Bleiche Stille Aug 23 2019 Anita Blake verbeißt sich in ihre Arbeit, denn es wird ein harter Tag werden. Allerdings steht sie vor zwei Aufträgen, die selbst sie an ihren Fähigkeiten zweifeln lassen: Sie soll einen ganzen Friedhof mit zweihundert Jahre alten Gräbern erwecken und zugleich herausfinden, wer drei Teenager bestialisch ermordet hat, mit einer Mordmethode, die selbst ihr völlig unbekannt ist ... und das will etwas heißen!

Reluctant Necromancer Nov 18 2021 I thought solving crimes as a witch and leaving my necromancy out of it would make my job simpler. Not easier, just simpler. I was wrong. Dead wrong. Kelsey Pine, Agent for the Tennessee Bureau of Investigation. I have the title I've always wanted, but that mantle has cost me dearly. As the primary witch coordinating with local law enforcement, I'm stretched to my limit every day, and it's only getting worse. The minister of my witch clan is determined to either force my loyalty or make my family suffer for my defiance. Each homicide calls to my necromancy, begging me to unleash it and prevent further deaths. Ironic, that. Meanwhile, I'm running around putting out fires all over town. Yes, literal fires. Someone is torching people in the magical community, leaving a trail of charred victims in their wake. It would be great to catch this arsonist-murderer before the body count goes through the roof, but at this point, I'll be lucky if half of Nashville is left standing by the time we can save enough evidence to identify the killer. I'm finding it harder to justify playing by the rules, even though it's my rulebook. But using my forbidden powers to solve this case may send my whole life up in flames.

A Witch's Halloween Dec 19 2021 Halloween: full of tricks, treats, and the occasional magical homicide. All Michelle Oaks wanted was some rest and relaxation with her fiancé, Elron, away from the chaos and stress of planning her wedding. No such luck. Not when the bride is the future premier of the witch clans, the groom is an elf, and the in-laws haven't officially acknowledged the 21st century. It's nearly Samhain, the time of year when the veil between the living and the dead is thinnest. Magical fixers in northern Georgia are in short supply, and the local authorities are unable to combat the rising number of otherworldly incidents and ask her to assist. By the time Michelle has a chance to mourn her lost vacation, she's already working with the police in pursuit of a supernatural killer with no discernible pattern of attack. Its damage, however, is widespread. The dead are resting in pieces, not in peace. Bystanders wander around in a drunken haze, unable to speak of the crimes they witnessed. Michelle faces a strange, powerful magic she's never encountered before. It's up to her to understand its origins and to end the mayhem before the perpetrator strikes again. Because if this case messes with her Halloween party, there will be hell to pay.

Ein Tag, eine Nacht Jan 28 2020 "Man hört förmlich das Ticken der Zeitbombe." Hot Summer Reads, New York Post Schwarzer Freitag für Helen und Tom: Binnen vierundzwanzig Stunden gerät das Fundament, auf das die beiden ihr Familienleben mit zwei quirligen Zwillingmädchen gestellt haben, gefährlich ins Wanken. Nicht nur Schulden, Schlafmangel und Zeitnot fordern die beiden. Tom trägt zudem ein Geheimnis mit sich herum. Mit seiner früheren Chefin Donna hat er ein weiteres Kind. Als Donna einen Neuanfang in Europa wagen möchte, spitzen sich die Ereignisse Stunde um Stunde zu und Tom steht vor der schwersten Entscheidung seines Lebens: Soll er seine Tochter aufgeben oder Helen von ihr erzählen und damit vielleicht alles verlieren, was ihm wichtig ist?

Oceanside Sep 04 2020 Years after suffering a devastating loss, Robert has built a good life. It isn't overflowing with happiness or joy, but he's content with his jewelry business, house near the ocean, and daily walks on the beach. Rather, he was content until one blustery day when he meets a woman playing in the shallows. Celia reminds him of his past and the joy he lost. Her enchanting smile and love for the ocean give him hope that life could be more than one mildly satisfying day after another. When she vanishes, he watches the waves, and waits. He knows her secret, the one that could be keeping her away, and has a secret of his own. Will their secrets draw them together or tear them apart?

