Epistles, and concluding with Hebrews, 1 Peter, 1 John, and the book of Revelation, Matera provides a comprehensive overview of how the different writings of the New Testament proclaimed the resurrection of Jesus Christ. Written in a clear and accessible manner, Matera presents readers with a way to understand the central message of the New Testament and of Christian faith: God raised Jesus from the dead. Building on this message, he shows that the resurrection of Jesus enables and empowers believers to live in the world today and provides them with the assurance that God will raise them from the dead as well.

Born 1 Die 2 . Born 2 Die 1 Mar 22 2022 About the Authors: Frank and Joanne Mitchell are new writers. This now published work has been anticipated for some years. Frank and his wife Joanne lives in South Florida with their 4 children and grandchildren. After accepting Jesus Christ in 1983, Frank has been studying God's Word. Over the years, little by little he began to learn more and more about God's Word. As he studied, he began to learn how much he didn't know and how much it was to learn. It was like discovering a New Frontier. Realizing that he had been given an unending desire and urgency to see people born again by accepting Jesus Christ as their Lord and Savior and worshipping Him, he had an urgency to present to others an opportunity to see what he saw (The Love of God) in a simplistic form. It wasn't until 2013 that he finally began to put his thoughts and feelings down on paper in the form of this book, BORN 1 DIE 2.BORN 2 DIE 1. He believes that he is being used as a vessel to deliver God's message of Salvation to anyone that is not saved and maybe a little clearer understanding to those who are saved. Frank led an adult Bible study in 2011 at the church where he and his wife Joanne regularly worships. He and Joanne have been Middle School Bible table leaders since 2012 until presently. Frank has been a volunteer campus coach for First Priority of South Florida since 2013 until presently. He works with public schools in the South Florida area .In 2015 he has

involved with Fellowship of Christian Athletes. Joanne's experience as a believer was at a much younger age when her parents allowed a missionary whose name was Ms. Bergman to have a Bible study in their home where Joanne eventually made a decision to accept Jesus Christ at the age of 13. Joanne has been extremely instrumental in looking up and checking scriptures for this book. Frank and Joanne believes that everyone should be presented with an opportunity to decide if they prefer to be Born 1 Die 2 or Born 2 Die 1. This means that when you come out of your mother's womb, you are born one time. If you are never Born again by accepting Christ you will die once when you die a physical death and you will already be spiritually dead, Die 2. You are born once and you will die twice. If you are Born again by accepting Christ, you will die a physical death but you will not be dead spiritually. You will be born twice and you will only die once, if you make that choice. "And as it is appointed unto man once to die and after this, the judgment" (KJ, Hebrew 9.27).

Insurgence Apr 23 2022 Why does the allegiance that radical terrorists give to their false cause exceed the allegiance that most Christians today give to Jesus Christ? In *Insurgence*, bestselling author Frank Viola presents a radical proposal for Christians. Namely, that we have lost the explosive, earthshaking gospel of the kingdom that Jesus, Paul, and the other apostles preached. Viola argues that we've lost this dynamic, titanic, living gospel and exchanged it for a gospel of religious duty or permissiveness and "easy believism." In today's politically charged era, Christians on the progressive left as well as the conservative right both equate their particular viewpoints with the kingdom of God. Viola challenges and dismantles these perspectives, offering a fresh and revolutionary look at the gospel of the kingdom. Viola writes with gripping power, challenging Christians to embrace an unparalleled allegiance to Jesus Christ and his kingdom. This high-octane message is being reclaimed today, launching a spiritual insurgence.

Jesus Jul 26 2022 Jesus says, "The Scriptures point to me!" (John 5:39 NLT). But what does that mean exactly? The twenty-seven books of the New Testament are largely a commentary on the Old Testament, and each part of the Bible is a signpost to Jesus. Once this is properly understood, everything changes, including our own identities. In this magisterial work you will discover a Jesus who is larger, more glorious, and more challenging than most of us have ever imagined. Biographies of Jesus generally have been written by those trying to investigate the historical Jesus with little attention given to the grand narrative of Scripture. On the flip side, those interested in tracing the theology of Scripture are typically disinterested in historical Jesus studies. These two approaches have yet to converge...until now. Jesus is written for the average reader as well as scholars. Leonard Sweet and Frank Viola (authors of *Jesus Manifesto*) unfold the greatest story ever told in a fresh and invigorating way. So whether you are a seasoned Christian, a new believer, or someone who is intrigued by Jesus, this book unveils the discoveries of a lifetime, transforming the tired and familiar way we have read the Bible into an electrifying journey of rediscovering Christ. Introducing a new kind of Jesus biography. In this compelling work, authors Leonard Sweet and Frank Viola reclaim the entire Bible as a gripping narrative about Jesus Christ. Virtually every other "Jesus biography" begins with the nativity account in Bethlehem. In this groundbreaking book, Sweet and Viola begin before time, in the Triune God, and tell the complete interconnected story of Jesus from Genesis to Revelation. *Jesus: A Theography* is the first book ever written to combine historical Jesus studies with biblical theology, crafting together one breathtaking saga that tells the Jesus story in both Old and New Testaments. This flagship book demonstrates clearly that every bit of Scripture is part of the same stunning drama, what the authors refer to as the theography of Jesus Christ.

