P.S. It's Gonna Be Good: How God's Word Answers Our Questions about Faith, Fear, and All the Things Jul 24 2022 How can I hope for a good future with my bad past? Why them and not me? Why me and not them? What if I just don't know what to do? In our current climate of rising anxiety, we frequently run through worst-case scenarios. So many questions constantly circulate in our minds, and despite our best intentions and honest efforts, fear seems to be winning. We know the Bible repeats, "Do not fear," but how do we do that? What do we do after we've cast our cares on the Lord, memorized Scripture, pumped worship music through every speaker, and yet still feel stuck? In P.S. It's Gonna Be Good, writer and popular Instagram content creator Heidi Anderson offers a hope-filled response to these questions by using her own journey, as well as pointing us to God's people who have come before us. In each chapter of her insightful, conversational, and highly relational book, she focuses on a different Bible character as if we were walking behind their footsteps in real time, looking at the deep questions that plagued their minds and hearts--the same questions we face today. We will encounter: Gideon: "What if I don't have what it takes?" Esther: "What do I do when God feels silent?" Joshua: "What if God's promises don't line up with my reality?" Martha: "What about when the worst-case happens?" And more! Join Heidi as she walks us straight into the heart of God's Word, where we will experience His peace, find confidence in His good plans, and be set free to meet the future we were made for. And P.S. . . . It's gonna be good.

Courtney Case and the Dinosaur May 10 2021 You never know what might inspire you. Surprisingly, school has been the source of many of my cases. There's a whole lot of boring stuff at school. But there are also a whole lot of interesting things that you can learn about. When you find something interesting, like dinosaurs, you never know where it might lead. In case you haven't met me, my name is Courtney Case. I live in Australia. That's in the Southern Hemisphere between the Pacific and Indian Oceans. We speak English, but we don't have the funny accent you Americans do. We also spell some of our words differently, as you'll probably notice in this book. I go to primary school, where we have grades prep to six, with two classes at each grade level. I'm in grade five. In my spare time, I'm a Private Detective. I've got my best friend and trusty sidekick, Laura, to take notes, and my cat, Maggie. Together, we form the Courtney Case Detective Agency – No Case Too Small. Being a Private Detective isn't always about crime. Things can get lost or go missing by accident. That's where I'm happy to help out. I love investigating cases, finding the evidence and discovering what really happened. In this case (my second book), I try to discover what happened to the leg of a dinosaur that was shown at our local museum. I mean, how can something as big as a dinosaur leg not be found? Join Courtney Case, the fearless young detective as she tries to solve the mystery of the Dinosaur.
