pentax k 3 review digital photography review May 10 2021 10 04 2014 pentax has a long history of being a little different from the big two slr makers introducing features that would normally be found on cameras costing quite a bit more such as weatherproofing and larger pentaprism optical viewfinders it s also created some products that seemingly came out of left field such as the q7 and k 01 mirrorless cameras
panasonic lumix dc s1r review digital photography review Mar 08 2021 31 07 2019 the only autofocus lens that i ve tested so far that approaches if not equals the otus 55 on a d850 is the lumix s 50 an amazing lens with great dimensionality and few visible aberrations weather sealed very rounded bokeh and fast autofocus that can also double for manual duty for these reasons the compromises i see in the autofocus
