Vince's Chance Apr 10 2021 To show her he's the hero she once loved, he must find her son... Vince Kolya inherited only one trait from his biological father: a need to be on the sea. The rest of his life he has tried to emulate what he learned from his unofficial adopted family, the Belgardes: dedicating his life to helping others instead of abusing them. Unfortunately, he's yet to find a woman who wants the same things he does in life. It's bad enough that his wife left him, but she also failed to make his boat payments while he was on a three-month stint. Giving up on relationships, Vince throws himself into working with his family's search & rescue team. Highest on his to-do list, though, is saving money to buy another boat so he can get back on the water, away from the reminders of his abusive past. Now that her father is dead and buried, Valery Yura is coming home to her beloved state of Alaska in hopes that moving her troubled son to the place where she grew up will transform him into the loving young man he once was. The last thing she needs is a distraction, especially when it comes in the form of the gorgeous man she's loved her entire life--Vince. A few too many drinks and sexy dancing on the dock, and she's repeating ancient history, a situation she can't allow. When her son goes missing from summer camp, Valery feels that the authorities aren't doing everything possible. Although she's resigned herself to never seeing Vince again, she needs his help. As much as Vince tries to hold onto his feelings of anger and abandonment, knowing it's paramount to protecting his heart, he finds himself

falling deeper and deeper for Valery. Determined to give Valery closure and win back her heart, Vince embarks on an all-out manhunt for the missing boy. What he discovers, though, might be a death warrant for him and the woman he can't lose again. What readers are saying about the Midnight Sons series: □□□□ "An Alaskan Adventure... I Just Need You Oct 16 2021 Kresley Studying abroad was my chance to gain independence away from my privileged life in California. But, when there's a kidnapping attempt on my life, I'm forced to return home to finish college. I just never expected to get stuck with a pompous, know-it-all bodyguard who watches my every move with nothing but disdain. One whose good looks don't soften the cold, impenetrable wall he wears like armor. Tristan I pride myself on being a professional and taking my job as a bodyguard seriously. But, nothing could prepare me for the high maintenance, rich girl I'm hired to protect. She's got a smart mouth, is hell-bent on pushing my buttons, and doesn't take the threats against her seriously. And despite the nightmares that plague her dreams, or the fact that I'm the only one who knows about them, I'm not there to befriend her. I'm there to

protect her...no matter how much she intrigues me. Jabs will be exchanged, glares will become the norm, jealousy will rear its ugly head, and sparks...well those damn things will inevitably fly. But will it all come with a dangerous price?

I Don't Want You Aug 26 2022 They were supposed to be forever Until she broke his heart. Jared I used to believe in soulmates. I had found mine. She was everything to me, my whole entire world. And then she crushed me beneath her boot. I threw myself into my music, I'm a damn rockstar now and Violet Walker has nothing on me. Or so I thought... Violet I broke my own heart to give him the future he deserved. Four little words and I shattered everything. I did it for him, despite what he might believe. It's been a long time since I last saw Jared Reinhard and he's no longer the man I used to know. He's harder, colder... Cruel. He plays a wicked game. But I'll give as good as I get. I don't have to worry about losing my heart anymore. I never got it back.

You checked your wallet and you realized, you're not as rich as Bill Gates; but then you caught a glimpse of some random guy who looks better with a paper bag over his head but he is hanging out with a beautiful girl while you're not. Doesn't it make you wonder with exasperation: "How did he do that!?" If you have been suffering dateless nights no matter how hard you try to be close with a girl, then read this book. It will change your life , I know cos it changed mine..

Don't Be Afraid Feb 08 2021 Be Afraid. . . It's a beautiful house--a perfect place to live. To dream. To start a life together. It's the perfect place for so many things, he thinks as he puts on the gloves and reaches for her, enjoying her screams. But today, it's a perfect place to die. Be Very Afraid. . . Steerforth, Connecticut, was once an idyllic, sleepy New England town. But now, the leafy streets and picture-perfect houses have turned shadowy and menacing, every small detail suddenly becoming suspect: lost toys placed carefully on back porches, lights blazing in a house that should be empty, closet doors standing slightly ajar, mysterious flowers wrapped in black tissue paper. And the bodies... Or Else You're As Good As Dead. . . A serial killer has come to Connecticut. He is watching, honing his skills, waiting, for the perfect time to make them pay for what they've done. And when he's through, home will never be sweet again...

The Irrational Knot (Illustrated) Oct 24 2019 The Irrational Knot was first published in 1905, having been written in 1880. Within a framework of leisure class preoccupations and frivolities Shaw disdains hereditary status and proclaims the nobility of workers. Marriage, as the knot in question, is exemplified by the union of Marian Lind, a lady of the upper class, to Edward Conolly, always a workman but now a magnate, thanks to his invention of an electric motor that makes steam engines obsolete. The marriage soon deteriorates, primarily because Marian fails to rise above the preconceptions and limitations of her social class and is, therefore, unable to share her husband's interests.

Don't Wound What You Can't Kill Jun 12 2021 On a dark and cold November night, Vincent is on his way to close the biggest deal of his life and pave the way for his dream of opening his own tax firm to become a reality. But when he is nearly killed by his cousin's henchmen, his life is forever changed. Readers can unravel a web of betrayal, suspense, danger and revenge in Jason Ross' gripping novel, Don't Wound What You Can't Kill. Vincent works for his cousin William and is only disloyal in the way that he is about to abandon him and open his own business. He had no intentions on using any of his cousin's money, which he could have easily embezzled without his cousin knowing a thing. A man with principles, Vincent is the one who informed his cousin that his men, Harold and Ronald were embezzling from him. But he never expected William would repay his loyalty with death. Vincent barely escapes with his life, stinging at the pain of betrayal. His love for accounting and taxes had taken a back step to another more important matter—revenge. Vincent now knew what he had to do, but he wonders at what price he would have to pay for his revenge. The choice is obvious, and there is no turning back. Vincent finally crosses that thin line between good and evil that he had straddled along when he was a child. His life as he knew it is over, and his life as he never envisioned is just beginning. Maybe man really does not have any control over how his life turns out—how events both tragic and joyful help frame one's true destiny and set them on their true path. Is a life of crime Vincent's true destiny? Readers can unravel the answer and witness the intriguing events unfold in Don't Wound What You Can't Kill.

The Staff of Ira Jan 27 2020 A time long ago, on the planet of Boldly, a race was on the verge of extinction with little hope left to find a way to stop it. The leader and his scientist tried taking DNA from other species on the planet to create a new life form. A new life they did create, yet it was not acceptable. The scientist told the leader, A female we must have. This statement brought many questions as to how or where. The only females on the

planet were infertile. As they sat and pondered as to how they would come about such females, an idea occurred. Lets build a ship, said the scientist, to carry us to other worlds in search of a female.
