Yet she was inspired to appreciate literature at a young age, and she spent her days reading—and also often searching for the estranged father who taught her that love of learning. Despite starting in the “slow class” at an aging school on Cleveland's east side, Lyles had a thirst for knowledge and drive for success that would open a door to new opportunities. Granted a scholarship to a prestigious prep school in a wealthy suburb, the vibrant teenager finds herself presented with a bewildering set of new challenges—and a new direction in life.

God In Our Midst Dec 27 2019 In relishing and taking full advantage of the room the biblical text leaves for the imagination, Trevor Dennis has produced a beautifully crafted collection of poetry and prose that releases the power of the gospel story afresh. Not only does he pay careful heed to the women of the Gospels, he also seeks to enter into the minds of those 'on the other side' in material written from the perspective of Pilate, 'the Jews' and someone who is fighting against the uncomfortable truths of Good Friday.

An Actor's Work Jul 14 2021 Stanislavski's 'system' has dominated actor-training in the West since his writings were first translated into English in the 1920s and 30s. His systematic attempt to outline a psycho-physical technique for acting single-handedly revolutionized standards of acting in the theatre. Until now, readers and students have had to contend with inaccurate, misleading and difficult-to-read English-language versions. Some of the mistranslations have resulted in profound distortions in the way his system has been interpreted and taught. At last, Jean Benedetti has succeeded in translating Stanislavski's huge manual into a lively, fascinating and accurate text in English. He has remained faithful to the author's original intentions, putting the two books previously known as *An Actor Prepares* and *Building A Character* back together into one volume, and in a colloquial and readable style for today's actors. The result is a major contribution to the theatre, and a service to one of the great innovators of the twentieth century.

They need Jasmine's help to discover what it is that has turned the inhabitants of Cuba into rabid killers. Jasmine's quest to find a cure for this new plague, as well as for her own madness, draws her across the fractured continent of America and into the darkest recesses of her own past.

A More Perfect Union Jan 28 2020 Hana Schank had never given much thought to her wedding, or even really imagined herself married, so when she found herself suddenly sporting a brand-new engagement ring she assumed planning a small, low-key wedding would be no big deal. But soon she finds herself adrift in Wedding Land, a world where all brides are expected to want to look like Cinderella, where women plan weddings with fantasy butterfly themes, where a woman's wedding is, without question, the Happiest Day of Her Life. Despite her best efforts not to become a Bridezilla, Hana finds herself transformed from a thirty-year-old woman with a 401(k) into a nearly unrecognizable version of herself as she spends weeks crafting save-the-date cards, worries about matching her cocktails to her wedding colors, and obsessively reads Martha Stewart Weddings magazine. She decides that, if she is going to follow traditions like wearing white and walking down the aisle with flowers, she at least wants to understand why. In her search she turns up interesting wedding facts: bridesmaids, for instance, were originally recruited to confuse evil spirits. Ultimately, she casts a critical eye on the \$72 billion wedding industry, from the women at wedding websites who cackle over the etiquette missteps of others to wedding magazines that provide checklists of 187 tasks to plan the perfect wedding, suggesting that to have anything less is to fail as a bride, as a woman, as a wife. Part confessional memoir, part social critique, *A More Perfect Union* chronicles a year in Wedding Land, capturing as it does not only the stresses but the undoubted joys of becoming a bride.

Nico makes her look tame. Girls like me want a guy as nerdy as them. Girls like me need a nerd on the streets and a beast in the sheets, but guys like that are practically impossible to find. So, maybe one night won't hurt? Or two. Nico and I are all sorts of wrong for each other. Sure, the guy makes me scream his name in absolute ecstasy. But the rest of the time I want to smash my keyboard over his cocky head. And that's really not conducive to a healthy relationship. If only the man who was a beast in the sheets was a nerd on the streets. If only we had something in common. I need a little nerd in my man and Nico Daniels is anything but nerd. Isn't he? Nico I hated roleplay. I was bad at it. So, what's my new job? Play the jarhead security guard to some pixie who's got herself into a world of trouble with some shady online shit. The big boss likes his security to look the part. My boss likes to keep him happy. So, it's Converse and nerdy t-shirts off, and tailored suits on and contacts in. Because the tech guy isn't quite so scary. Raegan Lane wasn't just in a world of trouble, she was in danger of troubling my strict, orderly world. The guy who's lived behind computers hasn't needed game in a long time, but this little nerd makes me want more than just a couple of games nights. She makes me want everything. But I've hidden from the world for so long, I've forgotten how to human. Every time I think I've worked out how to open up to her, all my walls slam back into place. My nerd side has never been what's got ladies into bed - I've picked up a thing or two from my team mates. But that's the side this nerd queen would love, if only I'd let her know it. She's the code that could crack all my firewalls, but I'm not sure I know how to be the real me and be a guy someone could love. To keep her, I'm gonna need to let my nerd light shine bright.

