True Stories of the Paranormal: The Complete Collection  
May 26 2022 These terrifying true tales include accounts of haunted dwellings, ghost animals, cursed objects, possessed dolls, vengeful spirits who torment the living, cases in which heinous crimes crossed over into the world of the supernatural, encounters with creatures of unknown origin, demonic visitations, guardian angels, harbingers of doom, dreams that foretold the future, a sinister presence that watched over a cemetery in the afterhours, one man's journey into Hell and much, much more. Now that you know what's in store, you need wait no more—your nightmare is about to begin.

The Spirits Talk to Me  
Feb 20 2022 'It's something in your line of work,' he said hurriedly. 'It's something...otherworldly. Please come. There is no time to lose.' A forest lures men to their doom, invisible hands smash crockery in a time-worn house, machines turn malevolent in an old factory, phantom laughter, whispers from nowhere, shadows that trail people – these are just some of the experiences that Sarbajeet Mohanty, paranormal investigator and founder of the Parapsychology and Investigations Research Society, confronts daily on the job. Tracking Sarbajeet and his team as they probe harrowing supernatural happenings across the country, these ten suspenseful tales move from a courthouse occupied by an insidious presence to a hellish riverbank where battles from the ancient Kalinga war continue to play out, to a film studio in Mumbai where a sordid past waits to be unearthed. In the way, readers get a rare peek into the distinctive investigative methods used by the team to detect mysterious forces that exist in parallel realms. Narrated by veteran horror writer Neil D'Silva in atmospheric prose, the collection accounts in The Spirits Talk to Me are spine-tingling and guaranteed to make you lose sleep.

Eternal  
May 02 2020 'Spectacular! I love Della's sarcastic and yet deeply sensitive perspective and can't wait to see how things unfold for her.'—Fresh Fiction  
Just when Della feels like she's starting to figure out her life, she herself reborn...and her new existence comes with a whole different rulebook. Della's secret powers always made her feel like an outsider in the human world. Now, just when she's starting to feel like she belongs—at Shadow Falls, a camp for teens with paranormal powers—her life is turned upside down all over again. Attacked by a deadly virus, she must make the difficult choice to be reborn. It's her only chance at survival, but it comes with a price: irrevocably bonds her to Chase, a tall, dark and mesmerizing vampire who makes her laugh one minute and infuriates her the next. Chase already knows too many of Della's secrets, and being eternally bonded to him is the last thing she wants. Even worse, she doesn't fully understand what their bond means. Is the attraction she's started feeling for Chase real—or does fate have something else in store? And what does that mean for Steve, the handsome shapeshifter whose kisses make her weak in the knees? Now Della's battered heart is about to take another hit. While investigating her latest case, she discovers shocking evidence about her father's dark past, making her question everything she believes to be true...and her place in the world she loves.

Attack Surface  
Jul 16 2021 Cory Doctorow's Attack Surface is a standalone novel set in the world of New York Times bestsellers Little Brother and Homeland. Most days, Masha Maximow was sure she'd chosen the winning side. In her day job as a counterterrorism wizard for an transnational cybersecurity firm, she made the hacks that allowed repressive regimes to spy on dissidents, and manipulate their every move. The perks were fantastic, and the pay was obscene. Just for fun, and to piss off her masters, Masha sometimes used her mad skills to help those same troublemakers evade detection, if their cause was just. It was a dangerous game and a hell of a rush, seriously self-destructive. And unsustainable. When her targets were strangers in faraway police states, it was easy to compartmentalize, to ignore the collateral damage of murder, rape, and torture. But when it hits close to home, and the hacks and exploits she's devised are directed at her friends and family—including boy wonder Marcus Yellow, her old crush and archrival, and his entourage of naive idealists—Masha realizes she has to choose. And whatever choice she makes, someone is going to get hurt. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Ashgate Research Companion to Paranormal Cultures  
Oct 02 2020 Despite the much vaunted 'end of religion' and the growth of secularism, people are engaging like never before in their own 'spiritualities of life'. Across the West, paranormal belief is on the rise. The Ashgate Research Companion to Paranormal Cultures brings together the work of international scholars across the social sciences and humanities to question how and why people are seeking meaning in the realm of the paranormal, a heretofore subjugated knowledge. With contributions from the UK and other European countries, the USA, Australia and Canada, this ground-breaking book attends to the paranormal as a position from which to critique dominant forms of knowledge production and spirituality. A rich exploration of everyday life practices, textual engagements and discourses relating to the paranormal, as well as mediation, technology and art of paranormal activity, this book explores themes such as subcultures and mainstreaming, as well as epistemological, methodological, and phenomenological questions, and the role of the paranormal in social change. The Ashgate Research Companion to Paranormal Cultures constitutes an essential resource for those interested in the academic study of cultural engagements with paranormality: it will appeal to scholars of cultural and media studies, popular culture, sociology, cultural geography, literature, film and music.

