The Seamstress of New Orleans Oct 31 2022 Set against the backdrop of the first all-female Mardi Gras krewe at the turn-of-the-century, the acclaimed author's mesmerizing historical novel tells of two strangers separated by background but bound by an unexpected secret—and of the strength and courage women draw from and inspire in each other. "An undercurrent of New Orleans's dark side propels the story, heightening the tension and supplying McPhail with a wealth of evocative details." – Publishers Weekly The year 1900 ushers in a new century and the promise of social change, and women rise together toward equality. Yet rules and restrictions remain, especially for women like Alice Butterworth, whose husband has abruptly disappeared. Desperate to make a living for herself and the child she carries, Alice leaves the bitter cold of Chicago far behind, offering sewing lessons at a New Orleans orphanage. Constance Halstead, a young widow reeling with shock under the threat of her late husband's gambling debts, has thrown herself into charitable work. Meeting Alice at the orphanage, she offers lodging in exchange for Alice's help creating a gown for the Leap Year ball of Les Mysterieuses, the first all-female krewe of Mardi Gras. During Leap Years, women have the rare opportunity to take control in their interactions with men, and upend social convention. Piece by piece, the breathtaking gown takes shape, becoming a symbol of strength for both women, reflecting their progress toward greater independence. But Constance carries a burden that makes it impossible to feel truly free. Her husband, Benton, whose death remains a dangerous mystery, was deep in debt to the Black Hand, the vicious gangsters who controlled New Orleans' notorious Storyville district. Benton's death has not satisfied them. And as the Mardi Gras festivities reach their fruition, a secret emerges that will cement the bond between Alice and Constance even as it threatens the lives they're building . . .

[Too Far South](#) Jun 22 2019 From a bluff overlooking Mobile Bay, Caroline Colson reflects on a troubling and disturbing summer, filled with rumors of war. Although threats and rumors about the Yankees and secession from the Union continue to plague her village, Caroline still believes she lives too far south to be touched by war. Unfortunately, she could not be more wrong. When their young son dies in a tragic accident, Caroline's husband, Cameron, is lost within the darkness of overwhelming grief and blames a young slave named Edmund for the death. The boy is sent away from the house and from his mother, Bertha, a household slave, after the accident. The boy soon goes missing, which sends Bertha down a heartbreaking path to search for him, examine her life, and question her self-worth. Meanwhile, Caroline is left to battle her own grief and deal with Cameron, who has transformed into an angry, bitter man. As war begins, Cameron, a respected maritime lawyer and patriot, boards the CSS Alabama where his fate awaits. *Too Far South* tells the story of a Southern Alabama family's determination to survive the Civil War despite the blockade of Mobile Bay. The anxiety and apprehension of an invasion by the Federal fleet to encounter Confederate Forces in a battle for Mobile Bay, affected all.

[Restless Wind](#) Sep 25 2019 Thomas Philp was born 3 June 1797 in Mylor, Cornwall, England. His parents were Robert Kemp Philp and Thomasin O'Brien. Thomas and his brother, James, emigrated and settled in Ontario. Thomas moved on to Gallipolis, Ohio where he met and married Elizabeth Baltzell in 1825. They had eight children. They lived in Kentucky and then moved to Jefferson County, Illinois in 1839. Thomas died in 1855. Descendants and relatives lived mainly in Illinois and Colorado.

Annual Report of the Commissioner of Indian Affairs, for the Year ... May 26 2022

Cool Wind's Gate May 14 2021 This book is about people whose ancestors lived in bondage and the ordeal and challenges facing them finding freedom in a world where others were still in bondage. It tells of the simple life challenges and the struggle of being accepted. It tells of those that were not responsible for the things that were done in the past but were willing to sacrifice everything to make the world they now live in better. It displays the simple beauty that life can hold and the courage to keep that beauty alive. It tells of how their leaders built a challenging world around them and proved to them they were equal to any man. This story contains hardships, challenges, humor and a zest for life as free as it possibly could be. The story takes place in the mid 1800s on a Louisiana cane plantation. It tells of free people and the challenges they faced to hold that freedom as it was at a time and place in history that just wasn't ready for the change. It tells of the struggles and the pleasures that evolve through the good deeds of a group of people that had the belief that the best people in the world were treated the worst. To see the beauty of the outcome of this story, just take a stroll to the place called Cool Winds Gate.