Hawk & the Lady Sep 28 2022 Leah I didn't belong in their world, but I made a good show of pretending I did. Mother and Father expected it. All I wanted to do was get a cosy cottage in the suburbs and live with my million cats. What I got instead was suitor after suitor paraded in front of me and the threat of a looming engagement. So, what else was a girl to do? After bumping into Mrs

Fortescue's 'companion' one too many times, I decided he'd do. Mother and Father wanted an engagement? They'd get one. Except I'd be the one having the last laugh because Patrick is the total opposite of what my parents want in a son-in-law - his nickname is Hawk for goodness' sake - and I have no obligations to him in any department. But of course, the best laid plans make fools of us all and it's not long before I want him to hold me accountable only to him in EVERY department. There's just the small problem of him being completely unsuitable and without any inclination to settle down. If there's one thing I know about men, it's that it takes a remarkable woman to tame them. I know I'm a remarkable woman. I only hope it's not too late for this lady to tame her hawk. Patrick If there's one thing that makes a guy reconsider his womanising ways, it's seeing his best mate and his little sister settle down. If there's another, it's a gorgeous woman in a stunning red dress. But she's a part of a world I can only pretend to fit into and she's a damned lady - elegant and sophisticated - and she's totally off-limits to a grunt like me. Every time we meet, there's a look in her eyes that suggests she's far less sophisticated than she'd have me believe. And it's not long before this hawk is close to begging to relinquish his freedom, even just for one night. So, how could I say no when she needed my help? I was expertly qualified to serve, and if I got to be myself for once that was just icing. But the more time I spend with her, the more I want to be around her. The more it feels less like a job and more like something real. There's just the small problem of her being an heiress with obligations that don't include me and the job will only last so long. I don't know a lot about ladies, despite my remarkable ability to play a part. All I know is there's always more underneath the mask, and there's only one lady who can tame this hawk.

Da Nang Diary Jun 20 2019 "[An] intimate account of a Forward Air Controller working with the Special Forces on their secret operations in South Vietnam and Laos . . . Don't miss it!" (John Prados, author of Storm Over Leyte). Originally published in 1991, this classic work has now been revised and updated with additional photos. It is the story of how, in Vietnam, an elite group of Air Force pilots fought a secret air war in Cessna 0-2 and OV-10 Bronco prop planes—flying as low as they could get. The eyes and ears of the fast-moving jets who rained death and destruction down on enemy positions, the forward air controller made an art form out of an air strike—knowing the targets, knowing where friendly troops were, and reacting with split-second, life-and-death decisions as a battle unfolded. The expertise of the low, slow FACs, as well as the hazard attendant to their role, made for a unique bird's-eye perspective on how the entire war in Vietnam unfolded. For Tom Yarborough, who logged 1,500 hours of combat flying time, the risk was constant, intense, and

electrifying. A member of the super-secret "Prairie Fire" unit, Yarborough became one of the most frequently shot-up pilots flying out of Da Nang—engaging in a series of dangerous secret missions in Laos. In this work, the reader flies in the cockpit alongside Yarborough in his adrenaline-pumping chronicle of heroism, danger, and wartime brotherhood. From the rescuing of downed pilots to taking out enemy positions, to the most harrowing extended missions directly overhead of the NVA, here is the dedication, courage and skill of the fliers who took the war into the enemy's backyard.

These days when Rosie walks the Lane, it's on the orders of the man who owns it. The man who owns her—Joshua King. A bet gone wrong ties her to him, serving as the collateral Brandon didn't have. For Brandon the guilt is a white-hot brand, but Rosie can't bring herself to regret it completely. The safety of those she loves is worth the sacrifice. Now King's called Brandon back to town early and given Rosie one last job to do before they're free. Nothing—not even King—will keep Brandon from Rosie, not after three years of simply existing without her. Orphan Justice Dec 07 2020 Christians are clearly called to care for orphans, a group so close to the heart of Jesus. In reality, most of the 153 million orphaned and vulnerable children in the world do not need to be adopted, and not everyone needs to become an adoptive parent. However, there are other very important ways to help beyond adoption. Indeed, caring for orphaned and vulnerable children requires us to care about related issues from child trafficking and HIV/AIDS to racism and poverty. Too often, we only discuss or theologize the issues, relegating the responsibility to governments. No one can do everything, but everyone can do something. Based on his own personal journey toward pure religion, Johnny Carr moves readers from talking about global orphan care to actually doing something about it in *Orphan Justice*. Combining biblical truth with the latest research, this inspiring book:

- investigates the orphan care and adoption movement in the U.S. today
- examines new data on the needs of orphaned and vulnerable children
- connects "liberal issues" together as critical aspects of orphan care
- discovers the role of the church worldwide in meeting these needs
- develops a tangible, sustainable action plan using worldwide partnerships
- fleshes out the why, what, and how of global orphan care
- offers practical steps to getting involved and making a difference

Now, in *The Zen of Zim*, one of baseball's most beloved figures offers readers an insightful look into the baseball of yesterday and today. Baseball fans will love hearing Zim's positions on such things as pitching inside, managing, bosses, and more. With more than fifty-six years in baseball, Don Zimmer had seen it all, or so he thought before he ran into George Steinbrenner. Here Zimmer provides a revealing account of his eight years as Joe Torre's right-hand man-and the jealousy, vindictiveness, and pettiness that ultimately destroyed a twenty-five-year friendship with Steinbrenner. Zim will also discuss the circumstances that led to his charging onto the field at Fenway Park and throwing a haymaker at Boston Red Sox pitcher Pedro Martinez. He'll share with readers what it was like to work for other baseball owners; shed new light on general managers like Branch Rickey and Dan Duquette; and critique the managing styles of some of the most famous and notorious skippers of the twentieth century, from Casey Stengel and Earl Weaver to Gene Mauch and Billy Martin. In a chapter called "What Have They Done to My Game?," Zim will offer a crash course in baseball anthropology, describing how the game and its players have changed over the past fifty years and showing how big money and free agency have destroyed clubhouse camaraderie and turned a team sport into a transient game. In contrast, he celebrates his close-knit teammates on the 1955 Brooklyn Dodgers team and the lifelong friendships that were made. Zim has seen it all, and here readers learn even more of his life and dreams and of baseball through a half century of experience. It is a story jam-packed with laughs and anecdotes, with excitement and comedy. And it is superbly told.
