In this influential, modern-day call back to the altar, Chuck D. Pierce and Alemu Beefu invite readers to find their way to rebuild the place of God's presence to allow the fire of God--his presence and power--to fall. When we rekindle the altar fire, our lives, prayer, and worship are transformed. The time to rebuild altars for fresh fire is now!

*Where God Happens* Feb 26 2020 The place "where God happens," according to Rowan Williams's striking new reading of the Desert Fathers and Mothers, is between each other. It's a truth that we of the twenty-first century most urgently need to learn in order to heal the experience of alienation that has become endemic to our age, and these odd and appealing ancient figures, surprisingly, hold keys to this healing. The fourth-century Christian hermits of Egypt, Syria, and Palestine understood the truth of Christian community profoundly, and their lives demonstrate it vividly—even though they often lived in solitude and isolation. The author breaks through our preconceived ideas of the Desert Fathers to reveal them in a new light: as true and worthy role models—even for us in our modern lives—who have much to teach us about dealing with the anxieties, uncertainties, and sense of isolation that have become hallmarks of modern life. They especially embody valuable insights about community, about how to live together in an intimate and meaningful way. Williams makes these radical figures, who clearly have a special place in his heart, come to life in a new way for everyone. The book includes an appendix of selections from the teachings of the Desert Fathers.

*God's Favorite Place on Earth* Apr 29 2020 When He came to earth, Jesus Christ was rejected in every quarter in which He stepped. The Creator was rejected by His own creation. "He came to His own and His own received Him not," said John. For this reason, Jesus Christ had "no where to lay His head." There was one exception, however. A little village just outside of Jerusalem named Bethany. Bethany was the only place on earth where Jesus was completely received. *God's Favorite Place on Earth* is a retelling of Jesus' many visits to Bethany and a

relaying of the message it holds for us today. Frank Viola presents a beautifully crafted narrative from the viewpoint of Lazarus, one of the people who lived in Bethany with his two sisters. This incomparable story not only brings the Gospel narratives to life, but it addresses the struggle against doubt, discouragement, fear, guilt, rejection, and spiritual apathy that challenges countless Christians today. In profoundly moving prose, *God's Favorite Place on Earth* will captivate your heart with its beauty, charm, and depth. In this book you will discover how to live as a "Bethany" in our world today, being set free to love and follow Jesus like never before.

**Exploring Heavenly Places - Volume 7 - Discernment Encyclopedia for God's Spiritual Creation** Jul 13 2021 This is perhaps one of the most unusual books in the world! Taking over twenty-six years to develop, it documents the spiritual realities of the heavenly places as mentioned in the Bible. In a stunning departure from traditional and commonly accepted theological views, the authors acknowledge what the Word of God so clearly articulates; just as the physical world contains a wide variety of beings and other created things, so does the spiritual world. Within the pages of this book you will find over 100 entries that clearly identify multiple aspects of the Holy Trinity, as well as diverse and unique spiritual beings, entities and places. This resource will help you learn how to discern each entry by observing how others are able to sense each spiritual reality with the five physical senses; it is a tool that will train you to know what the Father is doing in the heavenly places so you can model Jesus' life on earth.

**UNDERSTANDING GOD'S SECRET PLACE - Holy Ghost School Series - A Discipleship Training Manual** Jul 01 2020 First Printed in 2011 2015 edition. Nehemiah 8:1-19; Psalm 91:1 This little book is a collection of messages on Discipleship Training in Holy Ghost School recorded at Right hand of the LORD Fellowship, Egbe- Lagos, Nigeria. It happened that I was discipled by two ministers of God: Rev. Joses Hizkiah of Unfailing Life Ministries and Prophet Lambert Eze Okafor of LaFAMCALL (End-Time) Ministries. After this, I forgot about the training and continued in my former method of ministration as I could not pick up the teaching immediately. It was at this juncture of stalemate or deadlock that the LORD quickened me one day to start on the teaching on Holy Ghost Discipleship by faith that the inspiration came to start putting down in writing as the LORD started to help me along. After a considerable number of lessons, the directive came from the LORD to compile the messages into a leaflet for discipling members of the fellowship.