1962 Edition. Full facsimile of the original edition, not reproduced with Optical Recognition Software. Sheed's concern with the Gospels is to come to know Christ as he actually lived among us and as he interacted with all the various people he encountered from his infancy to his passion and death. Sheed attempted to show Jesus through his effect upon others--seeing how they saw him, trying to see why they saw him so. There is much about Mary and Joseph in their task of bringing up a Jesus; about John the Baptist; about Mary of Bethany and Mary Magdalen; about Nicodemus; about people we meet only for a moment, like the man born blind and the owners of the drowned swine; and why the Pharisees, not only the worst of them but some of the best, would not accept Christ. Faith, doctrine, prayer, worship--all the content and consequences of Christian belief--rest on the person of Christ Jesus as recorded in the Gospels. In this classic study, Frank J. Sheed employs wide learning, theological sophistication, spiritual insight, and a lucid style to bring the reader to a personal encounter with the living Lord. Sheed had a distinguished career as a publisher, lecturer, street-corner evangelist, and popular writer. He and his wife Maisie Ward were the founders of the publishing house Sheed & Ward.

New Testament Christology Nov 18 2021 How should we understand the Christ of the New Testament? As She Is Dying Jan 08 2021 Ask any Appalachian the question, "When is Appalachia most beautiful?" Every Appalachian will answer, "During autumn, when the leaves of Appalachia's trees are dying." Appalachians believe the beauty of their landscape is almost heaven. With the honor of officiating nearly 1000 funerals, Pastor Kevin Cain offers life in the midst of death. In *As She Is Dying*, Kevin Cain writes, "I have given my life to bring hope to a people who have little reason to hope. Maybe Appalachians have allowed our hills' majesty and grandeur to blind us from coal dust and addiction. Yet, I do see hope. I see hope in what is dying. I see hope in what is dead. I see hope in what remains. Yes, death has the keen ability to either clear up, cover up or stir up. Still, sometimes we must descend in order to turn into

She Is Dying is a book about death that offers stories of life. In these pages, you will find a little bit of wisdom, some stories of hope, and the eulogizing words of my mouth and the meditations of my heart which I trust have been acceptable in the sight of my strength and my Redeemer. Somehow and somewhere in death, hope must be discovered. Maybe, through the literal metaphor of Appalachians' deaths, you can see life. Some were reconciled long before their deaths. Some were reconciled just prior to their deaths. And, others were reconciled in the midst of death. There is hope for all...hope's breath, even in death."

Another Unbelievable Story from Frank Apr 11 2021 They thought Jesus Christ wasn't going to show up even in these extreme apocalyptic conditions. What is unbelievable is he's been here for sixty years, and another unbelievable story is I've known it for 40 of those Sixty years. Another unbelievable story is he looked like the man who is on the most studied artifact in the world, the Shroud of Turin. He was revealed by the Father, who was the only person that was to know of that day and of that hour and who he was going to be. The Marines and Army contacted me in 2007 and I began to tell them the scriptures concerning the Second Coming of the Lord Jesus Christ and the fact that Jesus Christ wasn't coming alone-the Father was Coming with Him. Another unbelievable story, Godless China believes in the whole concept of Jesus Christ being born again. Gradually, other Countries were coming to see this reality. And if that's not unbelievable enough, this is true and honest account of the work I did alongside the Military and Intelligence concerning the event known as the "Day of Visitation."

Jesus Christ after Two Thousand Years Mar 10 2021 This work proposes the model of translation for the incarnation. According to this model, in Jesus Christ the eternal Word of God was translated into human flesh and form. Thus in Jesus Christ the invisible became visible, the inaudible became audible, the intangible became tangible, and the impalpable became palpable (cf. I John 1:1-4). This translation is brought about inasmuch as the heart of Jesus is the heart of the Word-made-flesh because it is the heart-of-the-Word made flesh. Christ. The very being of the Word is thus expressed for us in the humanity of Jesus. That humanity is taken up into and hypostatically united to the Word of God through the medium of Word-consciousness, namely the consciousness in the human mind of Jesus of being the Word expressed in human form.

