Ayn Rand Cult Sep 05 2020 Despised by the intellectual establishment, Ayn Rand continues to attract many thousands of devoted followers. Her "Objectivist" movement preaches an uncompromising hard line on politics, art, sex, and psychological health. Though much has been written about Rand, *The Ayn Rand Cult* is the first book to explain the true origin of her ideas and to show how they were shaped into a new, atheistic religion. Jeff Walker shatters many myths about Rand, exposing Objectivism as a classic cult, unusual because of its overt emphasis on self-interest, rationality, and atheism, but typical of cults in its guru-worship, thought control, trial and excommunication of deviants, and hostility to existing society.

The New Ayn Rand Companion Jun 26 2022 Chronicles and summarizes Ayn Rand's writings, presents information about her national and global impact--and the response to it--and provides the most comprehensive bibliography published to date.

Feminist Interpretations of Ayn Rand Oct 19 2021

Ayn Rand's Atlas Shrugged Aug 17 2021 Since its publication in 1957 *Atlas Shrugged*, the philosophical and artistic climax of Ayn Rand's novels, has never been out of print and has received enormous critical attention becoming one of the most influential books ever published, impacting on a variety of disciplines including philosophy, literature, economics, business, and political science among others. More than a great novel, *Atlas Shrugged* is an abstract conceptual, and symbolic work that expounds a radical philosophy, presenting a view of man and man's relationship to existence and manifesting the essentials of an entire philosophical system - metaphysics, epistemology, politics and ethics. Celebrating the fiftieth year of *Atlas Shrugged's* publication, this companion is an exploration of this monumental work of literature. Contributions have been specially commissioned from a diversity of eminent scholars who admire and have been influenced by the book, the included essays analyzing the novel's integrating elements of theme, plot and characterization from many perspectives and from various levels of meaning.

Hope Jan 28 2020 In our times hope is called into question. The disintegration of economic systems, of states and societies, families, friendships, distrust in political structures, forces us to ask if hope has disappeared from the experience of today's men and women. In August 2019, up to 240 participants met at the international theological congress in Bratislava, Slovakia. The main lectures, congress sections and workshops aimed to provide a space for thinking about the central theme of hope in relation to philosophy, politics, pedagogy, social work, charity, interreligious dialogue and ecumenism.

Perspectives on Ayn Rand's Contributions to Economic and Business Thought Oct 07 2020 Ayn Rand wrote and lectured on economic concepts and topics. This volume addresses the economic and business aspects of her writings. The authors of this anthology are from a variety of fields and all of them are enthusiastic supporters of her ideas.

Goddess of the Market Jan 10 2021 Drawing on unprecedented access to Rand's private papers and the original, unedited versions of Rand's journals, Jennifer Burns offers a groundbreaking reassessment of this key cultural figure, examining her life, her ideas, and her impact on conservative political thought. Burns highlights the two facets of Rand's work that make her a perennial draw for those on the right: her promotion of capitalism, and her defense of limited government. Both sprang from her early, bitter experience of life under Communism, and became among the most deeply enduring of her messages, attracting a diverse audience of college students and intellectuals, business people and Republican Party activists, libertarians and conservatives. The book also traces the development of Rand's Objectivist philosophy and her relationship with Nathaniel Branden.

Why Businessmen Need Philosophy Dec 29 2019 The intellectual tools every business person needs in the boardroom. Includes two rare essays by Ayn Rand! With government and the media blaming big business for the world economic crisis, capitalism needs all the help it can get. It's the perfect time for this collection of essays presenting a philosophical defense of capitalism by Ayn Rand and other Objectivist intellectuals. Essential and

practical, *Why Businessmen Need Philosophy* reveals the importance of maintaining philosophical principles in the corporate environment at all levels of business from daily operations to executive decisions, and provides the tactical and tactful rational thinking required to defend companies from ideological attacks.

Ayn Rand Jul 28 2022 Portrays Ayn Rand's early life, immigration to America, philosophical and literary contributions, and lasting influence on the literary world, drawing on newspaper articles, notes, novels, essays, and other works.