A Witch's Rite Jun 13 2021 Michelle is getting used to her new life, one with clans, parents, a loving grandmother, and a boyfriend. But her old responsibilities are still around. The police still need her help, and balancing all her obligations is becoming more difficult, but police cases won't wait for anyone, and when the police call, she has to answer. It starts out like any other case. Suspicious magic has been reported, and the police need Michelle to help them check it out. When it turns out that the magic is deep in the Cohutta Wilderness Area, Michelle asks Elron to accompany her. It isn't long before she's learning just how much she doesn't know about the woods. When that small problem turns into a really big problem, spells are flying, danger is everywhere, and only one question remains. Will they escape alive?

A Witch's Path Aug 15 2021 After a near death experience, Michelle has vowed to do her job, magical assistance for the police, and leave the heroics to someone else. Besides, life should be settling down for her since the trolls have been captured and the sorceress was neutralized. Unfortunately, the power behind the sorceress wants her dead, Elron starts acting funny, a magical creature wreaks havoc on a town, and there's trouble with the werewolves. As if that wasn't enough, the clans have started to notice her power and she

has more reasons than ever to fear the clans. Things go from bad to worse when Michelle's best friend is abducted, and she must decide between her friend and her vow to stay out of dangerous situations.

It's all in the WerePears Apr 11 2021 Werepear pies: delicious pun or terrifying truth? On the first harvest of the season, I finally get my chance to run a crew picking werepears. This would be enough excitement for one night, but under the full moon, I see something in Josh's eyes I hadn't seen before. It's one of those pesky L words. One I'm not sure I'm ready to say. Not when life will force him to leave for college next year. Those L words are everywhere. And the pies won't pick themselves.

Michelle's Case Files Oct 25 2019 From the world of the Witch's Path series, Michelle's Case Files presents three short stories of mayhem that require a witch's help to combat magical problems. In "Trouble in the Neighborhood," Rodriguez calls Michelle when he gets reports of a creature frightening children. Together they must neutralize the monster before it does more than scare someone. In "Leather and Fire," what starts as a normal day gets strange when Michelle is called out to a farm in Pickens. It turns out you never know what magical creatures are living just down the road. In "Vacation Magic," Michelle faces wildlife that found themselves at the wrong end of a spell and discovers that not everything is what it seems.

Handyman for Hire Nov 06 2020 Logan had a perfectly good life, thank you very much, before the accident, before he was turned, before he woke up a vampire. These days he's an out-of-work handyman because Ellijay, Georgia, isn't exactly a thriving metropolis, and there isn't much work for a guy who's only available at night. He's spending yet another night at the graveyard, thinking of what was and what could have been and wishing life hadn't been so cruel, when a car wheezes into the parking lot. Logan may be down on his luck, but life isn't done with him.

Der lockende Ruf der grünen Insel Mar 30 2020 Als die junge Amerikanerin Danni nach zwanzig Jahren in ihre irische Heimat zurückkehrt, steht ihr geordnetes Leben plötzlich kopf: Auf Ballyfionúir sind Geister und Visionen so alltäglich wie die Gezeiten. Doch auch die dunklen Abgründe der menschlichen Seele machen vor der Insel nicht Halt.

A Witch's Magic Jan 20 2022 No rest for the wicked means no rest for good witches. Michelle thought ridding the world of demons would finally give her some time to rebuild her magical reserves, but fate has other plans. Someone has unleashed magical mayhem on her town, inflicting its residents—magical and mundane, living and inanimate—with all kinds of dangerous spells, and she's the only witch capable of containing the damage. She can't even have a date night with Elron without things going to the dogs. Dogs whose barking can send people flying across rooms, for starters. To add to her misery, the premier of all the witches has chosen Michelle to be her successor, but tragedy strikes before their plans can even start. Michelle's never wanted to be a politician, and navigating the treachery of the clans proves to be a deadly game—one that Michelle doesn't know how to play. As Michelle struggles to solve one witch-made emergency after another, the evidence mounts that a freak accident may actually be an act of mass murder. She needs to find enough reserves of magic within her to uncover a sinister plot before time runs out for everything—and everyone—she cares about.

