**Single in the Church** Nov 27 2019 By the year 2000,  
52% of the population of the United States over the age of

25 will be single. The implications of this prognosis for an institution such as the Church are enormous. The patterns of worship and program will require a radical shift away from the traditional nuclear family. In her book, Dr. Collier-Slone points out ways to engage the problem and does a tremendous service in lifting up congregations which have successfully begun to make this shift. Her book not only helps the leadership of congregations but also gives a reassuring new perspective to those who are living alone. - Pamela P. Chinnis, on back cover.

**A God of One's Own** Nov 19 2021 Religion posits one characteristic as an absolute: faith. Compared to faith, all other social distinctions and sources of conflict are

insignificant. The New Testament says: 'We are all equal in the sight of God'. To be sure, this equality applies only to those who acknowledge God's existence. What this means is that alongside the abolition of class and nation within the community of believers, religion introduces a new fundamental distinction into the world the distinction between the right kind of believers and the wrong kind. Thus overtly or tacitly, religion brings with it the demonization of believers in other faiths. The central question that will decide the continued existence of humanity is this: How can we conceive of a type of inter-religious tolerance in which loving one's neighbor does not imply war to the death, a type of tolerance whose goal is not truth but peace? Is what we are experiencing at present a regression of monotheistic religion to a polytheism of the religious spirit under the heading of 'a God of one's own'? In Western societies, where the autonomy of the individual has been internalized, individual human beings tend to feel increasingly at liberty to tell themselves little faith stories that fit their own lives to appoint 'Gods of their own'. However, this God of their own is no longer the one and only God who presides over salvation by seizing control of history and empowering his followers to be intolerant and use naked force.

**A Match Made in Heaven** Aug 17 2021 Singles and the church may seem to go together like a grilled steak at a vegetarian party but God has a radically different plan . . . one where everyone truly belongs in the family of God.

*Singleness* Mar 12 2021 Encouragement, insight, and advice for contentment and joy in singleness Some singles are perfectly content—while others are not! Many times

This book answers many helpful questions including: What are myths about singleness? What are some difficulties in living as a single? What are root causes of discontentment? What does “healthy singleness” mean? What are spiritual reasons for guarding sexual integrity? Your true identity does not come from your spouse, but from the Savior, Jesus Christ. So whether you are single for a season or single again, discover biblical truths about how God wants to use your singleness to fulfill His purpose.

The Akshaya Patra; Manasa Bhajare: Worship in the Mind

Mar 31 2020 The Akshaya Patra series is written as a book to augment books of philosophical inquiry; and to assist true inquiry in such a way, so as to inspire the Mysteries that unfold on the path of initiation. Let us begin by breaking bread together, by this first step, that we may destroy the tome of ignorance with that first principle in prayer saying; "A house that is loved is always satisfied."

This house is the Temple of Self; inspired by life and the touch of nature, the Akshaya Patra throughout is filled with inner depth and determination. These first works of the Akshaya Patra, were inspired by, and dedicated to, Bhagavan Sri Sathya Sai Baba, whose influence was, and still is, too vast for words; and whose love has satisfied the genius in this Tomb and Tome of Time. This first book of Volume ONE begins, with the features of introductory, for taking the earliest footsteps, on the path of sacred life; dedicated to Self-Transformation. As a Tree of Knowledge is planted, its roots fan out thru many traditions, and its branches stretch to provide shelter and protection over all. Its leaves call for all to come and take their share of comfort beneath the shadows in its shade; delighted and lighted by the sun by day, and with night fascinated to discover the ringlets of the moon and stars that gave first light in the residence of space. We are THAT Time, we are that Space; we are that Consciousness. "Tat Twam Asi" ... the pursuant in pursuant search, in the sea, of supreme reality. Self-Mastery is a personal journey and there is only one friend; and that is the sacred messenger, who comes to life as the resident within. There are many years involved in coming to this writing of the Akshaya Patra Series. The examinations here have taken us to this first place in the writing; that is nothing more than the satisfaction of ethical journey, working forward from the true beginning. There are many more volumes and books to follow for us, in order to reach our destination in this vast work of self-transformation. Are we ready? Are we deserving? We have been fooled by fools maybe, and we are, or are we, the fools to dream that we are more than