[A Crown of Swords](#) Feb 29 2020 *The Wheel of Time*® is a PBS Great American Read Selection! Now in development for TV! Since its debut in 1990, *The Wheel of Time*® by Robert Jordan has captivated millions of readers around the globe with its scope, originality, and compelling characters. The *Wheel of Time* turns and Ages come and go, leaving memories that become legend. Legend fades to myth, and even myth is long forgotten when the Age that gave it birth returns again. In the Third Age, an Age of Prophecy, the World and Time themselves hang in the balance. What was, what will be, and what is, may yet fall under the Shadow. Elayne, Aviendha, and Mat come ever closer to the bowl ter'angreal that may reverse the world's endless heat wave and restore natural weather. Egwene begins to gather all manner of women who can channel--Sea Folk, Windfinders, Wise Ones, and some surprising others. And above all, Rand faces the dread Forsaken Sammael, in the shadows of Shadar Logoth, where the blood-hungry mist, Mashadar, waits for prey. TV series update: "Sony will produce along with Red Eagle Entertainment and Radar Pictures. Rafe Judkins is attached to write and executive produce. Judkins previously worked on shows such as ABC's "Agents of SHIELD," the Netflix series "Hemlock Grove," and the NBC series "Chuck." Red Eagle partners Rick Selvage and Larry Mondragon will executive produce along with Radar's Ted Field and Mike Weber. Darren Lemke will also executive produce, with Jordan's widow Harriet McDougal serving as consulting producer." —Variety *The Wheel of Time*® New Spring: The Novel #1 The Eye of the World #2 The Great Hunt #3 The Dragon Reborn #4 The Shadow Rising #5 The Fires of Heaven #6 Lord of Chaos #7 A Crown of Swords #8 The Path of Daggers #9 Winter's Heart #10 Crossroads of Twilight #11 Knife of Dreams By Robert Jordan and Brandon Sanderson #12 The Gathering Storm #13 Towers of Midnight #14 A Memory of Light By Robert Jordan Warrior of the Altaii By Robert Jordan and Teresa Patterson The World of Robert Jordan's *The Wheel of Time* By Robert Jordan, Harriet McDougal, Alan Romanczuk, and Maria Simons *The Wheel of Time Companion* By Robert Jordan and Amy Romanczuk *Patterns of the Wheel: Coloring Art Based on Robert Jordan's The Wheel of Time* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

[Patagonia](#) Jul 16 2021 Patagonia is the ultimate landscape of the mind. Like Siberia and the Sahara, it has become a metaphor for nothingness and extremity. Its frontiers have stretched beyond the political boundaries of Argentina and Chile to encompass an evocative idea of place. A vast triangle at the southern tip of the New World, this region of barren steppes, soaring peaks and fierce winds was populated by small tribes of hunter-gatherers and roaming nomads when Ferdinand Magellan made landfall in 1520. A fateful moment for the natives, this was the start of an era of adventure and exploration. Soon Sir Francis Drake and John Byron, and sailors from Europe and America, would be exploring Patagonia's bays and inlets, mapping fjords and channels, whaling, sifting the streams for gold in the endless search for Eldorado. As the land was opened up in the nineteenth century, a crazed Frenchman declared himself King. A group of Welsh families sailed from Liverpool to Northern Patagonia to found a New Jerusalem in the desert. Further down the same river, Butch and Sundance took time out from bank robbing to run a small ranch near the Patagonian Andes. All these, and later travel writers, have left sketches and records, memoirs and diaries evoking Patagonia's grip on the imagination. From the empty plains to the crashing seas, from the giant dinosaur fossils to glacial sculptures, the landscape has inspired generations of travellers and artists.

Still in Print Feb 08 2021 *In Still in Print*, eighteen Southern novels published since 1997 fall under the careful scrutiny of an international cast of accomplished literary critics to identify the very best of recent writings in the genre. These essays highlight the praiseworthy efforts of a pantheon of novelists celebrating and challenging regionality, unearthing manifestations of the past in the present, and looking to the future with wit and healthy skepticism. Organized around shared themes of history, place, humor, and malaise, the novels discussed here interrogate Southern culture and explore the region's promise for the future. Four novels reconsider the Civil War and its aftermath as Charles Frazier, Kaye Gibbons, Josephine Humphreys, and Pam Durban revisit the past and add fresh insights to contemporary discussions of race and gender through their excursions into history. The novels by Steve Yarbrough, Larry Brown, Chris Offutt, Barry Hannah, and James Lee Burke demonstrate a keen sense of place, rooted in a South marked by fundamentalism, poverty, violence, and rampant prejudice but still capable of promise for some unseen future. The comic fiction of George Singleton, Clyde Edgerton, James Wilcox, Donald Harington, and Lewis Nordan shows how Southern humor still encompasses customs and speech reflected in concrete places. Ron Rash, Richard Ford, and Cormac McCarthy probe the depths of human existence, often with disturbing results, as they write about protagonists cut off from their own humanity and desperate to reconnect with the human race. Diverse in content but unified in genre, these particular novels have been nominated by the contributors to *Still in Print* for long-term survival as among the best modern representations of the Southern novel.