Dangerously Divine  
Jun 22 2019 The author of the "wonderful" (Tamora Pierce) Baba Yaga novels and Dangerously Charming is back with a magically mesmerizing new tale about the dashing and daring Broken Riders... The Riders: Three immortal brothers who kept the Baba Yagas safe, now stripped of their summons to protect. But fate is not finished with them—and their new callings are even more powerful... Though his physical wounds have healed, Gregori Sun, the eldest of the Riders, remains in spiritual turmoil. His search for his mother, the one person able to heal his soul and save his life, is failing—until he crosses paths with a beautiful and fascinating librarian who might be the key to his salvation... Ciera Evans's bookish ways are just a guise. The product of a difficult past, she has dedicated her life to saving lost teens—by any means necessary. She works alone, but when a dark, brooding stranger proposes they team up to solve both their problems, she is tempted—in more ways than one... After Ciera and Sun's plans are derailed by dangerous enemies, they find themselves entangled in an ungody affair—one that will force them to either find new strength together or be forever haunted by their pasts alone.

An Introduction to the Psychology of Paranormal Belief and Experience  
Oct 19 2021 "Unsympathetic psychology-based explanations remain the popular response to supernatural experiences. This study offers a balanced and accessible analysis of various explanations for the paranormal. By providing insight into how these theories are applied, and at times misapplied, to enquiry into the paranormal, this work clarifies the relationship between the psychology and the supernatural"—Provided by publisher.

Portal  
Oct 07 2020 In the tradition of bestselling Cuban author Isabel Allende's, "The House of The Spirits" and the investigative writing of Budd Hopkins, bestselling author of "Intruders", comes a book about ghosts, entities, cryptids in the most remote and unexpected places around the globe. The first half follows an Asian family beset by hauntings and nonhuman entities in the small town of San Juan in the post-colonial Spanish country of the Philippines. Little has been written about paranormal phenomena, extraterrestrial visitations, and other anomalies in the Philippines, so this book will offer the reader never before detailed encounters. The second part of the book takes the reader on the author's travels to other countries and local historic towns, where she encounters tourists and locals who recount paranormal phenomena. These include a college student who is confronted by a "Djinn" Marrakesh, Morocco; to southern France, where a couple encounters "deer" that "stand peering through their kitchen window on two legs"; to a demonic visitation off a dying woman and finally a Thai couple whose infant is abducted by a creature called a "Tiyanak." In the cultural backdrop of Asia, Europe, North Africa and local sites in the US, this book is sure to pin the reader onto their seat and reset their view on reality.

Chinese Ghosts Revisited  
Jul 28 2022 Do the Chinese experience ghosts, hauntings, ESP and other paranormal phenomena just like Americans? Or is their culture so different that the accounts in this book, collected in Hong

Kong in 1980/81 and updated by recent materials over 30 years later, will seem bizarre to anyone else? Interestingly, in spite of clear influences from ancestor worship and Confucian, Taoist and Buddhist culture, parapsychological theories of apparitions from the West do apply to the Chinese.

A Short History of (Nearly) Everything Paranormal [May 29 2022](#) This is the most entertaining and broad survey of the paranormal ever made, combining forgotten lore, evidence from parapsychological experiments and the testament of scientists, archaeologists, anthropologists, psychologists, physicists and philosophers, and also quite a few celebrities. Exploring the possibility that paranormal phenomena may be - and that some most likely are - objectively real, this travelogue through the twilight zone of human consciousness is both scientifically rigorous and extremely entertaining.

