Ostern mit Nepomuck und Finn Mar 27 2020 Hast Du Lust, das Osterfest mit Nepomuck und Finn zu feiern? Der Kobold macht sich auf den Weg, um seine Mäusefreunde zu besuchen. Natürlich geht es dabei turbulent zu, und alle Nepomuck-Finn-Fans kommen wieder voll auf ihre Kosten! Neben einer spannenden Geschichte warten diesmal unter anderem tolle Basteltipps auf Dich!

Nepomuck und Finn: Mission Umweltschutz Feb 24 2020 Dicke Luft, Müll im Wald und Gift im Wasser: Unsere Umwelt ist in Gefahr und damit leider auch unsere Gesundheit! Kobold Nepomuck und Mäuserich Finn machen sich große Sorgen um die Natur. In ihren Geschichten erzählen sie Dir von ihren Erlebnissen in deutscher und englischer Sprache. Die Verschmutzung von Wald, Gewässern und Luft geht uns alle etwas an. Niemand ist zu jung oder zu alt, und es ist höchste Zeit, endlich zu handeln. Begleite die beiden Freunde auf ihrer wichtigen Mission, und hilf ihnen, aktiv etwas für unseren Planeten Erde zu tun. Natürlich gibt es zum Schluss als Bonbon wieder eine kleine Überraschung. Du darfst also schon mal gespannt sein! Doch vorerst viel Spaß beim Lesen! Bad air, trash in the forest and poison in the water: our environment is in danger and unfortunately, with it so is our health! Goblin Nepomuck and Mouse Finn are very worried about nature. In their stories they tell you about their experiences in German and English. The pollution of forests, water and air concerns all of us. Nobody is too young or too old and it is high time to finally do something. Accompany the two friends on their important mission and help them to actively do something for our planet Earth. Of course as usual, there is a little "surprise candy" at the end. So you can already be curious! But for now, have fun reading!

The Irrational Jesus Dec 24 2019 Behavioral science books are popping up on bestseller lists: Predictably Irrational; Thinking, Fast and Slow; Nudge; Decisive. Even the White House launched a Behavioral Insights Team to match the British Ministry of Nudges. Conspicuously absent from this conversation is the church. The Irrational Jesus bridges this gap. Ken Evers-Hood looks at Jesus through the lens of cognitive heuristics (mental shortcuts) and biases (blind spots) and makes the case that a fully human Jesus is predictably irrational--just like all of us. Find out how the Apostle Paul's community building mirrors a prisoner's dilemma game and how this makes Paul an irrational leader, too. Discover how playing better games in church can foster hopeful, flourishing communities. Improve your decision-making; learn when to plan for irrationality and when to live into it. The Irrational Jesus addresses these issues and more. Integrating the insights of behavioral economists such as Dan Ariely, the gameful thinking of Jane McGonigal, and cutting-edge ideas from decision theory, Evers-Hood articulates a behavioral theology for fully human pastors of fully human congregations--a fresh perspective that will change how pastors and other church leaders see themselves, the institutions they serve, and the scriptural and theological tradition.

Implementing Guided Math: Tools for Educational Leaders May 29 2020 Support the implementation of the Guided Math framework with this user-friendly professional guide written by Guided Math author, Laney Sammons. This resource provides school leaders (coaches, principals, curriculum directors, teacher leaders, etc.) with user-friendly strategies for supporting teachers as they embark on teaching components of the Guided Math framework in their classrooms. Highlights include how to use the professional learning community model effectively when implementing Guided Math, tips for creating a strategic plan for improving students' mathematics achievement, sample implementation models, sample assessments, and planning and implementation tools.

The Selling and Self-Regulation of Contemporary Poetry Jul 31 2020 The Selling and Self-Regulation of Contemporary Poetry is the first book-length study of the contemporary poetry industry. By documenting radical changes over the past decade in the way poems are published, sold, and consumed, it connects the seemingly small world of poetry with the other, wider creative industries. In reassessing an art form that has been traditionally seen as free from or even resistant to material concerns, the book confronts the real pressures – and real opportunities – faced by poets and publishers in the wake of economic and cultural shifts since 2008. The changing role of anthologies, prizes, and publishers are considered alongside new technologies, new arts policy, and re-conceptions of poetic labour. Ultimately, it argues that poetry's continued growth and diversification also leaves individuals with more responsibility than ever for sustaining its communities.

At the Altar of Lynching Apr 20 2022 Offers a new interpretation of the lynching of Sam Hose through the lens of the religious culture in the evangelical American South.