It is my hope that many sermons will grow out of what the Holy Spirit has given me to put in this book. It is my hope that it will lead to study of the Word, which reveals Jesus Christ who said, "I will build my church."

**A SECRET PLACE IN GOD** Sep 27 2022 "He that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty," (Psalm 91:1). Those individuals who have chosen to accept Jesus Christ as their personal savior need the opportunity to learn the path to salvation. It is their privilege to know the many blessed ways to seek him. In my scriptural based writing, A Secret Place in God, individuals will be guided on their journey. In the book, examples are taken from the Bible, and lessons can be learned based upon experiences posed by men and women in God's word. My personal testimony is also shared in this piece. Individuals of all ages will learn that they are not alone; and there comes a time that they must make the decision to

choose Christ over their own thoughts and feelings; and know that he has a better path of life for them. In addition, in *A Secret Place in God*, after having walked with God in the beauty of holiness for over forty years, I have shared many attributes of my knowledge of God as a healer, a comforter, a guide in every situation of which we are confronted, and most of all, as a savior. Also included are self-created lessons that can be shared with other teachers of God's word. My main purpose for writing this book is to make individuals aware that they can have their own personal walk with God; and that they can count on him to acknowledge and answer their most personal requests in life. Finding the Resting Place of God Nov 24 2019 There is a hope that remains for Christians who are faced with the tough challenges of making time for intercessory prayer. Many are consumed with condemnation due to the difficulties of connecting with God in prayer. We must not allow our worries to affect our relationship with the Father. With the help of the Holy Spirit, you can enhance your intimacy and find the supernatural resting place of God. When we pray, we can walk in boldness and confidence as the Father grants us access to His kingdom riches. Revelations 12:12 reminds us that Satan's' time is short. Therefore, we must maximize our time upon the Earth and make every minute in prayer count. Scheduling your time for prayer is time well spent whereas worrying about why you didn't pray is wasted time. "Do not be anxious or worried about anything, but in everything, every circumstance and situation, by prayer and petition with thanksgiving, continue to make your specific requests known to God" (Philippians 4:6 AMP).

*EMPOWERED! Discovering Your Place in God's Story* Jan 19 2022

Surveys indicate that most Christians feel disempowered. Wrong (dualistic) thinking, which separates the whole of life into 'spiritual' and 'secular', and creates a division within the Church between those in 'full-time' ministry and those who are not, has robbed many believers of the joy of knowing their life can make a difference. The purpose of this book is to help give every Christian believer the realization that they have a special, God-given role and place in the fulfillment of God's Story and the Great Commission. Our life-story fits into God's bigger story (HISTORY). Our mission and purpose in life, fits within his global mission and purpose. God is calling us today towards the consummation of his story and his mission. This task is not just for church workers or overseas missionaries. Whatever your vocation in life, you have a destiny to fulfill and a unique contribution to make. With practical tools and study questions.

There are times and circumstances that generate a pain so deep that even the most seasoned believer can feel separated from God--a pit so consuming and dark that the thought of finding Him again, and feeling His touch, seems impossible. In that despair, God gave me His address, so I would be able to come to the place where He lives and open the door to His heart... and my future. "A genuinely engaging and uplifting book full of hard-won insight. Enjoy!" Pastor Glen R. *Out of the Darkest Place* Aug 02 2020 Many of us have fallen into a dark place. Perhaps you are at a low point right now. Peter Gladwin understands. He meets many who have reached the point of despair and who want to hide: from others, from God, from themselves. Because of his own harsh experiences and struggles Peter finds it easy to empathize, and has discovered that the message of hope he offers strikes a powerful chord. Peter's ministry, particularly in prisons, has taken him into dark places. His own traumatic early experiences, and his subsequent and more recent struggles to walk the Christian path, have helped him to appreciate, and to explain, how God's grace can change your life. This book is full of vivid stories of transformation.