Critical Thinking [Nov 07 2020](#) Comprehensive and engaging, this extensively revised edition of a student and instructor favorite introduces the basics of critical thinking using the claims of pseudoscience and the paranormal. Guides readers through the critical thinking process by considering different types of support (sources, logic, and scientific observation) and ruling out alternative explanations. Allows students to practice and apply their new critical thinking skills on claims of extraordinary cures including energy treatments, complementary/alternative medicine and faith healing as well as four paranormal claims of consequence: astrology, spiritualism and the afterlife, parapsychology, and creationism. Couples a conversational, nontechnical narrative with student-friendly pedagogical tools, including critical thinking questions and a study guide for each chapter. Provides clear and open-minded discussions of the paranormal spectrum, belief justification surveys, the placebo effect, and the relationship between religion and critical thinking.

Ghost Stories and Legends of Eastern Connecticut [Oct 26 2022](#) Who or what lurks below the decks of the ships at Mystic Seaport? Does playwright Eugene O'Neill still live in his family's cottage on the New London shore? Are there really vampires in Connecticut? Can Israel Putnam's ghost still see the whites of your eyes? This captivating book presents tales and legends from Eastern Connecticut's most haunted locations dark deeds and lore from New London and Mystic, and stretching all the way to Brooklyn, Windham and Franklin. Like eerie and desperate whispers on the wind, the ghosts of Connecticut's past reveal their deepest, darkest secrets to author and paranormal investigator Donna Kent as she sheds new light on this collection of spine-tingling legends.

Crystal Clear [Oct 26 2019](#) Richard T. Cole's infamous book, Crystal Clear, is back in print after twelve years. The book psychics tried to ban and a damning expose of this profession's working practices. Relive the roller-coaster ride when a simple Press Release precipitated a global scramble to 'Channel' an ancient, quartz crystal skull. Over a six-year period, the best Psychics, Mediums, and Occultists this planet has to offer utilised their highly-tuned metaphysical talents to unlock secrets encoded within, by aliens from Atlantis. Four-thousand psychics took the Skully Challenge. Unbeknownst to all, Skully, the media-dubbed Millennium Skull, was not an ancient, priceless artefact crackling with supernatural potency. In reality, it was less than two years old and cast from polymer resin. What happened is genuinely jaw-dropping, unbelievable, and mind-blowing. Everything you think you know about the paranormal just changed. Reviews BRIAN ALLAN - TV personality, author and columnist "Just now and again a book emerges that really does live up to its claims and hype." LIONEL FANTHORPE - TV personality, author and paranormal researcher "Extremely well-written... challenging... stimulating... epoch-making book." PHENOMENA MAGAZINE "A genuinely jaw-dropping account..." PARANORMALMAGAZINE "Highly recommended"

Company of the Paranormal [Sep 29 2022](#) Company of the Paranormal is about the paranormal phenomenon and how it would affect a world dominated by the high technology, once it is largely used by the population. This story is based on the authors personal research on the psychic abilities alongside 10 years. This book begins the saga of Peter Moll and his school friends, where they spend 15 years studying the development of the mental abilities. After his graduation, Peter is invited to work in the international agency to control the use and the abuse of the mind powers, the company of the paranormal. With an exciting story, the plot takes action in different times and places. With many pop references, Company of the Paranormal offers a good view about the capacities the human brain can achieve in a world ruled by the high technology.

Edge of Night [Jul 04 2020](#) It takes guts to read the stuff woven into nightmares. It's a tough job, but you're up to it. Welcome to my world. A world where magic holds court and the dude next door just might be a demon. Or a shifter. Or an alien.

The Heartland Experiment [May 14 2021](#) In 1864 a group of Union soldiers investigating allegations of slavery paid a surprise visit to the McKenna family's Kansas farmstead. Everyone vanished, never to be seen again. 150 years later, a professor of the paranormal and four of his graduate students investigate the mystery, unprepared for an incredible journey across time.

Ghost Sightings [Mar 12 2021](#) From haunted houses to phantom ships, ghostly phenomena are everywhere! Paranormal Investigator [Jul 24 2019](#) Paranormal Investigator: True Accounts of the Paranormal, is a non-fiction book focusing on eight well documented cases of paranormal activity as chronicled by paranormal researcher Stephen David Lancaster II. From his first childhood encounter to experiences twenty years later, Lancaster opens the folders of his files sharing some of the most productive, memorable and indisputable cases from his years of paranormal research. The haunting evidence of Poogan's Porch Restaurant, the Brentwood Wine Bistro, the Music House, Emily's House and others are included. The book also includes an in depth look into the Industrial Facility case that was featured on NBC Universal in October 2009 where they revealed Lancaster's video footage of the infamous Cowboy Ghost.

