu herkömmlichen Lebensformen verstanden; ein freiwilliges und bewußtes Leben jenseits aller «festlegenden», «einschränkenden» Bindungen? Oder ist das Leben als Single eher die unbeabsichtigte Folge widriger Lebensumstände, das mit Gefühlen der Benachteiligung und Einsamkeit verbunden ist? Die Studie legt die Aussagen von Singles selbst zugrunde. Dabei geht es nicht nur um Singles allein, sondern zugleich um grundlegende Veränderungen des Zusammenlebens in der modernisierten Gesellschaft.

Being Single in India Mar 20 2022 A free open access ebook is available upon publication. Learn more at www.luminosoa.org. Today, the majority of the world's population lives in a country with falling marriage rates, a phenomenon with profound impacts on women, gender, and sexuality. In this exceptionally crafted ethnography, Sarah Lamb probes the gendered trend of single women living in India, examining what makes living outside marriage for women increasingly possible and yet incredibly challenging. Featuring the stories of never-married women as young as 35 and as old as 92, the book offers a remarkable portrait of a way of life experienced by women across class and caste divides, from urban professionals and rural day laborers, to those who identify as heterosexual and lesbian, to others who evaded marriage both by choice and by circumstance. For women in India, complex social-cultural and political-economic contexts are foundational to their lives and decisions, and evading marriage is often an unintended consequence of other pressing life priorities. Arguing that never-married women are able to illuminate their society's broader social-cultural values, Lamb offers a new and startling look at prevailing systems of gender, sexuality, kinship, freedom, and social belonging in India today.

Uptown Singles Aug 25 2022

The Text of Genesis 1-11 Oct 03 2020 Ronald S. Hendel offers a careful and thorough re examination of the text of Genesis 1 11. He

takes a strongly positive position on the value of the Septuagint as a reliable translation of its Hebrew parent text. This position is contrary to that taken in most existing studies of the text of Genesis, including some in standard editions and reference works. Nevertheless, Hendel shows, there is an accumulating mass of evidence indicating that his position is correct. Hendel begins with a discussion of theory and method, and points out the lessons to be learned from the new biblical manuscripts discovered at Qumran. He goes on to argue for the preparation of eclectic critical editions of books of the Hebrew Bible a task long pursued in Classical, New Testament, and Septuagint studies, but still highly controversial with respect to the Hebrew scriptures. The critical edition of Genesis 1-11 which follows is Hendel's first step toward such a comprehensive task.

Querdenker: Genie oder Spinner? (GEO eBook Single) Mar 28 2020
Sie sind eigensinnig, unbeirrbar und kochen lieber ihr eigenes Süppchen. Weil sie sich dem Mainstream widersetzen, werden sie ausgegrenzt, riskieren Karriere und Ansehen. Dabei brauchen wir Querdenker: Gerade weil sie nerven, helfen sie uns, die Welt zu verstehen. Plus: Acht schräge Thesen, die unser Weltbild ins Wanken bringen. Die großen Themen der Zeit sind manchmal kompliziert. Aber oft genügt schon eine ausführliche und gut recherchierte GEO-Reportage, um sich wieder auf die Höhe der Diskussion zu bringen. Für die Reihe der GEO eBook-Singles hat die Redaktion solche Einzeltexte als pure Lesestücke ausgewählt. Sie waren vormals Titelgeschichten oder große Reportagen in GEO.

Joint Documents of the State of Michigan Nov 16 2021

Single Season Sitcoms of the 1990s Oct 27 2022 During the "Must See TV" 1990s, Americans enjoyed such immensely popular sitcoms as Friends, Seinfeld, Home Improvement and The Drew Carey Show. Shows that did not make the ratings cut numbered in the hundreds--the emergence of new networks and cable channels airing original programming resulted in a vast increase in short-lived sitcoms over the previous decade. Some of these "flops" were actually quite good and deserved a better fate. The author revisits them--along with the "dramedies" of the day--with detailed entries providing production and broadcast information, along with critical analyses, and recollections by

cast and crew members. A subsection highlights sitcoms that returned for an abbreviated second season. Dozens of cast and crew photographs are included.
