Forthcoming volumes will include books on Gandhian topics and articles about Gandhi and Gandhian topics.

*I Am, the Father of the Nation* Jun 19 2019 Should we wait for another Mahatma Gandhi to be born and guide the nation to the right track to follow, or should we develop our mental ability to understand his ideology and create harmony in the world? I am in favor of the second option, but the decision is personal. I have visited many places in India and visualized that there is an urgent need to reopen the pages of the history of the independence of India as the new generation has lost track. There is a need to reawake the people with the sacrifices of our great revolutionary leaders. Among them, the priority is on one name, that is Gandhiji, the Father of the Nation, and if the people are ignorant and innocent about his sacrifices for his country, then I feel that we should not to be humiliated but should revive his whole ideology in a simple form for the common people and others to understand it thoroughly. It is a matter of pride that Gandhiji became successful with his firm and fearless attitudes, cooperation of the masses, and with his ideology of nonviolence and truthfulness, which was highly praised throughout the world. I am, The Father Of The Nation is a book to provide us strength for fearless attitudes, firmness toward our hidden qualities, appreciation toward truthfulness, love for our country, praises for our own culture, positive attitude toward humanity, and above all, the right decisions at the right time. All the chapters in the novel cover the above statements positively and proved that there is no need to wait for another Gandhi to be born again if we are on the track of Mahatma Gandhi's ideology. I have elaborated each chapter of the novel with the theories of Gandhiji and related it with the stories of the common people. By this hope that not only will people find the book interesting but it will leave an everlasting impact on the personalities of the readers.

**Mahatma Gandhi Assassination: J.L. Kapur Commission Report - Part - 2** Jan 19 2022 Kapur Commission Report deals with the Conspiracy to Murder of Mahatma Gandhi who was shot dead point-blank range by Nathuram Vinayak Godse in Birla House Prayer Gardens on 30th January 1948. Three among the eight accused i.e. Madanlal, Karkare, and Gopal Godse were released on 12th October 1964 after completion of their life-sentence and honoured on November 12, 1964 in Pune at a private function presided by Dr. G.V. Ketkar. In that function, Delhi and Bombay Civil and Police administration were strongly condemned for their laxity and dereliction of duty which ultimately resulted in the murder of Mahatma Gandhi. The Indian Express dated November 14, 1964 commented adversely about this function. There was a furore in Bombay Legislative Assembly and Indian Parliament which led the institution of Kapur Inquiry Commission. The Commission's report was made public in 1970s. This digitised Report in two parts is an indispensable one for Judicial Officers & Police Officials, Lawyers & Students of Legal Studies, Historians & Human Right Activists, and above all for Indian Politicians & Bureaucrats in discharging their official duties without any commission or omission and comprehending the social responsibility that is to be shouldered as and when required in times of crisis. **The Selected Papers of Margaret Sanger, Volume 4** Aug 14 2021 When Margaret Sanger returned to Europe in 1920, World War I had altered the social landscape as dramatically as it had the map of Europe. Population concerns, sexuality, venereal disease, and contraceptive use had entered public discussion, and Sanger's birth control message found receptive audiences around the world. This volume focuses on Sanger from her groundbreaking overseas advocacy during the interwar years through her postwar role in creating the International Planned Parenthood Federation. The documents reconstruct Sanger's dramatic birth control advocacy tours through early 1920s Germany, Japan, and China in the midst of significant government and religious opposition to her ideas. They also trace her tireless efforts to build a global movement through international conferences and tours. Letters, journal entries, writings, and other records reveal Sanger's contentious dealings with other activists, her correspondence with the likes of Albert Einstein and Eleanor Roosevelt, and Sanger's own dramatic evolution from gritty grassroots activist to postwar power broker and diplomat.

**Understanding the Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA). A Scheme Supporting Economic Development** May 23 2022 Academic Paper from the year 2018 in the subject Politics - International Politics - Topic: Development Politics, , language: English, abstract: This paper investigates how the employment generating scheme MGNREGA (Mahatma Gandhi National Rural Employment Guarantee Act) is different from other employment generating scheme and finds how MGNREGA is supporting economic development by creating community/productive assets at the level of villages. Since 2000, India has experienced rapid economic growth and a sharp decline in poverty. But employment has grown more slowly. Government intervened in the economy through the National Rural Employment Guarantee Act, which provides employment to unskilled workers in rural areas besides creating community/productive assets at the level of village such as wells, tanks, ponds, roads etc. This programme is designed to provide income protection against poverty in rural area. The choice of works under MGNREGA seeks to address the causes of chronic poverty such as drought, deforestation and soil erosion. MGNREGA is different from other employment and poverty alleviation programme in the sense that it is a legal framework and right to work based programme. This is a paradigm shift from its earlier programmes for it is a bottom-up, demand driven structure with built-in social audits.
