**S. Grant** May 02 2020 The Personal Memoirs of Ulysses Simpson Grant are an American classic. In them Grant, the most able General of the Civil War, tells the story of his life and experiences, covering his birth, early youth, military training at West Point, his involvement as a Lieutenant in the Mexican War of 1847-48, and of course, his role in the Civil War of 1861-65, during which he rose to become the supreme commander of the Northern forces. After the Mexican War, Grant had left military service and became, essentially, an unsuccessful shopkeeper. Re-enlisting at the start of the Civil War, he rose to his ultimate position entirely on his

own merits, showing himself to be a skilled strategist and a master of logistics. What distinguishes Grant's Personal Memoirs, and makes them a clear candidate for being considered a part of American literature, is the high quality and interest of the writing, for which Grant clearly had a talent. Though he goes into an extremely high level of detail about the military movements and struggles of the Civil War, the book is full of interest, and in parts is as gripping as a novel. Obviously, Grant tells only his own part of the story and from the perspective of the ultimately successful forces; but his humanity shows through in the respect he offers to those on the other side, and in his acknowledgement of their sufferings, ~~despite this~~

clear condemnation of their cause of preserving slavery. He is generous in awarding due credit to others on his own side, and where blame is due tempering it with his understanding of that person's character, background and circumstances. After the war, Grant served two terms as President of the United States between 1869-77, but his Memoirs do not deal with this period. He began writing the book on his retirement, and completed it only after suffering from severe illness and not long before his death from throat cancer. The first edition was published in two volumes by Mark Twain in 1885. This Standard Ebooks edition includes 43 maps reproduced from the 1895 edition of the Memoirs. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Bedeutungsverlust. Heute ist Saddam tot, Osama auch, doch die einzige Supermacht ist schwächer als je zuvor. In Wir erschossen auch Hunde erzählt Phil Klay von den jungen Männern, die in diesem Krieg den höchsten Preis zahlen mussten. Es sind knallharte Erzählungen von Häuserkämpfen in Falludscha, aussichtslosen Hilfsmissionen im Irak und dem Heimkehren in ein fremdgewordenes Land. Ein Land, das bei all dem Hintergrundrauschen aus Konsum und Entertainment kein Interesse am Leiden seiner Soldaten hat. Denn ihre traumatischen Erfahrungen beweisen nur die grenzenlose Ohnmacht und lassen etwas erahnen, was noch vor wenigen Jahren unvorstellbar schien: »America is broken, man.« Phil Klay kämpfte als US-Marine im Irak, davon handelt dieses Buch. In Wir erschossen auch Hunde gibt er eine authentische Vorstellung vom Krieg und dem, was er an Angst, Sehnsucht und allerletzter Euphorie mit sich bringt. Damit fröhlich

**- Volumes I and II** Nov 19 2021 Includes Volume I & II. Written in the last year of his life as he battled throat cancer and poverty, "Personal Memoirs" was published by Mark Twain shortly after Grant's death, less than a week after he completed his work. An instant success and praised by admirers, critics, and people throughout the country, this autobiography was a critical and financial success. Grant was praised both for the clarity and succinctness of his writing, and the royalties of the book provided for his family and firmly re-established their financial stability. A model of autobiography to this day, "Personal Memoirs" is a remarkable work of literature, reflecting the man and ideal commander largely responsible for the welfare of his country throughout his life.

2020 "The former general in chief of the Union armies during the Civil War . . . the two-term president of the United States . . . the beloved ambassador of American goodwill around the globe . . . the respected New York financier Ulysses S. Grant was dying. The hardscrabble man who regularly smoked 20 cigars a day had developed terminal throat cancer. Thus began Grant's final battle—a race against his own failing health to complete his Personal Memoirs in an attempt to secure his family's financial security. But the project evolved into something far more: an effort to secure the very meaning of the Civil War itself and how it would be remembered. The news of Grant's illness came swift on the heels of his financial ruin. Business partners had swindled him and his family out of everything but the money he and his wife had in their pockets and the family cookie jar. Investors lost millions. The public ire that turned on Grant first suspected ~~Wife Is Dead~~

then incompetence, then unfortunate, naive neglect. In this maelstrom of woe, Grant refused to surrender. Putting pen to paper, the hero of Appomattox embarked on his final campaign: an effort to write his memoirs before he died. The Personal Memoirs of Ulysses S. Grant, would cement his place as not only one of America's greatest heroes but also as one of its most sublime literary voices. Filled with personal intrigues of its own and supported by a cast of colorful characters that included Mark Twain, William Vanderbilt, and P. T. Barnum, Grant's Last Battle recounts a deeply personal story as dramatic for Grant as any of his battlefield exploits. Authors Chris Mackowski and Kristopher D. White have recounted Grant's battlefield exploits as historians at Fredericksburg and Spotsylvania National Military Park, and Mackowski, as an academic, has studied Grant's literary career. Their familiarity with the former president as a general and as a