this fool we have come to be. We come to this knowing that we have not come to terms with our true identity. Maybe we have fed ourselves unwisely, and only broken bread that is dry, tasteless, and come unsatisfied, from drink before a shallow empty well. The Akshaya Patra Volume ONE Book ONE; entitled Manasa Bhajare: Worship in the Mind; means to satisfy. The Mind will be the first portal passed; before transitioning thru its own death and resurrection. It is here in this first book of Volume ONE that we are first entertained; breaking down our traditions that take shape into something immaterial but tangible. In all, Volume ONE alone will consist of nine books. More to be published. This is Book ONE. Seven Volumes are written and every day these are maturing waiting for release. Currently there are hiding behind this Volume ONE Book ONE about 17 books written... It is to unfold the culmination of a lifetime of work. Each Volume evolves thru seven stages of Initiation; as if passing thru seven days labor on the path towards liberation. In this it is like the Bhagavata. Our purpose, objective and ends may be summed up in the advice given in these words of Sai Baba: (True knowledge) instructs you to reform yourself first. After transforming yourself, try to reform others. That is the advice offered by Vidya (True Knowledge). The delusive attachment to the objective world can be uprooted by means of selfless service rendered as worship to the Lord. Genuine devotion is characterized by LOVE FOR ALL, at all times, everywhere. Sai Baba

**Why We Suffer** May 14 2021 When somebody asks me “do you believe in God?” I have to answer “yes, but maybe mine is not the one you’re talking about”. Some people get

scared and others smile at this answer, which can be seen as either a joke or a warning. What few people wonder is about what kind of God are they believing in. They always assume that if my God isn't the same as theirs, I'm the one worshiping the wrong God. However, the question related to believing or not in a God, and in what kind of God we believe, makes a huge difference when we want to debate the question of "why does God allow suffering". This difference is behind the creation of millions of different belief systems, each one claiming that their God is the true God. I'm not in favor of the opinion that all Gods are true, which, even if correct, would have to make us question about how many Gods do exist. The main point is that it doesn't matter how many Gods exist, or if they are all different and true in their uniqueness, as they could only operate under one single system that could be common to all human beings on Earth. Therefore, we can assume that maybe different Gods could have different purposes in different galaxies where beings are also different from us. This book proposes to explore, and precisely describe, how a God, or Gods, operate in this planet in particular. Maybe the rules described here don't match the God of the reader, and that's why I must say that this is all about my God, the one in which I believe. Nevertheless, I must mention that I spent my entire life studying different religions with its leaders, and each one of them told me that my believe system was the same as theirs, at least until we could find something to disagree with, which was actually rare, because the deepest we go in any study of any religious philosophy, the closer we get to the universal truth behind the meaning of each one of them. I always

believed that my God is a good one, so I struggled for many years of my life trying to understand why I was suffering so much and without any mercy. And then I wondered why so many good people that I knew were suffering. I lost my faith many times, and ended up searching for answers in opposite philosophies, namely, Wicca and Satanic. But I realized that their answers were just another perspective about the same reality. In fact, my researches on the field of exorcism reinforced this knowledge with a more accurate analysis. In the end, I was able to make my inner positive nature prevail, and as I continued my studies among different religious systems, and later in the temples of Buddhists in China and Hindus in India, I was able to get a much wider approach to suffering in life. Today, it's very simple for me to see why anyone suffers. It only takes a few seconds to realize it. This skill has helped me make many people happy without many efforts. And they all said that I changed their life dramatically, with just a few very powerful words that they'll never forget. The power of these words doesn't come from me, but the universal truth that God wants us to learn. My life today is far happier than it ever was, although I can't say that it's perfect. And even though I helped many souls reach a better insight about the meaning of their lives, there are still many others that I couldn't help, because they are not ready for the truth. Even for me, it took quite a few years to understand how this truth works. Today I know that it doesn't matter if I believe in it or not, because you don't need faith to believe in a way out of the suffering. At least, it's not the most important thing. But you do need to know why and how

suffering works, to understand its meaning. In this book, the way out of the suffering, as well as its reasons, are clearly described. But I must warn the reader that the answers aren't pleasant and most people can't accept them. So, knowing them won't mean that we can help ourselves and anybody else. Even though what you'll read here are facts. These facts reveal the way out of the pain, including in situations in which we've been suffering for decades and since we were born. The challenges in accepting and applying them have to do only with our distance towards the lessons that God wants us to learn to get closer to him in the end.