The Place of God in Piers Plowman and Medieval Art Aug 26 2022

Probing spatial questions about God posed by Piers Plowman, the author of this interdisciplinary study turns to pictorial evidence--the use of religious space and relationships within such space in English art of the same period. *The Place of God in Piers Plowman and Medieval Art* is not only a study of the sense of God and of the relationship between God and creatures in the great religious poem, but also an analysis of art works of the high Middle Ages, especially English manuscript

illuminations, in their placement of God. Such interdisciplinary analysis historicizes both literature and art, uncovering ways that medieval people imagined God and the understandings that they would have been able to bring to reading and viewing religious art.

God's Secret Place Mar 09 2021 Do you struggle with intimacy with God? How do we get to know God? Once we get to know Him personally, how do we develop a deeper, more intimate relationship with Him? The struggle of finding and enjoying increasing intimacy with God is real. From birth, each person inherits a God-shaped vacuum only He can fill. Once a personal relationship with Him is established, every child of God faces two deep desires: a longing for deeper intimacy with Him or the desire for freedom from whatever prevents it. But no one is immune from the struggle of finding and maintaining intimacy with God. Does God truly want intimacy with me or does He only get close to certain people? As the Almighty, Sovereign God, why would He want to have anything to do with insignificant me? Is intimacy with God even attainable? I've tried several times, yet nothing seems to work-nothing changes. How can we resist God's compelling love and desire for intimacy with us? What else are we waiting for before yielding and running into His embrace? What prevents us from starting and nurturing intimate time in His presence? God's Secret Place answers such questions with insights from Scripture and through dissecting human relationships. It also inspires the pursuit of nearness with God, identifies four levels of closeness with Him, and reveals the characteristics of

those who find and cherish such intimacy. Stevens encourages readers to run to God's secret place-to commit themselves to the pursuit of intimacy with Him. Then, to remain there. We find rest in His presence by presenting ourselves before Him, quieting ourselves from distractions, hearing His whisper, and sensing His heart. He awaits us there.

**The Supernatural: the Place I Meet God** May 31 2020 The traditions of men make the word of God of non-effect. However, when God and man are one, we can embrace endless possibilities of his grace. When the cloud of glory is moving, move with it. From glory to glory – faith to faith – victory to victory. The hidden mysteries in God are revealed to those who have a heart for him. As God reveals His secrets, we are transformed by the renewing of our mind to the word and ways of The Father. Reformation is needed as we continue to receive deeper and greater revelations from the Holy Spirit. Change is inevitable, not always welcomed, but necessary. As we change (metanoia) our thinking, our

theology will shift, and it is then we discover the nuances of His grace (hesed) and love. Adventures with God into the SuperNatural realm will yield tremendous and awesome benefits. “The problem isn’t that I (God) haven’t given; it’s that you haven’t received (ask God to help you receive).” We receive most of these benefits as gifts of His grace by our spoken words. When what we see is not what we want, it’s not over for the Believer. Creative miracles, Recovery, and Restorations of things lost will become the Natural way of life in this SuperNatural move of God. Miracles will occur at an accelerated pace. It starts as we surrender to the will of the Father, change our thinking and begin to declare: “Restore, Restore.” The SuperNatural is the place we meet God. It is here that we are changed in the presence of his glory. It is the place where we embrace endless possibilities and where nothing, absolutely nothing, is impossible. It is here that God and man become one, and endless possibilities become our reality.

**The Temple and the Church's Mission** Oct 04 2020 "In this study, Gregory Beale argues that the Old Testament tabernacle and temples were symbolically designed to point to the end-time reality that God's

presence, formerly limited to the Holy of Holies, was to be extended throughout the whole cosmos. Hence, John's vision in Revelation 21 is best understood as picturing the new heavens and earth as the eschatological temple." "This exposition traces the theme of the tabernacle and temple along the Bible's story-line, also illuminating many texts and closely related themes. It shows how the significance the symbolism of the temple can be better understood in the light of contrasts to and similarities with Ancient Near Eastern assumptions, and offers new insights into the meaning of the temple in both Old and New Testaments."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc.