Hymne Jun 02 2020 Er lebte in einer dunklen Zukunft. In einer Welt ohne Liebe hatte er den Mut, nach Liebe zu suchen. In einer Zeit ohne Wissenschaft und Zivilisation hatte er den Mut, Wissen zu suchen und zu finden. Doch nicht aufgrund dieser Verbrechen wurde er gejagt. Sein Leben stand auf dem Spiel, weil er die eine unverzeihliche Sünde begangen hatte: Er wollte sich nicht einer menschlichen Horde unterordnen, die ohne Sinn und Verstand war. Er war kein Herdentier - er war ein Mensch, und er stand allein. Ayn Rands Klassiker über die finstere Zukunft des großen "Wir", wo Individuen keinen Namen, keine Unabhängigkeit und keinen Wert haben, ist der Vorlauf zu ihren späteren Meisterwerken "Der Ursprung" und "Der Streik".

Ayn Rand & Atlas Shrugged Mar 31 2020 *Includes a full length biography of Ayn Rand that examines her life, works, philosophy, and legacy. *Includes a primer on Atlas Shrugged that will quickly bring readers up to speed on the plot, characters, themes, symbols, and philosophy of Rand's classic novel. *Includes pictures of Rand and important people in her life. *Includes many of Rand's most famous quotes from Atlas Shrugged and other works. *Includes a Bibliography for further reading. "Government 'help' to business is just as disastrous as government persecution... the only way a government can be of service to national prosperity is by keeping its hands off." - Ayn Rand Ayn Rand was born in St. Petersburg, Russia to Jewish parents on February 2, 1905 as Alisa Zinov'yevna Rosenbaum, and she lived through the turbulence and transformation of early 20th century Russia. Her first exposure to reading came after she taught herself how to read at age six, and she decided at nine years old to become a writer after a chance encounter with the books of Victor Hugo, the writer she admired most. The seminal events in the young would-be writer's life came just a few years later, when she witnessed firsthand the Bolshevik Revolution and the ultimate Communist victory as a teenager. Rand's experience with the maelstrom of this revolutionary zeal and cultural breakdown greatly contributed toward the formation of Rand's philosophy of objectivism, individualism and anti-religious ideas. During her last year of high school, she was introduced to the history of the United States and immediately decided to make America her model of what an ideal society should look like. Rand came to the United States as a young woman for a visit in 1925, and, as fate would have it, she never returned to Russia. In middle age, Rand continued trying to write in some capacity as a profession, but she had also formed her personal philosophy of integrating ethics, metaphysics, epistemology, politics, economics, and sexuality into what came to be called Objectivism, or as she called it, "a philosophy for living on earth." Rand began writing Atlas Shrugged, her enormous three part major novel, each with ten chapters, in 1946. Nearly 10 years after it was begun she finished what ultimately became her greatest achievement, and she poignantly dramatized her unique philosophy. Though Atlas Shrugged had been a popular title when Ayn Rand published it in 1957, it's quite possible that the only reference to it that many Americans heard before 2009 came from the hit series Mad Men. However, this staple of conservative and libertarian reader took on new life as the new Obama Administration sought to use government resources to fix financial problems. In 2009, with the global economy hemorrhaging jobs, and Western governments pouring hundreds of billions of dollars in taxpayer money to "bail out" troubled financial firms and large companies, frustrated people and political analysts turned to a book written over 50 years earlier as a guide out of the abyss. Conservative politicians like Ron Paul (who named his son after Rand) and commentators like Glenn Beck and Rush Limbaugh publicly praised Rand and her works, and Supreme Court Justice Clarence Thomas labeled Atlas Shrugged one of his favorite novels. By January 2009, one article in the Wall Street Journal was titled, "'Atlas Shrugged From Fiction to Fact in 52 Years.'" Over the last few years, Rand has become a household name and her works have seen their sales spike. Rand and her work are now some of the most influential and relevant works in America today. Ayn Rand & Atlas Shrugged chronicles the life, ideology and writings of the most famous Libertarian writer, and it examines her seminal book in detail. Along with pictures of important people, places, and events, you will learn about Ayn Rand and her magnum opus like you never have before.