Girls in Contemporary Vampire Fiction Feb 06 2021 This book explores the narratives of girlhood in contemporary YA vampire fiction, bringing into the spotlight the genre's radical, ambivalent, and contradictory visions of young femininity. Agnieszka Stasiewicz-Biełkowska considers less-explored popular vampire series for girls, particularly those by P.C. and Kristin Cast and Richelle Mead, tracing the ways in which they engage in larger cultural conversations on girlhood in the Western world. Mapping the interactions between girl and vampire corporealities, delving into the unconventional tales of vampire romance and girl sexual expressions, examining the narratives of women and violence, and venturing into the uncanny vampire classroom to unmask its critique of present-day schooling, the volume offers a new perspective on the vampire genre and an engaging insight into the complexities of growing up a girl.

Reconsidering American Power Sep 25 2022 Postcolonial studies, postmodern studies, even posthuman studies emerge, and intellectuals demand that social sciences be remade to address fundamentals of the human condition, from human rights to global environmental crises. Since these fields owe so much to American state sponsorship, is it easier to reimagine the human and the modern than to properly measure the pervasive American influence? Reconsidering American Power offers trenchant studies by renowned scholars who reassess the role of the social sciences in the construction and upkeep of the Pax Americana and the influence of Pax Americana on the social sciences. With the thematic image for this enterprise as the 'fiery hunt' for Ahab's whale, the contributors pursue realities behind the theories, and reconsider the real origins

and motives of their fields with an eye on what will deter or repurpose the 'fiery hunts' to come, by offering a critical insider's view.

LGBTQ Young Adult Fiction Sep 13 2021 Young adult literature featuring teenage lesbian, gay, bisexual, transgender and questioning characters is fast growing in popularity. Unlike the "problem novels" of the past, which focused on the guilt, bullying and isolation of LGBTQ characters, today's narratives present more sympathetic and celebratory portrayals. The author explores a selection of recent novels--many of which may be new to readers--and places them in the wider contexts of LGBTQ literature and history. Chapters discuss a range of topics, including the relationship of Queer Theory to literature, LGBTQ families, and recent trends in utopian and dystopian science fiction.

God's Amazing Grace: Reconciling Four Centuries of African American Marriages and Families Feb 18 2022 "God's Amazing Grace: Reconciling Four Centuries of African American Marriages and Families is an insightful study that will be welcomed by thoughtful practitioners and all who ponder the African American family's complexity. Readers familiar with the deep, rich reservoir of African American family literature will recognize many of the black scholars referenced in this work. Readers unfamiliar with these sources will be grateful to discover them and the effective use of disparate literature. "This work will become a different kind of guide for studying American history through the lens of the African American family. Underneath all the research is the search for answers to the compelling questions: Is there a correlation between slave owners' denial to slaves, God's design for the family, and the familial chaos that has plagued African American families for more than a hundred fifty years? And if there is connection, what is it? "The author has brought something new to a familiar topic of discussion--the Bible. The unique moral compass that steered this study is solidly anchored in the bedrock of holy scripture. In this work, the history and sociology of African American marriages are examined in light of the questions asked by Holy Scripture. In so doing, Dr. Turner skillfully attempts to help readers make sense of the story of black families in America. May this book mark the beginning to a new reality for African American families" (Dr. Willie Peterson, senior executive advisor, adjunct professor of Pastoral Ministries, Dallas Theological Seminary).

Der tägliche Biohacker Apr 08 2021 In einer Welt voller Versprechungen werden uns täglich schnelle Erfolge in Aussicht gestellt, sei es bei der Ernährung, beim Training oder im Beruf. Diese Erfolge sind in der Regel nur von kurzer Dauer, wenn sie denn überhaupt eintreten. Wenn du die großen Erfolge feiern willst, brauchst du Durchhaltevermögen, eine positive Einstellung und den Blick für das Wesentliche. Was würde es also für dein Leben bedeuten, wenn du ein ganzes Jahr lang, Tag für Tag, deine guten Vorsätze umsetzen würdest? Biohacker Max Gotzler hat die besten Methoden und Strategien der Biohacker in 366 Lektionen verpackt, die täglich helfen, das eigene Leben nach den persönlichen Vorstellungen zu gestalten. Die Lektionen liefern kleine Aufgaben und Wissenswertes, um motivierter in den Tag zu starten, sich gesünder zu ernähren, produktiver am Arbeitsplatz zu sein und besser zu schlafen. Denn es sind die täglichen kleinen Dinge, die die größten Unterschiede machen. Mit exklusiver 28-Tage-Challenge, um die gelernten Methoden sinnvoll im Alltag einzubauen.

