Namiko und das Flüstern Feb 20 2022 Als der deutsche Reporter in den Gärten von Kyoto die geheimnisvolle Namiko kennenlernt, ist er sofort von ihr fasziniert: Die Studentin fährt gern Traktor, braucht zum Lesen kein Buch und entführt ihn mitten in der Nacht in den »Garten der Mondseufzer«. Und Namiko flüstert. Nicht nur mit Worten, sondern auch mit Gesten, Blicken und Berührungen. Je näher sie sich kommen, desto intensiver spürt er die große Magie der leisen Töne: in den alten Gärten von Kyoto, in der Natur – und in der Liebe. Schnell entwickelt sich zwischen den beiden eine tiefe Zuneigung. Doch der Tag seiner Heimreise nach Deutschland rückt immer näher. Und mit ihm eine folgenreiche Entscheidung. »Mit viel Raffinesse werden die Selbstfindung eines Menschen und der Weg zu einem erfüllten Leben geschildert.« (Financial Times)  
»Andreas Séché hat eine poetische Liebesgeschichte der besonderen Art geschrieben. Seine philosophischen Exkurse erinnern dabei an die besten Romane von Paulo Coelho.« (Nürnberger Nachrichten) »180 Seiten große Lesefreude.« (Südwest Presse)  
The War that Saved My Life Mar 09 2021 An exceptionally moving story of triumph against all odds, set during World War II. Nine-year-old Ada has never left her one-room flat. Her mother is too humiliated by Ada's twisted foot to let her outside. So when her little brother Jamie is shipped out of London to escape the war, Ada doesn't waste a minute—she sneaks out to join him. So begins a new adventure for Ada, and for Miss Susan Smith, the woman who is forced to take in the two children. As Ada teaches herself to ride a pony, learns to read, and watches for German spies, she begins to trust Susan—and Susan begins to love Ada and Jamie. But in the end, will their bond be

enough to hold them together through wartime? Or will Ada and her brother fall back into the cruel hands of their mother? This masterful work of historical fiction is equal parts adventure and a moving tale of family and identity—a classic in the making.

**The Man Who Saved the United States** Jun 24 2022 Dr. Michael Jeremiah and his family are professing Christians fulfilling their life dreams. As good Bible students they know that: Some 2000 years ago, Jesus Christ was crucified, buried, and on the third day rose from the dead. He died with a mortal body and was resurrected with an immortal body. Over 500 persons witnessed Him in His resurrected form. After 40 days He gathered His Apostles, and gave orders for their mission on the earth. After He had spoken He was lifted up, as the Apostles watched, a cloud received Him out of their sight as he ascended into Heaven. Two angels standing beside the Apostles said, "This Jesus, who has been taken up from you into Heaven, will come in just the same way as you have watched Him go into Heaven." Other scriptures tell us that some day He will return to the earth. But sometime prior to this, Christ will descend from Heaven with a shout and the trumpet of God to call all true Christians to be caught up in the clouds to meet Him in the air and be taken to Heaven. At the moment of this event, often called the Rapture, Michael and his family look forward to being changed from mortal to immortal bodies and to dwell with God in Heaven forever. THEIR LIVES ARE DISRUPTED by 9/11 and the War on Terror Michael Jeremiah, the Supreme Council and his family are thrust into positions of power in order to save the teetering United States from economic, social and moral collapse. Michael relies on his family ties, placing many of them in key leadership positions. Dr. Tandatina Allio, Michael's wife (a world renown brain surgeon), is his second in command. His father, Vice Admiral John is Director of NSA; his grandfather, Admiral Peter, is Director of Intelligence; his brother Thomas is Secretary General of the UN; and his sister Rebecca is Director of the Red Cross. All the while, Michael Jeremiah and his family move through life with the understanding that the Rapture is near. But, we are getting ahead of ourselves. Let's go back to the beginning of this story. AMERICA IS IN CRISIS. This was the newspaper headline. "America in Crisis". Polls show Americans are fearful of both the present and the future. There seems to be no hope. Americans want - demand that they be rescued, that our nation's many problems be solved. Rescued from what? Solve what problems? A respected

panel published a white paper on the subject. They reported: "It is near the end of the George W. Bush administration. The country is being torn apart over the wars in Iraq and Afghanistan. At least, at times, it appears to be President Bush's private war. He never asked Congress for a Declaration of War, nor asked the Nation to be directly involved, as it was during World War II. Our military's hands tied by politics. The Nation is in chaos with almost everyone demanding their rights, their freedom to do whatever they wish. Terrorists have attacked again in four cities: more than 30,000 killed. Vicious gangs and drug pushers demand their rights: our police are handcuffed. Purveyors of filth shout freedom of speech; pornography is called art; Christians and Jews are muzzled. Our founding fathers knew that everything has limits and boundaries. The Judeo-Christian ethic provided the moral foundation to go with our rights and freedoms and moral boundaries were set. But now, these moral boundaries are absent and freedoms are turning to license, edging closer and closer to anarchy. Our people do not feel safe sending their children to school, leaving their homes. Fear is everywhere; faith in government is near zero. The People pray for a man a superman a bold knight, to rescue them and the nation." MICHAEL JEREMIAH and the Supreme Council OFFER HOPE During times of crisis, I