Ayn Rand Feb 08 2021 Profiles the life and career of the writer, and analyzes her works

Essays on Ayn Rand's "We the Living" Sep 29 2022 Ayn Rand remains a truly significant figure of modern philosophy. Her unique vision of a world in which man, relying on reason, acts wholly for his own good is skillfully developed and illustrated in her most famous novels, Atlas Shrugged and The Fountainhead. But Rand's first novel, We the Living, a lesser-known but no less important book, offers an early form of the author's nascent philosophy—the philosophy Rand later called Objectivism. In the second edition, Robert Mayhew once again brings together pre-eminent scholars of Rand's writing. The edition includes three new chapters, as well as an epilogue by renowned Rand-scholar Leonard Peikoff. In part a history of We the Living, from its earliest drafts to the Italian film later based upon it, Mayhew's collection goes on to explore the enduring significance of Rand's first novel as a work both of philosophy and of literature. For Ayn Rand scholars and fans alike, this enhanced second edition is a compelling examination of a novel that set the tone for some of the most influential philosophical literature to follow.

Wer ist John Galt? Jul 16 2021

Dictionary of Modern American Philosophers Aug 24 2019 The Dictionary of Modern American Philosophers

includes both academic and non-academic philosophers, and a large number of female and minority thinkers whose work has been neglected. It includes those intellectuals involved in the development of psychology, pedagogy, sociology, anthropology, education, theology, political science, and several other fields, before these disciplines came to be considered distinct from philosophy in the late nineteenth century. Each entry contains a short biography of the writer, an exposition and analysis of his or her doctrines and ideas, a bibliography of writings, and suggestions for further reading. While all the major post-Civil War philosophers are present, the most valuable feature of this dictionary is its coverage of a huge range of less well-known writers, including hundreds of presently obscure thinkers. In many cases, the Dictionary of Modern American Philosophers offers the first scholarly treatment of the life and work of certain writers. This book will be an indispensable reference work for scholars working on almost any aspect of modern American thought.

Ayn Rand Feb 20 2022 Author of *The Fountainhead* and *Atlas Shrugged*, Ayn Rand (1905–1982) is one of the most widely read philosophers of the twentieth century. Yet, despite the sale of over thirty million copies of her works, there have been few serious scholarly examinations of her thought. *Ayn Rand: The Russian Radical* provides a comprehensive analysis of the intellectual roots and philosophy of this controversial thinker. It has been nearly twenty years since the original publication of Chris Sciabarra's *Ayn Rand: The Russian Radical*. Those years have witnessed an explosive increase in Rand sightings across the social landscape: in books on philosophy, politics, and culture; in film and literature; and in contemporary American politics, from the rise of the Tea Party to recent presidential campaigns. During this time Sciabarra continued to work toward the reclamation of the dialectical method in the service of a radical libertarian politics, culminating in his book *Total Freedom: Toward a Dialectical Libertarianism* (Penn State, 2000). In this new edition of *Ayn Rand*, Chris Sciabarra adds two chapters that present in-depth analysis of the most complete transcripts to date documenting Rand's education at Petrograd State University. A new preface places the book in the context of Sciabarra's own research and the recent expansion of interest in Rand's philosophy. Finally, this edition includes a postscript that answers a recent critic of Sciabarra's historical work on Rand. Shoshana Milgram, Rand's biographer, has tried to cast doubt on Rand's own recollections of having studied with the famous Russian philosopher N. O. Lossky. Sciabarra shows that Milgram's analysis fails to cast doubt on Rand's recollections—or on Sciabarra's historical thesis.

My Years with Ayn Rand Jan 22 2022 The relationship between Rand and Branden changed over eighteen years from student and teacher, to friends, to colleagues, to lovers and finally antagonists.

Ayn Rand and the World She Made Aug 05 2020 Ayn Rand is best known as the author of the perennially bestselling novels *The Fountainhead* and *Atlas Shrugged*. Altogether, more than 12 million copies of the two novels have been sold in the United States. The books have attracted three generations of readers, shaped the foundation of the Libertarian movement, and influenced White House economic policies throughout the Reagan years and beyond. A passionate advocate of laissez-faire capitalism and individual rights, Rand remains a powerful force in the political perceptions of Americans today. Yet twenty-five years after her death, her readers know little about her life. In this seminal biography, Anne C. Heller traces the controversial author's life from her childhood in Russia during the Bolshevik Revolution to her years as a screenwriter in Hollywood, the publication of her blockbuster novels, and the rise and fall of the cult that formed around her in the 1950s and 1960s. Throughout, Heller reveals previously unknown facts about Rand's history and looks at Rand with new research and a fresh perspective. Based on original research in Russia, dozens of interviews with Rand's acquaintances and former acolytes, and previously unexamined archives of tapes and letters, *AYN RAND AND THE WORLD SHE MADE* is a comprehensive and eye-opening portrait of one of the most significant and improbable figures of the twentieth century.