Köstlich vegetarisch - Meine Lieblingsgerichte Sep 20 2019 In diesem Kochbuch hat die Autorin Rezepte zusammengestellt, die bei ihr ganz oben auf der Speisekarte stehen. Vegetarische Gerichte, die auch Freunde und Familie überzeugt haben, obwohl diese nicht alle Vegetarier sind. Über Salat, Suppen und Eintöpfe, Snacks und Fingerfood, Gemüse, Nudeln, Ofengerichte und Süßes ist alles dabei. Also lassen Sie sich inspirieren und probieren es aus, denn vegetarisches Essen ist keineswegs langweilig. Viel Spaß beim Nachkochen und guten Appetit.

Vegetarisch für die ganze Familie Jun 29 2020 Bei "Vegetarisch für die ganze Familie" kommt, wie der Name schon verrät, jeder auf seine Kosten - egal ob Groß oder Klein. Es wird süß, pikant, orientalisch, kohlenhydratarm und ... Rezepte, um Familie und Freunde kulinarisch zu verwöhnen. Und auch für Kinder sind leckere Gerichte dabei. Eine Speisekarte voller Köstlichkeiten. Haben Sie jedoch keine Angst davor, kreativ zu sein und das eine oder andere Rezept je nach Geschmack zu variieren. Es heißt schließlich: Die Königin des Kochens ist die Fantasie. Ein Muss für Freunde der vegetarischen Küche und für die, die einfach mal gerne einen fleischlosen Tag einlegen wollen. Und als zusätzliches Extra gibt es noch einen literarischen Nachtisch. Guten Appetit!

In the Midnight Hour Jun 22 2022 Looks at the life and music career of prominent soul singer Wilson Pickett, chronicling the performer's rise to stardom and his self-destructive fall into alcohol and drug addiction before ending his career on a high note with a Grammy-nominated album.

Breaking Out Jun 10 2021 How do you gain influence for an idea? In *Breaking Out*, idea developer and adviser John Butman shows how the methods of today's most popular "idea entrepreneurs"—including dog psychologist Cesar Millan, French lifestyle guru Mireille Guiliano (French Women Don't Get Fat), TOMS founder Blake Mycoskie, and many others—can help you take an idea public and build influence for it. It isn't easy. Butman argues that the rise of the "ideaplex" (TED, Twitter, NPR, YouTube, online learning, and all the rest) has caused such an explosion in the creation and sharing of ideas that it has become much easier to go public—yet much harder to gain influence. But it can be done. Based on his own experience in advising content experts worldwide, Butman shows how the idea entrepreneur breaks out—by combining personal narrative with rich content, creating many forms of expression (from books to live events), developing real-world practices, and creating "respiration" around the idea such that other people can breathe it in and make it their own. The resulting idea platform can reach many different audience groups and continue to build influence for many years and even decades. If you have an idea and want to make a difference in your organization, build a change movement in your community, or improve the world in some way—this book will get you started on the journey to idea entrepreneurship.

Die Abenteuer des kleinen Finn - eine spannende Mäusegeschichte für die ganze Familie Jan 25 2020 Der kleine Mäuserich Finn führt eigentlich ein recht beschauliches Leben in einem Garten. Er versteht sich sehr gut mit seinen Menschen, und sogar mit dem Kater des Hauses hat er ein freundschaftliches Verhältnis. Eines Tages jedoch ändert sich alles. Die nette Familie zieht fort, und es kommen neue Menschen. Diese mögen Mäuse gar nicht, und zu allem Überfluss haben sie auch noch zwei Kater, die es ebenfalls auf Finn abgesehen haben. Als diese bösen Menschen Finns Wohnung unter Wasser setzen, muss er aus dem Garten fliehen. Entkräftet und zutiefst traurig findet er in einer Scheune Zuflucht. Dort lebt die Maus Felix, die sich um den unglücklichen Finn kümmert und ihm das Leben auf dem Land und im Wald zeigt. Die beiden erleben nun gemeinsam viele Abenteuer und meistern so manche Gefahr, was ihre Freundschaft von Tag zu Tag wachsen lässt. Und am Ende der Geschichte warten noch ein paar tolle Lesetipps!

Screen Comedy and Online Audiences Nov 03 2020 The question of why we laugh (or don't laugh) has intrigued scholars since antiquity. This book contributes to that debate by exploring how we evaluate screen comedy. What kinds of criteria do we use to judge films and TV shows that are meant to be funny? And what might that have to do with our social and cultural backgrounds, or with wider cultural ideas about film, TV, comedy, quality and entertainment? The book examines these questions through a study of audience responses posted to online facilities such as Twitter, Facebook, review sites, blogs and message boards. Bore's analysis of these responses considers a broad range of issues, including how audiences perceive the idea of "national" comedy; what they think of female comedians; how they evaluate romcoms, sitcoms and web comedy; what they think is acceptable to joke about; what comedy fans get excited about; how fans interact with star comedians; and what comedy viewers really despise. The book demonstrates some of the ways in which we can adapt theories of humour and comedy to examine the practices of contemporary screen audiences, while offering new insights into how they negotiate the opportunities and constrictions of different online facilities to share their views and experiences.

