With Fabric and Thread May 22 2022 More than 20 inspired quilting and sewing patterns As a generation of mostly self-taught, creative women takes to the world of fabric, quilting and sewing are joining forces in a way that they never have before. Long-time quilters, committed to their craft for decades, are starting to experiment with a bit of home sewing or simple sewing for their grandchildren. The younger side of the sewing community is embracing the world of patchwork and quilting, a world that once seemed inaccessible or even undesirable to younger seamstresses. With Fabric & Thread seamlessly bridges the language and intimidation gap between these two crafts and delivers a unique collection of projects that appeal to sewers and quilters alike. Featuring 20 new projects, With Fabric & Thread marries the nomenclature of both sewing and quilting to create an effortless set of instructions that anyone can follow. Plus, a special section features six patterns that can be accomplished two different ways: one using sewing techniques and one using quilting techniques. The result is two unique looks from a single pattern. Provides an excellent stepping-off point for sewers learning to quilt, and quilters learning to sew Chic projects, well-styled photos, and modern illustrations speak to this increasingly unified audience Good, basic, understandable instructions If you're a quilter experimenting with sewing, or vice versa, the beautiful designs in With Fabric & Thread give you everything you need to bring these two crafts together to make unique and inspired projects.

Making Mathematics with Needlework Jan 06 2021 "Making Mathematics with Needlework will inspire mathematicians, mathematics educators, and crafters; every chapter has an overview as well as sections on mathematics and mathematics education and detailed instructions for completing the chapter's project. All readers will be able to understand the overview sections, as they include introductions to the various fiber arts as well as summaries of the mathematical content. While the mathematics sections are written for mathematicians, the authors have made a special effort to make their work accessible to lay readers by providing definitions of mathematical terms and many diagrams. The project sections are written for crafters, so that non-mathematician readers can have a tangible experience with mathematical concepts."--BOOK JACKET.

Practical Moviemaking Aug 21 2019 Every year, hundreds of American film schools graduate thousands of aspiring filmmakers. Very few of them, however, leave school prepared for the challenges that await or are fortunate enough to secure the financial backing of a major studio. This practical guide provides all necessary information for newcomers to the profession to get a movie made, information often left out of film school curricula. Topics include finding a project, breaking down a script, creating a production board, casting, budgeting, scouting locations, scheduling, dealing with actors, establishing set protocol, marketing, and many others. Throughout, real-life examples vividly illustrate the subject at hand. Bridging the gap between learning the craft of moviemaking and exercising that craft in the entertainment world, this manual is essential for all who seek a career in film. Instructors considering this book for use in a course may request an examination copy here.

sendmail Aug 25 2022 A classic O'Reilly title since 1993, sendmail now covers Versions 8.10 through 8.14 of this email routing program, including dozens of new features, options, and macros. This edition also takes a more nuts-and-bolts approach than its predecessors. It includes both an administration handbook and a reference guide that provide you with clear options for installing, configuring and managing sendmail's latest versions and companion programs. The sendmail program has withstood the test of time because of its ability to solve the mail-routing needs of all sites large or small, complex or simple. But it's also difficult to configure and even more difficult to understand. That's why this book has proven valuable since the dawn of email. With it, you will be able to configure the program to meet any need, so that you never again have to call in a sendmail guru to bail you out. sendmail includes the following sections: Some Basics is especially useful for people new to the program. It covers the basic concepts underlying mail delivery and the roles sendmail plays in that delivery Administration covers all aspects of handling sendmail, from downloading and installing new releases to managing mailing lists and aliases Configuration Reference contains a heavily cross-referenced guide for configuring and tuning sendmail. Every arcane detail of sendmail is listed alphabetically Appendices contain more detail about sendmail than you may ever need This edition also includes new material on SSL and AUTH and a new chapter on Mitlers. If you're interested in what has changed since the last edition, one appendix categorizes the many improvements of sendmail's intervening versions by chapter, complete with references to the appropriate sections and page numbers in the book. With sendmail, system administrators, programmers, network engineers, and even inexperienced users will be able to match this challenging but necessary utility to the needs of their network.

Strip Shop May 10 2021 The author has a interesting and informative insight in observing incarcerated men and the harsh and sometimes humorous lives that they live while being incarcerated. The book is a journal from the time Mr. Rainge spent working in the PRIDE Strip Shop. Mr. Rainge burned plates for the presses, filed jobs, and delivered finished product to the pressmen. The journal chronicled the in shop lives of the men that worked in the Strip Shop and the sometimes dangerous atmosphere of being incarcerated.

Billionaire Bodyguards - Books 1, 2, & 3 Mar 28 2020 New York Times Bestselling Author Joanne Wadsworth brings you her bestselling Billionaire Bodyguards series. This is steamy and adventurous romance that has readers eager for more! He will sacrifice anything to protect her. BILLIONAIRE BODYGUARD ATTRACTION, Book #1: Twenty-one-year-old New Zealander Lydia Sands witnessed the hit-and-run of a powerful man’s son. Her bodyguard is shot when the killer returns to dispose of her and The Program puts her in hiding. A year later, the case remains unsolved and her handler needs to get her further from the killer’s reach. Lydia detests the thought of being close enough to endanger the man who nearly died protecting her, even if it’s aboard a super-yacht traveling the South Pacific. Tyler Whitehall’s shooting stole weeks from his memory. Physically recovered, he oversees security for Whitehall Shipping. While on a family holiday, Tyler is suspicious of the woman accompanying them without notice or security clearance, as his nephew’s caregiver. Stronger than suspicion is his incomprehensible attraction to her, and his instinct to protect her. BILLIONAIRE BODYGUARD BOSS, Book #2: It’s been a year since Saria Sands entered The Program, her last chance to stay one step ahead of a relentless killer. When Bodyguard and Weapons expert Ben Hammers sends her on a private yacht to the South Pacific, Saria agrees. But confined in close quarters together on the yacht, Saria can’t help desiring more with her mysterious protector. BILLIONAIRE BODYGUARD FLING, Book #3: As the daughter of a prominent New Zealand judge, Samantha Knight finds herself being stalked by the very man who has been acquitted of murder in one of her father’s cases. When she escapes to the Fijian Islands in the South Pacific for seclusion, her bodyguard makes chase after her when he learns her stalker is in pursuit.
