Smart and Simple Financial Strategies for Busy People Feb 09 2021 Are you too busy to pay much attention to your money? Do you worry that maybe you haven't been doing the right things? This book is for you, from Jane Bryant Quinn, the most trusted voice in personal finance today. Her classic bestseller, *Making the Most of Your Money*, guided a generation toward smart and sensible financial choices. Here she strips away the extras, choosing the best financial ideas and products available today. They're all you need to create a successful and long-lasting financial plan. It's money management the No Worry way. To start with, she tells you to forget all the complicated stuff the financial industry sells. You don't need it, it costs too much, and some of it is downright bad. It's designed to make the banks, brokers, and insurance companies rich, not you. The best ideas (a super-short list!) are simple, low in cost, and easy to use. They're also sophisticated and smart. The strategies shown here are followed by some of the most successful planners and money managers around today, yet they're something everyone can understand. They'll give you what you need from your money -- regular savings, financial security, long-term investment growth, personal control, and best of all, peace of mind. Once you've set up a No Worry plan, you won't have to pay much attention to it. The choices you'll find here are all good ones. All you have to do is arrange for automatic payments and contributions and then get on with the rest of your busy life. You can focus your energies on your job, family, leisure, and friends, secure in the knowledge that your finances are okay. Here's what you'll do on the No Worry plan: Save more money without feeling pinched Get rid of debt the automatic way Keep yourself safe, with the right amount of insurance at the lowest cost Zero in on the right mortgage, every time Pick the best college savings plan for your kids Understand your finances, in ways you never did before Find the smartest and simplest ways of investing money, to earn superior returns over the long run The investment ideas alone will open your eyes to the newest strategies for accumulating wealth (without making big mistakes!). Jane Bryant Quinn will change the way you think about money. She has the answers busy people need.

The Alcalde Oct 17 2021 As the magazine of the Texas Exes, *The Alcalde* has united alumni and friends of The University of Texas at Austin for nearly 100 years. *The Alcalde* serves as an intellectual crossroads where UT's luminaries - artists, engineers, executives, musicians, attorneys, journalists, lawmakers, and professors among them - meet bimonthly to exchange ideas. Its pages also offer a place for Texas Exes to swap stories and share memories of Austin and their alma mater. The magazine's unique name is Spanish for "mayor" or "chief magistrate"; the nickname of the governor who signed UT into existence was "The Old Alcalde."

The Year of the Hare Sep 16 2021 An internationally bestselling comic novel in which a man—with the help of a bunny—suddenly realizes what's important in life "Escapism at its best . . . just pure fun." —NPR.org "Which of us has not had that wonderfully seditious idea: to play hooky for a while from life as we know it?" With these words from his foreword, Pico Iyer puts his finger on the exhilaratingly anarchic appeal of *The Year of the Hare*, a novel in the bestselling tradition of *Watership Down*, *Jonathan Livingston Seagull*, and *Life of Pi*. While out on assignment, a journalist hits a hare with his car. This small incident becomes life-changing: he decides to quit his job, leave his wife, sell his possessions, and spend a year wandering the wilds of Finland—with the bunny as his boon companion. What ensues is a series of comic misadventures, as everywhere they go—whether chased up a tree by dogs, or to a formal state dinner, or in pursuit of a bear across the Finnish border with Russia—they leave mayhem (and laughter!) in their wake.
