The Great Santini Nov 19 2021 The piercing, iconic semi-autobiographical novel of a domineering father and ambitious son, from the #1 New York Times bestselling author of The Prince of Tides Step into the powerhouse life of Bull Meecham. He's all Marine—fighter pilot, king of the clouds, and absolute ruler of his family. Lillian is his wife—beautiful, southern-bred, with a core of velvet steel. Without her cool head, her kids would be in real trouble. Ben is the oldest, a born athlete whose best never satisfies the big man. Ben's got to stand up, even fight back, against a father who doesn't give in—not to his men, not to his wife, and certainly not to his son. Bull Meecham is undoubtedly Pat Conroy's most explosive character—a man you should hate, but a man you will love. Praise for The Great Santini "Stinging authenticity... a book that won't quit." —The Atlanta Journal " [Pat] Conroy has captured a different slice of America in this funny, dramatic novel. [South of Broad](#) Oct 31 2022 Leopold Bloom King is the son of an amiable, loving father who teaches science at the local high school. His mother, a former nun, is the high school principal and a respected Joyce scholar. He has had an unremarkable, happy family life. But after Leo's ten-year-old brother commits suicide, the family struggles with the shattering effects of his death, and Leo, lonely and isolated, searches for something to sustain him. Eventually, he finds his answer when he becomes part of a tight knit group of older high school students that includes Sheba and Trevor Poe - glamorous twins with an alcoholic mother and a prison-escapee father - hard-scrabble mountain runaways Miles and Starla Whitehead; socialite Molly Huger and her boyfriend, Chadworth Rutledge X. It's an ever-widening circle whose liaisons will ripple across two decades, from 1960s counterculture through to the dawn of the AIDS crisis in the 1980s. The ties among them endure for years, surviving marriages happy and troubled, unrequited loves and unspoken longings, hard-won successes and devastating breakdowns, as well as the American South's dark legacy of racism and class divisions. My Reading Life Jun 26 2022 Bestselling author Pat Conroy acknowledges the books that have shaped him and celebrates the profound effect reading has had on his life. Pat Conroy, the beloved American storyteller, is a voracious reader. Starting as a childhood passion that bloomed into a life-long companion, reading has been Conroy's portal to the world, both to the farthest corners of the globe and to the deepest chambers of the human soul. His interests range widely, from Milton to Tolkien, Philip Roth to Thucydides, encompassing poetry, history, philosophy, and any mesmerizing tale of his native South. He has for years kept notebooks in which he records words and expressions, over time creating a vast reservoir of playful turns of phrase, dazzling flashes of description, and snippets of delightful sound, all just for his love of language. But for Conroy reading is not simply a pleasure to be enjoyed in off-hours or a source of inspiration for his own writing. It would hardly be an exaggeration to claim that reading has saved his life, and if not his life then surely his sanity. In My Reading Life, Conroy revisits a life of reading through an array of wonderful and often surprising anecdotes: sharing the pleasures of the local library's vast cache with his mother when he was a boy, recounting his decades-long relationship with the English teacher who pointed him onto the path of letters, and describing a profoundly influential period he spent in Paris, as well as reflecting on other pivotal people, places, and experiences. His story is a moving and personal one, girded by wisdom and an undeniable honesty. Anyone who not only enjoys the pleasures of reading but also believes in the power of books to shape a life will find here the greatest defense of that credo. BONUS: This ebook edition includes an excerpt from Pat Conroy's The Death of Santini.

The Pat Conroy Cookbook Mar 24 2022 America's favorite storyteller, Pat Conroy, is back with a unique cookbook that only he could conceive. Delighting us with tales of his passion for cooking and good food and the people, places, and great meals he has experienced, Conroy mixes them together with mouthwatering recipes from the Deep South and the world beyond. It all started thirty years ago with a chance purchase of The Escoffier Cookbook, an unlikely and daunting introduction for the beginner. But Conroy was more than up to the task. He set out with unwavering determination to learn the basics of French cooking—stocks and dough—and moved swiftly on to veal demi-glace and pâte brisée. With the help of his culinary accomplice, Suzanne Williamson Pollak, Conroy mastered the dishes of his beloved South as well as the cuisine he has savored in places as far away from home as Paris, Rome, and San Francisco. Each chapter opens with a story told with the inimitable brio of the author. We see Conroy in New Orleans celebrating his triumphant novel The Prince of Tides at a new restaurant where there is a concretepans with its hardworking young owner/chef—years later he discovered the earnest young chef was none other than Emeril Lagasse; we accompany Pat and his wife on their honeymoon in Italy and wander with him, wnderstruck, through the markets of Umbria and Rome; we learn how a dinner with his fighter-pilot father was preceded by the Great Santini himself acting out a perilous night flight that would become the last chapters of one of his son's most beloved novels. These tales and more are followed by corresponding recipes—from Breakfast Shrimp and Grits and Sweet Potato Rolls to Pappardelle with Prosciutto and Chestnuts and Beefsteak Florentine to Peppercorn Peaches and Creme Brulee. A master storyteller and passionate cook, Conroy believes that "A recipe is a story that ends with a good meal." "This book is the story of my life as it relates to the subject of food. It is my autobiography in food and meals and restaurants and countries far and near. Let me take you to a restaurant on the Left Bank of Paris that I found when writing The Lords of Discipline. There are meals I ate in Rome while writing The Prince of Tides that ache in my memory when I resurrect them. There is a shrimp dish I ate in an elegant English restaurant, where Cuban cigars were passed out to all the gentlemen in the room after dinner, that I can taste on my palate as I write this. There is barbecue and its variations in the South, and the subject is a holy one to me. I write of truffles in the Dordogne Valley in France, cilantro in Bangkok, catfish in Alabama, scuppernong in South Carolina, Chinese food from my years in San Francisco, and white asparagus from the first meal my agent took me to in New York City. Let me tell you about the fabulous things I have eaten in my life, the story of the food I have encountered along the way..."