Spellbound [Feb 08 2021](#) Our culture is saturated with the supernatural. TV shows such as Medium, Charmed, and Lost all have an "other-worldly" theme. Most of them blur the lines between good and evil. This past year was a "record" year for Hollywood in the production of films that dealt with the supernatural/paranormal. While we choose our entertainment, our kids don't often have the luxury of choosing whether to be exposed to these things at school. This book seeks to present a lucid and comprehensive examination of the paranormal and occult by breaking down the principles of paranormal practices, giving key points about the practices so that parents can react and identify them. The book discusses the occult view of supernatural energy and of good and evil, and how these concepts are seen in some popular literature and movies. The book also explains the dangers and gives a biblical basis for concern. Christian parents need to be equipped to discuss these matters with their children!

The watermill is also home to a paranormal investigation newspaper business. Simon and Gemma decide to not only move into the watermill but to also continue the newspaper and therefore make a living for themselves in their new home. They are soon joined by a group of friends as their introduction into the supernatural, paranormal world of investigating begins with a late evening telephone call from an old lady who is experiencing a haunting from a spirit. Armed with gadgets, a friendly ghost, and an android friend they visit the lady little knowing that they are walking into a trap set by a devious and extremely malevolent entity.

The Haunted Act [Jun 14 2021](#) With the paranormal becoming so mainstream in the last decade between television, books, and movies, is the craze actually brand new? Before there was the entertainment industry that we know of today, plays and musicals were one of the primary forms of expression and reflections of society's beliefs of their time. This book will cover an analysis of the belief in the supernatural throughout the course of human existence and showing that in a way, the paranormal has always been normal. Using elements of theatre as the research vehicle, as well as establishing the relationship between acting and the unknown, this book examines the rich relationship between theatre and the paranormal. Finally, this book will challenge the reader to consider the possibility of using theatre as a method for researching and investigating the paranormal. Readers will be asked to consider what would happen if investigators and "ghost hunters" took on the role of an actor and the haunted location becomes a performance space, thus welcoming communication and activity from the other side.

The Elemental Detective [Jan 10 2021](#) Mermaids, monehunes, and murder. Riga Hayworth just wants to relax with her new husband on their Hawaiian honeymoon. But a body on a Kauai beach pulls them into a murder investigation, sending the supernatural world into an uproar. When Riga detects traces of magic at a murder scene, she knows she can't ignore the call. There's necromancy afoot, and she must prepare for the battle to come. Can Riga fight the forces of nature? Or will they destroy her and everyone she loves? Book five in the Riga Hayworth series of paranormal mystery novels, The Elemental Detective is a fun, fast-paced urban fantasy blending romance with the supernatural, and exploring the magic of Hawaii.

More Than Ghost [Aug 17 2021](#) With the rise of paranormal reality television, there are more ghost hunting and paranormal investigation teams than ever before. Many of these teams offer investigation services for a haunting and other paranormal phenomenon that occur in the privacy of your home. While assisting people with their haunted houses may seem honorable and glamorous, if these cases are not done right, there can be dire consequences that can shut down teams and ruin personal lives. So how does an investigator approach a client case? What is the difference between investigating a public location and someone's home? The answer lies in much more than ghosts... After researching the paranormal for over a decade, Alex Matsuo started investigating and assisting with client cases in 2009, and started her own team known as the Association of Paranormal Study in 2011. In this book, she will share her personal experiences on the field, as well as advice and tidbits she has learned while assisting in the investigations of other teams, as well as leading investigations for her own team, APS.

The Déjà Vu Experience [Aug 05 2020](#) Most of us have been perplexed by a strange sense of familiarity when doing something for the first time. We feel that we have been here before, or done this before, but know for sure this is impossible. In fact, according to numerous surveys, about two-thirds of us have experienced déjà vu at least once, and most of us have had multiple experiences. There are a number of credible scientific interpretations of déjà vu, and this book summarizes the broad range of published work from philosophy, religion, neurology, sociology, memory, perception, psychopathology, and psychopharmacology. This book also includes discussion of cognitive functioning in REM sleep and familiarity, neuronal transmission, and double perception during the déjà vu experience.