Fireball Aug 03 2020 Starting a business helping police solve magical problems had seemed like a fine idea. Excitement and nerves had carried her through setting up the business, but now only the nerves were left. Days were passing, her phone wasn't ringing, and she didn't make money unless she worked cases. After days of waiting, Michelle finally gets a call. She races to the day care only to find fireballs flying through the air. And, witches burn just as easily as anyone else.

A Witch's Concern May 12 2021 Michelle has been figuring out what her life is like now that the demon has been killed, and Sylvia and Varro are dead. Even the clans of witches trying to attract her to their way of life have backed off and given her a chance to grieve. Her relationship with Elron is stronger than ever, but there are things left unsaid. On the way to her parents' wedding, the delicate calm she'd been living in is broken. Witches are out for her blood, her family is caught in the crossfire, and friendships are threatened. Work doesn't let up either, and she partners up with Elron to deal with magic gone wild. Michelle finds that her problems are larger than one clan of witches, and is forced to choose between the people she holds dear and the way of life she loves.

Technikfolgenabschätzung des CRISPR/Cas-Systems Jan 08 2021 Der gezielte Eingriff in die menschliche Keimbahn galt lange Zeit als Phantasma. Doch seit Beschreibung des CRISPR/Cas Systems als potentielle "Genschere" im Jahr 2012 scheint die Idee der präzisen Veränderung des Genoms menschlicher Keimzellen und Embryonen in greifbare Nähe gerückt zu sein. Während bereits mehrere Experimente mit dieser Methode an menschlichen Embryonen im Ausland publiziert wurden, ist jedoch die Diskussion um die medizinischen, ethischen und gesellschaftlichen Implikationen einer möglichen Keimbahntherapie längst nicht abgeschlossen. Dieses Buch umfasst eine detaillierte und kritische Betrachtung einschlägiger und nicht selten altbekannter Argumente in bioethischen Kontroversen und leistet deren Einordnung in den spezifischen Kontext der Debatte um einen Eingriff in die menschliche Keimbahn. Es beinhaltet eine profunde Nutzen-Risiko-Darstellung, die sowohl individuelle als auch gesellschaftliche Aspekte berücksichtigt, und bietet eine differenzierte Auseinandersetzung mit den unterschiedlichen Positionen in der Diskussion um die umstrittene Intervention.

A Witch's Demons Feb 09 2021 For months Michelle has known another demon would come after her. What she doesn't know is that it's already stalking her friends, hunting her colleagues. Instead, her attention has been focused on learning all she can about witch clans, the engagement ring on her finger, and why Elron won't set a wedding date. Elron has a secret, one he's afraid could ruin his relationship with Michelle. He knows the demon has arrived. He knows it's only a matter of time before it strikes. When a detective from a neighboring town calls Michelle, some secrets will be revealed, but will she discover the demon in time to protect the people she loves? Will she survive a fight not just for her life but for her very identity, the core of what makes her a witch?

Witch for Hire Mar 22 2022 Most witches don't work for police departments, but Michelle isn't your average witch. She's clanless, looking for a warlock who isn't offended by her lack of family connections, and in danger of losing her job if she can't find the eight escaped trolls before they start eating the local residents. Trolls, angry police, and misbehaving spells are the least of her problems. Statues attacking homeowners might be problematic for your average witch, but to Michelle it's another day at the office. Her real concern is the wizard suddenly interested in dating her and an old elf set on pestering her. When her happy family is rocked by a long kept secret her stable life falls apart faster than she can pick up the pieces. And she still hasn't found those trolls. *Witch for Hire* is a fun, humorous, urban fantasy novel featuring a strong female main character who's a sassy ass-kicking witch with an elf love interest. This modern witch stars in a coming of age story in a magical realism world. Readers of contemporary fiction, contemporary fantasy, supernatural mystery, women private investigators, supernatural sleuths, women detectives, dragons and mythical creatures, and action and adventure will love this story.