Atlas Shrugged May 02 2020 The decisions of a few industrial leaders shake the roots of capitalism and reawaken man's awareness of himself as an heroic being

Ayn Rand and the Posthuman Jul 04 2020 Ayn Rand and the Posthuman is a study of the American novelist's relationship with twenty-first-century ideas about technology. Rand wrote science fiction that has inspired Silicon Valley entrepreneurs, politicians, and economists. Ben Murnane demonstrates Rand's connection to, and impact on, those with a "posthuman" vision, in which human and machine merge. The text examines the philosophical intersections between Rand's philosophy of Objectivism and posthumanism, and Rand's influence on transhumanism, a major branch of posthumanist thought. The book further investigates Rand's presence and portrayal in various examples of posthumanist science fiction, including Gene Roddenberry's *Andromeda*, popular videogame *BioShock*, and Zoltan Istvan's novel *The Transhumanist Wager*. Considering Rand's influence from a cultural, political, technological, and economic perspective, this study throws light on an under-documented but highly significant aspect of Rand's legacy.

Ayn Rand Apr 24 2022

Essays on Ayn Rand's The Fountainhead May 26 2022 In this unique study of *The Fountainhead*, Dr. Robert Mayhew brings together historical, literary, and philosophical essays that analyze the novel's style, its use of humor, and its virtues of productivity, independence, and integrity. The essays make extensive use of previously unpublished material from the Ayn Rand Archives, offering a new collection of material to explore and consider.

Für den neuen Intellektuellen Nov 27 2019 Dieses Buch aus dem Jahre 1961 präsentiert die Hauptaussagen von Ayn Rands Philosophie für alle, die eine integrierte Weltanschauung suchen." Der Titelessay analysiert die westliche Kultur, diskutiert die Ursachen ihres Verlaufs, ihres Niedergangs, ihres gegenwertigen Bankrotts und zeigt den Weg

zu einer intellektuellen Renaissance auf."

Ayn Rand and the World She Made Mar 24 2022 A New York Times Notable Book A Chicago Tribune Favorite Book of the Year A San Francisco Chronicle Best Book of the Year Ayn Rand's books have attracted three generations of readers, shaped the Libertarian movement, influenced White House economic policies throughout the Reagan years and beyond, and inspired the Tea Party movement. Yet twenty-eight years after her death, readers know very little about her life. In this seminal biography, Anne C. Heller traces the controversial author's life from her childhood in Bolshevik Russia to her years as a Hollywood screenwriter, the publication of her blockbuster novels, and the rise and fall of the cult that worshipped her in the 1950s and 1960s. Based on original research in Russia and scores of interviews with Rand's acquaintances and former acolytes, *Ayn Rand and the World She Made* is a comprehensive and eye-opening portrait of one of the most significant and improbable figures of the twentieth century.

Judgment Day Dec 21 2021 The author details his relationship with Ayn Rand, illuminating the tremendous influence of Objectivism on his life and work and the twenty-five year intimate relationship they shared

Out of a Gray Fog Jul 24 2019 While Ayn Rand is a household name in the United States, her name holds less currency in Europe. This book retraces Rand's European influences and her impact on European readers, revealing a complicated publication and reception history as well as a remarkable panorama of thinkers and artists among her admirers.