Die Analphabetin, die rechnen konnte Dec 26 2019 Freuen Sie sich darauf, was diesem herrlich verrückten Autor für seine neue Protagonistin eingefallen ist! Die aberwitzige Geschichte der jungen Afrikanerin Nombeko, die zwar nicht lesen kann, aber ein Rechengenie ist, fast zufällig bei der Konstruktion nuklearer Sprengköpfe mithilft und nebenbei Verhandlungen mit den Mächtigen der Welt führt. Nach einem besonders brisanten Geschäft setzt sie sich nach Schweden ab, wo ihr die große Liebe begegnet. Das bringt nicht nur ihr eigenes Leben, sondern gleich die gesamte Weltpolitik durcheinander... Spitzzüngig und mit viel schwarzem Humor rechnet Jonasson in seinem neuesten Roman mit dem Fundamentalismus in all seinen Erscheinungsformen ab. Eine grandiose Geschichte, die dem »Hundertjährigen« an überbordenden Einfällen, skurrilen Wendungen und unvergesslichem Charme in nichts nachsteht!

*How Hockey Saved the World*\*Feb 08 2021 HOCKEY-From the Buddhist concept meaning Key to Happiness and Chilly Serenity during Bloody Brawls and Melees. *How Hockey Saved the World* is the greatest, if only, hockey protest book ever written. It is the often true story of how a middle-aged, overweight American got off the couch long enough to lose weight and learn to play hockey in order to find a magic puck that would end the NHL lockout, unseat President George W. Bush and end the Iraq War. A handbook on how to survive without professional sports while becoming a better parent, achieving world peace and playing hockey, however poorly. "A tongue-in-cheek view of politics and sports, delivering humor and laughs that recall the work of Mark Twain, Joseph Heller and Ambrose Bierce. -Cliff Bellamy, Durham Herald-Sun "[T]he author's subversive wit and genuine belief in the game's magic are oddly persuasive. An amiable meditation to warm even the iciest hearts." - Kirkus Discoveries After reading *How Hockey Saved the World*, and seeing the error of my ways, I will resign the Office of the Presidency effective January 15, 2009. -President George W. Bush

Lieber Freund, aus meinem Leben schreibe ich dir in deines Jul 21 2019 „Was für ein

langer Weg es ist von einem Leben zu einem anderen: Doch warum schreiben, wenn nicht wegen dieser Distanz.“ Yiyun Li schreibt – ohne je das Wort zu verwenden – über ihren Selbstmordversuch, über das, was es bedeutet, an der Grenze zwischen Leben und Tod zu stehen. Sie kam als Immunologin von China nach Amerika und entdeckte erst dort, dass das Schreiben eine Form des Widerstands gegen die existenzielle Leere sein kann. In diesem zutiefst bewegenden Buch erzählt Yiyun Li von ihren Depressionen und von jenen Büchern von Stefan Zweig, Elizabeth Bishop und William Trevor, die sie aus ihrer Einsamkeit herausgerissen haben. Ein Buch über die lebensspendende Kraft der Literatur.

How Animals Saved My Life: Being the SupervetApr 10 2021 THE MASSIVE NUMBER 1 SUNDAY TIMES BESTSELLER It has been 30 years since Noel Fitzpatrick graduated as a veterinary surgeon, and that 22-year-old from Ballyfin, Ireland, is now one of the leading veterinary surgeons in the world. The journey to that point has seen Noel treat thousands of animals - many of whom were thought to be beyond help - animals that have changed his life, and the lives of those around them, for the better. If the No.1 Sunday Times bestseller Listening to the Animals was about Noel's path to becoming The Supervet, then How Animals Saved My Life is about what it's like to actually be The Supervet. Noel shares the moving and often funny stories of the animals he's treated and the unique 'animal people' he has met along the way. He reflects on the valuable lessons of Integrity, Care, Love and Hope that they have taught him - lessons that have sustained him through the unbelievable highs and crushing lows of a profession where lives are quite literally at stake. As Noel explores what makes us connect with animals so deeply, we meet Peanut, the world's first cat with two front bionic limbs; eight-year-old therapy dachshund Olive; Odin, a gorgeous five-year-old Dobermann, who would prove to be one of Noel's most challenging cases - and of course his beloved companions Ricochet, the Maine Coon, and Keira, the scruffy Border terrier who is always by his side.
