*Public Health Nursing - Revised Reprint* Dec 04 2020 This Revised Reprint of our 8th edition, the "gold standard" in community health nursing, Public Health Nursing: Population-Centered Health Care in the Community, has been updated with a new Quality and Safety Education in Nursing (QSEN) appendix that features examples of incorporating knowledge, skills, and attitudes to improve quality and safety in community/public health nursing practice. As with the previous version, this text provides comprehensive and up-to-date content to keep you at the forefront of the ever-changing community health climate and prepare you for an effective nursing career. In addition to concepts and interventions for individuals, families, and communities, this text also incorporates real-life applications of the public nurse's role, Healthy People 2020 initiatives, new chapters on forensics and genomics, plus timely coverage of disaster management and important client populations such as pregnant teens, the homeless, immigrants, and more. Evidence-Based Practice boxes illustrate how the latest research findings apply to public/community health nursing. Separate chapters on disease outbreak investigation and disaster management describe the nurse's role in surveilling public health and managing these types of threats to public health. Separate unit on the public/community health nurse's role describes the different functions of the public/community health nurse within the community. Levels of Prevention boxes show how community/public health nurses deliver health care interventions at the primary, secondary, and tertiary levels of prevention. What Do You Think?, Did You Know?, and How To? boxes use practical examples and critical thinking exercises to illustrate chapter content. The Cutting Edge highlights significant issues and new approaches to community-oriented nursing practice. Practice Application provides case studies with critical thinking questions. Separate chapters on community health initiatives thoroughly describe different approaches to promoting health among populations. Appendixes offer additional resources and key information, such as screening and assessment tools and clinical practice guidelines. NEW! Quality and Safety Education in Nursing (QSEN) appendix features examples of incorporating knowledge, skills, and attitudes to improve quality and safety in community/public health nursing practice. NEW! Linking Content to Practice boxes provide real-life applications for chapter content. NEW! Healthy People 2020 feature boxes

highlight the goals and objectives for promoting health and wellness over the next decade. NEW! Forensic Nursing in the Community chapter focuses on the unique role of forensic nurses in public health and safety, interpersonal violence, mass violence, and disasters. NEW! **Sanctuary** May 21 2022 Sixteen-year-old Jessica Mastriani knew she wasn't going to be able to hide her psychic powers from the U.S. government -- interested in utilizing her special skills for their own devices -- forever. But she never thought that she and Cyrus Krantz, the special agent brought in to "convince" Jess to join his elite team of "specially-gifted" crime solvers, would turn out to have something in common. But when a local boy's disappearance is attributed to a backwoods militai group, Jess's goal -- to find the missing child -- and Dr. Krantz's -- to stop a group of madmen before they kill again -- turn out to be one and the same. Suddenly Jess finds herself working with one enemy in order to stop a far worse one. In an atmosphere of hate and fear, can Jess and Dr. Krantz -- not to mention Jess's would-be boyfriend Rob -- work together to unite a community and save a life...without losing their own?