Ayn Rand and Song of Russia Jun 14 2021 In October 1947, more than twenty years after leaving Russia, Ayn Rand testified before the House Un-American Activities Committee (HUAC), which was investigating communist infiltration of the motion picture industry. The focus of that testimony was *Song of Russia*, a 1944 pro-Soviet film that Rand decried for its unrealistic, absurdly flattering portrait of life in the communist country. Ayn Rand scholar Robert Mayhew focuses on this controversial period of American and Hollywood history by examining both the film and the furor surrounding Rand's HUAC testimony. His analysis provides the first detailed history of any of the pro-Soviet films to come out of 1940s Hollywood. Mayhew begins by offering a brief synopsis of the MGM film, followed by an account of its production, as well as its reception. Most significantly, Mayhew analyzes Rand's appearance before HUAC and discusses the response to her much-maligned testimony. By carefully scrutinizing this one episode in the history of communism and anti-communism in 1940s Hollywood, Mayhew presents a more accurate picture of those times and the issues surrounding them. His study allows for a re-evaluation of the role of communism in Hollywood, the nature of the HUAC, and even the Hollywood Ten. This book should be of interest to anyone interested in the life and thought of Ayn Rand, as well as to anyone interested in the history of Hollywood communism and of American film.

The Journals of Ayn Rand Nov 19 2021 Rarely has a writer and thinker of the stature of Ayn Rand afforded us access to her most intimate thoughts and feelings. From *Journals of Ayn Rand*, we gain an invaluable new understanding and appreciation of the woman, the artist, and the philosopher, and of the enduring legacy she has left us. Rand comes vibrantly to life as an untried screenwriter in Hollywood, creating stories that reflect her youthful vision of the world. We see her painful memories of communist Russia and her struggles to convey them in *We the Living*. Most fascinating is the intricate, step-by-step process through which she created the plots and characters of her two masterworks, *The Fountainhead* and *Atlas Shrugged*, and the years of painstaking research that imbued the novels with their powerful authenticity. Complete with reflections on her legendary screenplay concerning the making of the atomic bomb and tantalizing descriptions of projects cut short by her death, *Journals of Ayn Rand* illuminates the mind and heart of an extraordinary woman as no biography or memoir ever could. On these vivid pages, Ayn Rand lives.

Essays on Ayn Rand's Anthem May 14 2021 In this first book-length study of Ayn Rand's anti-utopia *Anthem*, essays explore the historical, literary, and philosophical themes presiding in this novella written in opposition to the totalitarianism of the Soviet Union (and Nazi Germany). Written in 1937, published in 1938 in Britain, and subsequently in a revised form in the United States in 1946, *Anthem* investigates the importance of the ego and freedom, and the individual against the state. Editor Robert Mayhew has collected a variety of essays dealing with such topics including: the history behind the novella's creation, publication, and reception; its connection to other anti-utopian novels; and, the significance of ego and freedom, which it portrays and defends. This book is important to philosophers as well as readers looking to gain a better understanding of Ayn Rand and *Anthem*.

A New Textbook of Americanism Nov 07 2020 Featuring new, never-before-released discussions with Ayn Rand...all about her politics! Most people have no idea what the United States represents. Ayn Rand did grasp America's political essence down to its roots. World-famous as the author of *Atlas Shrugged*, Rand emigrated from Russia to the United States in 1926 at the age of twenty-one. Upon her arrival, she discovered that the collectivist politics of Russia, and Europe in general, were taking hold in America. An early effort to fight this trend was Rand's *Textbook of Americanism*, which she began writing in 1946 but was left unfinished. Until now. Seventy-two years later, *A New Textbook of Americanism: The Politics of Ayn Rand* addresses the questions she did not answer then, building on her insights to illuminate Americanism and its present-day application. Featuring Rand's full 1946 work plus essays from the *New Intellectuals*, including Leonard Peikoff, and never-before-published discussions with Ayn Rand. Rand once called the United States "the only moral country in the history of the world." *A New Textbook of Americanism* explores the reasons for her judgment.

Notable American Women Jun 22 2019 Entries on almost five hundred women representing a wide range of fields of

endeavor are featured in a collection of biographical essays that integrate each woman's personal life with her professional achievements, set in the context of historical develop

The Return of the Primitive Feb 29 2020 In the tumultuous late 60s and early 70s, a social movement known as the "New Left" emerged as a major cultural influence, especially on the youth of America. It was a movement that embraced "flower-power" and psychedelic "consciousness-expansion," that lionized Ho Chi Minh and Fidel Castro and launched the Black Panthers and the Theater of the Absurd. In *Return Of The Primitive* (originally published in 1971 as *The New Left*), Ayn Rand, bestselling novelist and originator of the theory of Objectivism, identified the intellectual roots of this movement. She urged people to repudiate its mindless nihilism and to uphold, instead, a philosophy of reason, individualism, capitalism, and technological progress. Editor Peter Schwartz, in this new, expanded version of *The New Left*, has reorganized Rand's essays and added some of his own in order to underscore the continuing relevance of her analysis of that period. He examines such current ideologies as feminism, environmentalism and multiculturalism and argues that the same primitive, tribalist, "anti-industrial" mentality which animated the New Left a generation ago is shaping society today.