**Israel and the Covenants in New Testament Times** Jul

24 2019 A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness, in the final generation before Jesus Christ returns in glory, is being fulfilled now and is shortly to end. Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this – or that Christ's return is therefore now almost upon us! How and why this is the case is here explained thoroughly and

logically with many examples directly from the word of God. In God's saving plan for the world, everyone must in time make a free will choice to become part of the 'Israel of God' in order to access eternal life in the kingdom of God. The route to take is the "strait and narrow" way (Mat 7:13-14) that very few have so far found, and it involves the biblical new and old covenants which both apply to this Israel. Embark on this voyage only if you are willing to: be challenged about some basic Christian preconceptions, be a serious open-minded Bible student, and trust what the Bible teaches - but remember that time is short. "What the Bible has taught me I see as both vital and urgent for our eternal salvation; yet I know of no church or individual theologian who teaches what this book deals with in any substantive way" "Be prepared for major challenges to your understanding just as God has challenged me." "In the epistles, Paul refers to two Israels whom he calls Israel after the flesh (I Cor 10:18) and the Israel of God (Gal 6:16); I focus mainly on the latter (but I also explain an unexpected but critically important connection between them)" "Dependent on the teaching, nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me. Looking back, I find this absolutely staggering!" "Very few [Christians] understand that the new covenant also only applies to Israel (as I will clearly show)." "I no longer believe that the NT [New Testament] can be fully understood without this extra Israel dimension" "Had I felt I could deliver this in a more light-hearted way I would have done so, but its implications are too awesome and fundamental to our eternal life prospects for that"

*Validating Singles* Feb 29 2020 VALIDATING SINGLES is an essential guide to healthy single life that is based in profound biblical truth and can revolutionize the church's understanding in affirming singleness. Christian singles will no longer tolerate a message that is simply a pep rally for singleness. Both marriage and singleness demand serious scriptural insight. This book has developed such a treatment. If you are single and Christian, you face certain problems that come with the territory such as frustration in identity, sexuality, and professionally. You may feel a wilted identity amid a landscape of happy successful couples. If so, you will be pleased with this work—crammed full with pragmatic ideas, deep-felt experience and nuggets of spiritual insights. God has a plan for your singleness. You are not single just to bide time until the day you get married. Amidst extremes of celibacy versus marriage in Christian culture, there is today's proliferation of sexual non-commitment and a biblical stance. Whether you have a temporary or permanent "gift" of singleness, God wants you to discover fulfillment while you are single. *Validating Singles* presents strategies for living as a single. This insightful book will help you, whether never married, widowed, or divorced, to understand God's desires and plans for your life as a single.

**When God is Their Father, Too...A Guide for the Single-Parent Household** Jul 04 2020 In *When God is their Father, Too... A Guide for the Single-Parent Household*, Stephanie McCaskill shines a light on single parenthood and the importance of providing children with a Christian foundation. Unfortunately, there are many

children who are being raised, not only without a father in the home, but without their biological parents. As a result, these children grow up with all types of issues. And their only hope is Jesus! This is why it is imperative for single parents to have a personal relationship with the Lord. When we know Jesus, we can impart the kingdom of God into our children and change their lives, our communities and the world.

God's Grace for Singles Sep 17 2021 If God's grace could talk . . . Actually, it already has. And is. And does. And here's what it sounds like. It sounds like hope for days when life feels absolutely overwhelming. It sounds like promise that speaks into every relationship, no matter how desperately in need or how dear to your heart. It sounds like sufficiency in all those places where none of us is ever good enough. It sounds like confidence that would make no sense at all except the full weight of God is steadfastly behind it. If God's grace could talk, it would sound exactly

like what this book says in every Scripture on every page. And it wouldn't sound nearly as old as it actually is, because it's new every morning and within instant reach at every moment. It would sound like God, talking directly to you. Because He is. And does. And always does it with grace.