Good Night, Mr. Tom Classroom Questions Oct 22 2019 *Good Night, Mr. Tom Classroom Questions* is a book for English teachers who are teaching *Good Night, Mr. Tom* by Michelle Magorian and intend to set questions for homework or classwork. *Good Night, Mr. Tom Classroom Questions* contains 187 questions, divided by chapter, to keep students engaged and actively thinking about the novel. Why choose to study *Good Night, Mr. Tom* by Michelle Magorian? Themes of war, abuse and the power of friendship. The setting of wartime Britain. The developing

friendship of Willie and Mr. Tom. Interesting characters - gruff Mr. Tom and sickly Willie Beech. Exciting storyline. Scene by Scene guides are teaching resources. They are short books of questions, designed to save teachers time and lead to rewarding classroom experiences. Each guide is broken down by scene or chapter, to match and complement the text it accompanies. This means that the teacher is provided with a clear list of questions, at every stage of teaching the text. These questions can be used in class, or as homework, and so provide underlying structure to lesson planning. Classroom Questions teaching guides contain both closed, comprehension testing questions, and open, higher order questions, exploring student response, opinion and analysis. Closed questions can be used to check understanding and make sure students are on-task, while open questions promote thinking and reflection. In this way, Scene by Scene Classroom Questions keep students engaged with and focused on the text, and involved in classroom discussion.

Joss Whedon, Anarchist? Oct 14 2021 ? Joss Whedon has created numerous TV series, movies, comics and one sing-along-blog, all of which focus on societal problems in the metaphorical guise of monsters-of-the-week and over-arching big-bads. The present work examines structural violence through interdimensional law firm Wolfram & Hart's legal representation of evil. We explore the limits of consent through the Rossum Corporation's coercion and manipulation. We rehearse the struggle to find meaningful freedom from the crew of Serenity. This book traces a theme of anarchist theory through the multiple strings of the Whedonverse--all of his works show how ordinary heroes can unite for the love of humanity to save the world from hierarchy and paternalism.

The Quick Fix Dec 16 2021 An investigative journalist exposes the many holes in today's bestselling behavioral science, and argues that the trendy, TED-Talk-friendly psychological interventions that are so in vogue at the moment will never be enough to truly address social injustice and inequality. With their viral TED talks, bestselling books, and counter-intuitive remedies for complicated problems, psychologists and other social scientists have become the reigning thinkers of our time. Grit and "power posing" promised to help overcome entrenched inequalities in schools and the workplace; the Army spent hundreds of millions of dollars on a positive psychology intervention geared at preventing PTSD in its combat soldiers; and the implicit association test swept the nation on the strength of the claim that it can reveal unconscious biases and reduce racism in police departments and human resources departments. But what if much of the science underlying these blockbuster ideas is dubious or fallacious? What if Americans' longstanding preference for simplistic self-help platitudes is exerting a pernicious influence on the way behavioral science is communicated and even funded, leading respected academics and the media astray? In *The Quick Fix*, Jesse Singal examines the most influential ideas of recent decades and the shaky science that supports them. He begins with the California legislator who introduced self-esteem into classrooms around the country in the 1980s and the Princeton political scientist who warned of an epidemic of youthful "superpredators" in the 1990s. In both cases, a much-touted idea had little basis in reality, but had a massive impact. Turning toward the explosive popularity of 21st-century social psychology, Singal examines the misleading appeal of entertaining lab results and critiques the idea that subtle unconscious cues shape our behavior. As he shows, today's popular behavioral science emphasizes repairing, improving, and optimizing individuals rather than truly understanding and confronting the larger structural forces that drive social ills. Like Anand Giridharadas's *Winners Take All*, *The Quick Fix* is a fresh and powerful indictment of the thought leaders and influencers who cut corners as they sell the public half-baked solutions to problems that deserve more serious treatment.

Politics in the Gutters Aug 12 2021 From the moment Captain America punched Hitler in the jaw, comic books have always been political, and whether it is Marvel's chairman Ike Perlmutter making a campaign contribution to Donald Trump in 2016 or Marvel's character Howard the Duck running for president during America's bicentennial in 1976, the politics of comics have overlapped with the politics of campaigns and governance. Pop culture opens avenues for people to declare their participation in a collective project and helps them to shape their understandings of civic responsibility, leadership, communal history, and present concerns. *Politics in the Gutters: American Politicians and Elections in Comic Book Media* opens with an examination of campaign comic books used by the likes of Herbert Hoover and Harry S. Truman, follows the rise of political counterculture comix of the 1960s, and continues on to the graphic novel version of the 9/11 Report and the cottage industry of Sarah Palin comics. It ends with a consideration of comparisons to Donald Trump as a supervillain and a look at comics connections to the pandemic and protests that marked the 2020 election year. More than just escapist entertainment, comics offer a popular yet complicated vision of the American political table. *Politics in the Gutters* considers the political myths, moments, and mimeses, in comic books—from nonfiction to science fiction, superhero to supernatural, serious to satirical, golden age to present day—to consider how they represent, re-present, underpin, and/or undermine ideas and ideals about American electoral politics.