**(Hard** Dec 21 2021 Ulysses S. Grant's memoirs begins with the author's formative years and his military service, continuing through the U.S. Civil War and the author's time as President of the United States. Various battles such as Monterrey, and sieges such as Vera Cruz, are recounted in this volume, with Mexico's actions and abilities as an enemy much detailed. Grant is keen to narrate the experience from his perspective as a junior officer, bringing perspective of both the strategic planning and the tactical maneuvers such conflicts entailed together with the morale of the rank and file ahead of each skirmish. Together with U.S. Grant's own recollections we find appendices in the form of original correspondences sent and received regarding the Union and Confederate forces. At the time he authored his memoirs in the mid-1880s, Grant was determined in spite of illness to add to the burgeoning historical narrative as a reliable source. With this autobiography, it is

path-breaking insights, Elizabeth D. Samet has produced the most ambitious edition of Ulysses Grant's Memoirs yet published. One hundred and thirty-three years after its 1885 publication by Mark Twain, Elizabeth Samet has annotated this lavish edition of Grant's landmark memoir, and expands the Civil War backdrop against which this monumental American life is typically read. No previous edition combines such a sweep of historical and cultural contexts with the literary authority that Samet, an English professor obsessed with Grant for decades, brings to the table. Whether exploring novels Grant read at West Point or presenting majestic images culled from archives, Samet curates a richly annotated, highly collectible edition that will fascinate Civil War buffs. The edition also breaks new ground in its attack on the "Lost Cause" revisionism that still distorts our national conversation about the legacy of the Civil War. Never has Grant's

not unique in that large sections of Grant's life (most notably, his childhood and his presidency) are given brief mention or not discussed at all. The focus of the book is Grant's military career—his service in the Mexican-American War and the Civil War. Grant's writing has been praised for its conciseness and clarity—a sharp contrast from contemporary Civil War memoirs, which tended to reflect the Victorian fondness for elaborate (and sometimes overblown) language. Grant saw the war from the front lines and made the decisions that affected lives on a day-to-day basis. His writings provide a revealing look into the life of the commander in chief of the Union army as well as the seminal eyewitness account of the War between the States. The Civil War Memoirs of Ulysses S. Grant is a popular abridgment of his two-volume Personal Memoirs, which he arranged to have published to provide for his family after his death. (It was a huge bestseller and broke all records in American publishing at the time.) He died less than one week after completing its writing. This abridgment covers Grant's experiences in the Civil War, from the first shot at Sumter to Appomattox, giving the reader a front-line seat next to the greatest Union general of the war. Highlights Include: - General William Tecumseh Sherman on his infamous march through Georgia- General George B. McClellan on the battle of Antietam and the legendary lost order that

against cancer that he would ultimately lose.

**Personal Memoirs** Oct 26 2019 Mark Twain had known many of the great men of the Civil War and the Gilded Age, and esteemed none more highly than Ulysses S. Grant, who was modest, sensitive, generous, honest, and superlatively intelligent.

Grant's courage, both moral and physical, was a matter of record. His genius as a general assured his immortality. In 1881, Twain urged Grant to write his memoirs. No one is interested in me, Grant replied. Out of the army, out of office, and out of favor--that was his life now. He reminded Twain that the *Military History of Ulysses S. Grant*, written by his wartime assistant, Adam

Badeau, had sold poorly. And John Russell Young's book, *Around the World with General Grant*, published in 1879, had been a complete flop. Broke and sick--he began suffering agonizingly painful throat cancer in 1884-- Grant agreed to write four articles for the *Century Magazine*

his Civil War battles, and Century offered to publish his memoirs if only he'd write them. Twain was on a lecture tour when he heard that Grant might be willing to write a book and hurried back to New York to tell Grant that he could arrange for publication of the book by a small firm that he controlled. Grant accepted his offer because Twain had been the first person to suggest he write his memoirs. The inflexible will and powerful mind that helped make Grant a great general were stronger than the torturing pain, the sleepless nights, the terrors of death. Yet there was no sense of this heroic struggle in the narrative he produced with stubby pencils or by dictating to a secretary. The book was like the man himself--often humorous, frequently charming, always lucid, sometimes poignant, generous to his enemies, loyal to his friends. Twain was astonished when he discovered that Grant had produced a considerably longer book than he had contracted to write, but Grant

had always tried to give more than was expected of him. He did so even now. Grant finished his book in July 1885. The Memoirs were a triumph. The narrative has the directness and limpidity of the purest English prose as it was first crafted by William Tyndell and then spread throughout the English-speaking world in the King James version of the Bible. Grant had reached deep into himself and into the world history of the Anglo-American people to grasp the core of its culture, the English language. He trusted in that narrative style that achieves its effects by never straining for effect, assembled it into vivid pictures sufficiently understated to allow an intelligent reader's imagination room to expand, and shaped a literary architecture with a born artist's eye. His recollections were inevitably partial and selective. As with all memoirs, Grant's was at its best as a revelation of the way he remembered the events of his tumultuous life and the feelings they evoked in

drew near. Its truth was less in the details of what he recalled as in the story he had to tell, of justice triumphant over a great evil. On July 23, 1885, several days after correcting the galley proofs of his book, Grant died in a summer cottage on the slopes of Mount McGregor, New York, surrounded by friends and family. The memoirs, published a few months later, have never been out of print.