The Seamstress of Hollywood Boulevard Jul 28 2022 A Kansas seamstress reinvents herself in Los Angeles, but the past comes back to haunt her, in this "superb, surprising" historical novel (*The Seattle Times*). At age seventeen, Nell Plat is an unhappily married woman, quick with her needle and wit, but ill-suited to wifely duties like cooking, mothering, and tending to her boorish husband. Unable to shake her dreams of glamour and excitement, she abandons her family and quiet life in Kansas for the hustle, bustle, and glittering lights of Los Angeles. Among the wannabes and celebrities of the silver screen, Nell reinvents herself as Madame Annelle, seamstress to the stars. But just as she begins stitching her way to success, her past shows up on her doorstep, threatening to unravel her carefully crafted ruse. "Meticulously researched" (*The A.V. Club*) and "vibrant with historical accuracy" (*SFGate*)—based on the true story of the author's grandmother—*The Seamstress of Hollywood Boulevard* is a fascinating look at old Hollywood glamour, gender roles, and the ever-evolving American dream.

Places of Poetry Jul 04 2020 Presenting the best poems from the nationwide *Places of Poetry* project, selected from over 7,500 entries *Poetry* lives in the veins of Britain, its farms and moors, its motorways and waterways, highlands and beaches. This anthology brings together time-honoured classics with some of the best new writing collected across the nation, from great monuments to forgotten byways. Featuring new writing from Kayo Chingonyi, Gillian Clarke, Zaffar Kunial, Jo Bell and Jen Hadfield, *Places of Poetry* is a celebration of the strangeness and variety of our islands, their rich history and momentous present.

Mind Shift Jul 24 2019 This book attempts to address the subject of physical training as it relates to health and fitness from a both philosophical and pedagogical perspective. In that, the current popularization of fitness seems at odds with its original intent; which was the cultivation of the mind-body and spirit (an internal manifestation of intent) through the systematic practice of a discipline such as yoga, martial arts, gymnastics or dance or a training program specifically designed to prepare an athlete for sports participation-track and field, basketball, football, etc., which required the participant to have mastered the basic physical prerequisites-good posture, balance, coordination, agility, suppleness, command of basic calisthenics, and kinesthetic awareness, necessary for high levels of performance while minimizing the risk of injuries. This books premise is about making a mind shift from the current definition and practice of physical fitness as portrayed by many popular fitness media personalities, health and fitness magazines and many big box health clubs, to one in which the acquisition of physical fitness is likened to the study of the martial arts where one follows the path, or commonly referred as the way or (Dao). The characters depicted in the book, though their backgrounds may differ, follow a physical fitness similar in fashion. A regimen that owes much of its origin to ancient Chinese martial arts, calisthenics (body weight training) propagated by the ancient Greek athletes and the physical cultural movement of the mid 1800s to early 1900s that took place here in the United States and in parts of Europe. The aforementioned had a common philosophy. And that was physical training, whether for the purely aesthetic, muscular strength, athletics, or general good health, should be systematic, progressive, efficient, and most important work. In other words, progress that is validated through observation-well coordinated fluid movements, better stability (balance), improved posture and aesthetics. And measurable-able to successfully perform a series of basic strength to body weight tests: pull ups, dips, push-ups, sprints with perfect form. Hopefully, in some small way, the stories in this book about characters striving to achieve physical mastery of a discipline or engaging in a challenging free form of movement for the sheer delight of it, will give the reader pause the next time he or she hears about the latest exercise gimmick or gizmo or the next must have fitness celebrities workout DVD. And maybe, just maybe, theyd be on the verge of a mind shift.

The Seamstress and the Wind Sep 29 2022 As he runs wildly amok, Aira captures childhood's treasures — the reality of the fable and the delirium of invention — in this hilariously funny book. *The Seamstress and the Wind* is a deliciously laugh-out-loud-funny novel. A seamstress who is sewing a wedding dress for the pregnant local art teacher fears that her son, while playing in a big semitruck, has been accidentally kidnapped and driven off to Patagonia. Completely unhinged, she calls a local taxi to follow the semi in hot pursuit. When her husband finds out what's happened, he takes off after wife and child. They race not only to the end of the world, but to adventures in desire — where the wild Southern wind falls in love with the seamstress, and a monster child takes up with the truck driver. Interspersed are Aira's musings about memory and childhood, and his hometown of Coronel Pringles, with a compelling view of the hard lot of this working-class town, situated not far from Buenos Aires.

An Unlikely Alliance Aug 05 2020 Her identity is false, but her love for the earl is all too real—and so is the danger that engulfs them both . . . Gypsy fortune-teller Mademoiselle Magda has taken London by storm with her uncanny predictions—and only Lord Kerrigan suspects that she is not what she claims to be. And he is right, for poverty has led seamstress Magda Beaumont, the child of a French physician and a Russian gypsy princess, to pass herself off as a tarot reader to the ton. But lacking her mother's powers, Magda drew the wrong card and made an enemy of the earl, who causes her pulse to race whenever he's near. He sets out to expose her, only to find himself captivated by the beautiful young woman. But when Magda's predictions threaten to expose a villainous plot, she finds herself in mortal danger. Now Magda and Lord Kerrigan must join forces to solve a decade-old murder, and Magda fervently wishes she could indeed predict the future—to see if her deception will cost her a love that promises bliss . . .