Representations of Poverty in Videogames Aug 24 2022 This book argues that videogames address contemporary, middle-class anxieties about poverty in the United States. The early chapters consider gaming as a modern form of slumming and explore the ways in which titles like *The Elder Scrolls V: Skyrim* and *World of Warcraft* thematize poverty. The argument turns to the field of literary studies to identify analytical frameworks for addressing and understanding these themes. Throughout, the book considers how the academic area of inquiry known as game studies has developed over time, and makes use of such scholarship to present, frame, and value its major claims and findings. In its conclusion, the book models how poverty themes might be identified and associated for the purpose of gaining greater insights into how games can shape, and also be shaped by, the player's economic expectations.

Humans and Hyenas Sep 01 2020 *Humans and Hyenas* examines the origins and development of the relationship between the two to present an accurate and realistic picture of the hyena and its interactions with people. The hyena is one of the most maligned, misrepresented and defamed mammals. It is still, despite decades of research-led knowledge, seen as a skulking, cowardly scavenger rather than a successful hunter with complex family and communal systems. Hyenas are portrayed as sex-shifting deviants, grave robbers and attackers of children in everything from African folk tales through Greek and Roman accounts of animal life, to Disney's *The Lion King* depicting hyenas with a lack of respect and disgust, despite the reality of their behaviour and social structures. Combining the personal, in-depth mining of scientific papers about the three main species and historical accounts, Keith Somerville delves into our relationship with hyenas from the earliest records from millennia ago, through the accounts by colonisers, to contemporary coexistence, where hyenas and humans are forced into ever closer proximity due to shrinking habitats and loss of prey. Are hyenas fated to retain their bad image or can their amazing ability to adapt to humans more successfully than lions and other predators lead to a shift in perspective? This book will be of great interest to students and scholars in the environmental sciences, conservation biology, and wildlife and conservation issues.

Necessary Trouble Mar 19 2022 *Necessary Trouble* is the definitive book on the movements that are poised to permanently remake American politics. We are witnessing a moment of unprecedented political turmoil and social activism. Over the last few years, we've seen the growth of the Tea Party, a twenty-first-century black freedom struggle with BlackLivesMatter, Occupy Wall Street, and the grassroots networks supporting presidential candidates in defiance of the traditional party elites. Sarah Jaffe leads readers into the heart of these movements, explaining what has made ordinary Americans become activists. As Jaffe argues, the financial crisis in 2008 was the spark, the moment that crystallized that something was wrong. For years, Jaffe crisscrossed the country, asking people what they were angry about, and what they were doing to take power back. She attended a people's assembly in a church gymnasium in Ferguson, Missouri; walked a picket line at an Atlanta Burger King; rode a bus from New York to Ohio with student organizers; and went door-to-door in Queens days after Hurricane Sandy. From the successful fight for a 15 minimum wage in Seattle and New York to the halting of Shell's Arctic drilling program, Americans are discovering the effectiveness of making good, necessary trouble. Regardless of political alignment, they are boldly challenging who wields power in this country.

Gut geschmiert in den Tag Aug 20 2019 Marmelade selbst zuzubereiten ist gar nicht schwer, wie die Rezepte aus "Gut geschmiert in den Tag - Brittas und Edes Marmeladengenuss" zeigen. Dieses fruchtige Vergnügen zaubert bereits am frühen Morgen ein Lächeln ins Gesicht und bringt zu jeder Jahreszeit den Sommer auf den Frühstückstisch. Besser kann der Tag nicht beginnen. Die Rezepte sind verständlich beschrieben und laden zum Nachkochen ein. Abgerundet werden diese süßen Verführungen durch unterhaltsame Texte. Also an die Töpfe und los!

