The Broadview Pocket Guide to Citation and Documentation Jul 30 2020 Compact and convenient, The Broadview Pocket Guide to Citation and Documentation includes information on MLA, APA, Chicago, and CSE styles of citation and documentation. Based on the “Documentation” chapter in the acclaimed Broadview Guide to Writing, this volume has been expanded with additional examples and has been fully updated to cover recent changes such as the new MLA guidelines for citing tweets. There is also expanded coverage of plagiarism (and how to avoid it).

A Guide to Local Environmental Auditing Mar 06 2021 Sustainable development is still seen by authorities as an abstract concept. Local Environmental Auditing will help put it into practice. The book provides a comprehensive guide to monitoring the state of the local environment and establishing the impacts of local actions on global issues, and shows how current local authority policy and practice can be adapted to recognize environmental priorities. The authors provide both a guide to and an assessment of the subject: they link the processes with the issues, with specific information on carrying out the audit (including checklists, case studies and standards) and a detailed discussion of the issues and choices which local authorities may face. Clearly structured and accessible, this will be an essential handbook, both for local government departments and other local organizations, and students in a wide range of subjects, including environmental science and health, town planning, urban and rural studies, social science and politics.

Collector's Guide Oct 13 2021 The Collector's Guide strives to be a trusted partner in the business of art by being the most knowledgeable, helpful and friendly resource to New Mexico's artists, art galleries, museums and art service providers. Through a printed guidebook, the World Wide Web and weekly radio programs, we serve art collectors and others seeking information about the art and culture of New Mexico.

The JGuy's Guide Feb 05 2021 What does it mean to be a young Jewish man? Who am I? How do I feel about myself? Do I seem cool? Do I fit in? These overarching teen boys' concerns are addressed head on through the voices of contemporary Jewish teens, men, and biblical and historical stories. The JGuy's Guide helps young teens see how Judaism can help them navigate the often choppy waters of adolescence while it strengthens Jewish identity and pride. This interactive book encourages personal reflection and discussion, making it ideal for the individual teenager as well as education and discussion groups. Its candid approach explores dilemmas boys face in their daily lives: the pressure to excel at sports, school and social life; the courage to speak up when friends make questionable choices or parents act hypocritically; and more. Like the Talmud, the book offers many perspectives and reflection questions to help boys find their own truths.
