Les Misérables, Volume 1 Jun 03 2020 Les Misérables is widely regarded as the greatest epic and dramatic work of fiction ever created or conceived: the epic of a soul transfigured and redeemed, purified by heroism and glorified through suffering; the tragedy and the comedy of life at its darkest and its brightest, of humanity at its best and at its worst. The novel elaborates upon the history of France, the architecture and urban design of Paris, politics, moral philosophy, antimonarchism, justice, religion, and the types and nature of romantic and familial love. This is part one of two, containing the first two volumes ("Fantine", "Cosette") and the first seven books of volume three ("Marius").

Angels & Insects Dec 30 2019 In these breathtaking novellas, A.S. Byatt returns to the territory she explored in *Possession*: the landscape of Victorian England, where science and spiritualism are both popular manias, and domestic decorum coexists with brutality and perversion. *Angels and Insects* is "delicate and confidently ironic.... Byatt perfectly blends laughter and sympathy [with] extraordinary sensuality" (San Francisco Examiner).

It will depend on the niche and the earlier recognition of that author and work. The quality on these vary intensely. Some of the more recent ones are better written and edited. Now they are coming with high-quality covers and source files to edit them fully. Like public domain, there are essentially limitless competition out there with all these copies. But also like public domain, you will see that mostly they have been poorly edited or poorly marketed and are really no competition at all. In East Asian tradition, an anthology was a recognised form of compilation of a given poetic form. In this model, which derives from Chinese tradition, the object of compiling an anthology was to preserve the best of a form, and cull the rest.

Swordlight Aug 18 2021 What was it?! Sadie strained without breathing to hear once again. There were no wolves sited in Missouri as of yet...or were there? Her mind swirled with remembrances of the wolf figurine, the papers, the tribe....and then there was Benjamin. The pieces to the puzzle were slowly coming together. But there continues to be one piece that remained unsolved. Where did Benjamin come from? How did he get here? WHY was he here?

"AHWooooee!" There it was once again as if it were beckoning her to the edge of the shaded woods. Sadie couldn't help but entwine herself in the mystery. Could she figure it out or was it for her alone to know? Only He knows! In a society that seems to be spiraling out of control with technology and tolerance towards immoral behavior costing us the frantic explosion of outraged youth looking for what is real, there is but one and only one answer...Jesus Christ and showing His love to be the all encompassing answer to what is real and eternal. We must all face the fact that we were each created to look for and find our one and only Hero on this journey we call life. Will you take your position as a true Benjamite and guide others to the Hero?