Prose Poetry Dec 04 2020 An engaging and authoritative introduction to an increasingly important and popular literary genre Prose Poetry is the first book of its kind—an engaging and authoritative introduction to the history, development, and features of English-language prose poetry, an increasingly important and popular literary form that is still too little understood and appreciated. Poets and scholars Paul Hetherington and Cassandra Atherton introduce prose poetry's key characteristics, chart its evolution from the nineteenth century to the present, and discuss many historical and contemporary prose poems that both demonstrate their great diversity around the Anglophone world and show why they represent some of today's most inventive writing. A prose poem looks like prose but reads like poetry: it lacks the line breaks of other poetic forms but employs poetic techniques, such as internal rhyme, repetition, and compression. Prose Poetry explains how this form opens new spaces for writers to create riveting works that reshape the resources of prose while redefining the poetic. Discussing prose poetry's precursors, including William Wordsworth and Walt Whitman, and prose poets such as Charles Simic, Russell Edson, Lydia Davis, and Claudia Rankine, the book pays equal attention to male and female prose poets, documenting women's essential but frequently unacknowledged contributions to the genre. Revealing how prose poetry tests boundaries and challenges conventions to open up new imaginative vistas, this is an essential book for all readers, students, teachers, and writers of prose poetry.

Then Sings My Soul Book 3 Jan 17 2022 In the third volume of his bestselling series, Pastor Robert Morgan expands his material to include the great history of worship, the first biblical hymns, biographical sketches of the most interesting composers, and almost 60 generations of hymn singing. In 2003, Robert Morgan released what would become a future classic for over a million readers: a unique book entitled *Then Sings My Soul*. This collection of the world's greatest hymns and the stories behind them stirred an entire generation to better understand the heritage of our faith through song. Now, in the third volume of this series, Morgan expands his material to include: The fascinating history of worship from ancient times to contemporary praise Almost 60 generations of hymn singing Biographical sketches of the most interesting composers Hymn index for easy reference *Then Sings My Soul: Book 3* also includes a collection of the greatest hymns you've never heard, with lead-sheets included. All of this is in addition to even more standard hymns and the stories of the composers behind them. Morgan's conclusion guides the reader into enjoying all of God's music, blending the old and the new into a symphony of praise that keeps the worship alive for a new generation.

A Women's History of the Beatles Jul 23 2022 A Women's History of the Beatles is the first book to offer a detailed presentation of the band's social and cultural impact as understood through the experiences and lives of women. Drawing on a mix of interviews, archival research, textual analysis, and autoethnography, this scholarly work depicts how the Beatles have profoundly shaped and enriched the lives of women, while also reexamining key, influential female figures within the group's history. Organized topically based on key themes important to the Beatles story, each chapter uncovers the varied and multifaceted relationships women have had with the band, whether face-to-face and intimately or parasocially through mediated, popular culture. Set within a socio-historical context that charts changing gender norms since the early 1960s, these narratives consider how the Beatles have affected women's lives across three generations. Providing a fresh perspective of a well-known tale, this is a cultural history that moves far beyond the screams of Beatlemania to offer a more comprehensive understanding of what the now iconic band has meant to women over the course of six decades.

Information Services Today Nov 15 2021 This essential overview of what it means to be a library and information professional today provides a broad overview of the transformation of libraries as information organizations, why these organizations are more important today than ever before, the technological influence on how we provide information resources and services in today's digital and global environment, and the various career opportunities available for information professionals. The book begins with a historical overview of libraries and their transformation as information and technology hubs within their communities. It also covers the various specializations within the field emphasizing the exciting yet complex roles and opportunities for information professionals. With that foundation in place, it presents how libraries serve different kinds of communities, highlighting the unique needs of users across all ages and how libraries fulfill those needs through a variety of services, and addresses key issues facing information organizations as they meet user needs in the Digital Age. The book then concludes with career management strategies to guide library and information science professionals in building not only vibrant careers but vibrant information organizations for the future as well.

Kummers Suppentöpfchen Jun 17 2019 Suppen und Eintöpfe machen satt und schmecken über das ganze Jahr. Sie sind so vielfältig. Hier werden der Kochfantasie keine Grenzen gesetzt und man kann sprichwörtlich "sein eigenes Süsschen" kochen! In Kummers Suppentöpfchen warten abwechslungsreiche Rezepte, mal vegetarisch oder mit Fisch, darauf, von Ihnen nachgekocht und ausgelöffelt zu werden. Diese wurden alle am heimischen Herd ausprobiert. Aber scheuen Sie sich nicht, kreativ zu sein und die Gerichte ganz nach Ihrem Geschmack zu variieren. Schließlich heißt es: Die Königin der Kochrezepte ist die Fantasie. Zu diesen Köstlichkeiten hätte der Suppenkasper mit Sicherheit nicht "Nein" gesagt. Und damit es beim Kochen nicht langweilig wird, werden die Rezepte von einer literarischen Vorspeise sowie Witzen begleitet. Guten Appetit!