[Das gläserne Meer](#) Apr 24 2022 "Josh Weil gehört zu den besten Schriftstellern seiner Generation" COLUM MCCANN Die Zwillinge Jarik und Dima sind von Geburt an unzertrennlich. Nach dem Tod des Vaters wachsen sie auf dem Bauernhof ihres Onkels auf, die Tage verbringen sie in den Kornfeldern und die Nächte im Bann der mythischen Geschichten aus dem russischen Sagenschatz. Jahre später arbeiten die Brüder Seite an Seite in der Oranzeria, dem gigantischen Gewächshaus, das sich hektarweit in alle Richtungen erstreckt. Dieses gläserne Meer wird von im Weltall schwebenden Spiegeln beleuchtet, die das Sonnenlicht rund um die Uhr auf die Erde werfen - ein künstlich geschaffener ewiger Tag, der die Produktivität der Region verdoppeln soll. Bald ist die Arbeit das Einzige, was sie verbindet: den robusten Jarik, verheiratet und Vater zweier Kinder, und Dima, den Träumer, der allein bei der Mutter lebt. Doch eine Begegnung mit dem Besitzer der Oranzeria verändert alles: Während Dima sich ambitionlos dahintreiben lässt, wird Jarik immer weiter befördert, bis sie schließlich zu Aushängeschildern gegensätzlicher Ideologien werden. Das gläserne Meer ist ein großer Roman über den Preis unserer Träume und Ideale, hochpoetisch und angefüllt mit der Magie russischer Märchen.
Singleton Feb 29 2020 "There was one good thing and that was the truck. Any time the weight got too heavy you could at least be free, or at least look free. You could climb in the rig and go." Singleton wasn't a simple man; he merely has simple needs, and he speaks them simply. He hauls cargo across the United States, and lives a life that many would classify as that of a drifter. But Singleton chose the road. He chose the endless hauling and empty destinations. Not because he was fleeing any sort of stable, constant life, but because he was working. And working was all he knew. Much like Hemingway and Steinbeck, Cady wrote about the condition of the American working man. Singleton is both a memoir of and a meditation on the open road, written by the writer the Atlanta Constitution calls "a lasting voice in modern American literature."

My Losing Season Feb 08 2021 NEW YORK TIMES BESTSELLER • A deeply affecting coming-of-age memoir about family, love, loss, basketball—and life itself—by the beloved author of The Prince of Tides and The Great Santini During one unforgettable season as a Citadel cadet, Pat Conroy becomes part of a basketball team that is ultimately destined to fail. The Death of Santini Jul 28 2022 NEW YORK TIMES BESTSELLER • "A brilliant storyteller, a master of sarcasm, and a hallucinatory stylist whose obsession with the impress of the past on the present binds him to Southern literary tradition." —The Boston Globe Pat Conroy's great success as a writer has always been intimately linked with the exploration of his family history. As the oldest of seven children who were dragged from military base to military base across the South, Pat bore witness to the often cruel and violent behavior of his father, Marine Corps fighter pilot Donald Patrick Conroy. While the publication of *The Great Santini* brought Pat much acclaim, the rift it caused brought even more attention, fracturing an already battered family. But as Pat tenderly chronicles here, even the oldest of wounds can heal. In the final years of Don Conroy's life, the Santini unexpectedly refocused his ire to defend his son's honor. *The Death of Santini* is a heart-wrenching act of reckoning whose ultimate conclusion is that love can soften even the meanest of men, lending significance to the oft-quoted line from Pat's novel *The Prince of Tides*: "In families there are no crimes beyond forgiveness." Praise for *The Death of Santini* "A painful, lyrical, addictive read that [Pat Conroy's] fans won't want to miss." —People "Conroy's conviction pulls you fleetly through the book, as does the potency of his bond with his family, no matter their sins." —The New York Times Book Review "Vital, large-hearted and often raucously funny." —The Washington Post "Conroy writes athletically and beautifully, slicing through painful memories like a point guard splitting the defense." —Minneapolis Star Tribune

On the Air Jun 22 2019 Now long out of print, John Dunning's *Tune in Yesterday* was the definitive one-volume reference on old-time radio broadcasting. Now, in *On the Air*, Dunning has completely rethought this classic work, reorganizing the material and doubling its coverage, to provide a richer and more informative account of radio's golden age. Here are some 1,500 radio shows presented in alphabetical order. The great programs of the '30s, '40s, and '50s are all here—Amos 'n' Andy, Fibber McGee and Molly, *The Lone Ranger*, *Major Bowes' Original Amateur Hour*, and *The March of Time*, to name only a few. For each, Dunning provides a complete broadcast history, with the timeslot, the network, and the name of the show's advertisers. He also lists major cast members, announcers, producers, directors, writers, and sound effects people—even the show's theme song. There are also umbrella entries, such as "News Broadcasts," which features an engaging essay on radio news, with capsule biographies of major broadcasters, such as Lowell Thomas and Edward R. Murrow. Equally important, Dunning provides a fascinating account of each program, taking us behind the scenes to capture the feel of the performance, such as the ghastly sounds of *Lights Out* (a horror drama where heads rolled and bones crunched), and providing engrossing biographies of the main people involved in the show. A wonderful read for everyone who loves old-time radio, *On the Air* is a must purchase for all radio hobbyists and anyone interested in 20th-century American history. It is an essential reference work for libraries and radio stations.