Essays on Ayn Rand's We the Living Sep 17 2021 This is the second edition of the study of Ayn Rand's first novel, *We the Living*, which is set in Soviet Russia, and was written in 1936, ten years after she left the U.S.S.R. Topics explored include: the fascinating history behind the novel's creation; its autobiographical nature; its reception during America's "Red Decade"; its connection to Victor Hugo (Rand's favorite novelist); and, the philosophy of freedom and the sanctity of life which it portrays and defends.

Champions of a Free Society Oct 26 2019 This book is written for individuals who want to learn about the philosophical foundations of political and economic freedom. It is an introduction and a guide to the principal theoretical ideas on liberty produced by the most influential and creative thinkers in history, with chapters on Adam Smith, Ludwig von Mises, and Carl Menger.

Ideal Aug 29 2022 NEVER BEFORE PUBLISHED In print for the first time ever, author and philosopher Ayn Rand's novel *Ideal*. Originally conceived as a novel, but then transformed into a play by Ayn Rand, *Ideal* is the story of beautiful but tormented actress Kay Gonda. Accused of murder, she is on the run and turns for help to six fans who have written letters to her, each telling her that she represents their ideal—a respectable family man, a far-left activist, a cynical artist, an evangelist, a playboy, and a lost soul. Each reacts to her plight in his own way, their reactions a glimpse into their secret selves and their true values. In the end their responses to her pleas give Kay the answers she has been seeking. *Ideal* was written in 1934 as a novel, but Ayn Rand thought the theme of the piece would be better realized as a play and put the novel aside. Now, both versions of *Ideal* are available for the first time ever to the millions of Ayn Rand fans around the world, giving them a unique opportunity to explore the creative process of Rand as she wrote first a book, then a play, and the differences between the two. INCLUDES AN INTRODUCTION BY LEONARD PEIKOFF

Philosophers of Capitalism Sep 25 2019 *Philosophers of Capitalism* provides an interdisciplinary approach, attempting to discover the feasibility of an integration of Austrian Economics and Ayn Rand's philosophy of Objectivism. Edward W. Younkens supplies essays presenting the essential ideas of Carl Menger, Ludwig von Mises, and Ayn Rand, as well as scholarly essays discussing the theorists and the interaction of their theories.

A Companion to Ayn Rand Apr 12 2021 The first volume to offer a comprehensive scholarly treatment of Rand's entire corpus (including her novels, her philosophical essays, and her analysis of the events of her times), this *Companion* provides vital orientation and context for scholars and educated readers grappling with a controversial and understudied thinker whose enduring influence on American (and world) culture is increasingly recognized. The first publication to provide an in-depth scholarly treatment ranging over the whole of Rand's corpus Provides informed contextual analysis for scholars in a variety of disciplines Presents original research on unpublished material and drafts from the Rand archives in California Features insightful and fair-minded interpretations of Rand's controversial positions

The Passion of Ayn Rand Dec 09 2020 The bestselling biography of one of the 20th century's most remarkable and controversial writers. Author Barbara Branden, who knew Rand for nineteen years, provides a matchless portrait of this fiercely private and complex woman.

The Early Ayn Rand Oct 31 2022 This remarkable, newly revised collection of Ayn Rand's early fiction—including her previously unpublished short story *The Night King*—ranges from beginner's exercises to excerpts from early versions of *We the Living* and *The Fountainhead*.

Essays on Ayn Rand's Atlas Shrugged Mar 12 2021 This is the first scholarly study of *Atlas Shrugged*, covering in detail the historical, literary, and philosophical aspects of Ayn Rand's magnum opus. Topics explored in depth include the history behind the novel's creation, publication, and reception; its nature as a romantic novel; and its presentation of a radical new philosophy.