Sex and Sexuality in Tudor England Nov 22 2019 The Tudor period has long gripped our imaginations. Because we have consumed so many costume dramas on TV and film, read so many histories, factual or romanticized, we think we know how this society operated. We know they 'did' romance but how did they do sex? In this affectionate, informative and fascinating look at sex and sexuality in Tudor times, author Carol McGrath peeks beneath the bedsheets of late fifteenth- and early sixteenth-century England to offer a genuine understanding of the romantic and sexual habits of our Tudor ancestors. Find out the truth about 'swiving', 'bawds', 'shaking the sheets' and 'the deed of darkness'. Discover the infamous indiscretions and scandals, feast day rituals, the Southwark Stews, and even city streets whose names indicated their use for sexual pleasure. Explore Tudor fashion: the codpiece, slashed hose and doublets, women's layered dressing with partlets, overgowns and stomachers laced tightly in place. What was the Church view on morality, witchcraft and the female body? On which days could married couples indulge in sex and why? How were same sex relationships perceived? How common was adultery? How did they deal with contraception and how did Tudors attempt to cure venereal disease? And how did people bend and ignore all these rules?

No Shelf Required 2 Jan 05 2021 E-book content, devices, and services have created challenges for libraries-- as well as opportunities. Because the e-book playing field is constantly changing, any predictions are, at best, tenuous. Librarians must be resilient in order to manage-- and not be managed by-- e-books and their progenies.

Counter Mentor Leadership Apr 27 2020 This book is the result of over twenty-five years of combined experience from Kelly and Robby Riggs-- dynamic, occasionally irreverent, always insightful, father (Boomer) and son (Millennial), who work with organizations grappling daily with multi-generational conflict. Through their collaboration, Kelly and Robby share their very different perspectives on the same problems most companies are STILL dealing with, but haven't had the courage or the tools, to address. Issues such as: a shocking lack of leadership skills; the culture-killing generational divide that is demolishing many companies; and the stunning, often unrecognized impact of technology on the workplace. In their "shamelessly funny, brilliantly written" debut book, Kelly and Robby will: · Discuss today's workplace dynamics, including

the changes in communication modes, the influx of technology, and the impact of Millennials and Digital Natives · Explain how a one-sided approach to leadership focused on "managing" Millennials is grossly insufficient, resulting in an inability to attract and retain critical young talent · Explore the new challenges of leadership inherent with the explosion of technology-time compression, distractions, complexity and the pace of change · Reveal how old leadership challenges persist, and explore how the younger generation will expose those challenges more than ever ·

Oz and the Musical May 09 2021 From the first stage production of The Wizard of Oz in 1902, to the classic MGM film (1939), to the musicals The Wiz (1975) and Wicked (2003), L. Frank Baum's children's novel The Wonderful Wizard of Oz (1900) has served as the basis for some of the most popular musicals on stage and screen. In this book, musical theater scholar Ryan Bunch draws on his personal experience as an Oz fan to explore how a story that has been hailed as "the American fairy tale" serves as a guide for thinking about the art form of the American musical and how both reveal American identity to be a utopian performance. Show by show, Bunch highlights the forms and conventions of each musical work as practiced in its time and context—such as the turn-of-the-century extravaganza, the classical Hollywood film musical, the Black Broadway musical of the 1970s, and the twenty-first-century mega-musical. He then shows how the journey of each show teaches participants and audiences something about how to act American within contested frameworks of race, gender, sexuality, age, and embodiment. Bunch also explores home theatricals, make-believe play, school musicals, Oz-themed environments, and community events as sites where the performance of the American fairy tale brings home and utopia into contact through the conventions of the musical. Using close readings of the various Oz shows, personal reflections, and interviews with fans, audiences, and performers, Bunch demonstrates how adapted Oz musicals imply both inclusions and exclusions in the performance of an American utopia.

Vegetarisches Grillvergnügen - so einfach geht ? Jul 19 2019 Jeder denkt, wenn er das Wort grillen hört, sofort an saftige Steaks, Burger und Würstchen. Und der Vegetarier bekommt die Beilage. Falsch gedacht! Auch als Vegetarier kann man die Grillsaison in vollen Zügen genießen, wie die Rezepte in diesem Kochbuch zeigen. Und natürlich gibt es auch Ideen für leckere Salate, Butter und Dips, denn die dürfen bei einem richtigen Grillvergnügen auf keinen Fall fehlen. Bestimmt werden diese vegetarischen Köstlichkeiten auch bei Ihnen die Lust aufs Grillen wecken. Also dann nichts wie ran an den Grill und los!