president, Grant led the Republicans in their effort to remove the vestiges of Confederate nationalism and slavery, protect African-American citizenship, and support economic prosperity nationwide. His presidency has often come under criticism for protecting corrupt associates and in his second term leading the nation into a severe economic depression. Grant graduated in 1843 from the U.S. Military Academy at West Point, served in the Mexican-American War and initially retired in 1854. He struggled financially in civilian life. When the Civil War began in 1861, he rejoined the U.S. Army. In 1862, Grant took control of Kentucky and most of Tennessee, and led Union forces to victory in the Battle of Shiloh

during the Mexican-American War and the American Civil War, and completed as he was dying of cancer in 1885. The two-volume set was published by Mark Twain shortly after Grant's death. Twain created a unique marketing system designed to reach millions of veterans with a patriotic appeal just as Grant's death was being mourned. Ten thousand agents canvassed the North, following a script that Twain had devised; many were veterans who dressed in their old uniforms. They sold 350,000 two-volume sets at prices from \$3.50 to \$12 (depending on the binding). Each copy contained what looked like a handwritten note from Grant himself. In the end, Grant's widow Julia received about \$450,000, suggesting a gross royalty before expenses of about 30%. The Personal Memoirs of Ulysses S. Grant has been highly regarded by the general public, military historians, and literary critics. Positive attention is often directed toward Grant's prose, which has been praised as shrewd,

War, and the Civil War. Grant provides insight into how rigorously these events tested America's democratic institutions and the cohesion of its social order.

The Complete Personal Memoirs and Selected Letters of Ulysses S. Grant Jan 10 2021

Completed just days before his death and hailed by Mark Twain as "the most remarkable work of its kind since the Commentaries of Julius Caesar," this is the now-legendary autobiography of ULYSSES SIMPSON GRANT, 18th president of the United States and the Union general who led the North to victory in the Civil War. Though Grant opens with tales of his boyhood, his education at West Point, and his early military career in the Mexican-American war of the 1840s, it is Grant's intimate observations on the conduct of the Civil War, which make up the bulk of the work, that have made this required reading for history students, military strategists, and Civil War buffs alike. Grant wrote his "Personal Memoirs"

War, and completed as he was dying of cancer in 1885. This two-volume set was originally published by Mark Twain shortly after Grant's death. *The Autobiography of Ulysses S. Grant* Jan 22 2022 The Personal Memoirs of Ulysses S. Grant is an autobiography by Ulysses S. Grant, the 18th President of the United States, focused mainly on his military career during the Mexican-American War and the American Civil War, and completed as he was dying of cancer in 1885. The two-volume set was published by Mark Twain shortly after Grant's death. Twain created a unique marketing system designed to reach millions of veterans with a patriotic appeal just as Grant's death was being mourned. Ten thousand agents canvassed the North, following a script that Twain had devised; many were veterans who dressed in their old uniforms. They sold 350,000 two-volume sets at prices from \$3.50 to \$12 (depending on the binding). Each copy contained what looked like a handwritten

note from Grant himself. In the end, Grant's widow, Julia, received about \$450,000, suggesting a gross royalty before expenses of about 30%. The Personal Memoirs of Ulysses S. Grant has been highly regarded by the general public, military historians, and literary critics. Positive attention is often directed toward Grant's prose, which has been praised as shrewd, intelligent, and effective. He portrayed himself in the persona of the honorable Western hero, whose strength lies in his honesty and straightforwardness. He candidly depicts his battles against both the external Confederates and his internal Army foes.

Grant's death.

Grant and Sherman: Civil War Memoirs Oct 19 2021 For the 150th anniversary of the Civil War, The Library of America re-issues the memoirs of Ulysses S. Grant and William Tecumseh Sherman in a handsome, newly designed case. An ailing Grant wrote his Personal Memoirs to secure his family's future. In doing so, the Civil War's greatest general won himself a unique place in American letters. John Keegan has called it "perhaps the most revelatory autobiography of high command to exist in any language." The Library of America's edition of Grant's Memoirs includes 175 of his letters to Lincoln, Sherman, and his wife, Julia, among others. Hailed as a prophet of modern war and condemned as a harbinger of modern barbarism, William T. Sherman is the most controversial general of the Civil War. "War is cruelty, and you cannot refine it," he wrote in fury to the Confederate mayor of Atlanta, and his memoir is filled with dozens of such

**The Personal Memoirs of Ulysses S. Grant** Sep 17 2021 President Ulysses S. Grant (1822-1885) was one of the most esteemed individuals of the nineteenth century. His two-volume memoirs, sold door-to-door by former Union soldiers, have never gone out of print and were once as ubiquitous in American households as the Bible. Mark Twain, Gertrude Stein, Matthew Arnold, Henry James, and Edmund Wilson hailed these works as great literature, and presidents Bill Clinton and George W. Bush both credit Grant with influencing their own writing. Yet a judiciously annotated clarifying edition of these memoirs has never been produced until **Now The Download**
