**The Gnu Octave 4.0 Reference Manual 1/2** May 23 2022 This manual is the definitive guide to GNU Octave, an interactive environment for numerical computation. GNU Octave provides a convenient command-line interface for solving linear and nonlinear problems using vectors and matrices. This updated edition of the manual covers version 4.0.0 of GNU Octave, and includes documentation for new features such as the new graphical userinterface, sparse matrices, linear programming and computational geometry. GNU Octave is free software, distributed under the GNU General Public License (GPL). As GNU Octave became such a big project over the years, we had to split this reference manual in two parts that are two separate physical books. To keep it consistent with our digital manual, the references and page numbers cover both physical books as it were one. Therefore please note that you probably want to have both parts.

*Space for Visual Research 2* Feb 26 2020 "The Space for Visual Research is a platform for experimental image production. Established as an extracurricular laboratory at the Bauhaus University Weimar back in 2013, it encourages graphic designers to expand their formal repertoire with alternative modes of making. Now in its second edition, the research lab's eponymous logbook presents itself as a richly illustrated reference work for free-thinking creatives. Accompanied by detailed work protocols, the featured selection of science inspired experiments offer starting points for autonomous reconstructions and further research. A comprehensive series of conversations, essays, and artist contributions opens up the space, providing insight into related ideas and approaches in the educational, professional, and broader sociophilosophical context"--Back cover.

**Your User's Manual** Nov 17 2021 What is the point? What is the purpose of life? Why must I suffer the stress, and anxiety that comes with it? Why does it all seem so hard and so unfair? If you have asked yourself any of these questions, then you have found the book you are looking for. There are answers to all of these questions and Anderson Silver has compiled teachings from Stoicism and other schools of thought in *Your User's Manual*. This refreshing collection not only gives the reader much sought after answers, but also provides the tools for finding purpose, and living an anxiety-free life in the modern world. Meant as a light read that the reader can come back to and meditate on periodically, Anderson has done a wonderful job of condensing fundamental teachings, making *Your User's Manual* a straightforward read in answering life's most pressing questions and recognizing
