[Energy from the Biomass](#) Jun 13 2021 The success of the previous Conferences on Energy from Biomass, held in Brighton 1980 and Berlin 1982, and the continued interest among European countries, encouraged the Commission of the European Communities to organise the third conference on this area of energy production. It brought together about 500 experts from

many countries thus presenting an international forum for discussion of the most recent advances in research and development, manufacture and industrial applications.