Chinese Crested, Viringo und Xoloitzcuintle Oct 26 2022 Das Sachbuch liefert uns fundierte Informationen zur Genetik und Geschichte der amerikanischen Hunderassen Chinese Crested Dog (Chinesischer Schopfhund), Perro sin pelo del Perú (Viringo oder Peruanischer Nackthund) und Xoloitzcuintle (Mexikanischer Nackthund). Anhand des Xoloitzcuintle erfahren wir mehr über die spannende Genetik der Hunderassen, deren Haarlosigkeit ein semidominantes Merkmal darstellt. Der Chinese Crested Dog ist ein langhaariger Nackthund, der exotisch auf uns wirkt. Seine Übersetzung lautet auch Indianischer Schopfhund. Wir folgen seiner Geschichte und entdecken längst vergessene Hundekulte und Modeströmungen. Aktualisierte Ausgabe mit zahlreichen Abbildungen und einem Grußwort von Pionier Joachim Weinberg. "Das Werk ist eine willkommene und wirkliche Bereicherung in der Kynologie!" Joachim Weinberg, Gründer und Ehrenvorsitzender des CER e.V.

Das Future-Proof-Mindset Jul 11 2021 Digitalisierung, Globalisierung, Pandemien – unsere Welt befindet sich in einem fundamentalen Umbruch. Allein in den nächsten Jahren werden bis zu 50 Prozent der Arbeitsplätze aufgrund von Automatisierung wegfallen. Der überwiegende Teil der neu entstehenden Arbeitsplätze wird völlig neue Fähigkeiten erfordern. Diese rasch fortschreitenden Veränderungen bedrohen die Existenzgrundlage von Millionen von Menschen. Doch was bedeuten sie für jeden von uns? Welche Jobs werden in Zukunft gefragt, welche Fähigkeiten relevant sein und wie können Sie sich persönlich am besten darauf einstellen? "Das Future-Proof-Mindset" bietet eine für jeden umsetzbare Schritt-für-Schritt-Anleitung für eine erfolgreiche Navigation in dieser ungewissen Welt – anwendbar in nahezu allen Branchen und Karrierestadien. Mit konkreten Strategien zeichnet Sandra Navidi auf, wie Sie sich am besten positionieren, um sich "future proof", also zukunftsicher, zu machen. Es bietet eine Anleitung, wie Sie sich selbst "disrupten", also sich stetig hinterfragen und verbessern, um so Ihre beruflichen Überlebensfähigkeiten zu kultivieren und einen unschlagbaren Wettbewerbsvorteil zu erlangen. Basierend auf neuesten wissenschaftlichen Erkenntnissen und unterhaltsam an zahlreichen Fallbeispielen veranschaulicht, wird Sie "Das Future-Proof-Mindset" inspirieren, motivieren und befähigen, Ihr persönliches Potenzial im Zeitalter der Digitalisierung vollumfänglich zu verwirklichen.

Suicide of the West Mar 07 2021 NEW YORK TIMES BESTSELLER • An urgent argument that America and other democracies are in peril because they have lost the will to defend the values and institutions that sustain freedom and prosperity. "Epic and debate-shifting."—David Brooks, New York Times Only once in the last 250,000 years have humans stumbled upon a way to lift ourselves out of the endless cycle of poverty, hunger, and war that defines most of history. If democracy, individualism, and the free market were humankind's destiny, they should have appeared and taken hold a bit earlier in the evolutionary record. The emergence of freedom and prosperity was nothing short of a miracle. As Americans we are doubly blessed, because the radical ideas that made the miracle possible were written not just into the Constitution but in our hearts, laying the groundwork for our uniquely prosperous society. Those ideas are: • Our rights come from God, not from the government. • The government belongs to us; we do not belong to it. • The individual is sovereign. We are all captains of our own souls, not bound by the circumstances of our birth. • The fruits of our labors belong to us. In the last few decades, these political virtues have been turned into vices. As we are increasingly taught to view our traditions as a system of oppression, exploitation, and privilege, the principles of liberty and the rule of law are under attack from left and right. For the West to survive, we must renew our sense of gratitude for what our civilization has given us and rediscover the ideals and habits of the heart that led us out of the bloody muck of the past—or back to the muck we will go.

The Mirror and the Palette Oct 02 2020 Until the twentieth century, art history was, in the main, written by white men who tended to write about other white men. The idea that women in the West have always made art was rarely cited as a possibility. Yet they have - and, of course, continue to do so - often against tremendous odds, from laws and religion to the pressures of family and public disapproval. In THE MIRROR AND THE PALETTE, Jennifer Higgle introduces us to a cross-section of women artists who embody the fact that there is more than one way to understand our planet, more than one way to live in it and more than one way to make art about it. Spanning 500 years, biography and cultural history intertwine in a narrative packed with tales of rebellion, adventure, revolution, travel and tragedy enacted by women who turned their back on convention and lived lives of great resilience, creativity and bravery. This is a dazzlingly original and ambitious book by one of the most well-respected art critics at work today.

Amy May 21 2022 Photographers Darren and Elliott Bloom had a remarkably close working relationship with Amy Winehouse. Their photos appeared in the recent acclaimed documentary Amy and now they have opened up their archive for this lavish photo book.