The Day I Met Jesus Jun 25 2022 Two thousand years ago, Jesus Christ met face-to-face with people just like you. Broken, imperfect, sometimes fearful and without hope. The Day I Met Jesus is a beautifully crafted narrative that chronicles the remarkable encounters of five women in the Gospels who were desperate to find wholeness, security, and purpose. Like all of us, these women struggled with the regrets of their pasts, the stresses of their presents, and the worries of their tomorrows. Join Frank Viola and Mary DeMuth on a fascinating journey back in time as they retell the dramatic accounts of five women who met Jesus. Each narrative is told from each woman's unique perspective, yet tightly grounded in the Gospel accounts and faithful to first-century history. Elegantly written and profoundly stirring, this book blends creative narrative with uncommon insight, spiritual depth, and practical application. If you are someone who seeks a renewal of hope, faith, and love, The Day I Met Jesus will make your Bible come to life and usher you into a fresh encounter with your Lord.

Spiritual Warfare for Lost Loved Ones Feb 09 2021 To Bring Those You Love to Christ... People often ask us as we travel to minister, "What can we do about family members? What can we do about friends and loved ones that are lost, or living a life of sin and taken over by the devil?" This question concerns the people in your life who are outside the family of God, but who do not want any help. They are simply not open for direct ministry. Through spiritual warfare, intercessory prayer, and the ministry of love, we are able to help create the best possible environment around a loved one to come to know Jesus. But we must not lose our closeness with the Lord in the process, as these situations can be quite challenging to our spiritual walk. Using the wall-building example of Nehemiah, and insights from the Book of Jude, Frank Hammond explains the importance of edifying those around us as a means of leading them into a direct relationship with Jesus Christ. Frank Hammond says: "Remember that the Lord Christ is with you. The Lord is strong; the Lord is mighty; He is the Lord of hosts, the Lord of armies. He will fight in your behalf. Get in the battle and don't let your family or friends go down without resistance. Put up resistance and fight for your loves ones "

he draws from the insights he gleaned from the Lord, friends, and writers during his darkest days. Simple Gospel, Simply Grace Jun 20 2019 "We're all natural-born legalists," says author Bob Christopher. "We try to live for God, but it's impossible to do." Why? Because all our efforts and ideas are based on the same fear-based, guilt-driven plot line: Try harder. As you've undoubtedly noticed, it just doesn't work. *Simple Gospel, Simply Grace* showcases an alternative, which is actually God's original plan: Everything you're trying to achieve in the Christian life has already been given to you—from God, by grace, in Christ. Do you struggle to receive what God has freely given? How can you begin to experience true freedom, assurance of your forgiveness, and victory over sin? How can the power that raised Jesus from the dead enable you to live and love the way He did? You'll discover the answers in this crystal-clear portrayal of the simple gospel—which is simply grace.

Theology of the New Testament Feb 21 2022 Studying the theology of the New Testament can be a daunting task, even to the knowledgeable Bible student or pastor. Each of the twenty-seven books, written by various authors, has its own theological emphasis and nuances. How do we elicit a coherent

such theological diversity, especially given that some of the theological statements in the New Testament seem to be at odds with one another? Is such an endeavor achievable or even valid? Theology of the New Testament takes a balanced approach in response to these challenges. Frank Thielman presents a theology of the New Testament that is careful to take into account the cultural and historical circumstances surrounding each book and the New Testament as a whole. He not only examines each book's theological content individually, but also in relation to the rest of the New Testament, particularly within each of the three theological units that comprise the New Testament: the gospels and Acts, the Pauline epistles, and the general epistles and Revelation. This canonical and synthetic approach honors both the theological diversity of the various books and the theological connections between the books. In the end, Thielman finds a unified theological vision of the New Testament, anchored in the centrality of Jesus Christ. Frank Thielman's *Theology of the New Testament* is an outstanding achievement. The book is marked by scholarly depth, exegetical rigor, and theological profundity. Both students and professors will profit immensely from this lucid treatment of the theology contained in the New Testament documents. Thomas R. Schreiner Professor of New Testament, The Southern Baptist Theological Seminary An accessible presentation of the key theological points of the New Testament books by an accomplished New Testament scholar and teacher. Its clear style, lucid organization, and sound theological insight make it a prime resource for serious students in both the academy and the church. Karen H. Jobes, PhD Associate Professor of New Testament, Westmont College