Begehrt von einem Highlander Dec 07 2020 Eine Liebe, aus Feuer geboren Schottland 1685: Als durch den Rauch und die Flammen des brennenden Klosters ein berittener Krieger auf sie zuprescht, ist Lady Davina Montgomery sicher, dass dies ihr letzter Augenblick auf Erden ist. Doch statt eines englischen Angreifers taucht der Highlander Robert MacGregor vor ihr auf und trägt sie auf seinen starken Armen in Sicherheit. Mit dem Kloster auch ihrer Zuflucht beraubt, ist Robert plötzlich ihr einziger Verbündeter. Und seine verführerischen Blicke lassen sie beinahe vergessen, dass ihr ein unbekannter Feind nach dem Leben trachtet ... Ein mitreißender Liebesroman vor der wildromantischen Kulisse der schottischen Highlands. Spirit Formed Jun 25 2022 Justice was seldom a pure and lustrous thing. Officially Shasta's job description is simple. Solve the case. Save the town. For a half elf, half witch, a deer problem should be easy to fix. Two weeks into the new case things get odd, even by Shasta's standards. Arrows bounce off attacking deer, evidence goes missing, and there's a suspicious lack of wildlife in the area. When mystery turns into something more sinister, Shasta and Cord must rely on each other to survive. But, when sacrifice is the only way, will she be strong enough to last through the pain and ensure justice is served? *Spirit Formed* is an urban fantasy adventure with a tough as nails heroine, a town of elves, and magic that will sink into your bones.

Accidental Necromancer Feb 21 2022 I hate it when the dead don't stay dead. I hate it even more when they don't realize they've died in the first place. Let's be honest: my first week on the job as the on-staff witch for the Tennessee Bureau of Investigation hasn't gone as well as I'd hoped. To start, my supervisor punched me in the face on day one, so that doesn't bode well for our relationship. A bunch of mutilated bodies have turned up across Nashville with magic signatures like nothing I've ever seen before, and there's a good chance my skills alone aren't enough to stop the carnage. What's more, the mysterious stalker I've had since high school has decided now is the perfect time to rekindle his affections. All of this would be bad enough if I were a normal witch—but I'm not. I'm a necromancer. Necromancy is forbidden, and it's an automatic death sentence for me if anyone finds out. The trouble is, I can't control my powers yet, and my secret may be the only way to catch the magical killer loose in town before the body count climbs even higher. I'm Special Agent Kelsey Pine. Witch. Necromancer. Any other problem needs to take a number and sit down. *Accidental Necromancer* is an urban fantasy book featuring a strong female lead, necromancy, magic, witches, and werewolves!

A Witch's Trial Oct 17 2021 When Michelle pulls an old book out of a fire, she finds answers and heartbreak. Armed with the identity of her enemy, Michelle goes after an evil that had vanished into lore. Meanwhile, Elron has succumbed to depression and the clans have declared war on Michelle.

The Golden Egg Oct 05 2020 After nearly losing her powers, a weekend getaway sounds just about perfect to Michelle. Elron has planned it all, from the bed-and-breakfast to the little town that caters to people like them who need a break from their lives for a few

days. The bed-and-breakfast is as lovely as promised, the town just as quaint, and the afternoon's entertainment is a scavenger hunt with a free dinner for two as the prize. But as they work their way through the clues, Michelle starts to wonder if partaking is a good idea. However annoying, it's only a scavenger hunt. What's the worst that could happen?

Earth Born May 24 2022 At twenty-two years old, Shasta Oaks finally has her first job with the family business, Oaks Consulting. However, instead of tracking down criminals, she's in the Dragon Lands of Wyoming, teaching adolescent dragons how to behave should they venture into the rest of the country. Some groups are better than others. The current lot is not better. In fact, they keep falling out of the sky. It's a good thing she's half elf, half witch, or she'd have some very squished dragons on her hands. With such a straightforward job, it could've been the solo assignment she requested. Instead, Oaks Consulting, or more accurately, her parents, gave her a partner. Cord is a perfectly nice elf, but he's hiding something. So is Shasta, a secret she's had her entire life. But when one of her dragons goes missing, Shasta quickly discovers the job isn't as safe as everyone thought. There's evil brewing in the Dragon Lands. If she wants to save the dragons, she'll have to embrace the parts of herself she's been hiding and show the world the real Shasta.
